

Community Health Coordinating Committee

Responsibility:

- Monitor and bring awareness of the health status of Leon County utilizing data from the Florida Department of Health CHARTS (Community Health Assessment Resource Tool Set)
- Strengthen partnerships for collaboration and engagement to address issues of concern
- Develop and maintain an inventory of community-based health services and programs
- Inform the Board of healthcare reform development and other health-related legislation that may impact the health of its citizenry and overall community
- Identify and pursue alternative funding sources to expand access to indigent healthcare services
- Provide a forum for citizen participation in health care planning and dialogue to address community concerns and problems regarding health care
