

CosmicCon: You Can't Believe Your

Start Date: 8/19/2021 6:30 PM

End Date: 8/19/2021 7:30 PM

Learn to think like a scientist and explore how seeing can be deceiving. Participants should prepare for optical illusions, critical thinking and hands-on experiments showcasing the scientific process and how scientists go about their work.

Materials needed for a hands-on experiment are:

- •Paper
- •Ruler
- •Pencil
- •Sticky tape
- •Scissors
