

Leon County Board of County Commissioners

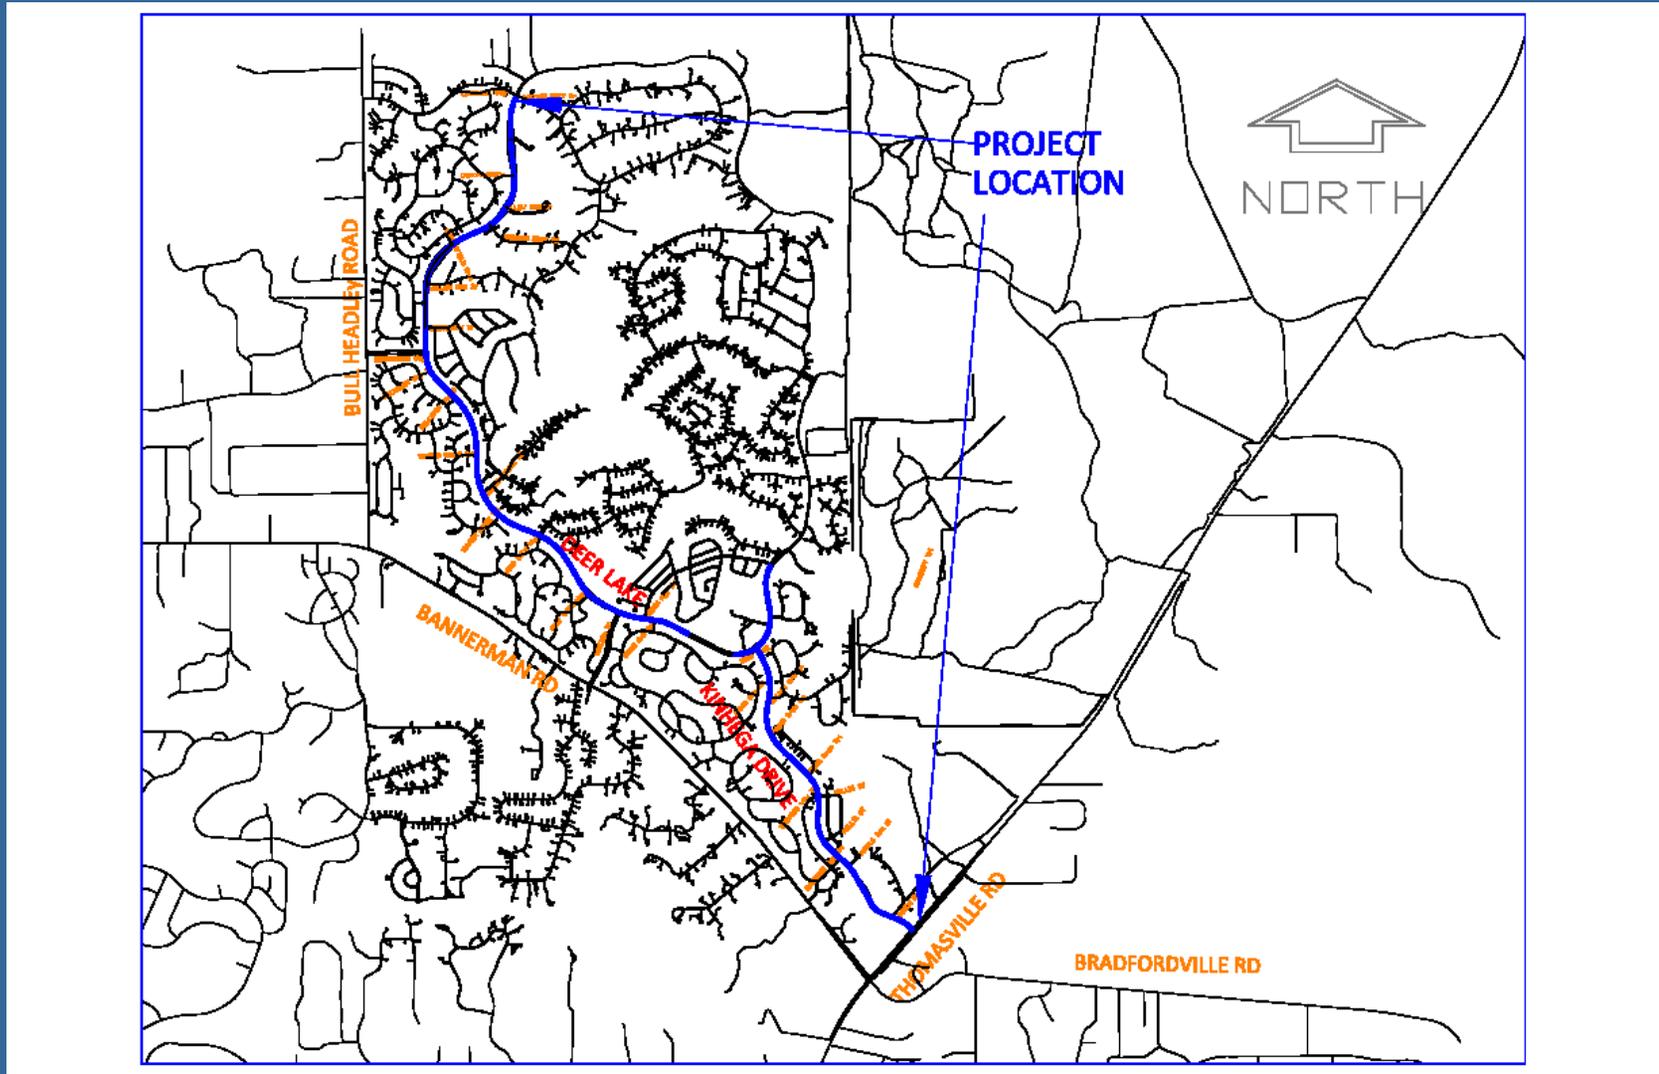

Killearn Lakes Sidewalk Construction and Traffic Calming

Kinhega Drive and Deer Lake Road

CONSTRUCTION SCHEDULE

- ❖ Estimated Construction Time for the entire project is 9 to 12 months.
- ❖ The Sidewalk Construction started in front of the Deer Lake Middle School and will continue on Deer Lake Road.
- ❖ Construction activities are generally within two 1,000-foot segments at a time if a second crew can be added.
- ❖ The construction work in front of the Killlearn Lakes Elementary School will be scheduled when the school is not in session.

