Re: Leon County Redistricting

Dear Mr. Landry:

Thank you for meeting with us Wednesday afternoon. Through this letter, we are formally providing you with a copy of the proposed Redistricting Map for Leon County pursuant to the results of the 2010 Census.

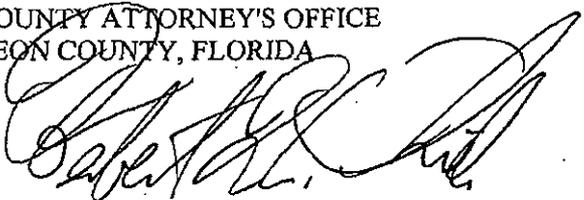

After your review of same, please relay any concerns you, or your legal counsel, might have with the proposed map and Leon County's plans to move forward with a Motion for Modification of Final Judgment to approve said maps. As we indicated, it is the County's intent to set this map depicting the new district boundary lines for public hearing and adoption by ordinance on June 14, 2011. Thereafter, the County will submit the map to the federal court for its consideration and approval.

However, should the NAACP have any concerns with these proposed new district boundary lines, we are prepared to resolve same prior to formal adoption of the ordinance on June 14, 2011 by the Board of County Commissioners.

Again, thank you for meeting with us, and should you have any questions or need additional information, please contact the Leon County Attorney's Office.

Sincerely yours,
