week, from 7 a.m. - 7 p.m.

To make an appointment visit <http://testing.nomihealth.com/signup/fl>

For more information visit [Leon.FLHealth.gov](http://Leon.FLHealth.gov)

Greetings!

Good news! The Florida Department of Health in Leon County (DOH Leon) is partnering with Nomi Health for FREE drive-up COVID-19 testing, right in the heart of District 3. This new site is located at **Huntington Oaks Plaza (3840 North Monroe Street, in the same parking lot as the Lake Jackson Library)**.

PCR tests are available and rapid antigen tests are available on request. The site is open seven days a week, from 7 a.m. to 7 p.m. No appointment is required, but you can register online [HERE](#).

The testing site will operate under the following guidelines:

- Results are shared with the patient via email.
- Antigen test results are available in 20-40 minutes and PCR test results within 48 hours.
- Patients are allowed one test per individual per day. If a patient tests positive on their antigen test, medical staff can conduct a PCR test as a follow up.
- Tests are available for individuals 12 months or age and older.

*Only individuals who are being tested should be in the vehicle, except for parents, guardians or caregivers. Masks are recommended. People should be prepared to stay in their vehicles while awaiting testing. Restroom facilities will not be available.*

Stay healthy and please don't hesitate to contact me if you have additional questions, comments, or suggestions.

All the best,

**Rick Minor, Chairman**  
Commissioner, Leon County District 3  
(850) 606-5363
