Re: Hazard Mitigation Grant Program (HMGP) applications for Florida Post-Disaster
Redevelopment Planning (PDRP) Initiative

Dear Ms. Meyer,

The Leon County Local Mitigation Strategy (LMS) Steering Committee endorses the Leon
County grant application for HMGP funding to create a PDRP for Leon County and the City of
Tallahassee.

This project is consistent with our LMS goals and objectives and it complements the LMS by the
provision of guidance and policies for long-term redevelopment following a natural or other
disaster.
