Introduction

Carolyn D. Cummings Esq., Chair, At-Large

Commissioner Carolyn D. Cummings has served the citizens of Leon County since 2020. She was elected to the Board of County Commissioners on November 3, 2020. A native of Mississippi, she received her undergraduate degree from Alcorn State University, performed graduate studies at the University of Southern Mississippi and Laney College and received her Juris Doctorate from the University of Florida Law School. A Leon County resident for over thirty-five years, she has been a practicing attorney in the public and private sectors, in various state agencies that have since been abolished, including the State of Florida Department of Labor and Employment Security as Assistant General Counsel, and the State Retirement Commission, as Legal Advisor and Senior Attorney at the Florida Department of Administration. She was a partner in the law firm of Cummings & Hobbs, P.A. for over thirteen years and is now the owner of Carolyn Cummings, P.A. where after being elected, she only practices in the area of probate law.

As an undergraduate, she became committed to public service through her membership in Delta Sigma Theta Sorority, Inc., and is now a Golden Life Member and a local member of the Tallahassee Alumnae Chapter. She is currently actively involved in many community service organizations that are designed to enhance the quality of life for all citizens. Those include the National Association of University Women, and the Lincoln Center Foundation. She has previously provided free legal services to Senior Citizens through her affiliation with both organizations and she has provided pro bono services to indigent clients through the local Legal Aid Foundation. Commissioner Cummings is a member of several professional organizations including, the Tallahassee Barristers Bar Association as a Past President and Past Vice-President, the Tallahassee Bar Association, and the Florida Bar Association. She served as Past President and former Board Member of Legal Services of North Florida, Inc. for over twenty-five years and through the Thunderdome Project she mentored young lawyers in the family law area. She has been recognized by the Florida Supreme Court for her level of free legal services provided to senior and low-income citizens.

Commissioner Cummings is a Life Member of the National Association for the Advancement of Colored People (NAACP) and a member of the Tallahassee Branch. She is an associate member of the Tallahassee Chapter of Jack and Jill of America, Inc., and the current President of the Tallahassee Area Coalition Center of Excellence Advisory Board. A member of Bethel Missionary Baptist Church, Tallahassee, Florida for over thirty-seven years, she served for many years as the Church Attorney, Sunday school teacher and choir member. She is the proud Mother of one son, Terrell Cummings, a 2004 graduate of the Rickards High School International Baccalaureate Program. Terrell is a 2009 graduate from the University of Florida with a Biochemistry Degree and a 2013 graduate from Harvard Medical School. Presently he is a practicing anesthesiologist in Arlington, Texas.

Brian Welch, Vice-Chairman, District 4

Brian Welch was elected to the Leon County Commission in November of 2020 to represent the residents of Northeast Leon County in District 4. Brian's priorities are to protect the quality of life and property values of our NE neighborhoods. To provide adequate recreational and transportation infrastructure to the growing NE community, while also protecting our environment and keeping our communities safe. Brian is a member of Leadership Tallahassee, Class 36 as well as serving on the board of the Foundation for Leon County Schools and the Centerville Conservation Community homeowners association from 2017-2020. Brian has lived in NE Tallahassee since 1997 and has been a Social Studies teacher at Chiles High School since 2007. A diehard Timberwolf, Brian has served in many roles during his tenure at Chiles, including as the "Voice of the Timberwolves" football team, Key Club sponsor, Youth Leadership Tallahassee coordinator, Business Advisory Council coordinator and Vice President and Founding member of the Chiles High School Foundation. At Chiles, Brian has had the opportunity to lead many community service

endeavors, including the March of Dimes men-in-labor program, the annual Wolf Dash 5k and numerous canned food drives benefitting Second Harvest. Brian has had the pleasure of traveling the world with his students, leading six international educational tours, including trips to France, Italy, England, Ireland, Scotland, Wales, Australia, and New Zealand, among others. Brian received an Associate's degree from Tallahassee Community College in 1999. He received a Bachelor's degree in Political Science from the Florida State University in 2001, followed by a Master's degree in the renowned Applied American Politics and Policy (MAPP) program at FSU in 2003. Brian subsequently received an additional Master's degree in Educational Leadership from the University of West Florida in 2016. Brian is supported by his wonderful wife Kim, who he met while working at the Killearn Country Club in 1998. Brian and Kim were married on the old North course tee box in 2003. They have three beautiful children, Chloe, Cameron, and Carter, who all attend the amazing public schools in the NE.

Introduction

Bill Proctor, District 1

Commissioner Proctor represents the citizens of Leon County District 1 which includes the central city and southside areas. Commissioner Proctor served as Chairman in 2006, 2015, and 2022. His priorities as the District 1 Commissioner are affordable housing, quality healthcare, education, and economic development. Commissioner Proctor attended FAMU High School from 1st through 12th grade. After earning an undergraduate degree from Howard University School of Communications he furthered his studies and obtained his Juris Doctorate from Howard University School of Law where he also served on the University's Board of Trustees as the graduate student member. Commissioner Proctor furthered his studies at Boston University School of Theology, ITC in Atlanta and Wesley Seminary in Washington, D.C.. Commissioner Proctor has engaged in many diverse activities providing leadership, creativity, and vision for our community. The breadth of his service includes church, community, higher education, federal, state, and local government. He has served on several community advisory boards and has received numerous awards and recognitions for public service. Commissioner Proctor is a much sought-after speaker, commentator, and writer of political commentaries. He is an Associate Minister at Bethel A.M.E. Church in Tallahassee, Florida where he entered the ministry in 1985. He served as a pastor in the A.M.E. Church for nine years. Currently, he is a Political Science instructor at Florida A&M University. He also serves as the advisor to the College Democrats student organization and mentors numerous students. He is currently serving as interim Pastor of Salem A.M.E Church, Greensboro, Florida. Commissioner Proctor's professional political career began as a Staff Assistant to United States Senator Bob Graham of Florida. He went on to serve as a Special Assistant to Governor Lawton Chiles before winning a special election to the Leon County Commission. Commissioner Proctor serves District 1 constituents with a "Clear Voice" addressing the needs of the community. Commissioner Proctor has achieved several accomplishments worthy of noting; Widening of Crawfordville Road (US Hwy 319 South) and the widening of Orange Avenue, assisted with the building of the B.L. Perry Branch Public Library and the southside Richardson-Lewis Health Center, chaired the 50th Anniversary of the Tallahassee Bus Boycott in 2006, led the charge to keep the Bond Elementary School in the community at its current site, chaired the Social and Political Action Committee of the Florida Conference of the A.M.E. Church for several years, and represented the county as the chief negotiator of the Fallschase Development Settlement Agreement. Over one billion dollars has been invested in District 1 under Commissioner Proctor's tenure. The Commissioner has continued with each passing year to chronicle seasons of success within District 1.

Christian Caban, District 2

Christian Caban was elected to the Leon County Commission to represent District 2 in 2022. He is passionate about serving the best interests of District 2 and prioritizes public infrastructure, economic development, community safety, youth services and environmental issues. Christian is an entrepreneur and businessman bringing a practical business mindset to his role as commissioner. He has launched and successfully owns multiple hospitality businesses in Leon County. Christian is responsible for the strategic oversight of the businesses he runs. He is respected within the local business community for his hard-earned success as well as his dedication to seeing the greater Tallahassee business community thrive. Christian serves on the board of the Downtown Redevelopment Commission where he plays an active role in advising the Community Redevelopment Agency on revitalization strategies to stimulate the surrounding downtown area. Philanthropically, Christian is passionate about supporting underprivileged youth. He serves as the vice chairman of the board for the Children's Home Society and has founded numerous fundraisers and community events to benefit the community's at-risk children. A lifelong Floridian, Commissioner Caban was born in Miami and raised in Ocala, FL as one of six children. He attended Florida State University earning a bachelor's degree in chemical science and a minor in entrepreneurship.

Introduction

Rick Minor, District 3

Rick Minor was elected to the Leon County Board of County Commissioners in 2018 and was re-elected in 2022. He represents the citizens of County District 3 and is focused on growing our economy, reducing crime, protecting the environment, and ensuring that our local government performs at the highest ethical standards. He is also concentrated on improvements to northwest Leon County such as the North Monroe corridor, Tharpe Street, and the Lake Jackson Greenway.

Rick recently served as the Chief Executive Officer of our region's nonprofit food bank. During his tenure, the food bank's distribution grew by 86%, revenue increased by 54% and in FY 2019 it provided what was then an all-time record 12.7 million pounds of food to those in need. The food bank coordinated with more than 135 agency partners across the Big Bend region; including churches, schools, and other nonprofits, and served about 55,000 people each month.

Rick is also the former Chief of Staff to the Mayor's Office at Tallahassee's City Hall. In that role, he was responsible for managing both the Mayor's Office and the City's involvement in various projects such as Local Business Saturday, Choose Tallahassee, and the DeSoto 'America's First Christmas' site. Rick also functioned as the City's intergovernmental and legislative liaison, advocating for federal and state policies that benefited Tallahassee's residents and businesses.

For much of his career, Rick has developed public policy for state and local governments, and he has also spent a great deal of time in the private sector, running the financial operations of a small business, managing accounts, and making payroll for employees. In addition, Rick spent nearly a decade as a business and information technology consultant, working on numerous private and public sector projects throughout the United States as well as in Germany, Hong Kong, Canada, South Africa, and Denmark. Rick majored in Computer Science and graduated with honors while earning a Bachelor of Science degree in Business. He also earned a Master's in Public Administration from Harvard University's Kennedy School of Government. A native Floridian, he is a member of Leadership Tallahassee Class 26 and served as a Knight Creative Communities Institute catalyst who led the development of Tallahassee Music Week in 2015 and 2016. Rick and his wife Jessica are the proud parents of two young daughters, and the four of them often spend their time hiking along Leon County's trails or kayaking on Lake Jackson.

David O'Keefe, District 5

David O'Keefe was elected to the Leon County Commission by the residents of District Five in 2022. Prior to his election he spent fifteen years overseeing the finances of public nonprofits and government organizations, with a proven track record of ensuring resources are used in the public interest. David obtained his Bachelor of Science in Accounting & Finance from Florida State University in 2007, then Master of Accountancy from Auburn University in 2009. He has been a licensed Certified Public Accountant in Florida since 2010. David has been fortunate to serve the community as a volunteer for VITA Low-Income Tax Preparation Program, the Tallahassee-Leon County Animal Shelter, and by fostering shelter animals. He and his wife, Brooke, live in the Old Town Neighborhood with their rescue pets.

Introduction

Nick Maddox, At-Large

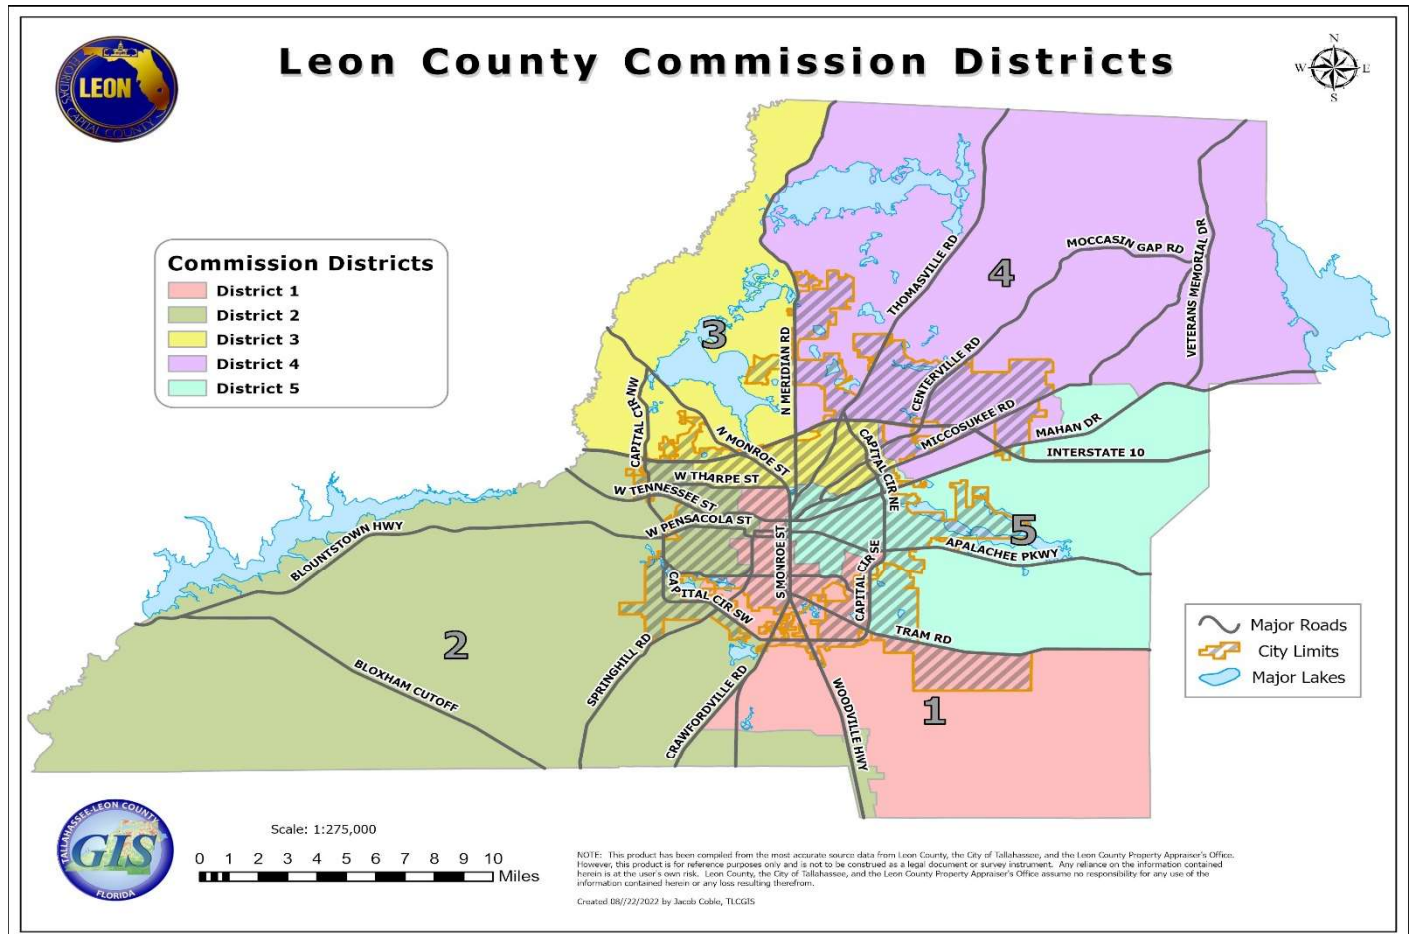

Nick was elected to serve the citizens of Leon County in 2010 with the goal of bringing diversity, increased transparency, and a competitive edge to a county he has grown to love. Recruited to play football in 1999 for Florida State University, Nick left North Carolina for Tallahassee and found the place he would call home. As a running back with FSU, Nick was a part of the 1999 National Championship Team and left in 2001 to play at the highest level, the National Football League.

After spending three years in the NFL playing with the Browns, Chargers and Panthers, Nick returned home to Tallahassee and the Florida State Seminoles. He graduated with dual degrees in business and real estate while working with the Seminole Boosters.

Nick's passion for football, winning, and family has translated quickly to success for Leon County. He has committed his time in office to focusing on building up Tallahassee's youth, bringing in new businesses to Tallahassee, and growing local businesses. His tenacious support of redevelopment areas, quality of life, and environmental preservation is ensuring that Leon County remains an ideal home for years to come.

LEON COUNTY, FLORIDA

Leon County is approximately 702 square miles. It has a population of approximately 301,724 people, with 99,891 living in the unincorporated area of the County and 201,833 living within the city limits.

Leon County is a political subdivision of the State of Florida and is guided by an elected seven-member Board of County Commissioners. Five members of the Board are elected to serve specific districts and two members are elected at-large. The members of the Board also select a chairperson each year. Florida Statutes, Chapter 125 establishes the powers and duties of the County Commission and the County Administrator. Originally part of Escambia and later Gadsden County, Leon County was created in 1824. It was named for Juan Ponce de León, the Spanish explorer who was the first European to reach Florida.

The County became a charter government effective November 12, 2002, with the passage of a referendum by Leon County voters. A Home Rule Charter gives citizens the power to shape their government to meet their unique and changing needs through a local constitution.

The County Administrator is appointed by the Board of County Commissioners and is responsible for carrying out the directives and policies of the Board. The County Administrator is also responsible for the management and supervision of all functions and personnel under the Board of County Commissioners.

Leon County has five Constitutional Officers, which includes the Clerk of the Circuit Court & Comptroller, the Property Appraiser, the Sheriff, the Supervisor of Elections, and the Tax Collector. Constitutional Officers are elected to administer a specific function of County government and are directly accountable to the public. Other elected officials of Leon County include the Judiciary, State Attorney, and Public Defender.

The Board of County Commissioners is obligated to fund the operating budget of elected officials partly or in whole. Leon County also has a number of appointed Boards and Committees that serve in an advisory capacity to the Board of County Commissioners. In addition, the Board appoints a number of committees that serve as quasi-legislative bodies.

»» Introduction

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to **Leon County, Florida** for its annual budget for the fiscal year beginning **October 1, 2023**. Leon County also received special recognition for the strategic goals and strategies category for demonstrating how the budget is aligned with the overall strategic priorities of the organization.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device.

This award is valid for a period of one year only. We believe our current budget continues to conform to the program requirements, and we will be submitting our budget to GFOA to determine its eligibility for another award.

On behalf of the County Administrator as adopted by the Board, the Office of Management & Budget provided the County's Operating Budget, Capital Improvement Program, and the Budget in Brief on the Internet for better accessibility to the public and received the Government Finance Officers Association award for the 34th consecutive year.

Members of the Board of County Commissioners
Leon County Courthouse
Tallahassee, FL 32301

Honorable Members of the Board of County Commissioners:

I am pleased to formally present the Board with the FY 2024/2025 Tentative Budget. The Tentative Budget of \$377,886,993 represents an 8.1% increase from last fiscal year. The development of the FY 2024/2025 annual budget reflects the Board of County Commissioners' consistent fiscally conservative approach to budgeting, holding the property tax millage rate constant for the thirteenth consecutive year, and the County's continuous commitment to maximizing efficiency, driving performance, and delivering results for our community – all core practices of Leon County Government.

In developing the annual budget, Leon County recognizes that budgeting is not only a year-round process, but an ongoing process that reflects the Board's longer term fiscal policies and priorities for the community, and requires necessary decision making through the annual budget adoption process. Each budget is interdependent on prior actions and influences the future financial condition of the County. Using this type of long-term strategy places the County in a position to address unforeseen circumstances related to the economy and other external factors that may influence service delivery including more frequent and hazardous severe weather associated with our changing climate.

Because of this continuous focus on rigorous fiscal planning, Leon County has been able to perennially provide high quality essential services, make responsible investments in infrastructure, while keeping our tax burden among the lowest for citizens. Even as the COVID 19 pandemic presented unprecedented challenges to our limited resources over the past four fiscal years, Leon County's fiscal discipline and know-how resulted in national recognition for fiscal stability and our organizational capacity to leverage Federal funding for the benefit of the community.

While the economy rebounded more quickly than expected from the impacts of COVID, the sudden and persistent rise in inflation continues to add additional stresses to local government expenses, especially related to the cost of fuel supporting the County fleet, supplies for road and parks repair and maintenance, and most significantly the increased cost of bids for construction projects.

