

# Neighborhood Public Awareness Program

## Leon County would like to help you help us make your neighborhood a better place to live!

The Development Support and Environmental Management staff would like to come to your association meeting to talk about the Leon County Codes that make a difference in your neighborhood. Through public education and awareness, we can work together to make your neighborhood shine! We will discuss the JUNK, BUILDING, ZONING, ENVIRONMENTAL and MOWING issues that you feel most pertain to you and your neighbors.

### We will answer these questions and more:

- What is considered junk? What is considered a junk vehicle?
- When does somebody need to get a building permit?
- Can somebody live in a travel trailer?
- What can be done about unsafe buildings?
- What businesses are considered home occupations?
- How many dwellings are allowed on one parcel?
- Do I need a permit to cut a tree down on my property?
- What can be done about these issues?
