Douglas Dane has served on the Leon County Value Adjustment Board as the citizen representative appointed by the Leon County Board of County Commissioners for the past three years. His term expired on February 28 of this year.

The Value Adjustment Board will be meeting soon (late July/early August) for its organizational meeting. The BOCC will need to either reappoint Mr. Dane, who has expressed a desire to continue serving on the VAB, or appoint his replacement.

VAB Counsel Jon Moyle and I recommend to the BOCC that Mr. Dane be reappointed. As a licensed and experienced local real estate appraiser, his credentials are quite valuable to the citizenry of Leon County. This year, in particular, his continued service is needed to provide continuity on the VAB given that the three elected officials (one School Board member and two County Commissioners) who have served on the board in the past are now replaced with new members.

Mr. Dane's application is attached for consideration.
