- **Completion of the Goals and Directives:** _____
 - **Final Product the Committee Submitted:** _____
- **Board Dissolution (Date of Dissolution by Board):** December 13, 2010
- **Other:** _____

Please provide additional information, if needed.

The County has coordinated the provision of recreational sports with three major organized sports groups: Little League Baseball, Pop Warner Football, and Top of Florida Soccer to provide and oversee youth sports. These organized sports groups provide countywide continuity in how a given sport is administered and delivered.

**Advisory Committee
Dissolution Form**

Upon the completion of the goals and directives of the Advisory Committee, as stated in the Enabling Resolution, the Staff Support Person will notify the Agenda Coordinator, via completion of the Advisory Committee Dissolution Form, and the Advisory Committee will be dissolved (BCC Policy 03-15, Section 10).

Date of Request: December 14, 2010

Committee Name: Frenchtown/Southside Revitalization Citizens Advisory Committee

Effective Date of Dissolution: December 14, 2010

Staff Requesting the Dissolution of a Committee: Christine Coble, Agenda Coordinator

Type of Committee Being Dissolved: *Decision Making* _____ *Fact Finding* X

Reason for Dissolution:

- **Completion of the Goals and Directives:** _____
 - **Final Product the Committee Submitted:** _____
- **Board Dissolution (Date of Dissolution by Board):** December 14, 2010
- **Other:** _____

Please provide additional information, if needed.

The committee's goals overlap with several other well-established efforts that address the revitalization of the Frenchtown and Southside neighborhoods including the Community Redevelopment Agency (CRA)'s Frenchtown/Southside Revitalization Citizen Advisory Committee that provides guidance on project plans within the CRA. Staff recommended dissolution of the CAC to avoid confusion, eliminate duplicative oversight, and provide for a streamlined process to implement the goals and vision of the redevelopment plan.