Even with these challenges, due to the responsible fiscal planning by the County the Tentative Budget continues to maintain essential services and the community's infrastructure, ensures a high performing workforce with fair and equitable practices and invests in making the community stronger by leveraging partnerships and supporting those most in need. The major elements and strategies of the FY 2025 Tentative Budget include:

- No increase in the Countywide property tax rate for the thirteenth consecutive year.
- No increase in the stormwater non-ad valorem assessment.
- No increase in the solid waste non-ad valorem assessment.
- Reduced use of fund balances.
- Maximizes the final year of Federal ARPA funding.
- Continued fiscal constraint in the operating budget with no new general revenue positions for the County.
- Funding for six new planned Emergency Medical Service employees to address increased call volumes.
- Funding for contractual obligations and inflationary cost increases.
- Support for all Constitutional Officer budget requests, including:
 - Support for the Sheriff's budget, including funding for the pay plan for sworn officers to achieve and maintain recruitment and retention efforts and the addition of one patrol deputy.
- Continued funding for primary healthcare and community health service partners.
- Capital funding to maintain strategic, long-term investments in infrastructure and equipment and enhance the County's resiliency to future storm events.

Even with the continued economic uncertainty, the FY 2024/2025 budget process continues to follow the County's strategic framework of aligning the optimized resources of the County to address the highest priorities of the County. As such, the FY 2024/2025 budget also reflects the fourth year of the FY 2022 - 2026 Strategic Plan and aligns department and division resources with Plan priorities ranging from: septic to sewer in the Primary Springs Protection Zone, the construction of sidewalks and trails, parks and community center enhancements, supporting affordable housing, and reducing homelessness. Additionally, the Tentative Budget supports Board approved Strategic Initiatives by:

- Establishes line-item funding for emergency homeless shelters
- Implements the Leon County Essential Libraries Initiative
- Increases patient visit reimbursement rates for primary healthcare providers
- Enhances access to delivery of human services in partnership with 2-1-1 Big Bend through the 24-Hour Helpline & Lyft Transportation Program

As in previous years, Leon County's FY 2024/2025 Tentative Budget continues to exceed efficiency metrics with among the lowest budget and lowest number of employees per capita for all comparable counties,

while the organization continues to strive to set the standard for performance for all local governments to follow.

In closing, I would like to thank the Board for your clear and consistent fiscal and policy leadership and guidance in the wake of a recovering economy and throughout this era of unprecedented challenges and fiscal constraints. In addition, the cooperation of the Constitutional Officers was critical in balancing the budget and I genuinely appreciate their efforts. And of course, tremendous thanks go to our employees for the dedication and innovation they bring to this process year-round.

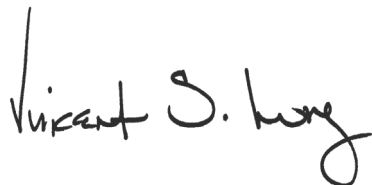

The County's strong financial foundation was established over many previous budget cycles with budget discipline, sound financial planning and an organization-wide focus on innovation, cost avoidance and efficiency. During the previous recession and downturns in the economy, the County maintained fees and passed on significant property tax savings. Similarly, this budget does not include any millage or fee increases.

In the same way the County came out of the Great Recession and the COVID-19 pandemic, the County again is addressing significant fiscal issues in a deliberate and fiscally constrained manner. It bears repeating that these actions provide the necessary resources to continue maintaining the County as a financially viable organization with the ability to withstand the impacts and rebound from the current economic and financial pressures to local government expenses.

Despite the challenges, Leon County is positioned to remain fiscally viable and responsible to our citizenry. Through our continuous focus on fiscal stewardship, efficiency, innovation, and performance, I am confident this Tentative Budget and five-year capital plan will provide the resources necessary for Leon County employees to continue to set the standard in delivering essential services to our citizens and for the Board of County Commissioners to continue to fulfill your ambitious vision for our community.

In the following pages, you will find budget summary information presented for ease of use, as well as detailed revenue and expenditure data for a fully transparent and comprehensive view of the Tentative FY 2024/2025 operating and capital budgets.

Sincerely,

A handwritten signature in black ink that reads "Vincent S. Long". The signature is written in a cursive style with a large, looped initial "V".

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Reader's Guide

Figure 1: Budget Process: The budget process is a formalized effort that involves collaboration and coordination among the respective County departments, the Office of Management and Budget, the County Administrator, the Constitutional and Judicial Officers, and the Leon County Board of County Commissioners. The end result is an annual operating budget, a five-year financial plan, and a capital improvement program for Leon County.

OPERATING AND CAPITAL BUDGET PLANNING

Board Priorities

Annually, the Board conducts a retreat facilitated by the County Administrator. The January 22, 2024 Board Retreat provided the opportunity to review progress towards the County's strategic initiatives, bold goals and five year targets, and update the current FY2022 – FY2026 Strategic Plan. The Board formally adopted the FY2022 – FY2026 Strategic Plan on February 8, 2022. More information about the County's Strategic Plan can be found in Section 4.

Budget Planning

In early January, County departments/divisions assess program service level impacts and identify internal services needs for the budget year through an Internal Services Request process. Similarly, the capital planning process provides for a capital needs assessment and project identification by departments/divisions. Both processes allow OMB and County Administration to provide financial analysis, evaluation and planning for capital projects, and operating budget impacts.

At the January 23, 2024 Board meeting the Board formally approved a budget calendar. Subsequently, at the February 20, 2024 Board meeting, the Board ratified the actions from the January 2024 Board Retreat and approved the FY2022 – FY2026 Strategic Plan and new strategic initiatives. In March 2024, the Board established the Maximum Discretionary Funding Levels for outside agencies.

OPERATING AND CAPITAL BUDGET DEVELOPMENT, REVIEW, ADOPTION AND ADMINISTRATION

Operating Budget Development and Review

Each department, including the constitutional and the judicial officers are responsible for the development of their respective operating budget requests. The departmental budget requests are submitted to OMB during the month of March. Constitutional officers submit their budgets in May and June as specified by Florida Statute and local requirements. During the months of February through June, all budgetary requests are analyzed, and revenue estimates are updated. Board policy guidance workshops were conducted on April 23, 2024 and June 18, 2024 to enable OMB to complete the proposed budget. While the capital improvement budget is also developed and reviewed during this time, it has a separate process as described in the following section.

Capital Improvement Program

The Capital Improvement Program (CIP) is a five-year plan for providing public physical improvements funds during a five-year planning period. The program delineates proposed capital projects to be undertaken, the year in which they will be started or acquired, the funding amount expected or required for the projects each year (including anticipated operating impacts), and the proposed method of financing each of these expenditures. Each year, OMB facilitates a process to formulate a capital improvement program and capital budget.

Budget Adoption

The County Administrator presented the proposed budget to the Board at the June 18, 2024 meeting. The Board also established the maximum millage rate at the June 18, 2024 meeting. During the month of September, the Board will adopt the budget at the second of the two statutorily required public hearings, which allows for citizen input. As a result of feedback from citizens and/or Board actions, it may be necessary to modify the tentative budget prior to final adoption. At the final public hearing, the Board adopts the final millage rates and budget by resolution.

Budgetary Structure

Chapter 129, Florida Statute requires local county government to adopt balanced budgets. The FY 2024/2025 Tentative Budget for Leon County is balanced with the use of a variety of revenue sources and fund balances.

Amendment Request (BAR)

Budgetary control is maintained at the department level, with OMB providing support to each department. Departmental budgets can be amended according to the County policy for amending the budget (Policy No. 97-11, See Appendix). The County Administrator may authorize personnel services and operating expenditures up to 10 percent of the total budget on an aggregate basis between programs with a \$250,000 cap and intrafund transfers up to \$250,000. All intrafund transfers greater than \$250,000 and all interfund transfers must be approved by a majority vote of the County Commission.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Reader's Guide

The Reader's Guide provides the basic budgeting information. This section is a layout of the budgeting process and what the budget document consists of as well as an explanation of forms that the reader will encounter while reading the budget document.

The Leon County budget document is intended to provide information in such a manner that the average reader can understand the operations of Leon County. The budget document is also intended to serve as a policy document, financial plan, and operating guide for county programs. The following is a brief description of the information included in each section of this document.

BUDGET MESSAGE

This section includes the County Administrator's Message, which summarizes the recommendations made to the Board during the budget process and provides an overview for the implementation of Board policy.

LEADS/Strategic Plan

This section includes the Leon County Board of County Commissioners strategic plan for FY 2022 through FY 2026.

BUDGET SUMMARY & ANALYSIS

This section includes a summary of the budget, analysis of trends, finances, and staffing. A budget overview provides an explanation of future budget considerations based on revenue sources, relevant legislation, the economy, current fund balances, debt services and transfers. The analysis of trends evaluates the community's economic profile and compares Leon County to like-sized and surrounding counties. The financial analysis examines the financial indicators and major revenues. It also provides an illustration of revenue and expenditures, and it categorizes expenditures by function and revenues by source. Other analysis examines the County's estimated fund balance, long-term debt structure, and schedule of transfers.

BUDGET BY FUND

This section summarizes the County revenues and expenditures by discreet funds. Funds are presented in numeric order from Fund 001 (General Fund) to Fund 505 (Motor Pool).

LEON COUNTY GOVERNMENT

The Board of County Commissioners (BOCC) appoints the County Administrator to manage and supervise all County departments and offices. The departments and offices are as follows: Administration, Information Technology, Public Works, Development Support & Environmental Management, PLACE, Management & Budget, Division of Tourism, Public Safety, Library Services, Intervention & Detention Alternatives, Human Services & Community Partnerships, and Resource Stewardship. The Board also appoints a County Attorney to provide legal counsel and advice to Leon County Government, which includes the Board of County Commissioners, the County Administrator, and County departments, as well as certain boards and agencies organized under the Board of County Commissioners.

As part of the LEADS process, a business plan is included for each department area. These plans summarize how each area demonstrates its commitment to the County's core practices and identify performance metrics within the budgetary units of the department. The following information is included for each program/department area: Goals, Core Objectives, Statutory Responsibilities, Advisory Board, Benchmarking, Performance Measures, and Notes.

ELECTED OFFICIALS

All elected officials, including the Board of County Commissioners, administer a specific function of County government and are directly accountable to the public for its proper operation. The Board funds all or, in some cases, a portion of the operating budget of the other elected officials. The elected officials are as follows: Constitutional Officers (Clerk of the Court & Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector). Judicial Officers (Court Administration, Public Defender, and State Attorney).

NON-OPERATING OR OTHER BUDGETS

This section summarizes the funding of county programs that are not unique to one department but generally benefit the entire community.

DEBT PROFILE

This section includes summary information on the County's debt status.

CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program (CIP) represents a five-year plan designed to meet the capital improvement needs of Leon County. This section includes a summary and a five-year plan for capital projects by fund and functional type.

APPENDIX

This section includes important County documents, such as the County Charter Ordinance, and the County Policies and Guiding Principles that provide direction and restrictions to the County's fiscal operation. It also provides an Acronym list that provides the reader with a collection of explanations of frequently used budget terms and a Glossary that provides the reader with definitions of commonly used budget terms. A Statistical Summary of Leon County is also featured.

»» Management and Budget Executive Summary (3)

Office of Management and Budget section of the Leon County FY 2025 Annual Budget is comprised of the Management & Budget and Risk Management.

Office of Management & Budget provides financial management and guidance to the Board, County Administrator and departments. Risk Management manages the County's activities in an effort to minimize total long-term liability associated with accidental losses.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section of the Leon LEADS Strategic Planning process, the Office of Management and Budget Business Plan continues the alignment of the Board's strategic priorities and initiatives with the department's actions and performance. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and performance to assist the department in measuring outcomes of the Strategic Plan.

»» HIGHLIGHTS (4)

Office of Management & Budget (OMB) developed a balanced Operating and Capital Improvement Program on behalf of the County Administrator, as adopted by the Board. The annual Operating and Capital Improvement Program Budget in Brief are available on the County's web page. To advance Strategic Initiative (2022-8), the budget includes the addition of a Grants Coordinator to maximize the leveraging of the \$1.0 trillion federal infrastructure bill in support of city projects. In addition to the federal infrastructure bill, this position will be responsible for identifying other opportunities as well as tracking and reporting for existing federal grants. OMB received the Government Finance Administration of the U.S. and Canada's Distinguished Budget Award for the 34th consecutive year.

Management continues to strive to protect the County against the financial consequences of accidental losses by implementing, and monitoring a cohesive county-wide safety program. Reduced accident and injury is a direct correlation to insurance premiums paid to protect the County's resources. To safeguard the safety and well-being of Leon County employees, Risk Management continues to enhance and foster a culture of safety, working with various departments to identify workplace hazards and develop innovative training programs. Risk Management conducted twenty safety training sessions, including a Defensive Driving course, and conducted monthly site visits to various departments. The Municipal Safety Excellence Initiative presented a Certificate of Safety Recognition to Leon County Risk Management in recognition of outstanding achievements in Safety Excellence. Additionally, Leon County was honored to receive the 2023 Florida Municipal Insurance Trust Partnership Award. National Association of Counties recognized Risk Management Enhancements with a 2024 achievement award.

The major variances for the FY 2023 Strategic Initiatives budget are as follows:

Increases to Program Funding

1. Costs associated with the County's portion of retirement rates passed by the Florida Legislature, health insurance premium rates budgeted at 6%, increase in vendor's cooperation costs, and funding for 5% performance raises for all employees. Additional personnel costs are related to a vacant position included in the market based revisions to the Classification and Pay Plan in the amount of \$10,000.

2. In response to the COVID-19 pandemic, non-essential travel and training was reduced by 50% in FY 2021. In FY 2022, this funding was restored to 75%. This funding is restored to pre-pandemic levels in FY 2023.

Project Description/Justification (32)
 This project is to implement the Essential Libraries Initiative, a re-envisioning of the Leon County Public Library System, to address the changing needs of residents and trends in library use. The plan includes several enhancements to the library fleet in new programs and services, capital improvements, existing positions reorganizations, and policy revisions to support the initiative. To ensure that funding is available as final designs are completed for the first phase of renovations to the Main Library, an additional \$900,000, including a grant, was allocated in FY 2024 for a total allocation of \$2.3 million to implement the Phase I construction expected to start in July 2024. \$2.5 million is programmed from FY 2025 - FY 2027 to complete the associated construction services.

VISION

A community that is safe, healthy and vibrant.

MISSION

To efficiently provide public services which serve and strengthen our community.

OUR VALUE PROPOSITION

WHAT YOU GET AS A TAXPAYER AND A STAKEHOLDER IN OUR COMMUNITY

Leon County Government leverages partnerships, embraces efficiency and innovation, and demands performance to the benefit of our taxpayers. We actively engage our citizens, not only as taxpayers, but as stakeholders and co-creators of our community – providing meaningful opportunities to capitalize on their talents in making important decisions and shaping our community for future generations.

MESSAGE FROM THE COUNTY ADMINISTRATOR

VINCENT S. LONG,
County Administrator

On behalf of the Board of County Commissioners and the dedicated men and women of Leon County Government, I'm proud to present the Fiscal Year (FY) 2022-2026 Leon County Strategic Plan. The County's current Strategic Plan builds upon the County's long-term term strategic framework that has produced results and ensured we remain agile and innovative in the face of unprecedented challenges.

Each year, we update our Strategic Plan as we continue to evolve, engage, and execute our strategy. And every fifth year, we reflect on the County's impact and progress over the past strategic plan while affirming and updating the County's vision, priorities, and initiatives that continue to guide our daily efforts. In addition, we set our sights on new or even more aspirational bold goals and five-year targets, which keep County employees striving to make Leon County a special place to live, work, and play.

Our culture of performance has made Leon County known nationwide, and here at home, as a county government of innovative problem solvers working on behalf of and alongside our citizens in addressing the needs of the community and shaping our future.

In the pages ahead, you will see how we at Leon County plan and measure our success in the priority areas of Economy, Environment, Quality of Life, and Governance. Our Strategic Plan guides our efforts at every level of the organization and provides a foundation for setting the standard in public service. The plan also features five-year targets that keep us focused on tangible results and our bold goals that ensure we stretch ourselves to expand possibilities and exceed expectations.

And we cannot do all this alone. In the years ahead, we will continue to engage citizens as co-creators of this special community we share.

LEON COUNTY CORE PRACTICES

- ▶ Delivering the “Wow” factor in Customer Service.
- ▶ Connecting with Citizens.
- ▶ Demonstrating Highest Standards of Public Service.
- ▶ Accepting Accountability.
- ▶ Exhibiting Respect.
- ▶ Employing Team Approach.
- ▶ Exercising Responsible Stewardship of the Community's Resources.
- ▶ Living our “People Focused, Performance Driven” Culture.

FY2022-2026 STRATEGIC PLAN

VISION

A community that is safe, healthy and vibrant.

MISSION

To efficiently provide public services which serve and strengthen our community.

CORE VALUES

Service, Integrity, Accountability, Respect, Collaboration, Stewardship, Transparency, Performance

STRATEGIC PRIORITIES

Economy

To be an effective leader and a reliable partner in our continuous efforts to make Leon County a place which attracts and retains talent, to grow and diversify our local economy, and to realize our full economic vitality. (EC)

Environment

To be a responsible steward of our precious natural resources in our continuous efforts to make Leon County a place which values our environment and natural beauty as a vital component of our community's health, economic strength and social offerings. (EN)

STRATEGIC INITIATIVES

BOLD GOALS AND TARGETS

Vision

A community that is safe, healthy and vibrant.

Leon County's vision statement is an aspirational description of what the organization would like to achieve and accomplish in the future. The vision statement also describes how Leon County, in an ideal state, should look in the future.

Mission

To efficiently provide public services which serve and strengthen our community.

Leon County's mission statement supports the vision and serves to communicate purpose and direction to employees, citizens, vendors and other stakeholders. The mission statement reflects the organization's vision, but is more concrete and action-oriented.

Core Values

Service, Integrity, Accountability, Respect, Collaboration, Stewardship, Transparency, Performance

Leon County's core values are the foundational, guiding principles on how the County team serves the public, exceeds expectations, and accomplishes big, game-changing projects and initiatives. These core values serve as the foundation for our core practices, which are the ways we live our values every day through public service.

Strategic Priorities

Leon County's Strategic Priorities are high-level categories of focus in the County's major areas of responsibilities: Economy, Environment, Quality of Life, and Governance. The priorities consider the County's future in each area and are critical to the success of the community. As part of the strategic plan, these priorities inform every decision and every initiative made by Leon County.

Strategic Initiatives

Leon County's strategic initiatives are program- or area-specific projects that align with the County's strategic priorities to serve and strengthen the community. In the FY2017-2021 Strategic Plan, the 75 strategic initiatives ensure that the optimized resources of the County are aligned to address the community's most pressing issues and to achieve the County's top priorities.

Bold Goals and Targets

Bold goals are truly stretch goals that will be big and difficult to achieve, but are worthy of Leon County's best efforts. Bold goals require the County to explore new partnerships, identify new opportunities, and inspire new ideas.

Leon County's five-year targets are aligned with each strategic priority and will communicate to the public and staff throughout the County the specific results the County expects to achieve through the collective execution of the strategic initiatives. Achieving these five-year targets will demonstrate results, accountability, and the strength of long-term planning.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Reporting Results: Target and Bold Goal Tracking

With the formal adoption of the FY 2022 – FY 2026 Strategic Plan, the Board approved 43 Strategic Initiatives. More recently, at the January 22, 2024 Board Retreat, an additional 18 Strategic Initiatives were adopted by the Board for a current total of 85 Strategic Initiatives.

