Tallahassee-Leon County Comprehensive Plan Update

Go to **https://www.complantlc.com/** to suggest changes to the land use rules to ensure our comprehensive plan changes match future development with what you

want for our community!

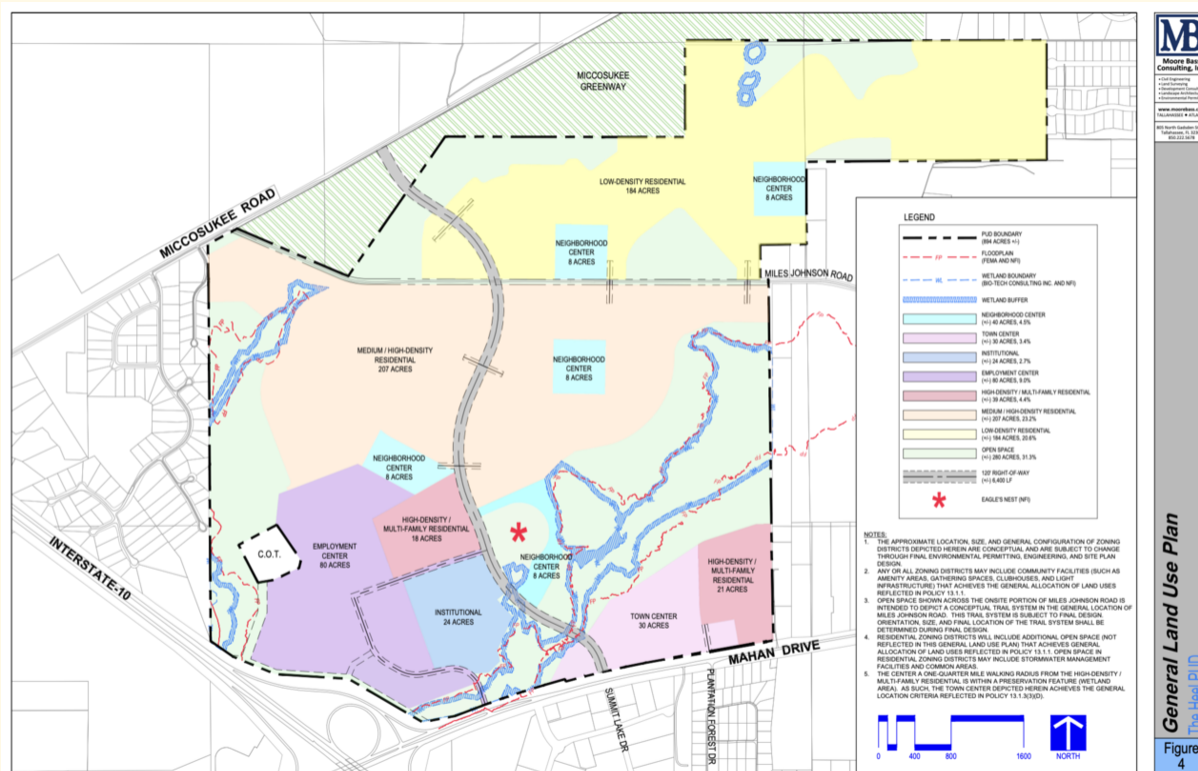

The only way to make developers build what you want to see is to re-write the rules, and now is the time to give your input!

Go to <https://cms.leoncountyfl.gov/Home/Departments/Public-Works/School-Bus-Stop-Lighting-Program> to request street lights at any unincorporated Leon County School Bus stops.

Welaunee Heel Development

Greenpointe Developers are creating the Heel development, and the City of Tallahassee has the authority over the project. It will be located on Mahan Drive just east of Interstate 10. Since it was asked about last night, I am providing **a site plan map** and a link to the **developers information website** about the project.
