Subject: Joint City/County Health Insurance

This is to follow-up on our October 5, 2010 meeting with City, County and School Board representatives which included the City Manager, County Administrator and School Board Superintendent regarding the potential for a Joint Health Insurance Broker Program. At that meeting you indicated that Roger, Gunter, Vaughn would have a proposal to each of the respective entities by the 1st of December. To date, I have not seen such a joint program proposal. Leon County is in the process of planning an RFP for its Health Insurance Program for the 2012 calendar year. As such, if no joint proposal is currently available from RGVI, Leon County will move forward within the next few weeks with its own RFP process.

Your immediate response in this matter would be greatly appreciated.
Thanks!