In support of Board approved Strategic Initiatives, the FY 2025 Budget:

- Continue to support the Sheriff in offering competitive compensation and benefits to ensure the recruitment and retention of sworn officers. (2024-85)
- Continue to implement catalytic public infrastructure projects through Blueprint and the County's five-year CIP that provide connectivity and leverage public and private investments. (2022-1)
- Implement the Leon County Essential Libraries Initiative. (2022-21)
- Establish and implement line-item funding for local emergency homeless shelters in coordination and collaboration with community stakeholders including the City of Tallahassee and Children's Services Council of Leon County. (2024-72)
- Support efforts to host the 2026 World Athletic Cross-Country Championship at Apalachee Regional Park. (2022-6)
- Implement efforts to enhance access and delivery of human services in the community in partnership with 2-1-1 Big Bend through the 24-hour Helpline, Lyft Transportation Program, Community Information Exchange System, and other efforts. (2024-71)
- Evaluate the reimbursement structure of the Leon County Health Care Program to better reflect the cost for diagnostic and ancillary costs such as laboratory and X-ray services and ensure continued access to affordable health care for low-income individuals and families. (2023-55)

The Strategic Plan includes specific Targets that Leon County expects to realize as an organization over the next five-year plan cycle. These Targets are aligned with each priority area and communicate to the public and staff throughout the County the specific results that the County expects to achieve through the collective execution of our Strategic Initiatives. Additionally, the Strategic Plan includes a Bold Goal for each priority area. Bold Goals differ from Targets in that they are truly stretch goals which will be big and difficult to achieve but are worthy of the County's best efforts because they are big and difficult to achieve. The adoption of Bold Goals is something the best organizations do because they recognize that all goals should not be tied to specific programs or current resources. Bold Goals, rather, require the County to explore new partnerships, identify new opportunities, and inspire new ideas.

The following is a summary report on the County's progress in accomplishing the Targets and Bold Goals laid out in its Strategic Plan. These results are reflected throughout the book in the Department business plans and Division performance measurement sections.

NOTE: Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

ECONOMY

Measures		FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL
Bold Goal	Grow the five-year tourism economy to \$5 billion. (BG1) ¹	\$1.15 billion	\$1.25 billion	\$1.29 billion	\$1.31 billion	TBD	\$5.00 billion
Targets	Attract 100 state, regional, or national championships across all sports. (T1) ²	16	16	20	16	TBD	68
	Grow the job market by 10,000 new jobs... (T2) ³	7,100	5,895	1,300	1,900	TBD	16,195
	...Co-create 500 entrepreneur ventures. (T2) ³	208	80	100	480	TBD	868
	Connect 7,000 students to skilled job opportunities through Leon Works and other talent development initiatives. (T3) ⁴	3,781	919	1,761	3,276	TBD	9,737
	Increase the number of certified MWSBE's by 30% (T4) ⁵	6%	8%	10%	10%	TBD	34%

Notes:

1. Leon County currently contracts with the research firm Downs & St. Germain for tourism research services, including determining the annual tourism economy. In FY 2022, Downs & St. Germain estimated the total economic impact of tourism in Leon County at \$1.15 billion. In FY 2023 Downs & St. Germain estimated the total economic impact of tourism in Leon County at \$1.25 billion. For the first two quarters of FY 2024, Downs & St. Germain has estimated the economic impact of tourism in Leon County at \$671 million, which brings the total tourism economy over the last two and a half years to \$3.07 billion, 61% of the County's five-year Bold Goal.
2. The Division of Tourism's continued success with sporting event bidding, leveraging community assets related to sports tourism, and strengthening partnerships with local universities, clubs and community organizations, drives the County's progress in securing and

hosting youth and adult sport competitions. In FY 2022, 16 championship sporting events were held in Leon County, with an additional 16 events held in FY 2023. Since the start of FY 2024, 18 championship sporting events have been held bringing the total to 50 championships since the start of the County's five-year plan, 50% of the County's five-year Target. Events hosted in FY 2024 include all nine divisions of the Florida High School Football Association State Championships, the Southwestern Athletic Conference and Atlantic Coast Conference Cross Country Conference Championships, Amateur Athletic Union National Cross-Country Championships, and USA Track and Field Cross Country Championships, among others.

3. As of the completion of FY 2023, local employment grew by 12,995 jobs with the addition of 288 new entrepreneurial ventures being co-created locally, 129% and 58%, respectively, of the County's five-year Target. An entrepreneurial venture is a new business formation that is in the early stages of getting capitalized and then developing, organizing, and managing a business toward initial profitability. New entrepreneurial ventures are reported to OEV by partner organizations such as Domi Station and Innovation Park. In addition, the total new jobs reported under this Target is based upon the Local Area Unemployment Statistics (LAUS) published by the Department of Economic Opportunity (DEO) which is published on an annual basis.
4. Since the start of FY 2022, over 5,500 students have been connected to skilled job opportunities, 79% of the County's five-year Target. This progress was achieved largely in part to the County's addition of the Leon Works Fall Preview hosted virtually in the Fall of 2021 following the cancellation of the expo due to the COVID-19 pandemic in the previous fiscal year. The Leon Works Fall Preview, an extension of the Leon Works Expo typically held in the Spring, was a one-time event which accounted for 73% of the student connections achieved in FY 2022. The Leon Works Expo has since been hosted annually in-person each Spring at the FSU Civic Center. Through both events, the County continued its commitment to expanding the Leon Works Expo regionally with student attendance from Leon, Gadsden, Wakulla, Madison, and Liberty Counties. Additional initiatives contributing to this progress include the Junior Apprenticeship Program and the launch of the new EMT to Paramedic Trainee Program within the EMS Division. The County is anticipated to reach the remainder of this five-year Target through the continuation of the Leon Works Expo, Junior Apprenticeship Program, and the EMT to Paramedic Trainee Program in the upcoming years.
5. While there has been a decrease in the total number of MWSBE recertifications, the OEV MWSBE Division continues its efforts to grow the number of new certified MWSBEs in Leon County. Since the start of FY 2022, OEV has achieved 97 new MWSBE certifications, 56% of the County's five-year Target.

ENVIRONMENT

Measures		FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL
Bold Goal	Upgrade or eliminate 500 septic tanks in the Primary Springs Protection Zone. (BG2) ¹	195	98	220	181	TBD	694
Targets	Reduce Greenhouse Gas Emissions stemming from County operations by 25%. (T5) ²	5%	10%	2%	4%	TBD	21%
	Double solar power generation at County facilities. (T6) ³	50 kW's	0 kW's	25 kW's	25 kW's	TBD	125 kW's
	Divert 3 million pounds of household hazardous waste from the landfill. (T7) ⁴	794,836	679,375	700,000	680,000	TBD	2,854,211
	Increase the number of fully electric vehicles in the County's fleet by 500%. (T8) ⁵	0%	225%	92%	100%	TBD	417%

Notes:

1. Leon County has demonstrated success in leveraging Blueprint water quality funds as well as aggressively pursuing grant funds to support septic to sewer conversion projects in recent years. During the FY 2022-2026 Strategic Plan, an additional 500 septic tanks will be upgraded or eliminated as part of Phase 1A and 1B of the Woodville Septic to Sewer Project and continuation of the Advanced Septic System Pilot Program. Since the start of FY 2022, the County has 350 septic upgrades and/or conversions completed or in progress, 70% of the County's five-year Target. This includes the septic to sewer conversions supported through the Woodville Phase 1A Septic to Sewer Project, as well as system upgrades supported through the Advanced Septic System Pilot Program.
2. In 2019, the Board adopted Leon County's Integrated Sustainability Action Plan (ISAP) which sets out to reduce greenhouse gas (GHG) emissions by 30% by the end of FY 2030. To achieve this, the County will need to reduce GHG by 25% over the next five years. As of the conclusion of FY 2023, the County has achieved a 15% GHG reduction (or 60% of the five-year Target). Prior to the start of FY 2022, the County had solar arrays installed at five County facilities, providing a total solar power generation capacity of 135.7 kW's (Kilowatts). Under the new five-year plan, the County is seeking to double the amount of solar power generated at County facilities. In FY 2022, the County increased its solar power generation by 50 kW's, 37% of the five-year target, through the installation of solar panels at the County's Public Works Fleet Division. While the County anticipated achieving an additional 25 kW's increase in solar power generation in FY 2023, the availability of vendors within the region to install and maintain commercial solar has been limited. The County has continued taking proactive steps to build local capacity both for installation and ongoing maintenance of solar arrays. In addition, staff is exploring opportunities for solar installation beyond traditional roof or ground mounted installation options, such as floating solar arrays, which may offer the potential to expand the County's investments in solar.

3. Annually, Leon County's Household Hazardous Waste Division processes a million pounds of waste including chemicals, batteries, paint, and small electronics. Over the next five years, the Division will work to maintain this recycling rate and divert a total of 3 million pounds of waste from the landfill. In FY 2022, the County enhanced services for its Household Hazardous Waste (HHW) program with the creation of a new centrally located drop off site at the Public Works complex at the corner of Blair Stone and Miccosukee Roads. In addition, at the new centrally located drop off site, the County now offers drop off seven-days a week, a vast service enhancement from the prior once a month offering. As a result of these enhancements, the County continues to experience a steady increase in hazardous waste material collected. Since the start of FY 2022, the County has diverted a total of 1.78 million pounds of waste, 59% of the five-year Target.
4. Leon County's Integrated Sustainability Action Plan (ISAP) establishes a goal to convert 30% of the light duty vehicles in the County's fleet to fully electric by FY 2030. To stay on track to accomplish this goal, the County will need to increase the number of fully electric vehicles in its fleet by 500%, for a total of 25 vehicles by FY 2026. It should be noted that due to shortages and shipping delays resulting from the long-term economic impacts of COVID, the arrival of electric vehicles ordered by the County have been significantly delayed. Notwithstanding this, since the start of FY 2022, the County has achieved 45% of the County's five-year Bold Goal by increasing the County's electric vehicle fleet by 225% for a total of 13 electric vehicles by the end of FY 2024. The FY 2025 budget includes the purchase of an additional six EVs as numerous light-duty fleet will be eligible for replacement, which will bring the County to a total of 19 electric vehicles, or 76% of the County's five-year Target next year.

QUALITY OF LIFE

Measures		FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL
Bold Goal	Support community partners to place 225 residents experiencing chronic homelessness in permanent supportive housing. (BG3) ¹	23	130	25	25	TBD	203
Targets	Secure more than \$150 million in federal, state, and local benefits for Leon County Veterans and their families. (T9) ²	\$32,481,000	\$33,800,000	\$35,000,000	\$40,042,000	TBD	\$141,323,000
	Support 900 community events, sporting competitions, festivals, performances, and cultural programming. (T10) ³	135	117	170	168	TBD	590
	Construct an additional 90 miles of sidewalks, greenways, trails, and bike lanes. (T11) ⁴	7.88	18.08	32.18	24.27	TBD	82.41
	Host 100,000 residents and visitors through County-supported performances at the Amphitheater. (T12) ⁵	23,449	25,221	40,000	25,978	TBD	114,648

Notes:

1. To work toward this Bold Goal, the County, in partnership with the City of Tallahassee, made a historic \$6.2 million investment of American Rescue Plan Act (ARPA) funding to expand the availability of permanent supportive housing through the Big Bend Continuum of Care (BBCoC) and County-City Community Human Services Partnership (CHSP). In FY 2022 and FY 2023, a total of 153 permanent supportive housing placements were made. Since the start of FY 2024, an additional nine permanent supportive housing placements have been made for a total 162 placements made to date, or 72% of the County's five-year Bold Goal.
2. The Department of Veterans Affairs (VA) for Leon County annually calculates and publishes the amount of Veterans Compensation & Pension and Medical Care Expenditures which indicate the number of unique clients served by the County's Division of Veterans Services each year. For FY 2022, \$32.4 million in benefits were secured for Leon County veterans and their families. For FY 2023, \$33.8 million in benefits were secured. For FY 2024, the County's Division of Veteran Services estimates \$35 million in benefits will be secured, for a total of \$101.2 million in secured benefits or 67% of the County's five-year Target.
3. In FY 2022, the County hosted 135 events, sporting competitions, festivals, performances, and cultural programming with Tourism Development Tax (TD'T) funds. In FY 2023, the County hosted an additional 117 events. Within the first half of FY 2024, the County hosted an additional 152 events bringing the total to 404 events hosted, 40% of the County's five-year Target.
4. Since the start of FY 2022, the County has enhanced the community's local recreational offerings with the construction of over 30 miles of sidewalks, greenways, trails, and bike lanes, 33% of the County's five-year Target. This progress has been achieved through the continued implementation of the dedicated County Sidewalk Program, the Blueprint greenways/trails capital project and other transportation capital projects. Project locations include Magnolia Drive, the Ft. Braden History Trail, Pedrick Pond Playground Sidewalk, and Apalachee Regional Park Hiking/Biking Trails.
5. In FY 2022, nearly 23,500 residents and visitors attended County-Supported Performances at the Amphitheater in Cascades Park across 11 County-supported performances. In FY 2023, an additional 11 County-supported performances were hosted with over 25,000 residents and visitors in attendance. Since the start of FY 2024, an additional eight County-supported performances hosted over 15,000 residents and visitors. These performances include the first ever 2-day Gospel Music Jubilee Festival, Gipsy Kings, Revivalists, The Flaming Lips, Melissa Etheridge, and more. To date, the County has achieved 63% of the County's five-year Target.

Notes:

- Since the start of FY 2022, staff has implemented 240 citizen ideas, improvements, solutions and opportunities for co-creation, 40% of the County's Bold Goal. Included in this list are 83 actionable recommendations provided during the 2022 LEADS Listening Sessions, during which the County engaged nearly 300 key stakeholders across 26 listening sessions. The County's LEADS Listening Sessions are held every other year with the 2024 LEADS Listening Sessions scheduled to take place in the Fall of 2024. Going forward, implemented recommendations will be captured through ongoing tracking of this Bold Goal which is presented to the Board as part of the mid-year and end-year Strategic Plan updates. Additionally, the County will continue its progress through all methods of citizen engagement (i.e., Citizen Advisory Boards/Committees, Citizen's Connect, etc.) used across the organization to reach the goal of 600 citizen ideas implemented by FY 2026.
- Since the start of FY 2022, the County has made over 17,000 volunteer connections, 34% of the five-year target. The County is continuing its progress by connecting citizens with internal volunteer opportunities with the County libraries, internships, and special events, and other opportunities with community service partners to reach the five-year Target of 50,000 volunteer connections.
- Since the start of FY 2022, the County increased the number of citizens engaged through County platforms subscriptions and programming attendance by over 60,500 citizens, 60% of the County's five-year Target. Within the first two quarters of FY 2024, the County has reached 11,539 citizens through subscription platforms and programming attendance. So far, the County has reached over 7,500 citizens in programs at the libraries, with Citizen Engagement Series, Created Equal, and more, as well as 4,039 social media, bulletin and email subscribers.
- In recent years, the County has reduced average permitting times in large part due to the launch of new permitting software which allows licensed contractors, engineers, and architects to complete most of the permitting process online. However, several steps of the process are still paper based including most applications and associated support materials. Since the start of FY 2022, the County's transition to a 100% online permitting process has been underway with the first of three transition components completed in June 2022. In April 2024, the County launched the system software to implement 100% online permitting. An update on the program will be provided at the Board Retreat.
- Since FY 2022, Leon County Emergency Management communicated disaster preparedness messages approximately 2.8 million times, 140% of the County's five-year Target. This number reflects the County's increased level of communication associated with the COVID-19 pandemic, such as promotion of the Leon CARES and COVID-19 Vaccine campaigns, as well the County's preparation and response efforts related to Hurricane Ian (September 2022) and Hurricane Idalia (August 2023). At the January 2024 Retreat, the Board approved increasing the five-year Target to communicate more than 2 million disaster preparedness messages (from previously 1.4 million); however, this increase did not account for any future incidents that may take place and the associated increase in disaster preparedness messaging/impressions. Most recently, the County led an increased level of communication in response to the squall line of storms in January 2024, the Bicentennial Storm in April 2024, and the severe tornadoes that hit the community on May 10, 2024. Recognizing that the County has reached its increased five-year Target as a result of various emergency events that have taken place since January 2024, staff will assess potential adjustments to this five-year Target and provide recommendations at the Board's January 2025.

»» Budget Overview

Budget Overview

The total FY 2025 budget is \$377,886,993, an 8.14% increase over last fiscal year. The **operating budget** of \$349,085,474 represents an increase of 7.47% from last year’s adopted budget. The **capital budget** of \$28,801,519 represents a 17% increase from last year.

Funding

The FY 2025 budget was developed with a continued focus on annual budget constraint and continuous year-round internal efforts that drive innovation, produce efficiencies, and realize cost savings and cost avoidance. The FY 2025 budget reflects a continued investment in the highest needs of the community while constraining increases in costs to the smallest levels necessary to ensure stable funding for our most critical public safety services.

The FY 2025 budget also practices and maintains sound financial stewardship with:

- No increase in the countywide property tax rate, or increases to the stormwater and solid waste non-ad valorem assessments;
- Funding for six new planned EMS positions to maintain service levels
- A reduced use of fund balances;
- Restoring reserves;
- Maintaining strategic, long term investments in infrastructure; and
- New costs savings and avoidances of \$12 million.

Figure One: FY 2024/2025 Expenditures

Figure One depicts the budget as it is reflected by governmental category. The FY 2024/2025 budget shows the Leon County Government and the Constitutional Officers make up 80% of the total budget.

Figure Two: FY 2024/2025 Revenues

Florida Statutes require all local government budgets to be balanced. Leon County’s FY 2025 budget of \$377,886,993 is balanced with the use of a variety of revenue sources including: property taxes, fees, gas taxes and fund balances. As depicted in Figure 2, slightly more than half of Leon County’s revenue is derived from property taxes.

Figure Two displays the major classifications of revenue sources used in support of the FY 2025 tentative budget. In the Budget Summary/Analysis section - Revenue v. Expenditures, the major individual revenue sources are presented and summarized in more detail.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

The following is an overview of the County's FY 2025 Tentative Budget that includes policy guidance and budget balancing strategies.

In developing the annual budget, Leon County recognizes that budgeting is not only a year-round process, but an ongoing multi-year process that reflects the Board's longer term fiscal policies and priorities for the community, and requires necessary decision making through the annual budget adoption process. Each budget is interdependent on prior actions and influences the future financial condition of the County. Using this type of multi-year strategy places the County in a position to address unforeseen circumstances related to the economy and other external factors that may influence service delivery.

Through this multiyear process, the County has made strategic investments to address our most pressing issues of the day, as well as addressing our long-term goals for the community. We have done so by keeping taxes and fees as low as possible to keep the community affordable, while demonstrating agility and stability to handle numerous significant unforeseen issues including the Great Recession, the pandemic, and more frequent and hazardous severe weather associated with our changing climate. These unforeseen challenges are further complicated by recurring threats from the Legislature to impose unfunded mandates, reduce the tax base of local governments, and restrict the Board's Home Rule authority to realize additional revenues.

The FY 2025 budget is constrained by modest property tax and general revenue growth, continued inflation, and an extremely competitive job market. The following budget highlights reflect a continued investment in the highest needs of the community while constraining increases in costs to the smallest levels necessary to ensure stable funding for our most critical public safety services:

- No increase in the Countywide millage rate for the 13th consecutive year;
- No increase in the Stormwater or Solid Waste assessments;
- Six new planned EMS positions to address increased call volumes;
- Reduced use of fund balances;
- Maximizing the last year of Federal and American Rescue Plan Act (ARPA) funding;
- Restoring reserves;
- Maintaining strategic, long-term investments in infrastructure; and
- Optimizing resources and aligning organizational efforts to continuously fulfill our vision of a community which is safe, healthy, and vibrant.

Inflationary Impacts

Inflationary pressures significantly impact the county budget, particularly in FY 2025. As inflation drives up the costs of goods and services, the county faces increased expenditures for basic operations and public services. This includes higher prices for fuel, utilities, construction materials, and equipment, all of which are essential for maintaining infrastructure, public safety, and other county services.

One major contributor is the sharp increase in the prices of raw materials such as steel, lumber, and concrete. From 2019 to 2021 the price of lumber alone skyrocketed by nearly 300%, peaking in mid-2021 due to supply chain disruptions and increased demand from the housing market. Similarly, steel and concrete prices saw a dramatic rise. These inflationary pressures have continued with material costs remaining high into 2024. Additionally, energy prices have soared, impacting the production and transportation of these materials. This inflationary pressure affects the affordability of projects and, at times, delays in ongoing projects.

