Veteran County Administrator Parwez Alam Retires

Board Selects Long-Time Deputy County Administrator Vincent Long as Replacement

Parwez Alam

An emotional County Commission recently accepted the resignation of Parwez Alam, affectionately called "PA," the Leon County Administrator of 22 years and one of the longest-serving administrators in Florida. Alam's last day will be June 29.

Commissioners held a deliberate dialogue about the future of the County and how they would fill their top position, discussing their individual

and collective reasoning regarding a selection process, as well as the challenges that lay ahead for the County in these uncertain times.

The Board selected long-time Deputy County Administrator Vincent S. Long to serve as Alam's successor. Long has worked for Leon County for more than 16 years under the mentorship of Alam and has helped build the County into one of the best managed and most respected county governments in Florida.

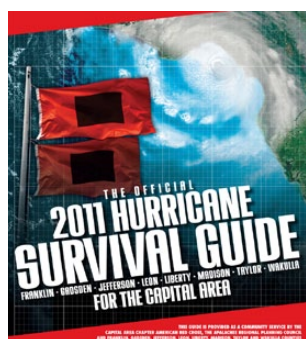

During this time, Long has been the lead staff person on some of the County's most important policy and management issues, including the creation and oversight of Leon County EMS; the creation of the Office of Sustainability; the consolidation and transformation of Leon County Tourism; and the functional consolidation of Leon County EMS and City of Tallahassee Fire Department. He officially begins June 30.
