Good Day Christine:

Mr. Phil Blank's BOAA Board member appointment is scheduled to **expire** 6/11. Consistent with the adopted BOAA By-Laws in 2008, Mr. Blank will have exceeded the allowable number of BOAA appointments (whether appointed by the City or County) when his term expires June of this year.

I can conduct the standard county BOAA member orientation for the 'new BOAA appointee' in July, in our usual manner. Please let me know how I may be of assistance regarding this matter.

Thanks.

Did you know that most homeowners can easily add an accessory dwelling unit to their existing house? Leon County allows both attached and detached accessory dwelling units. Applications fees are low, the review process is quick, and in most instances, the applicable standards are easy to meet. Please contact the Development Services Division for additional information at 850-606-1300.