LOCATION MAP

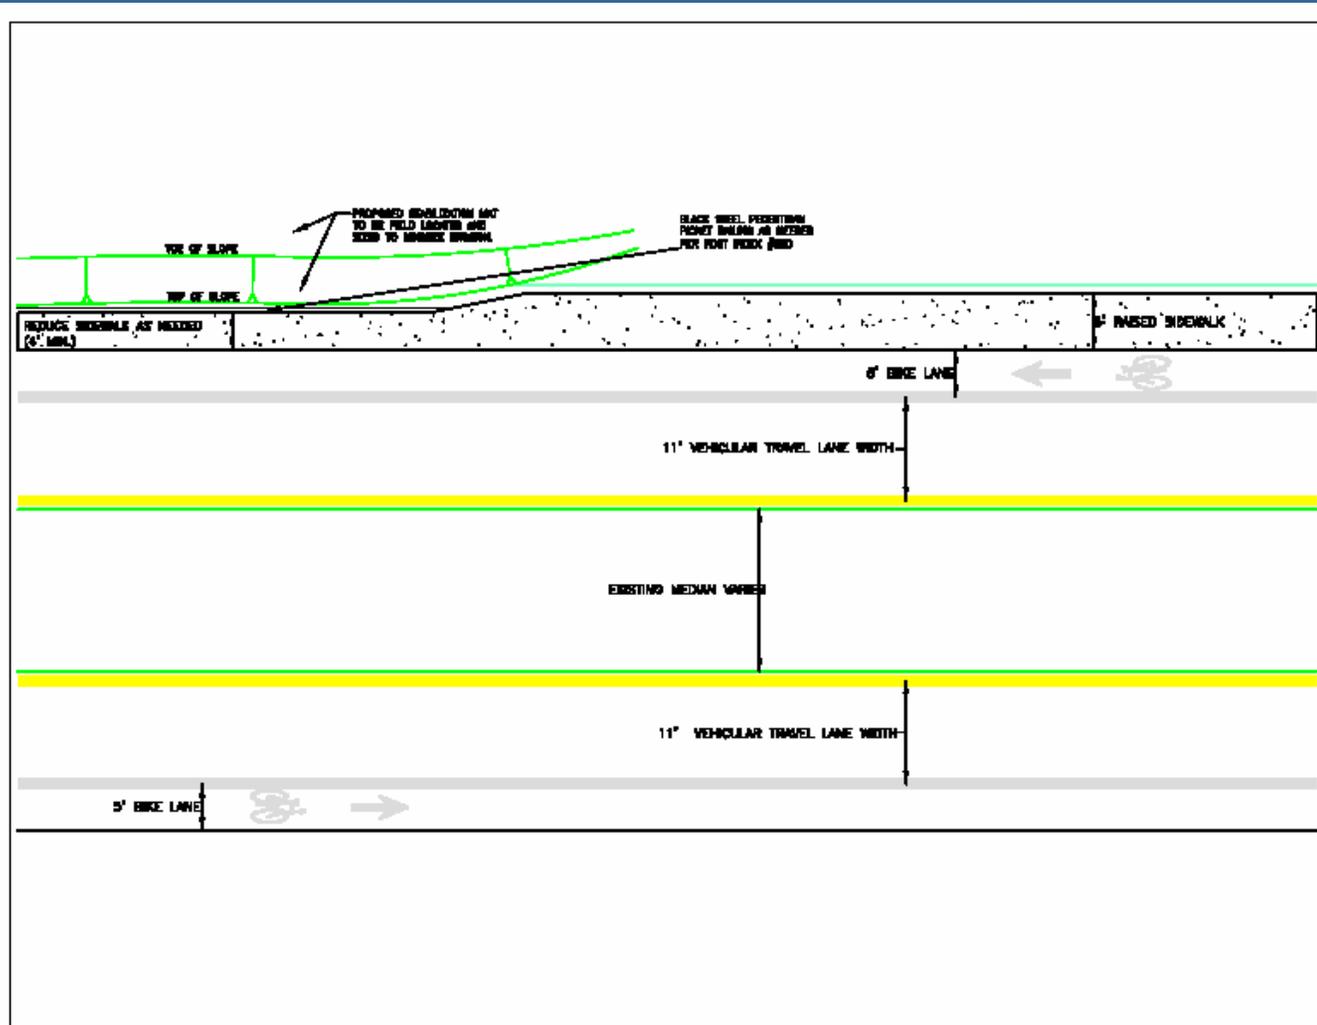

SCOPE AND INTENT OF THE IMPROVEMENTS

- ❖ Add Sidewalks on one side of the Deer Lake Road and Kinhega Drive, and Pedestrian Crossings.
- ❖ Improve Safety and Function while preserving existing trees, wetlands, and character.
- ❖ Add Bike Lane Pavement Marking and Signage to both sides of the road.
- ❖ Reduce the vehicular travel lane width to encourage slower running speeds.
