## NEWS & EVENTS

### Protect Your Home or Business From Flooding

Flooding can affect anyone, even those living outside of a high-risk zone, yet most renters, homeowners, and business insurance policies do not cover flood damage. Even if your residence or business is not required to purchase flood insurance, you should consider purchasing flood insurance as an important safeguard for your property.

Visit [LeonCountyFL.gov/FloodProtection](http://LeonCountyFL.gov/FloodProtection) to learn more about your flood risk, how to protect your home or business from flooding, the benefits of flood insurance, and more.

### Property Tax Exemptions

If you own and occupy property in Leon County, you may qualify for homestead or other property tax exemptions. March 1 is the filing deadline for each tax year. Eligibility is based on your permanent residence status as of January 1, and exemptions do not automatically transfer between properties. Do not miss your opportunity to save on your property taxes!

To learn more, visit [leonpa.gov](http://leonpa.gov) or contact the Leon County Property Appraiser at 850-606-6200.
