**Date:** 7/4/11 10:48 AM  
**Subject:** Reappointment

---

Liz Maryanski has asked that she be reappointed to the EFA. She is currently serving as Vice Chair of the Authority. As such, she participates in most committee meetings as well as the general membership meetings. She is a tremendous asset to the Authority and I think I can say she is warmly regarded by the other members. She is also a positive link in the liaison between FSU and the Authority. I value her advice and counsel on many issues.