Labor shortages are another critical factor fueling the rise in construction costs. The construction industry has long faced challenges in attracting and retaining skilled workers, and this issue was intensified during and after the pandemic. Although the sector is recovering, it is still facing a shortfall of workers. This shortage drives wages higher as companies compete for a limited pool of workers.

In the Associated General Contractors of Americas (AGC) 2024 construction outlook survey, 39% of construction firms in Florida indicated that it will continue to be difficult to hire enough workers to meet project demands. Additionally, the top

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

three concerns identified in the survey were all labor related: 74% of respondents indicated rising direct labor costs and insufficient worker supply as the top two concerns, followed by worker quality in third (68%). Regarding pay, 56% indicated that they increased pay rates more in 2023 than in 2022, and 41% introduced or increased incentives to maintain and attract workers.

In addition to inflationary pressures, over the past two fiscal years the County also had to address the impacts of an extremely competitive job market where local unemployment averaged 3%. To remain an employer of choice, the FY 2023 Budget included funding to implement the findings of a compensation study for County employees and support for the Sheriff's pay plan. Furthermore, to assist existing employees with the impacts of inflation, the Board provided 5% across the Board pay increases for all employees.

Initial FY 2025 Policy Guidance

All County Departments submitted their operating and capital budgets to the Office of Management and Budget (OMB). The Constitutional Officers (Sheriff, Clerk, and Supervisor of Elections) were required to submit their budget to the County by May 1st. OMB, in coordination with the County Administrator, reviewed and analyzed all budget requests.

To ensure the budget was developed in a strategic and transparent manner, the Board adopted the annual Budget Calendar at the January 22, 2024 meeting. After the adoption of the Budget Calendar, the Board provided initial policy direction by establishing maximum discretionary funding levels at the March 19, 2024 meeting, including:

- Maintaining the Community Human Services Partnership funding level at \$1.445 million.
- Allocating \$834,000 in one-time funding from the American Rescue Plan Act for homelessness for the FY 2025 and FY 2026 funding cycle (\$417,500 each year).
- Providing \$74,500 for special events funding.
- Providing \$820,434 in outside agency funding, including 2-1-1 Big Bend to advance strategic initiative 2024-71

The Board provided additional guidance at the April 23, 2024 workshop, including:

- Approving an increase in the dental reimbursement rate of the CareNet Provider Reimbursement Pool from \$125 to \$175 per visit beginning in FY 2025 to include diagnostic and ancillary costs such as laboratory and X-ray services and to advance strategic initiative 2022-24.
- Approving an increase in the mental health reimbursement rate of the CareNet Provider Reimbursement Pool from \$80 to \$210 per visit for mental health professionals (e.g., psychiatrists, psychologists, psychotherapists, etc.) beginning in FY 2025 to align with Medicaid rates for reimbursement and to advance strategic initiative 2022-24.
- Adopting the revised Leon County Personnel Policies and Procedures, Section VII, Subsection 7.20 – Parental Leave, to provide eight weeks of paid leave at 100% of the employee's rate of pay following the birth or adoption of a child, effective upon approval.
- Adopting revised Policy No. 01-03, "Volunteer Fire Department Annual Budget Allocation" to provide additional apparatus-maintenance funding, effective October 1, 2024.

Cost Avoidance and Savings

The County systematically and strategically identifies efficiencies and cost savings year-round. This deliberate approach occurs throughout the year, not only during the formal budget process. Through specific and targeted practices, such as LEADs listening sessions, the Employee Innovation Awards Program - I2 (squared), employees are continuously empowered to seek and implement cost saving measures throughout the organization. For FY 2024, the total new cost savings and avoidances are \$12.2. Current year examples of savings include:

- Sheriff Space Leasing: Due to the implementation of new reentry and crime prevention programs, LCSO required additional space to ensure these programs and other law enforcement functions are adequately served in a location

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

near LCSO's primary location on Municipal Way. County staff in coordination with LCSO identified office space within proximity to LCSO's Municipal Way location that is anticipated to meet their space needs over the next five years and prevent the County from having to construct new office space for LCSO. Net the cost of the five-year lease term, the County avoided approximately \$11.3 million in costs that would have been required to construct a like sized facility.

- **Building Automation Savings:** Facilities Management oversees routine maintenance and repair of nearly two million square feet of County buildings which includes Heating, Ventilation, and Air Conditioning (HVAC) systems. Through diligent efforts to negotiate with the vendor to get the service costs down, Facilities Management identified areas of preventative maintenance and certain repairs that could be performed in house. This resulted in a significant costs savings, reducing the annual services quote from \$357,000 per year to \$225,000 per year for a total three-year contract savings of \$396,000.
- **Street Lighting Design Savings:** In 2023, the Board expanded the Street Lighting Program to include school bus stops. Street lighting design had traditionally been handled by the respective electric service providers in charge of the installation. However, due to staff turnover within the City's Electric Department, the County was asked to produce the street lighting design to ensure street lighting installations were not delayed. After evaluating the options, the County's Engineering Services Division completed the design for 18 intersections and 15 school bus stops in-house, avoiding approximately \$120,000 in consultant fees.
- **ExaGrid Data Backup Hardware:** Due to the use of a cooperative purchasing agreement, the Office of Information Technology (OIT) was able to purchase two ExaGrid data backup hardware devices for the County's growing technology data retention needs to ensure data is properly secured, backed-up, and maintained. If the County were to independently seek bids for the hardware devices, the cost was anticipated to be \$137,000 per unit or \$274,000. By utilizing a cooperative agreement, the purchase of the two data backup hardware devices was \$160,000 for the two devices resulting in \$114,000 in savings to the County.
- **Mobile Device Buyback Program:** In an effort to streamline the process for disposal of retired County mobile devices, OIT researched companies to identify a program for disposal that included a potential buyback program for the retired devices. A vendor was identified that would purchase the old mobile devices as well as destroy them when applicable. Through this outside vendor, the program has resulted in \$13,000 in buyback revenue for the County. This program has a varied annual cost avoidance based on buyback revenue generated as the County retires and replaces mobile devices.
- **Fair Labor Standards Act's Overtime Rule Changes:** The US Department of Labor (DOL) released updates to the Fair Labor Standards Act's (FLSA) overtime pay requirements to increase the minimum salary thresholds. The FLSA salary threshold is being increased from \$35,568 to \$43,888 on July 1, 2024, and then to \$58,656 on January 1, 2025. Workers making less than the FLSA salary thresholds will now need to be paid overtime when they work more than 40 hours a week. To be exempt from overtime pay, employees must be paid a salary of at least the threshold amount and meet certain duties tests provided by the DOL. An analysis conducted by OMB and Human Resources determined that the impacted employees rarely work overtime so the fiscal impact will be minimal, therefore an increase in salaries would not be necessary, avoiding \$335,000 in additional personnel costs.

Including the above, since 2013 the County has saved or avoided costs totaling more than \$76 million. These cost saving efforts occur prior to any new taxes, fees, positions, equipment, etc. being brought to the Board for consideration.

Tentative FY 2025 Budget

The County continues to approach its annual budget process by identifying opportunities to constrain budgetary growth, while ensuring the County's limited resources continue to be aligned with the highest priorities of the Board. As presented, the FY 2025 Tentative budget totals \$377,886,993 which is an 8.14% increase from the FY 2024 budget. The following section provides an overview of the tentatively balanced budget.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

Normal expense growth includes Leon County Government and Constitutional Officers personnel costs (e.g., retirement, health insurance), contractual increases, mandatory state payments, and materials and supplies. To offset these increases, the County relies on average revenue growth in property, state shared and local sales taxes, fees, and gas taxes. This revenue growth allows Leon County government to avoid increasing millage rates or fees to maintain adequate service levels. When revenue growth does not align with expense growth, this strategy is not attainable. Likewise, in years with above normal revenue growth it is essential to constrain recurring operating expenditure increases to limit budget holes in future years. Utilizing the revenue growth to replenish the capital improvement program is a more sustainable approach. Federal assistance provided through ARPA was used to offset the revenue loss associated with COVID in balancing the FY 2021 - FY 2024 budgets. This federal assistance helped mitigate the need to consider other options including the use of fund balance, increasing millage rates or fees, or reducing/eliminating programs and services during the COVID economic recovery.

In addition, anticipated expenditure increases related to mandatory state payments (e.g., Medicaid, the Department of Juvenile Justice), interlocal agreements and contracts are included in this analysis. OMB correspondingly analyzed revenue models including sales and gas tax activity. Furthermore, given the volatile nature of the post-pandemic economic recovery, current geopolitics and continued future economic uncertainty regarding inflation, the analysis presumes a conservative revenue forecast that contemplates moderate economic growth through FY 2025. This conservative forecast is in keeping with the Fed signaling that it may still lower interest rates later this year, however this strategy will likely take longer than anticipated for the Fed to gain confidence that the economy is on a sustainable path toward normal inflation levels.

The following Table details the tentative forecasts for major general revenue and expenditure changes for the entire budget from FY 2024 to FY 2025. A brief description and explanation of the changes in each revenue and expenditure category follows the table.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

The following is an analysis of the revenues and expenditures outlined in Table #1.

Tentative Estimated Changes in Revenues

As reflected in Table #1, the following section provides a summary of the projected changes to general revenues between the FY 2024 and FY 2025 budgets.

Property Taxes (\$18.2 million): Property tax collections are calculated based on the countywide millage rate multiplied by the taxable value of all property in Leon County. Taxable values are established by the Property Appraiser and the millage rate is established by the Board. Last year, taxable property values increased 7.87%. Final values provided by the Property Appraiser on July 1, 2024 reflect an increase in countywide valuation of 10.01%. Maintaining the current 8.3144 millage rate will result in an additional \$18.2 million in property tax revenues over FY 2024.

The Save-Our-Homes cap limits the increase of homestead residential property values to the change in CPI or 3%, whichever is lower. In January 2024, the CPI change resulted in homesteaded property reaching the 3% cap for valuations used for the FY 2025 budget. Without the cap, the annual CPI adjustment would be 3.4%.

Discussions with the Property Appraiser's Office indicate the increase in property values can be attributed to a few factors including, but not limited to, increases in the number of non-homestead properties being added to the tax roll, growth in residential and commercial development from the previous year (as properties are assessed annually on January 1st), and the taxable values catching up to the market this year after two years of double-digit increases in the market values of property. This is a result of market values returning to modest growth rates which allows for the recapturing of taxable values that have been suppressed by the constitutional limits in annual growth.

EMS Fees/Medicaid Reimbursement (\$3.03 million): Growth in EMS transport revenues are directly related to continued projected growth in patient transports. In addition, Medicaid fees, which are the direct result of a distribution formula established by the federal government are also projected to increase.

State Shared Revenue, 1/2 cent Sales Tax, Communications Services Tax (CST) and Public Service Tax (PST) (\$2.1 million): County governments receive certain revenues from the State of Florida which are largely based on sales tax collections. Sales tax related revenues have rebounded over the past three years from the precipitous decline in FY 2020. Nominal growth is projected for the CST and PST.

American Rescue Plan Act Revenue Replacement (ARPA) (\$1.95 million): The FY 2025 budget includes the remaining \$1.95 million in projected ARPA revenue loss funds to support general government services. The Federal Government requires all ARPA funds to be obligated by December 31, 2024 and expended by December 31, 2026. If the recipient does not obligate funds by December 31, 2024, the unobligated funds must be returned to the federal government. Under revised U.S. Treasury guidance for ARPA funds to be properly obligated, recipients must create a contract, subaward, or similar transaction requiring payment. However, if used for revenue replacement to fund general government services, as proposed for FY 2025, there is more flexibility and the contract/subaward rule does not apply. This strategy will ensure the County is in compliance with all federal guidelines and not risk having to return any funds to the federal government.

EMS Municipal Services Tax Unit (MSTU) (\$1.6 million): The MSTU revenue reflects the increase in property values and anticipates no change to the 0.75 millage rate.

Departmental Billings (Insurance, Fleet and Communications) (\$1.5 million): This revenue accounts for charges to Departments and Constitutional Offices for the provision of insurance coverages including workers' compensation, fuel, and maintenance for the fleet, and to fund the phone system. The majority of the increase is associated with growth in insurance premium costs consistent with the overall insurance market and internal phone system charges.

Interest Earnings (\$515,492): As the Federal Reserve has aggressively increased interest rates to fight high inflation, interest and investment earnings are estimated to increase by \$515,492. This forecast is based on projected interest earnings provided by the County's contracted investment advisor.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

Tourism Revenue (\$457,623): Leon County's tourism revenue continues to increase after the subsidence of COVID and a restoration of normal travel activities. In addition to events that attract overnight stays, Leon County has seen an increase in available rooms related to the construction of new hotels near the universities and the interstate. Also, the average room rate has increased as demand and inflation drive the hotel rates which results in greater tourism revenue collection as the tourist tax rate is collected as a percentage of a hotel room's cost.

Solid Waste Fees (\$405,166): Most of this increase is related to the projected increase in the hauling rate of \$3.75/ton in FY 2025. The tip fee at the Transfer Station is adjusted annually to recover most of these costs for waste processed at the facility. As approved by the Board during the FY 2024 budget development process, Waste Management's hauling rate was increased to \$18.80 in FY 2024 and \$22.55 in FY 2025.

Other Non-General Revenue (\$155,481): This summary reflects other dedicated revenues such as: State Housing Initiative Partnership (SHIP) funding, Court programs, state E-911 revenue, fire services fees, special assessments related to paving or sewer assessments.

Building Permitting and Inspection Fees (\$131,113): As part of the post-COVID economic recovery, revenue from permitting fees increased as builders took advantage of low interest rates and consumer demand increased for housing. Consumer demand and supply chain shortages in the post COVID economic recovery caused high inflation, which was countered by the Federal Reserve increasing interest rates. These increased rates then slowed building construction loans and mortgages which in turn results in building permitting activity subsiding.

DSEM Fees (\$69,742): As part of the post-COVID economic recovery, development services and environmental permitting fees increased as development permitting increased including the new Amazon facility. The pace of the permitting activity has returned to more sustained levels, resulting in the collection of fewer development and permitting fees.

Fund Balances (-\$130,916): The FY 2025 Budget reduces the amount of appropriated fund balance by \$130,916. This is due to a reduction in general fund balance and special revenue fund balances. A section describing fund balance use in the FY 2025 Budget is provided later in this overview.

Blueprint Infrastructure Sales Tax (10% infrastructure, 2% LIFE) (-\$194,232): Like the 1/2 cent and state shared sales tax revenue, this local sales tax has benefited from the economic rebound and increased consumer spending over the past few years. The slight reduction in FY 2025 revenue reflects consumer spending returning to more normal levels. This revenue is deposited into specific accounts and can only be used for specific capital expenditures such as resurfacing, sidewalks, intersection improvements, and the LIFE infrastructure projects.

Gas Taxes (-\$294,595): Gasoline taxes are estimated to decrease by 2.0%. In FY 2022, as the economy rebounded from the effects of COVID and travel dramatically increased, gas tax collections increased over 8%. Prior to COVID, gas taxes, which are consumption based (taxes are per gallon, not a percentage of cost), were only slightly increasing year-over-year due to better vehicle fuel efficiencies and an increase in the use of hybrid and electric vehicles. In FY 2023, gas taxes collections declined by 4%, and this trend is projected to continue in FY 2024 and FY 2025. This is largely due to the continued fluctuations in the market for crude oil and the shift in consumers driving more fuel-efficient or electric cars and trucks. While owners of electric vehicles use the road network, they do not pay gas taxes which support the maintenance of the local transportation system.

Rental Income (-\$521,717): The decrease is related to a decline in leasing activity at the Leon County Government Annex and the Lake Jackson Town Center. The County has been actively marketing vacant spaces and anticipates executing a multiyear lease with a State agency for vacant office space at the Annex.

Other General Revenues (-\$611,642): These decreases are primarily related to a decline in miscellaneous revenues for equipment buyback sales, court fees, warrants, prisoner room and board, surplus auction sales and camping fees. These revenues can fluctuate based on differing levels of activity year over year.

»» Budget Overview

Tentative Estimated Changes in Expenses

The following sections provide a summary of the proposed increases and decreases in expenditures.

Sheriff Personnel and Operating Expenses (\$10.7 million): Historically, the Sheriff's budget has trended consistent with property tax growth. The estimated growth in the Sheriff's budget is slightly higher (10.3%) than the projected property tax growth rate (10.01%). The increase is largely associated with the costs to increase the base pay for sworn officers to \$60,000 and the final implementation of the officer step plan.

Additionally, as requested by the Sheriff, the budget includes a separate appropriation in the amount of \$431,680 for continued funding for the two Sheriff's Homeless Outreach Street Team (HOST) deputies. In December 2021, the County allocated \$491,000 in ARPA funds for two HOST deputies to provide law enforcement support in the engagement of unsheltered individuals and families. The ARPA funding supported the positions in FY 2022, FY 2023, and FY 2024. Since ARPA funding is no longer available, continued funding to support the two deputies will be provided through general revenue. To further support this initiative, the Sheriff converted an existing vacant position to a HOST deputy bringing the total to three. The budget also includes the addition of one patrol deputy for western Leon County including the Apalachicola National Forest.

Capital Projects (\$4.2 million): The overall capital budget for FY 2025 is \$28.8 million, an increase of \$4.2 million from the FY 2024 budget of \$24.6 million. In addition to overall inflation and the rising costs of construction materials and supplies, increased costs are attributed to funding: replacement of Public Works heavy duty vehicles and equipment; stormwater infrastructure improvements; Public Safety Complex facility maintenance; statutory technology requirements for the courts, and intersection and safety improvements. As discussed in greater detail in the capital section of this overview, \$9.21 million in dedicated general revenue and transportation fund balances was appropriated in FY 2024.

Leon County Employee General Revenue Related Expenses (\$3.3 million): The largest operating expense in the Leon County Government budget is associated with personnel costs. These costs include performance raises, health insurance, retirement contributions and workers' compensation. The budget contemplates 5% raises for all employees. Also included are health care costs estimated to increase by 6%.

Contractual Obligations, Repairs and Maintenance, Utilities (\$2.7 million): All projected increases are associated with contractual and inflationary adjustments and include:

- County software maintenance licensing agreements including: the NEOGOV Human Resources management system, Microsoft Office 365 licensing, Banner Document Management, GovMax budgeting software and network security applications.
- Annual contractual and operating supplies increase in Facilities Management for security, custodial, HVAC, and building and grounds maintenance services.
- Utilities costs are projected to increase due to CPI adjustments for City of Tallahassee rates.
- Workers' compensation and insurance premiums.
- Parks and Recreation mowing, trail, playground, and ballfield maintenance.
- Public Works stormwater maintenance.
- Contractual increases associated with the maintenance of the E-911 system, and the County's phone and internet networks.
- Replacement of the 800MHz Radio Communications virtual prime site, which is the redundancy server for all the 800 MHz radios used by public safety agencies including the Leon County Sheriff's Office and Leon County Emergency Medical Services.
- Other miscellaneous increases related to rentals and leases, operating supplies, etc.

Solid Waste Services and Hauling Contract: (\$1.7 million): This increase is directly related to the projected cost increase for the waste hauling contract and the inflationary costs of yard debris processing and operating the transfer station. These increases are covered by an annual adjustment to solid waste fees and an increased general revenue transfer in the amount of \$751,000.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

As detailed later in the overview, to eliminate this general revenue subsidy and correspondingly increase the solid waste assessment to an appropriate level, a fee study will be conducted in FY 2025 with the results being available for consideration as part of the FY 2026 budget process.

Other Constitutional Officers (\$1.4 million): Other Constitutional Officer increases include:

- **The Clerk of the Courts and Comptroller:** The Clerk's budget increased by \$406,852. The increase is associated with cost-of-living adjustments, increased retirement rates, and other operating costs to support increased demands related to the Clerk's Finance duties to the County. The County's funding level for Clerk services is based on a cost allocation study conducted prior to the execution of the 2004 Interlocal Agreement. An updated cost allocation review is planned for FY 2025 and any proposed changes will be presented to the Board next fiscal year.
- **Tax Collector's Office:** Funding for the Tax Collector is through commissions based on the amount of property tax collected on behalf of the County and the statutory requirement that the County pay commissions for the Leon County School Board's ad valorem collections. Based on the estimated 10.01% increase in property values, this budget will increase by \$350,636.
- **Property Appraiser:** This budget is submitted directly to the Department of Revenue for approval on June 1. The \$652,514 increase is associated with personnel increases related to 5% salary increases, increases in healthcare rates, the replacement of an unrepairable vehicle, and other inflationary contractual costs.

EMS New Crew and Operating Costs (\$1.3 million): To maintain current service levels and ensure adequate resources are available for increased call demand, the FY 2025 budget includes the addition of six full-time EMS positions. Additional increases are associated with inflationary costs of EMS contracts and medical supplies. Additionally, the planned increase in the EMS millage rate in FY 2024 provides for reserves to support future increased staffing and equipment requirements for the program over the next four years.

Interlocal Agreements (\$1.3 million): Funding includes annual budgetary increases related to County interlocal agreements with the City of Tallahassee for the Consolidated Dispatch Agency, Parks and Recreation, ALS, Planning and Animal Control.

Workers' Compensation/Insurance (\$1.23 million): Leon County continues to have an aggressive safety and risk avoidance program, including required trainings and post-accident evaluations to avoid similar occurrences, which has resulted in reduced workers compensation costs for Leon County Government in FY 2025. This reduction is offset by an increase in the workers compensation budget for the Sheriff. In addition, anticipated increases in insurance premium coverages for property and general liability, which are competitively procured annually by the County's insurance broker, are included.

Medicaid (\$684,453): The County is required by Section 409.915, Florida Statutes, to contribute to the State's share of matching funds for the Medicaid Program. The annual contribution is increasing by \$684,453.

Division of Tourism (\$612,024): This increase aligns with the additional revenue previously described and provides more funds for the COCA cultural grant programs (funded by the 1-cent of the bed-tax), as well as additional resources for the Division of Tourism marketing efforts and costs associated with the continuation of the Leon County/Tallahassee Bicentennial Celebration in early FY 2025 and the 2026 World Athletics Cross Country Championship at Apalachee Regional Park.

Fuel and Vehicle Repair Costs (\$583,783): This cost increase is associated with the inflationary growth in the cost of parts to maintain the County fleet and a modest increase in the overall projected cost of fuel.

Community Redevelopment Agency (CRA) (\$223,950): The increase in FY 2025 is attributed to projected increases in the Frenchtown CRA payment and the County's Tax Increment Finance payment for the Capital Cascades properties. The County will receive final values from the Property Appraiser on July 1st which may adjust next year's required payment. Pursuant to an interlocal agreement with the City of Tallahassee, the County's funding for the Downtown CRA terminated in FY 2023.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

Discretionary Funding and Human Services Expenses – (\$201,443): Increases related to human services include:

- As approved by the Board at the March 19, 2024 meeting, \$112,500 to support the 2-1-1 Big Bend 24-hour Helpline and Lyft Transportation Program, and \$5,000 for the Shoes4Schools event.
- \$42,100 associated with the revised fee schedule for the Leon County Indigent Cremation and Burial Program to compensate contracted funeral homes for increased transportation and storage costs.
- The Housing Finance Authority (HFA) allocated an additional \$25,000 for housing rehabilitation projects.
- \$16,843 associated with facility operating expenses (security, utilities, custodial, etc.) for the Medial Examiner.

Baker Marchman Act (\$63,814): Leon County allocates annual funding to Apalachee Center, Inc. (Apalachee) for the provision of mental health care services for residents who meet the Baker Act and Marchman Act criteria. The Florida Mental Health Act, also known as the Baker Act under Chapter 394, Florida Statutes, provides an individual with emergency services and temporary detention for mental health evaluation and treatment, either on a voluntary or involuntary basis. The Florida Department of Children and Families has identified Apalachee as the District's public receiving facility for individuals experiencing a mental health and/or substance abuse crisis. The District includes the counties of Leon, Gadsden, Wakulla, Jefferson, Franklin, Liberty, Madison and Taylor. Annually, each county contracts with Apalachee to pay the state-mandated costs. In FY 2024, due to increased costs to operate the Baker/Marchman Act program and statutory requirements for local governments to pay for a portion of these costs, Apalachee requested the County provide an additional \$191,442 in funding phased in over a three-year period with an increase of \$63,814 per year. The FY 2025 increase represents the second year of the County's increased funding commitment.

State Housing Initiatives Partnership (SHIP) (\$355,816): The SHIP program reduced the allocation for local housing programs to Leon County during the 2024 legislative session.

Supervisor of Elections (SOE) Presidential Preference Election Cycle (-\$1.5 million): The SOE's budget varies year to year depending on the election cycle. The budget increases for the presidential preference primary (held in FY 2024) and decreases in general election and off year election cycles.

Tentative Staffing Discussion

Leon County government continues to approach the annual budget process by identifying opportunities to constrain budgetary growth and to ensure the limited resources of the County continue to be aligned with the Board's highest priorities. The FY 2025 Tentative Budget continues to build upon this effort, by annually reviewing positions to ensure the organization is optimizing personnel resources. Prior to recommending adding positions to the budget, an organizational review occurs to determine if there are available efficiency measures Departments could make before adding positions.

New Positions

Except for EMS public safety positions, no new general revenue supported positions are recommended for FY 2025. To assist with ever increasing call volume, six new EMS positions (half a crew) are recommended to fill the current ambulance schedule. Funding for these six new positions has a budget impact of \$625,914. Four additional positions and an ambulance are planned for FY 2026 to complete the addition of a full crew and ambulance.

Due to Leon County's low unemployment rate of 3.3%, the local job market is highly competitive, and there are currently many vacant positions throughout the organization. Instead of recommending creating new positions, Leon County Government will continue to focus on filling these vacant positions to maintain service delivery. Positions that cannot be filled will be considered for realignment within the organization to meet increased service demands in specific program areas.

Other Pay Adjustments

Consistent with previous budget cycles, the tentative budget includes recommendations related to employee pay to ensure Leon County remains an employer of choice. These pay adjustments acknowledge the necessary investment to recruit and retain employees. The pay adjustments include:

- A 5% raise for all Board and Constitutional employees.
- Increase in parental leave benefits to 8 weeks at 100% pay.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

Fund Balances

Consistent with best governmental financial practices, Leon County Policy 07-2 “Reserves” establishes fund balance policy levels sufficient for cash flow and emergency purposes. As property tax revenues are received two months after the start of the fiscal year, fund balances allow the County adequate cash flow to eliminate the need for short-term borrowing in October and November to cover payroll and required budget transfers to the Constitutional Officers.

As recognized by bond rating agencies like Fitch and Moody’s, sufficient fund balances are considered a sign of fiscal stability and influence bond ratings. In addition, as noted in Policy 07-2, the use of fund balance more than the policy minimums should support one-time capital project funding and/or other one-time expenditures to address unforeseen revenue shortfalls. Moving toward the elimination of using recurring fund balance aligns with industry best practices, is consistent with County policy, and provides greater long-term financial stability for the County.

Even with the continued economic uncertainty surrounding COVID, due to long-term fiscal planning, before and during this unparalleled challenge, Leon County government has maintained its fiscal viability. As recognized by Moody’s Investor Service in its most recent November 2022 annual release, affirming the County’s extremely high Aa2 credit rating.

General Fund

Due to increased property values and the County’s intentional conservative approach of constraining expenditures to the greatest extent possible, general revenue fund balance for FY 2025 is \$531,161, a slight reduction from the \$571,290 in FY 2024. Comparatively, Leon County used \$5 million in fund balance in FY 2013 to support the budget and manage the impacts of the Great Recession.

The County’s general revenue fund balances grow at a rate of \$3 to \$4 million a year. This is due to State budget requirements that counties budget 95% of expected revenues, and the nominal under expenditure of Board and Constitutional Officer budgets. Hence, \$3 to \$4 million has not been an unreasonable amount to budget given the constraints placed on County resources. However, when this level of fund balance is used to offset the operating budget, fund balances do not grow year over year, but rather stay at the same level. When fund balance use is reduced (like during the current budget process) fund balances can start to grow. When the fund balances grow, they accumulate, and can be used as part of a “fund balance sweep” to fund one-time capital projects (e.g., Consolidated Dispatch Center and Branch Libraries). Alternatively, without general fund balance accumulation, the County would need to consider issuing debt to support future capital project needs.

Increasing the use of the general fund balance annually is an unsustainable practice. If the use of fund balance grew by only \$2 million each year (e.g., \$2.8 million FY 2025, \$4.8 million FY 2026, \$6.8 million, etc.), it would only take four or five years to deplete the entire fund balance. This occurs because the use rate would be much higher than the replenishment rate. This practice would further diminish the County’s ability to provide fund balances for future capital projects or to maintain the catastrophe reserves which were used in three consecutive years to fund the debris removal related to Hurricanes Hermine, Irma, Michael, and most recently for Hurricane Idalia, the May 10th tornadoes, and Topical Storm Debby.

Building Inspection Fund

Building Inspection is entirely funded by permitting and inspection fees and does not receive any general revenue support. To ensure Building Inspection continues to provide prompt permitting services, when revenues decline available fund balances are used to support funding these services. The FY 2025 budget includes the use of \$937,201 in available Building Inspection fund balance. Like DSEM, after several years of increased construction activity, permitting levels are ebbing. In addition, higher interest rates are beginning to suppress home sales and related permitting activity. Building fund balances are available due to increased revenues generated during the recent robust construction market. If this trend continues, expenditures for these services may need to be reduced in outyears.

Other Fund Balances

Other funds entirely supported by fee revenue that do not receive general revenue support sometimes use accumulated fund balances to support special projects or continued operations from balances accumulated in previous years.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

Due to declines in court revenues, the Judicial funds (e.g., Drug Court and Judicial Programs) will use available fund balances totaling \$233,977 to continue to support their operations. In addition, to provide the necessary funding for E-911, \$69,782 in dedicated fund balance is appropriated to support this program.

Tourism Fund Balance

As the Division of Tourism continues to implement the 2024 Bicentennial and plan for the 2026 World Cross Country Championships, additional funding is included in the FY 2025 budget for the related marketing and promotion of these events. To cover these one-time expenses, \$411,280 in available fund balance is appropriated in the FY 2025 budget. Fund balances are available due to the rapid and steady increase in Leon County tourism post COVID, the hosting of additional events such as the Florida High School Athletic Association 2023 Football Championship games and the increase in overnight room inventory due to new hotel construction.

Capital Program

Each fiscal year, pursuant to Florida Statutes and County policy, the County is required to adopt a five-year capital improvement plan. The capital improvement budget maintains core infrastructure including road resurfacing, stormwater facilities, parks and greenways, technology infrastructure and upgrades to the detention facility. In addition, the capital budget includes new infrastructure projects such as the construction of new park facilities, major building improvements and vehicles.

To maintain this capital program, which is largely focused on maintaining the existing County infrastructure, a consistent amount of recurring general revenue is required to fund these projects. From FY 2020 – FY 2024, the recurring general revenue support for the capital program has ranged from \$5.0 million - \$8.2 million. Over the past four fiscal years, Leon County has used \$14 million in one-time ARPA funds to support the County general capital program and \$17.4 million to fund sewer projects in the Primary Springs Protection Zone. The use of these funds allowed for a reduced level of recurring general revenue funds to support the capital program.

As a financial best practice and to avoid the costs associated with borrowing, Leon County annually evaluates fund balance levels to determine the availability of funds to support the capital program. Limiting the use of available fund balance for one-time expenditures for capital projects, if needed, is considered a best practice. As previously noted, it is not considered a best practice to use reserves for recurring expenses.

As part of the FY 2024 budget process, the Board approved the use of \$15.68 million in available fund balances that were above policy minimums to support the capital program for FY 2024 and FY 2025. Specifically, \$10.86 million was available in non-countywide general revenue and \$946,212 from the stormwater fund. Also, \$3.88 million in transportation reserves was available to support the transportation capital program. This appropriation of reserves for one-time capital expenses and using \$2.1 million in ARPA revenue replacement funds offset the need to increase the general revenue transfer to the capital program in FY 2024. Even with this use of one-time fund balance to support capital, outyears contemplated an average of \$16.6 million in general revenue support to adequately fund the general capital program.

During the FY 2024 budget process, the Board advanced a portion of the fund sweep reserves for several projects due to manufacturers taking limited orders caused by supply chain issues. To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, the Board continue this practice to advance certain capital projects in FY 2024 related to the Detention Center, vehicle replacement, stormwater infrastructure and park facility improvements. By appropriating funds in FY 2024, it mitigated an unnecessarily large percentage increase when comparing the FY 2024 budget to the FY 2025 budget.

The five-year (FY 2025 – FY 2029) capital program continues to focus on the long-term maintenance of the County's extensive existing and aging infrastructure, some of which includes over 2 million square feet of facilities, hundreds of miles of roads, and thousands of acres of parks, greenways, and trails. The following includes highlights of this recommended funding for FY 2025.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

Projects to Enhance the County's Resiliency to Future Storm Events

From the landfall of Hurricane Idalia in the Big Bend of North Florida in August 2023 to the Bicentennial Storm in April 2024 followed by the three tornadoes that touched down in Leon County on May 10, 2024, these severe weather events have intensified the County's urgency to enhance disaster response capabilities and resilience. The Spring 2024 storms resulted in historic rainfall amounts with rates that overwhelmed drainage systems and caused significant flooding, hundreds of destroyed and majorly damaged structures, and the removal of 1,500 trees from roads, rights-of-ways, and County property. Additionally, the 2024 Hurricane Season is predicted to be above normal, with a forecasting range of 17 to 25 total named storms. Of those, eight to 13 are forecast to become hurricanes, including four to seven major hurricanes. Before, during, and in response to these emergency events, the Emergency Operations Center at the Public Safety Complex serves as the central command and control facility for the effective coordination of disaster management functions. Public Works is at the forefront of the County's resiliency efforts, including storm preparation and response, as it is responsible for operating sandbag locations, mobilizing equipment and resources to trouble areas, and clearing roadways for the safe passage of vehicles. The following projects in the tentative budget are essential to maintaining the County's core infrastructure and ensuring the County continues to have adequate resources available to respond to any level of disaster.

Stormwater Infrastructure Projects: These projects are to provide water quality and flood mitigation benefits. Projects include the replacement of stormwater structures, including cross drains to ensure that water flows properly, which improves overall drainage and reduces the risk of standing water especially during large rain events. As part of the stormwater requirements for the County's Non-Point Discharge Elimination System (NPDES) Permit, an inventory and inspection of the major stormwater systems in unincorporated Leon County was conducted to proactively prioritize and schedule the replacement of more than 1,000 major culverts. FY 2025 funding will support culvert replacements on W. Joe Thomas Road at Harvey Creek, Sandstone Ranch Subdivision, and the reconstruction of the View Point Pond drainage system.

Public Works Heavy-Duty Vehicle and Equipment Replacement: During the Bicentennial Storm in April 2024, the Public Works department repaired 11 private roads requiring 79 truckloads of gravel and other materials. In one example, Public Works repaired a significant washout on Sir Richard Road within nine hours, utilizing 36 loads of gravel and a 40-foot culvert to stabilize the roadway. This quick action restored essential access for residents and emergency vehicles, demonstrating effective emergency infrastructure repair capabilities. This project ensures Public Works continues to have adequate heavy-duty vehicles and equipment resources available for response and recovery activities. Examples of equipment to be replaced in FY 2025 include three aging dump trucks, equipment to assist with road clearing and debris removal efforts including a Skid Steer (which has zero turn capability for more compact areas), a chipper which is staged to assist with the breakdown of storm debris onsite before taking to disposal site, a loader, and a backhoe. Additionally, improvements will be made to Public Works' mobile work order system to ensure it integrates with other County systems, including GIS. This is essential in tracking resources during storm events for FEMA reimbursement.

Public Safety Complex (PSC): The PSC opened in 2013 and serves as the central location for coordination of immediate response and recovery activities in the County. Funding provided in FY 2025 will ensure mechanical systems and technology continue to meet operating performance standards. Examples of projects include: updates to the fuel system controls required for the building's generators; replacement of the interior lighting control systems; replacement of the data center row units; and improvements to the sound system in the Emergency Operations Center.

Other capital project highlights include:

Essential Library Initiative: An additional \$1,000,000 is allocated in FY 2025 to begin improvements for the second phase of renovations to the Main Library. To complete construction related to the initiative an additional \$1.5 million is programmed from FY 2026 – FY 2027.

Transportation: The transportation capital program continues to focus on repaving, sidewalks, and intersection and safety improvements.

Emergency Medical Services Ambulances: To ensure the ambulance fleet is properly refreshed, ambulances with significant mileage are completely replaced and some are refurbished with new chassis. For FY 2025, five ambulances are scheduled for

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Budget Overview

purchase and three are recommended for new chassis with a remounted “box.” The total cost for vehicle and equipment replacement for EMS is \$4.27 million.

Livable Infrastructure for Everyone (LIFE) Program: In January of FY 2020, Leon County began collecting its share of the Blueprint 2020 sales tax extension. A new component of the sales tax is the two percent dedicated to Livable Infrastructure for Everyone (L.I.F.E.). Annually, the Board considers a five-year L.I.F.E Program schedule during the budget process. The schedule continues to implement the County’s adopted LIFE Policy and any previous Board direction on the allocation of these funds.

Multiyear Fiscal Planning

The County engages in multiyear fiscal planning to ensure the long-term fiscal viability of the County and to ensure the resources available to the County are used in the most prudent manner. Through these efforts, the County has deliberately been able to save taxpayers millions of dollars by deferring increases in property taxes and fees. In addition, during this time, guided by the Strategic Plan, the County has increased its investment in areas such as public safety, human services, park amenities, etc. At the same time, the County has also maintained hundreds of miles of roadways, hundreds of thousands of square feet of building space, and thousands of acres of parks while paying down debt and maintaining adequate levels of reserves.

Recent economic conditions including the recovery from the pandemic, the response and recovery costs associated with severe weather impacts to our community, and the ongoing threat of significant cost shifts by the Florida Legislature have reinforced the limitations of the County’s existing revenue diversification. Currently, the County provides general revenue support to several programs, such as Solid Waste and Stormwater, that with the appropriate level of fees or assessments would be self-supporting. This approach is consistent with the County’s “Fiscal Guiding Principles” and fiscal policies that state fees charged in enterprise operations will be calculated at a level which will support all direct and indirect costs of the enterprise. As was the case with Fire and EMS, the existing fees and assessments for Solid Waste and Stormwater have been deliberately suppressed for many years to provide millions in relief to taxpayers.

However, to ensure continued long-term fiscal viability of the County, it is critical to reduce and eliminate these general revenue subsidies. The elimination of these subsidies allows the County to rebuild reserves and provides additional resources to address future unanticipated expenditure increases without drastic cuts to operating and capital budgets or increases to millage rates.

As presented during the FY 2024 budget process last year, the Solid Waste residential non-ad valorem assessment of \$40 per year has remained unchanged since 1994, or almost 30 years. This fee is intended to pay for the cost of disposing of solid waste brought to the transfer station. This fee no longer pays the full cost of providing this service. In addition, the County does not charge residents to use the rural waste service centers. To offset these costs, the County provides millions in annual general revenue to the Solid Waste fund. An increase to the non-ad valorem assessment could eliminate this general revenue support. Based on the Board’s previous direction to eliminate this general revenue subsidy and correspondingly increase the assessment to an appropriate level, the Solid Waste assessment study is currently underway with the results being available for consideration as part of the FY 2026 budget process.

Like Solid Waste, Leon County’s Stormwater program is also supported by a non-ad valorem assessment. This assessment was last increased in 2013. The Stormwater assessment provides revenues to pay for the operation and maintenance of the County’s stormwater system. However, the non-ad valorem assessment is not adequate to support the program and millions in general revenue are annually used to augment the program’s funding. Like the other assessments, a study would need to be conducted to establish recommended fees. Continuing to provide for taxpayer sensitivity, the Stormwater fee study is intended to be conducted in FY 2027 and will be considered as part of the FY 2028 budget process. This will be two years after any Solid Waste fee adjustment in FY 2026.

Leon County has deliberately demonstrated continuous fiscal constraint by mitigating any tax and fee increases until such time as all other approaches have been exhausted. This includes maintaining a budget per capita at one of the lowest rates of any County in Florida, judiciously adding only the most critical positions to the budget, leveraging millions in state and federal grants, and paying down outstanding debt while taking advantage of historically low interest rates when they were available.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Budget Overview

With a reasoned and deliberate approach to increasing the Solid Waste and Stormwater assessments over a period of several years, the County will be better positioned to remain a fiscally viable organization into the foreseeable future.

Conclusion

Due to a long history of rigorous fiscal planning, Leon County has been able to continue to provide high quality essential services, while perennially being one of the most efficient and affordable county governments in Florida. By reducing spending at the beginning of the pandemic, constraining budget growth in previous budgets, and the targeted and intentional use of Federal ARPA funding, the FY 2025 budget is balanced with no millage or fee increases; the reduced use of general revenue fund balance; restoring reserves; maintaining high quality service delivery; maintaining strategic, long-term investments in infrastructure while ensuring our community remains resilient to more frequent and volatile severe weather events; ensuring a high performing workforce with fair pay and equitable practices; and continuing to invest in making the community stronger by leveraging partnerships and supporting those most in need.

The sudden and persistent rise in inflation has added additional stresses on the economy, including local government. Through best fiscal practices, the County's strong financial foundation was established over many previous budget cycles by using budget discipline, sound financial planning and an organization-wide focus on innovation, cost avoidance and efficiency. During previous recessions and downturns in the economy, the County maintained fees and passed on significant property tax savings to citizens. Similarly, the FY 2025 Tentative Budget does not include any millage rate or fee increases.

In the same way the County came out of the Great Recession and the COVID-19 pandemic, the County again is addressing significant fiscal issues in a deliberate and fiscally constrained manner. It bears repeating that these recommended actions provide the necessary resources to continue maintaining the County as a financially viable organization with the ability to withstand the impacts and rebound from the current economic and financial pressures to local government expenses, especially related to the cost of materials, supplies and construction of capital projects.

Even with the continued economic uncertainty, due to this long-term fiscal planning, Leon County Government's fiscal resilience has not gone unrecognized. As acknowledged by Moody's Investor Service, the County has maintained an extremely high Aa2 credit rating.

With the continued leadership of the Board, the dedication of our talented employees and the active engagement of citizens and partners, the FY 2025 budget will continue to strive to best position the organization and provide the Board of County Commissioners with the maximum fiscal options and flexibility to continue to meet the current and foreseeable (and unforeseeable) challenges and opportunities facing our organization and community.

Other Expenses & Debt Service

Non-operating funding is for those activities for which costs do not apply solely to any specific County department's function, but are either applicable to the operation of County government as a whole, or are provided for the public good. Non-Operating expenditures support:

- Fleet Management;
- Countywide communication services;
- Grant Match dollars;
- Risk management and insurance programs; and
- Reserve and contingency funding.

County Fact: Leon County, when compared to other liked sized counties in the state, has the lowest net operating budget.

Non-Operating & Debt Service Funding FY 2023 thru FY 2025

FY 2025 Debt Service/Reserves Highlights

The various Debt Service Funds were established to account for the debt service associated with bonds issued by the County, which includes annual principal and interest payments. When financially advantageous, the County has historically taken advantage of low interest loans to fund items such as major repairs and renovations and property acquisitions.

In FY 2025, Leon County budgeted \$5,712,825 for debt service. The increase in non-operating expenditures is primarily attributed to inflationary growth in the cost of fuel and parts to maintain the County's fleet and workers compensation claims for the Leon County Sheriff's Department. The County budgeted \$210,000 for reserves in FY 2025 to account for unforeseeable events and/or changes in market conditions such as rising fuel and energy costs. The remaining reserves (\$1.7 million) are associated with the planned increase in the EMS millage rate, which provides for reserves to support future increased staffing and equipment requirements for the Emergency Medical Services program.

Unemployment Statistics

Source: 2023 Office of Economic Vitality, Workforce, and Income Unemployment Rate Annual Average

Unemployment rates are a traditional indicator of economic health. Leon County's unemployment rate has remained below the state and national averages for the past ten years. Subsequent to the Great Depression in 2010, the state of Florida's unemployment rate peaked at 11.86%.

Prior to the COVID-19 pandemic, Florida's unemployment rate had been declining since 2012, when the rate was 8.60%. However, the COVID-19 pandemic and the sustained global economic disruption surrounding the public health emergency impacted governments, businesses, and individuals across the world. Local Area Unemployment Statistics data shows that FY 2020 MSA unemployment rates increased to 8.2%, while the State increased to 13.3%. Preliminary unemployment rate for MSA is 3.1% in April 2024, slightly above the State rate of 2.9%, and 0.7 points below the US unemployment rate of 3.6%.

Total Leon County Labor Force

Thousands

Source: 2023 Office of Economic Vitality, Workforce and Income, Labor Force

The local labor force consists of the total number of people employed and individuals seeking employment, including those classified as unemployed.

The County labor force remained relatively level from 2013 to 2015. The growing economy reflected an increase to the labor force in 2016 to 2019. However, the total county labor force for 2020 was 151,021, which was a decrease of -2.88% from 2019. The decline is consistent with the effects of the COVID-19 pandemic on the labor force. The labor force numbers increased by 2.62% in 2023. Labor force increase can be attributed to population growth.

Over the past ten years, Leon County's major industries have included Government, Education and Health Services, Leisure & Hospitality, and Professional and Business Services. This is attributed to the support needed for the large government and higher education infrastructure in the Tallahassee Metropolitan Statistical Area (MSA). The MSA includes data from Gadsden, Jefferson, Leon, and Wakulla counties, hence the greater employment figure compared to the County Labor Force chart above.

The largest increase over the past decade (in terms of percentage) has been in Construction while Other Services has seen the largest decrease. The strain of COVID-19 on the healthcare industry has contributed to the significant increase in Health Services.

Residential Building Permits

Source: Tallahassee-Leon County Office of Economic Vitality, 2023 Statistical Digest.

Since 2013, residential building permits have increased steadily with a slight decrease in FY 2015 and reaching its peak in FY 2016 and FY 2017 with large increases in multi-family permits for The Lumberyard, Players Club, Stadium Enclave, Quantum on West Call, College Town Phase III and Lullwater.

The effects of the COVID-19 pandemic drove mortgage rates to record lows which allowed additional buyers to enter the home buying market. The significant decline in single-family permits in 2022 is attributed to the stabilization of growth in permitting activity following the low interest rate environment enacted to combat the impacts of COVID on the economy.

The major increase in 2023 is in multi-family homes which is attributed to the demand drivers change, major homebuilders pivoting their focus to purpose-building. Due to increased home prices, higher lending rates, preference for renter flexibility, and new housing standards, this product type has emerged in popularity.

Note: Multi-Family permitting is based on a per bed/unit number.

Value of Commercial Permits

Source: Tallahassee-Leon County Office of Economic Vitality, 2023 Statistical Digest.

Over the past 10 years, the number of commercial permits and value of these permits have been volatile. The value of permits issued in 2018 was 155% higher than in 2017. This was the first time the value of commercial permitting reached \$254 million. The value of commercial permits issued for new construction in 2021 totaled \$237.2 million. This increase is attributed to the rebounding economy due to low interest rates and pent-up demand. The 2023 value of commercial permits issued for new construction totaled \$108.8 million.

Homestead Parcels

Thousands

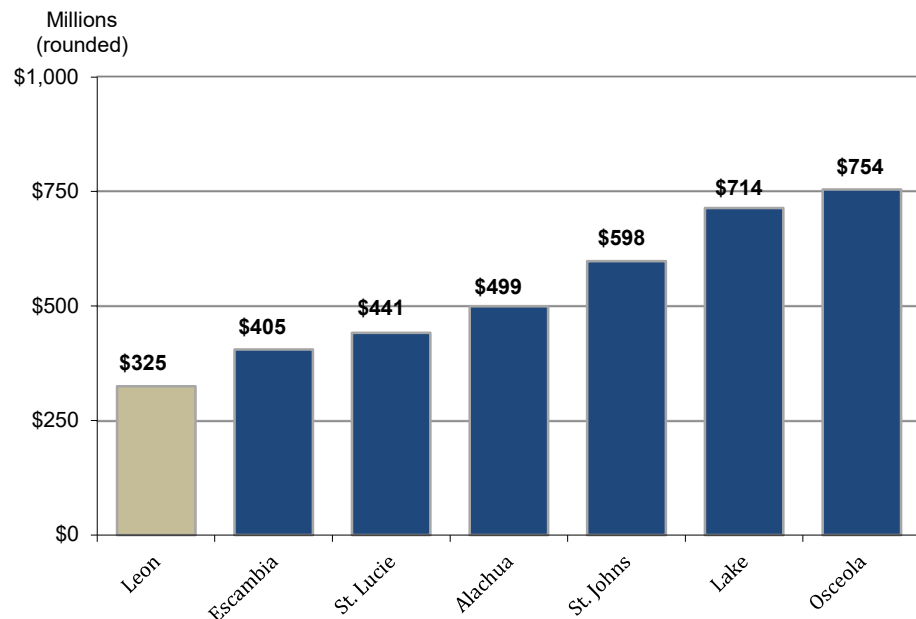

Source: Property Appraiser, Official Tax Roll Certification

Continuing with the recession in 2010 and the recovery of a slumping economy, homestead parcels declined to 54,745 in 2015. Since 2016 homestead parcels have gradually increased and are at the highest level since the “Great Recession”. The economic impact of the COVID-19 pandemic drove mortgage rates to record lows which allowed additional buyers to enter the home buying market. Mortgage rates have increased again as the U.S. Federal Reserve continues to issue rate hikes to bring inflation down.

Intergovernmental Revenue

Percent of Operating Revenue

Analysis: The monitoring of intergovernmental revenue is important due to the volatility of this funding source. Dependence on intergovernmental revenue can be harmful; especially if the external source withdraws the funds entirely and/or reduces its share of costs. Leon County continues to work to reduce dependency on intergovernmental revenues in comparison to total operating revenues.

Grants are not generally included in intergovernmental revenue projections; however, grants are included in this projection and account for a significant portion of actual intergovernmental revenue. Revenues related to FEMA reimbursement for Hurricane Hermine, Irma and Michael are reflected in the increases for FY 2018 and 2019 respectively. COVID-19 and FEMA reimbursement revenues, which include CARES and ARPA funding, are reflected in the increase for FY 2021 and FY 2022. Intergovernmental revenue is expected to account for 9.00% of operating revenues in FY 2024.

Formula: Intergovernmental Revenues divided by Total Operating Revenues.

Source: FY 2024 Budget Summary

Analysis: In the past ten years, Leon County has become more reliant on property tax revenue, primarily due to efforts to reduce dependence on intergovernmental revenue.

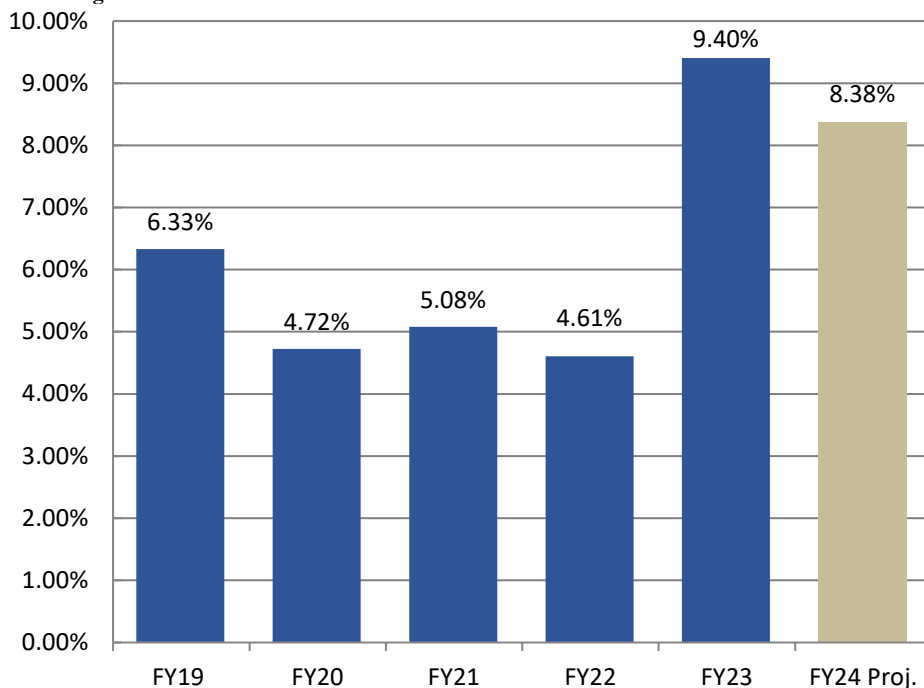

The Board maintained the 8.3144 millage rate through FY 2024. However, property tax revenue increased by 8.38% or \$7,775,693 in FY 2024.

Formula: Current Year minus Prior Year divided by Prior Year.

Revenue Projections

Budgeted v. Actual Revenues

Analysis: This indicator examines the differences between actual revenues received versus budgeted revenues during the past fiscal year. Typically, actual revenues versus budgeted revenues fall in the range of plus or minus five percent.

Revenues rebounded and returned to pre-COVID collection levels sooner than forecasted after the stay-at-home orders were lifted resulting in higher than budgeted revenue collection.

FY 2021 and FY 2023 show increases in building permitting for new construction development.

Formula: Actual General Fund, Special Funds and Enterprise Fund Revenue minus Budgeted General Fund, Special Funds and Enterprise Fund Revenue divided by Budgeted Revenues.

Source: FY 2023 Revenue Summary Report and FY 2024 Budget Summary.

Capital Outlay

Percentage of Total Expenditures

Analysis: The purpose of capital outlay in the budget is to replace equipment or to add new equipment and infrastructure. The ratio of capital outlay to net operating expenditures is a rough indicator of whether the stock of equipment and infrastructure is being replaced or added.

The FY 2020 increase is related to the acquisition of a new helicopter for the Leon County Sheriff's Office and \$4.8 million in Energy Savings Capital Projects (ESCO) projects for County facilities including the Detention Center.

The FY 2023 increase is related to expenditures for the Annawood Woodville, and N.E. Lake Munson sewer projects, in addition to building improvements at the historic Amtrak building for the Tourism Division.

The FY 2024 projection is based upon what has been budgeted for the current fiscal year and does not include funds appropriated in previous fiscal years that have been carried forward to provide continued project funding.

Formula: Capital Outlay Divided by Total Operating Expenditures.

Revenue Per Capita

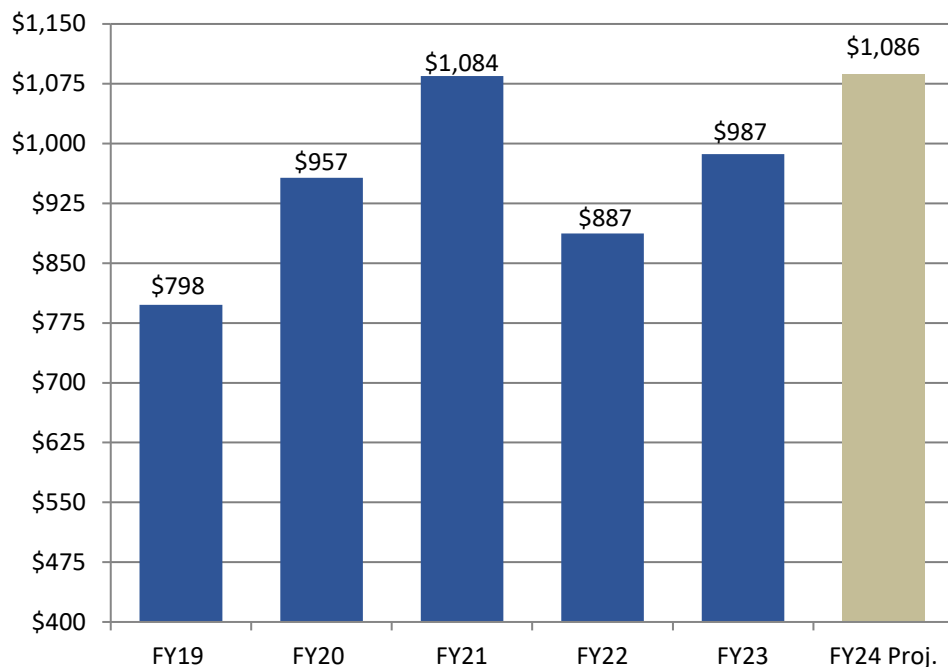

Analysis: Examining per capita revenue indicates changes in revenue relative to changes in population size. If the County's population increases, revenue will need to increase to meet the needs for services of the population. As per capita revenue decreases, it becomes difficult to maintain the existing level of services unless new revenue sources are found or there is a decrease in operating expenses. As Leon County's population grows, so too does the revenue.

FY 2020 increased due to the County receiving \$51.2 million in CARES Act funding from the Federal Government to assist citizens and local businesses including non-profits.

FY 2021 includes an additional \$76.7 million in federal funding received from the U.S. Treasury, \$57 million from the American Recovery Plan Act (ARPA) funds and \$19.7 million for the Emergency Rental Assistance (ERA) programs. The FY 2024 projection is reflective of additional revenues associated with the EMS MSTU and increases of the fire services fee.

Expenditures Per Capita

Formula: General Fund, Special Revenue Funds, and Enterprise Fund Revenues Divided by Population.

Source: FY 2023 Revenue Summary Report and the FY 2024 Budget Summary.

Analysis: Changes in per capita expenditures reflect changes in expenditures relative to changes in population. FY 2021 includes an additional \$76.7 million in federal funding received from the U.S. Treasury, \$57 million from the American Recovery Plan Act (ARPA) funds and \$19.7 million for the Emergency Rental Assistance (ERA) programs. General/Fine & Forfeiture Fund Balance

Millions

Analysis: Fund Balance is maintained for cash flow purposes, as an emergency reserve and a reserve for one-time capital improvement needs. In addition, the amount of fund balance is used by rating agencies in determining the bond rating for local governments. The Leon County Reserves Policy requires fund balances to be between a minimum of 15% and a maximum of 30% of operating expenditures. The year ending fund balance for FY 2021 is \$44.34 million and the year ending fund balance for FY 2022 is \$43.98 million. The increase in FY 2021 reflects a \$5.2 million transfer of American Rescue Plan Act (ARPA) funding, of which a portion was used as revenue loss recovery to balance the FY 2022 and FY 2023 budgets to support general government services. An additional \$2.1 million of ARPA revenue loss funding was appropriated in FY 2023 to support the capital improvement program. The FY 2024 estimated fund balance of \$54.32 million reflects 17% of FY 2024 operating expenditures.

Formula: Prior year fund balance plus actual revenues minus actual expenditures.

Source: Summary of Fund Balance and Retained Earnings, FY 2023 Annual Performance & Financial Report.

Employees Per Capita

Employees per 1,000 Leon County Residents

Thousands

Analysis: Personnel costs are a major portion of an operating budget; for that reason, plotting changes in the number of employees per capita effectively measures changes in expenditures. Overall, the County is controlling the cost associated with this financial indicator. Note that the number of employees includes Constitutional Officers. In comparison to other like-sized counties, Leon County ranks second lowest in number of employees per capita.

Formula: Number of Full-Time Employees Divided by Population multiplied by 1,000.

Debt Service

Percentage of Total Operating Expenditures

Analysis: Debt service is defined as the amount of principal and interest that a local government pays each year on net direct bonded long-term debt, plus the interest on direct short-term debt. Increasing debt service reduces expenditure flexibility by adding to the County's financial obligations. Leon County's debt service has shown a decline since FY 2020. By capitalizing on the availability of low interest rates and renegotiating long-term debt, Leon County's debt service has remained low. A previous bond that funded the purchase of the Courthouse annex reached maturity and was paid off in FY 2020 accounting for the reduced debt service in FY 2021. The FY 2022 increase accounts for the first debt service payments being due for financing of the purchase and building improvements for the Supervisor of Elections Voting Operations Center and ESCO energy improvements. Leon County's debt level remains extremely low for a comparable county size.

Formula: Debt Service divided by Total Operating Expenditures.

Source: FY 2023 Expenditure Summary and the FY 2024 Budget Summary.

Liquidity

Ratio of Current Assets to Current Liabilities

Analysis: The current ratio is a liquidity indicator that measures a government's short-run financial condition by examining the ratio of cash and short-term assets against current liabilities. This ratio shows whether a government can pay its short-term debt obligations. The International City / County Management Association (ICMA) states ratios that fall below 1:1 for more than three consecutive years is a decidedly negative indicator. The ICMA further recommends keeping this ratio above 1:1. Leon County continues to maintain a liquidity ratio above this level. FY 2019 increase is due to FEMA reimbursement for Hurricanes Hermine, Irma, and Michael. FY 2020 marks the start of CARES and ARPA funding due to the COVID-19 pandemic. The decline in the level in FY 2023 can be attributed to increased liabilities associated with inflationary cost increases for the landfill closure project.

Formula: Cash and short-term investments divided by Current Liabilities

- 1) Increase reflects County Commission costs associated with the County's portion of retirement rates passed by the Legislature, health insurance premium rates at 6%, and increase in workers' compensation costs, and funding for 5% raises for all employees. The raises pertain to the Commission staff only. In accordance with the County Charter, Commissioner salaries are set by ordinance according to a formula established by the State of Florida based on population. Additionally, Commissioner Office Budgets were increased to account for inflationary increases associated with travel, training, and other operating expenses.

49) Reflects increase in Emergency Medical Services reserves. The increase in the EMS millage rate provides for reserves to support future increased staffing and equipment requirements for the program over the next four years. Other increases are reflected in the general fund.

50) Reflects annual adjustments in department billings for phone and internet charges.

51) Increased costs for the CDA are related to the County's 33% cost share of the agency and are associated with personnel costs and equipment replacements. The City funds the remaining 67% share of the CDA.

52) These funds are used to fund fire rescue services in the County. All payments collected from this assessment are remitted to the City to fund fire rescue services in the unincorporated area of the County. Increase reflects additional properties being assessed via special assessment on the tax bill.

53) Reflects a decrease due to the final payment of a five-year agreement with the Kearney Center being made in FY 2024 to assist with capital debt service of the homeless shelter facility.

54) Reflects a increase in Community Redevelopment Agency (CRA) payments due to projected increases in the value for the Frenchtown District, offset by savings associated with the completion of contractual payments for the Real Time Crime Center; the State Juvenile Justice Payment; and funding for the Shoes4School event.

55) Reflects an increase in cost allocations to fund the rise in cost of general liability, property, vehicle and aviation insurance premiums.

56) Aggressive safety and risk programs resulted in savings in Leon County workers' compensation costs for FY 2025. These savings are offset by a increase in workers' compensation claims for the Sheriff and projected increases in insurance premium coverages for property and general liability.

58) At the June 18, 2024 workshop, the Board advanced funded \$9.2 million in dedicated general revenue and transportation fund balances to ensure some capital projects related to the Detention Center, vehicle replacement, stormwater infrastructure and park facilities continue and vehicle purchases are not delayed. The advance funding of these projects will result in an increase of 17% in the overall capital program from FY 2024. The FY 2025 Capital Program also includes continued funding for Arterial/Collector/Local Road resurfacing to maintain County roads and the Sidewalk Program; EMS vehicles, including the replacement of five ambulances and refurbishing of three; Building infrastructure improvements; County Compute Infrastructure; and the Essential Libraries Initiative.

59) Reflects funds for grants received from the Florida Department of Health in support of Emergency Medical Services.

60) Reflects \$25,000 increase in funding for emergency housing repair assistance from the Housing Finance Authority.

61) Reflects a decline in traffic fines collected for driver's education for the Slosberg Drivers' Education Fund. These funds are paid to the Leon County School Board for the driver's education program.

62) Reflects expenditures associated with the receipt of donations from the Friends of the Library.

63) Reflects anticipated Law Enforcement Block Grant funding from the Department of Justice Juvenile Assistance Grant Program (JAG).

64) A budget transfer is the reallocation of funding from one fund to support expenditures in another fund usually for a dedicated purpose, such as the transfer of Building funds to the Capital Improvement Fund for the purchase of Building Department vehicles. The increases for FY 2025 are attributed to increases in transfers from general revenue funds to support Pretrial/Probation operations, increases to the hauling and disposal contract for the Solid Waste Transfer Station, and to support revenue declines in the Development and Environmental Services Fund due to the slowdown of the post-COVID rebound of permitting activity, and Stormwater. These increases are offset by a reduction to the Supervisor of Elections as this budget reduces in general election and off-year election cycles.

Notes:

1. Definitions of categories:

- Mandatory: Required expenditures per the Florida Constitution, Florida Statutes or the County Charter. For purposes of this exercise, there may be certain functions that have components that are non-mandatory, but the amounts are not significant enough to break-out. Although an expenditure is included in the Mandatory category, the County does not necessarily need to continue to provide the service at its current level.

- Non-Mandatory: Expenditures that are not required.

- Support Functions: Includes departments and programs that provide services that benefit all of County government. As with the mandatory category, portions of these functions can be performed at a lower level of service.

- Budgeted Reserves: Includes budgeted reserves for raises and contingencies.

- Self Supporting - Programs that have a dedicated revenue stream and therefore do not receive general revenue for support.

2. References - Citations in Florida Statutes or local ordinance that govern the service. References in categories other than mandatory govern the administration of the activity and do not specify that the service is required.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Major Revenues

(FY 2025 REVENUE ESTIMATES PROJECTED IN MILLIONS AT 95%)

AD VALOREM PROPERTY TAXES (\$200.37)

Ad Valorem property taxes are derived from all nonexempt real and personal property located within the County. (MSTU Ad Valorem not included)

LOCAL OPTION GAS TAX (\$6.25)

This tax is a locally imposed 6 cents per gallon tax on every net gallon of motor and diesel fuel originally levied in 2009. In September 2013, the County and City amended the Interlocal Agreement, which authorizes the extension of 6 cents gas tax, with an allocation of 50/50 between the County and the City, being in effect from October 1, 2015. At the September 10th, 2013 meeting, the Board approved levying an additional 5 cents to be shared 50/50 between the County and City.

9TH CENT GAS TAX (\$1.33)

This tax was a State imposed 1 cent tax on gasoline and diesel fuel. Beginning in FY 2002, the County began to levy the amount locally on all fuel consumption.

STATE SHARED GAS TAX (\$4.21)

Tax derived from the County Fuel Tax and the Constitutional Gas Tax. These revenues are all restricted to transportation related expenditures.

ENVIRONMENTAL PERMITS (\$1.37)

Environmental Permit Fees are derived from development projects for compliance with stormwater, landscape, tree protection, site development and zoning, and subdivision regulations.

BUILDING PERMITS (\$2.00)

Building Permit Fees are derived from developers of residential and commercial property and are intended to offset the cost of plan review and inspections to ensure that development activity meets local, state and federal building code requirements.

LOCAL OPTION SALES TAX (\$7.15)

The Local Government Infrastructure Sales Tax (Local Option) is a 1 cent sales tax on all transactions up to \$5,000. Effective December 2004, the sales taxes are disbursed at 80% for Blueprint 2020, 10% County and 10% City. In a November 2014 referendum, the sales tax was extended for another 20 years beginning on January 1, 2020, including additional revenue for L.I.F.E.

LOCAL GOVERNMENT 1/2 CENT SALES TAX (\$15.77)

The Local Government 1/2 Cent Sales Tax is the largest amount of revenue among state-shared revenue sources for local government. The funding source is based on the transfer of 8.9744 percent of net sales tax proceeds remitted by all sales tax dealers located within the County. Revenue is shared between County (56.6%) and City (43.4%) based on a statutory defined distribution formula.

PUBLIC SERVICE TAX (\$10.49)

The Public Service Tax is based upon a 10% levy on gas, water, electric services and \$.04 per gallon on fuel oil.

LOCAL COMMUNICATIONS SERVICES TAX (\$2.45)

This Communications Services Tax (CST) tax applies to telecommunications, video, direct-to-home satellite and related services. The CST is comprised of the State of Florida CST and the Local CST. The County levies the Local Communications Services Tax at a rate of 5.22%.

STATE REVENUE SHARING TAX (\$8.34)

The Florida Legislature repealed the intangible tax revenues which comprised the majority of the County's revenue sharing in 2002. The Legislature replaced the lost revenue with a 2.0810% of sales tax collections (currently 98.56% of revenue sharing comes from this source and 2.9% comes from cigarette tax collections).

LOCAL OPTION TOURIST TAX (\$8.35)

This is a locally imposed 5% tax levied on rentals and leases of less than six months duration. The funds are restricted to advertising, public relations, promotional programs, visitor services and approved special events (Florida Statute 125.014).

EMERGENCY MEDICAL SERVICES MSTU and AMBULANCE FEES (\$32.90)

Funding for emergency medical services is provided by a .75 mill municipal service taxing unit (MSTU) property tax and ambulance transport fees.

PROBATION FEES (\$0.42)

The Probation fees are a combination of County court probation fees, alternative community service fees, no-show fees, and pretrial release fees. These fees are collected from individuals committing infractions that fall within the jurisdiction of Leon County Courts.

SOLID WASTE FEES (\$13.85)

These revenues include tipping fees and assessments collected by the County for sorting, reclaiming and disposing of solid waste at the County landfill and transfer station.

FIRE SERVICES FEE (\$11.40)

This fee adopted on June 9, 2009, is charged as a flat fee to single family homes and on a square footage basis to businesses in the unincorporated area to pay for fire services. On July 11, 2023, the Board approved a new fee schedule.

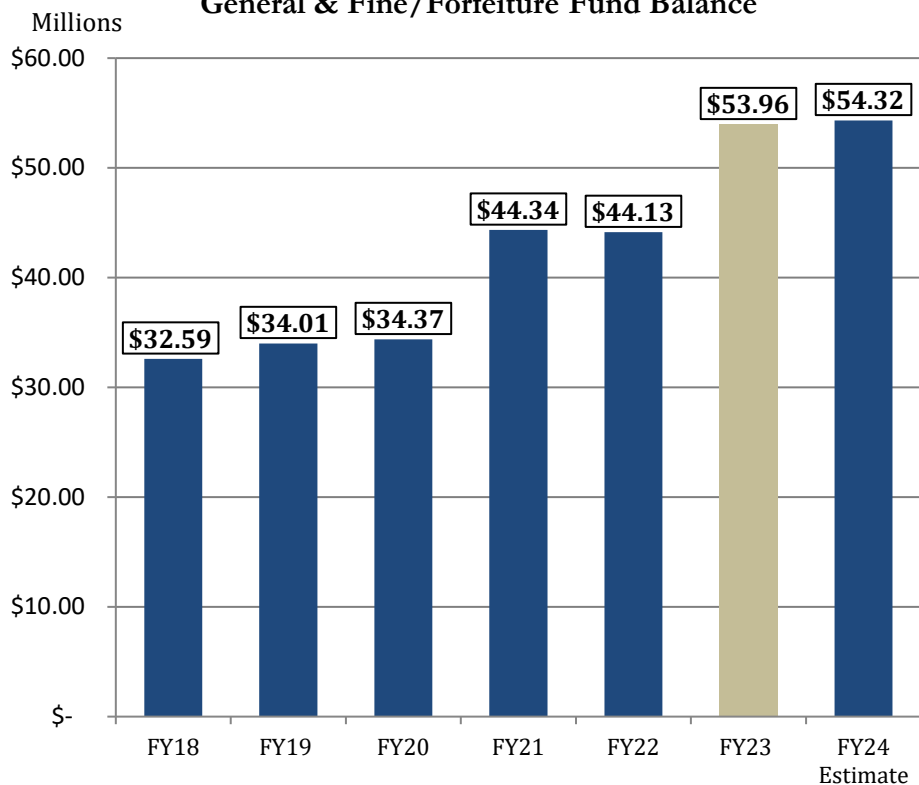

COURT FACILITIES FEE (\$0.62)

Court Facilities Fees are established to fund "state court facilities" as defined in Chapter 29, Florida Statutes (2009) and are collected through a surcharge placed on non-criminal traffic infractions.

General & Fine/Forfeiture Fund Balance

General Fund – Fund Balance

Fund Balance is maintained for cash flow purposes, as an emergency reserve and a reserve for one-time capital improvement needs. In addition, the amount of fund balance is used by rating agencies in determining the bond rating for local governments. The Leon County Reserves Policy requires fund balances to be between a minimum of 15% and a maximum of 30% of operating expenditures. The year ending fund balance for FY 2021 was \$44.34 million and the year ending fund balance for FY 2022 was \$44.13 million. The increase in FY 2021 reflects the remaining \$5.2 million transfer of American Rescue Plan Act (ARPA) funding, of which a portion was used as revenue loss recovery to balance the FY 2022 and FY 2023 budgets to support general government services. The year ending fund balance for FY 2023 was \$53.96 million. FY 2024 estimated fund balance of \$54.32 million, reflects 27% of FY 2024 operating expenditures.

To follow the Leon County Reserves Policy minimum and maximum levels, the FY 2024 General/Fine and Forfeiture Fund Balance would have to remain between \$30.3 million and \$60.6 million. As depicted, the fund balance is within this range.

Ad Valorem Property Taxes: Actuals and Projections

Ad Valorem Property Taxes

Ad Valorem Taxes are derived from all non-exempt real and personal properties located within Leon County. The non-voted countywide millage rate is constitutionally capped at 10 mills (Article VII, Section 9(a) and (b)).

The amounts shown are the combined General Fund and Fine and Forfeiture Fund levies.

In January 2008, a constitutional amendment was passed that established restrictions on property valuations, such as an additional \$25,000 homestead exemption and Save Our Homes tax portability. These exemptions limit the future growth in ad valorem taxes for homesteaded property to 3.0% for FY 2025.

The Fiscal Year 2025 Ad Valorem taxes projection reflects a 10.01% increase in Ad Valorem revenue collections compared to the 7.87% growth experienced in FY 2024. The growth is due to the continuance of a recovering economy for commercial property and new building construction which have contributed to the increase in property value growth. Final property valuations were provided by the Property Appraiser’s Office on July 1, 2024.

Local Option Gas Tax:

9th Cent Gas Tax: This tax was a State imposed 1 cent tax on special and diesel fuel. Beginning in FY 2002, the County began to levy the amount locally on all fuel consumption.

Local Option Gas Tax: This tax is a locally imposed 6 cents per gallon tax on every net gallon of motor and diesel fuel. Funds are restricted to transportation related expenditures. In September 2013, the County and City amended the Interlocal Agreement, which authorizes the extension of 6 cents gas tax, with an allocation of 50/50 between the County and the City, being effect from October 1, 2015. This tax will not sunset until FY 2045.

2nd Local Option: On September 10, 2013, the Board approved levying an additional five-cent gas tax, to be split with the City 50/50. Beginning in January 2014, the County began to levy this tax on all motor fuel consumption in Leon County.

The amounts shown are the County's share only.

The FY 2024 projections for this consumption-based tax is consistent with the FY 2024 budget. The FY 2025 budget projects a 4.3% decrease from the FY 2024 budget, due primarily to the continued fluctuations in the market for crude oil and the shift in customers driving more fuel-efficient or electric vehicles.

State Shared Gas Tax:

The State Shared Gas Tax consists of two discrete revenue streams: County Fuel Tax and the Constitutional Gas Tax. These revenues are all restricted to transportation related expenditures (Florida Statutes 206 and others). These revenue streams are disbursed from the State based on a distribution formula consisting of county area, population, and collection.

The FY 2024 projections for this consumption-based tax are 3.8% higher than budgeted. The FY 2025 budget projects an 2.5% decrease over the FY 2024 projection, due primarily to the continued fluctuations in the market for crude oil and the shift in consumers driving more fuel-efficient or electric vehicles.

» Major Revenues

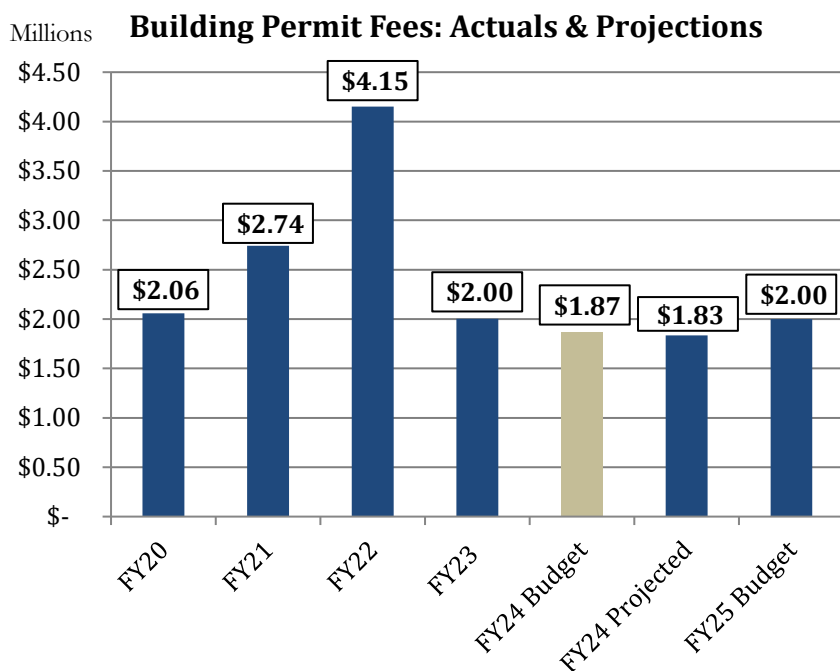

Environmental Permit Fees:

Environmental Permit Fees are derived from development projects for compliance with stormwater, landscape, tree protection, site development and zoning, and subdivision regulations. The last fee increase was approved in 2008 by the Board as a result of a fee study.

FY 2024 Environmental Permit Fees are anticipated to come in substantially higher than budgeted, reflecting an increase in environmental permitting activity. FY 2025 budget reflects an 5.4% increase over the FY 2024 budgeted amount, as slight growth in permitting activity is expected. The major increase in FY 2021 is related to a permitting application for the Amazon Fulfillment Center. The spike in FY 2024 is related to a land use violation on the southeast area of Leon County.

Building Permit Fees:

Building Permit Fees are derived from developers of residential and commercial property and are intended to offset the cost of inspections to assure that development activity meets local, State and federal building code requirements. The County only collects these revenues for development occurring in the unincorporated area. In February 2022, the Board adopted a revised fee schedule based on a 2021 building plan review & inspections fee study. The study found that overall permit costs were commensurate with the services provided and self-supporting for review and inspection purposes but recommended a revenue-neutral transition to a flat fee structure and the implementation of a technology fee to support demands for greater digital services. This fee schedule is effective June 1, 2022.

