I did indicate to Commissioner Maddox's staff person, Keily Griffin, that I am interested in being re-appointed. I don't know if Commissioner Maddox has made a decision yet on whether or not to nominate me. I assumed that he would have to make that decision before my reappointment would be placed on the agenda.

Good afternoon, Gentlemen. Christine Coble is updating her Citizen's Committee files, and is requesting a response from you indicating whether or not you wish to continue your appointment to the SAC when your term expires this year. An email response will suffice.

Thank you,
