Leon County Commissioner
District 5

Dear Friends,

I hope you were able to relax and enjoy time with family and friends over the holidays as I did! 2016 was an eventful year and I'm confident we're ready to tackle any and all opportunities and challenges we may face in 2017.

As we prepare for our first Commission meeting of the year, I continue to work on many exciting projects, new opportunities and the initiatives set out in our Strategic Plan.

As Chair of the Jump Start Committee, I am confident that we will begin construction in mid-to-late 2017 on a multi-use business accelerator at Innovation Park. This facility will provide wet lab and other specialized space and equipment not currently available to our thriving start-up community.

I am working closely with the [Big Bend Continuum of Care](#) and now Chair a committee charged with establishing a plan to improve coordination among groups who help our homeless neighbors. I am also excited to announce my recent appointment to the [Apalachee Regional Planning Council](#) and the [Florida Planning Council Association](#) and look forward to working with the Boards on economic development and infrastructure projects in our region.

I'm looking forward to my 5th year as a member of the "cast" for Literacy Volunteers Readers Theater. On January 21st I'll take the stage as one of the Three Musketeers. You may also be interested in the [Village Square's "Town Hall"](#) on February 9th and ["Speed Date your Local Leaders"](#) on February 23rd, two of my favorite annual events where we get to hear your questions and thoughts about issues effecting the County and City.

Gary and I would like to wish all of you a very Happy New Year and we hope 2017 is a great year for you and our community. As always, we will strive to keep you informed about what's happening at your County Commission and many of the organizations we work with on a daily basis. We look forward to hearing your feedback, suggestions and questions. Thank you for staying engaged and we appreciate your support and dedication to making Leon County a wonderful place to live, work and play!

Tallahassee-Leon County Geographical Information Systems (GIS)

The Tallahassee-Leon County GIS Department is a joint agency shared between the Leon County Board of County Commissioners, the City of Tallahassee, and the Leon County Property Appraiser's Office.

The dedicated team is responsible for planning, developing and implementing the GIS enterprise database and maintains scores of maps which are readily accessible to the public through the GIS website.

To get a closer look at all of the data and maps available I hope you will visit the [GIS website here](#).

I've highlighted a few of the more interesting maps from the website:
