

**BOARD OF COUNTY COMMISSIONERS**  
**MEMORANDUM**

**DATE:** December 21, 2010  
**TO:** Don Lanham, Grants Program Coordinator  
**FROM:** Kimberly Wood, P.E., Chief of Engineering Coordination  
**SUBJECT:** Leon County Service Area #3 (Timber Lake Subdivision Flood Control)  
Additional Funding

---

The initial cost estimate for the Timber Lake Project was based on conceptual design. Since then the engineer has obtained survey and geotechnical information to be utilized during the design of the project. The additional information and engineering analysis has better define the project needs and limits, at which point the engineer provided a more accurate cost estimate, which has indicated a need for approximately \$400,000.00 of additional funding to construct the project.
