Ms. Johnson,

GEM staff has reviewed the request to abandon the referenced portion of "Washington Street" located in the Woodville Terrace Subdivision. We have determined that the abandonment of this portion of the right-of-way would not adversely impact the parcels directly adjacent to this right-of-way. To our knowledge, these right-of-ways within the Woodville Terrace Subdivision have never been constructed. Therefore, staff has no objection to the abandonment of the westerly 575 foot area of the right-of-way within the Woodville Terrace Subdivision known as "Washington Street".

Madelyn
It is OK w/CAO. 12/17/10
At some point we should
abandon the entire plat, or re-
plat it into a boundary plat so
as to eliminate all the individ-
lots too, just in case.
