Operation Thank You: Welcome Home Vietnam Veterans

On Saturday, March 30th, Leon County hosted a welcome home ceremony and breakfast for our Vietnam Veterans. As it were, this year marks the 40th anniversary of when our last troops were pulled out of Vietnam.

Since my election to the County Commission I have had the opportunity to participate in many government and community events. Never before have I been more honored to participate in anything than I was on Saturday.

There were over 400 people in attendance at this year's Operation Thank You and approximately 150 of them were Vietnam Veterans. The men and women who served our nation in this war were not met with the appreciation that we now give our soldiers. In speaking with one veteran he told me that when he came home 40 years ago no one shook his hand and, instead, people spat on him.

This thank you and welcome home was long overdue. I am honored to be a part of this community where we have so many veterans who have protected our nation and where we have residents who are grateful for their service. Welcome home to all of our veterans.