As noted in the chart, the activity level of permitting is variable from year-to-year depending on the number and size of permitted buildings. Estimates for FY 2024 indicate an 8.4% decrease in revenues collected in FY 2023 due to a reduction in single family permitting for large residential development projects in the unincorporated Leon County area. Additionally, permitting activity is still being impacted by the reduction in mortgage lending rates because of interest rates increasing to fight high inflation. The FY 2025 budget reflects an 7% increase over the FY 2024 budgeted amount due to upcoming residential and commercial development projects which impacts permitting activity.

Local Option Sales Tax:

1 Cent Sales Tax: The Local Option Sales Tax is a 1-cent sales tax on all transactions up to \$5,000. In the November 2014 referendum, the sales tax was extended for another 20 years beginning in 2020. The revenues are distributed at a rate of 10% to the County, 10% to the City, and 80% to Blueprint 2000.

L.I.F.E.:

On January 1, 2020, 2% of the penny sales tax proceeds began being collected for Livable Infrastructure for Everyone (L.I.F.E.) projects that address small-scale infrastructure needs. L.I.F.E. projects will also address unforeseen infrastructure needs that population growth and/or aging infrastructure will create.

The amounts shown are the County's share only. The first three months of FY 2020 do not reflect the 2% L.I.F.E. funding which started in January 2020.

The Local Option 1-Cent Sales Tax is projected to generate 1.0% more than FY 2023 due to higher consumer spending. The FY 2025 budget reflects slower economic growth as consumer spending is expected to return to more normal levels.

Local Government 1/2 Cent Sales Tax:

The Local Government 1/2 Cent Sales Tax is based on 8.9744% of net sales tax proceeds remitted by all sales tax dealers located within the State. On July 1, 2004, the distribution formula reduced the County's share to 8.814% or a net reduction of approximately 9.5%. The revenue is split 56.6% County and 43.4% City based on a statutory defined distribution formula (Florida Statutes Part VI, Chapter 218). On April 9, 2015, the House approved the House Tax Cut Package, HB 7141, which changed the formula, but there is no impact to the portion of Local Government 1/2 Cent Sales Tax.

Effective July 1, 2021, internet sales retailers and marketplace providers with no physical presence in Florida were required to collect the Florida sales tax on sales of taxable items delivered to purchasers in Florida if the out-of-state retailer or marketplace provider makes a substantial number of sales into Florida.

The amounts shown are the County's share only.

Leon County is projected to receive 1.3% more than budgeted for FY 2024 due to increased consumer spending. The FY 2025 budget shows a modest increase over the FY 2024 budget.

Local Communication Services Tax: Actuals and Projections

Communication Services Tax:

The Communication Services Tax (CST) applies to telecommunications, video, direct-to-home satellite, and related services. The CST combined seven different State and local taxes or fees by replacing them with a two-tiered tax, each with its own rate. These two taxes are (1) The State Communication Services Tax and (2) The Local Option Communication Services Tax. The County correspondingly eliminated its 5% Cable Franchise Fee and certain right of way permit fees. Becoming a Charter county allowed the County to levy at a rate of 5.22%. This rate became effective in February of 2004.

Statewide, the CST has declined in comparison to FY 2020. Part of this decline was due to the Florida Department of Revenue notifying the County's Office of Financial Stewardship of an adjustment in the amount of \$329,729 due to the erroneous overpayment of local taxes. This adjustment was deducted from monthly distributions, in the amount of \$9,159, effective March 2018 through March 2021.

FY 2024 revenues are anticipated to come in 11.1% lower than the FY 2024 budgeted amount, and the FY 2025 budget is in line with the projected collections for both Leon County as well as the State of Florida. The decrease is due to a continued decline in cable services in favor of streaming and the abandoning of telephone landlines.

Public Services Tax: Actuals and Projections

Public Services Tax:

The Public Services Tax is a 10% tax levied upon each purchase of electricity, water, and metered or bottled gas within the unincorporated areas of the County. It is also levied at \$0.04 per gallon on the purchase of fuel oil within the unincorporated areas of the County. This tax became effective on October 1, 2003.

Due to its consumption basis, this tax is subject to many variables including rates and usage.

The FY 2024 revenue projection shows an 8.0% increase over collections in FY 2023 and a 12.8% increase over the FY 2024 budget. The increase can be attributed to an increase in utility rates and more residential and commercial development associated with an improved economy. The FY 2025 budget is in line with FY 2024 projections.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Major Revenues

State Revenue Sharing:

The Florida Revenue Sharing Act of 1972 was an attempt by the Legislature to ensure a minimum level of parity across units of local government when distributing statewide revenue. Currently, the Revenue Sharing Trust Fund for Counties receives 2.9% of the net cigarette tax collections and 2.25% of sales and use tax collections. On July 1, 2004, the distribution formula reduced the County's share to 2.044% or a net reduction of approximately 10%. The sales and use tax collections provide approximately 96% of the total revenue shared with counties, with the cigarette tax collections making up the small remaining portion. These funds are collected and distributed monthly by the Florida Department of Revenue.

For state revenue sharing, Leon County is projected to receive 19.2% more than budgeted for FY 2024 due to increased consumer spending. The FY 2023 increase in is due to the annual true-up. The State forecasts the annual contribution for each county based on the previous year's collections plus anticipated growth. At the end of the State's fiscal year, the revenues are "true-up" based on actual collections and allocated to counties using the distribution formula. The FY 2025 budget is consistent with the FY 2024 projections as consumer spending is anticipated to stabilize in response to the Federal Reserve raising interest rates to constrain inflation.

Local Option Tourist Tax:

The Local Option Tourist Tax is a locally imposed 5% tax levied on rentals and leases of less than six-month duration. This tax is administered locally by the Tax Collector. The funds are restricted to advertising, public relations, promotional programs, visitor services and approved special events (Florida Statute 125.014). On March 19, 2009, the Board increased total taxes levied on rentals and leases of less than six-month duration by 1%, bringing the total taxes levied to 5%. The additional 1% became effective on May 1, 2009 and is used for marketing as specified in the TDC Strategic Plan.

The national, state, and local recommendations for social distancing and reduced capacity, cancellation of events, and significant reductions in hotel occupancy rates are reflected in FY 2020 and 2021 collections. FY 2022 and FY 2023 reflect a return to pre-covid collections. The FY 2024 projected collection shows a 17.8% increase over the budgeted amount due to an increased inventory of hotel rooms, and increased rates. Additionally, the County hosted the 2023 Florida High School Athletic Association Football Championship games at FAMU's Bragg Memorial Stadium which also contributed to increased collections. FY 2025 anticipates collections to decrease as the tourism industry fluctuates from year to year.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

Ambulance Fees:

Leon County initiated its ambulance service on January 1, 2004. Funding for the program comes from patient billings and a Countywide Municipal Services Tax. The amounts shown are the patient billings only.

The Emergency Medical System (EMS) system bills patients based on the use of an ambulance transport to the hospital. As with a business, the County has an ongoing list of patients/insurers that owe the County monies (outstanding receivables).

To estimate revenues more accurately, the forecasting methodology shifted from a collection receivables basis to a cash basis. On April 24, 2018 the Board approved a 24% fee reduction in ambulance fees effective June 1, 2018. The fee reduction did not cause a decline in revenue as anticipated, but increased collection rates due to making patient billings more affordable.

Actual revenues for FY 2024 are projected to increase by 18% over the budgeted amount due to higher than anticipated collection rates of outstanding billings and increased patient transport revenues.

Probation Fees:

The Probation Fees are a combination of County court probation fees, alternative community service fees, no-show fees (all governed by Florida Statute 948) and Pre-Trial release fees (governed by an Administrative Order). These fees are collected from individuals committing infractions that fall within the jurisdiction of Leon County Courts. The amount of each individual fee is expressly stated in either the Florida Statute or the Administrative Order.

The effects of COVID-19 can be seen in Pre-Trial and Probation Fees in FY 2020 and FY 2021, as fees collected declined during COVID closure and spiked in FY 2022 when the courts resumed hearings. FY 2024 projected and FY 2025 budgeted revenues are expected to be significantly lower than the FY 2024 budget, due to the reduced number of pre and post assignments such as alcohol and urinalysis tests administered. Additionally, the courts continue to authorize the fees to accrue, be waived, or for the probationers to be civil judged which reduces fee collections further.

Solid Waste Fees: Actuals & Projections

Solid Waste Fees:

Solid Waste Fees are collected for sorting, reclaiming, disposing of solid waste at the County landfill and transfer station. Revenues collected will be used for the operation of all solid waste disposal sites.

In October 2008, the County entered into a contractual agreement with Marpan Recycling. The Solid Waste Management Facility stopped accepting Class II waste as of January 1, 2009. This contract caused a decline in revenues at the Solid Waste Management Facility. However, expenditures were adjusted to reflect the change in operations at the facility. Rural Waste Service Center fees were eliminated in FY 2020, removing the financial barrier to allow residents to responsibly dispose of waste.

FY 2024 revenue estimates project an increase of 7.7% over the budgeted amount due to a rise in material brought to the Transfer Station. The FY 2025 budget reflects an 8.0% increase over the FY 2024 budget as a result of increased transfer station tipping fees due to inflationary costs of operating the transfer station.

Fire Service Fees: Actuals and Projections

Fire Service Fees:

The fire service fee is collected for enhanced fire protection services in the unincorporated area of Leon County.

This fee was adopted June 9, 2009 and is charged as a flat fee to single family homes and on a square footage basis to businesses in the unincorporated area of the County to pay for fire services. On May 9, 2023, the Board approved a planned increase of the fire services rescue fee to adequately fund the County's share of the Fire Department.

Property owners in the unincorporated area, not on city utilities, are billed quarterly. Those who do not pay their bills are transferred to the property tax bill as a non-ad valorem assessment. This accounts for the increase in the non-ad valorem assessment collections.

Court Facilities Fees: Actuals & Projections

Court Facilities Fees:

Court Facilities Fees are established to fund “state court facilities” as defined in Chapter 29, Florida Statutes (2009). On June 19, 2009, legislation approved permitting counties to change the surcharge placed on non-criminal traffic infractions from \$15 to \$30. In FY 2023 the County collected \$632,970 in these fees but expended more than \$10.86 million on behalf of the State Court system in compliance with Article V requirements.

The Board approved the increase in surcharges on August 25, 2009.

Court facility fees are generated through traffic ticket violations, which were impacted by the stay-at-home order and shift to telecommuting due to COVID-19 as reflected in FY 2020 and FY 2021. FY 2022 and 2023 reflect a return to pre-covid levels. The FY 2024 projections indicate an 8.8% decrease from the budgeted amount and the FY 2025 budget is 2.7% lower than the prior year budget due to the fluctuation of ticket violations.

Notes:

Balances are estimated as year ending for FY 2024 and may be changed pending final audit adjustments.

A. The FY 2024 budget includes the use of \$571,290 in General Fund Balance to balance the budget. The fund balance also reflects the appropriation of \$12.34 million in catastrophe reserve funding for unforeseen events such as hurricanes. This includes the \$8.3 million mid-year appropriation to the Cat Fund to cover upfront costs for the May 10th tornadoes (\$7.8 million) and to replenish the fund for the 2024 Hurricane Season (\$500,000).

B. The County Transportation Trust fund continues to grow as gas prices have moderated, resulting in increased travel and greater fuel consumption, and a related increase in revenue. This decrease in FY 2023 is directly related to the mid-year appropriation of \$3.88 million to support the transportation capital program. This, combined with budget under expenditures due to vacancies in a tight labor market, have increased fund balance.

C. The increase in the Probation Fund is due primarily to fluctuations in personnel and operating costs due to employee turnover.

D. The Building Inspection Fund and Development and Environmental Services Fund varies from year-to-year depending on the number and size of permitted buildings. The decline in the Building Inspection Fund is due to a stabilization of growth in permitting activity, following the rapid increase post-COVID, in addition to the Federal Reserve increasing interest rates to counter high inflation. These increased rates then slowed building construction loans and mortgages which in turn results in building permitting activity subsiding. The Development and Environmental Services Fund, however, is seeing an increase due to a land use violation in the Southeast area of the County.

E. The decrease in the FY 2023 Stormwater Utility Fund reflects the use of \$946,212 in available fund reserves to support the County's capital program as part of a fund sweep approved during the FY 2024 budget process. The estimated increase in FY 2024 is due primarily to the under-expenditure of personnel and operating budgets due to staff vacancies.

F. This fund is used to account for non-countywide general revenue sources. Non-countywide general revenue includes Communication Services Tax, State Shared and 1/2 Cent Sales Tax. Funds are not expended directly from the fund but are transferred to funds that provide non-countywide services, and to the general fund as required by Florida Statute. The decrease in FY 2023 is directly related to the mid-year appropriation of \$10.86 million in fund reserves as part of the fund sweep approved during the FY 2024 budget process to support the County's capital program for the next two to three years, reducing the fund by almost 80%. In FY 2024, 1/2 cent sales tax is 0.7% higher than the previous year and the State Revenue Sharing is 0.4% lower, reflective of a leveling out of consumer spending after the substantial increases post-COVID.

G. This fund is used to separate grants that are interest bearing grants. \$2.15 million in ARPA funding was allocated in FY 2024 to support the capital program, and the remaining \$1.95 million is appropriated in the FY 2025 Budget to support general government services.

H. The increase in fund balance for the Municipal Services Fund is due to the receipt of additional revenue related to an increase in utility rates and the under expenditure of budget related to position vacancies during the year. Additionally, \$500,000 was transferred from Fund 352 to assist in funding the maintenance of parks constructed with previous local infrastructure sales tax dollars.

I. The increase Fire Services fund balance is due to additional housing and commercial properties finishing construction.

J. The Tourist Development Tax is reflected in two separate fund balances. Currently five-cents support the Tourism Division marketing, promotion, and cultural re-granting activities. The fund balance previously established by the one cent for the performing arts center is now dedicated to being expended on cultural, visual arts and heritage funding programs pursuant to the interlocal agreement between the County, City and Community Redevelopment Agency. As reflected in the FY 2024 estimated balance, the Board allocated the remaining \$2 million in one-cent fund balance for three grant proposals supporting approved programs. FY 2022 year-ending balance reflects the appropriation of \$885,000 of fund balance to support building improvements related to the renovation of the Historic Train Station which now houses the Tourism Division. The FY 2023 balance reflects the use of \$291,318 in available fund balance to support the 2024 Bicentennial Celebration and the 2026 World Cross Country Championships. FY 2024 collections reflect increased revenue due to inventory of hotel rooms, increased hotel room rates, and hosting the 2023 Florida High School Athletic Association Football Championship games at FAMU's Bragg Stadium.

K. FY 2024 fund balance for the Leon County Annex Building Operating Fund includes appropriated fund balance for Capital Improvements for building renovations, landscaping, and tenant improvements.

L. The Capital Projects balances are accumulated for purposes of funding projects that are often multi-year in nature. Balances reflected are often programmed as part of the five-year plan. The FY 2024 fund balance reflects the \$7.7 million mid-year appropriation of available fund balance sweep reserves from the Capital Improvement Fund to support building improvements and vehicle and equipment replacements.

M. The transportation capital program continues to focus on repaving, sidewalks, and maintaining the transportation stormwater system. Fuel consumption has returned to pre-pandemic levels as more people are resuming working from the office and leisure travel, resulting in more vehicle activity. The FY 2024 fund balance reflects the \$1.51 million mid-year appropriation from the County Transportation Trust fund to support the transportation capital program, and \$270,124 towards a grant match for the Miccosukee Bridge replacement project.

N. This fund is still open due to the accumulated funds in the intersection and safety improvement project to support the reconstruction of the Blair Stone Road and Old St. Augustine intersection. The project is proceeding with design and right of way acquisition. Additionally, current interest accrued in the fund was allocated in FY 2024 to support critical maintenance needs at the Sheriff Facilities.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET**»» Fund Balance**

O. The Sales Tax Extension fund has been extended for another 20 years, creating two new funds, 351 & 352. The remaining sales tax extension funds are derived from the remaining County share of the Blueprint water quality funding and will be used for the Lexington Pond Retrofit project.

P. The Sales Tax Extension projects in FY 2024 included the Sidewalk program, Water Quality and Stormwater improvements, and L.I.F.E. projects (Rural Road and Safety improvements, Miccosukee Sense of Place, Street Lighting, Transportation Safety & Neighborhood Enhancements, Boat Landing, and Stormwater and Flood Relief). In addition, the \$500,000 transfer to the Municipal Services Fund (Fund 140) will assist in funding the maintenance of parks constructed with previous local infrastructure sales tax dollars.

Q. The landfill is currently being closed, drawing down the closure reserves to pay for the final capping of the landfill. The FY 2024 year end fund balance includes funding for the Landfill Closure capital improvement project. Accounting requirements for enterprise landfill funds require that the entire 30-year closure and post closure monitoring costs be accrued in the fund. During closure as these reserves are used, a negative balance reflects that the long-term 30-year liability is not entirely funded. However, the actual closure and monitoring cost are only required to be budgeted on an annual basis. This is not an uncommon occurrence, concurred with by the external auditors, as landfill closures and monitoring costs often exceed the required funding amount set aside based on the landfill permit requirements and related engineering assumptions, which do not include economic drivers such as an inflated construction market. As part of the implementation of the FY 2021 Multi-year Fiscal Plan, the County avoided raising the non-ad valorem assessment by increasing the general revenue transfer to support increases in the recycling hauling and the disposal contract and the elimination of the Rural Waste Service Center (RWSC) fees.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

The following is the relevant sections of Leon County Policy No. 07-02 "Reserves", the entire policy is contained in the Appendix Section of the budget document:

1. Emergency Reserves

- a. The general revenue emergency reserves will be maintained at an amount not to be less than five (5%) and to not exceed ten (10%) of projected general fund and fine and forfeiture fund operating expenditures for the ensuing fiscal year.
- b. The reserve for contingency is separate from the reserve for cash balances.
- c. Annually, the Board will determine an appropriate amount of reserve for contingency to be appropriated as part of the annual budget. Any funds not included in the budget under this category will be included as part of the unreserved fund balance.

2. Reserve for Cash Balances

- a. The County will maintain an annual unappropriated reserve for cash balance at a level sufficient to maintain adequate cash flow and to eliminate the need for short-term borrowing.
- b. The unappropriated fund balance shall be no less than ten (10%) and no greater than twenty (20%) of projected general fund and fine and forfeiture fund operating expenditures.
- c. The reserve for cash balance shall be separate from the emergency reserves.
- d. All major funds will retain sufficient cash balances to eliminate the need for short-term borrowing.

3. Utilization of Fund Balance

- a. As part of the annual budget process, a determination will be made of the minimum and maximum amounts of fund balance available based on the requirements set forth in 1 and 2 above.
- b. Funds in excess of the minimums established can be utilized to support one-time capital expenses.

Notes:

A. The policy minimums and maximums are based on the total amount of reserves for emergency contingency and cash flow as a percent of the FY 2025 Budget.

B. The "Fund Balance Analysis" reflects three categories. The "Budgeted for Spending" indicates fund balance being utilized in the FY 2025 budget to support operating and capital projects. Except for the General/Fine and Forfeiture fund balance which includes the budgeted Catastrophe Reserves, the "Emergency Contingency & Cash Flow" is the unbudgeted portion of the reserve and the amount dedicated to support these categories. Due to space limitations these categories are shown together. The "Available for Future Allocation" are funds in excess of the policy's recommended maximums; however, they are typically dedicated for specific purposes (i.e. 9-1-1, Transportation, Growth Management). Net the FY 2024 budgeted revenues and expenditures, the sum of the "Emergency Contingency & Cash Flow" and "Available for Future Allocation" categories reflect the FY 2025 estimated year ending fund balance.

C. The Special Revenue Funds are presented based on the County's reserve policies. However, each of the funds has been established for a discrete purpose and often has dedicated revenues that can only be utilized for a specific purpose. The balances may be accruing for a specific purpose (i.e. the Building Inspection fund for the operation of the Building Plans Review and Inspection Division).

D. Capital Projects, Enterprise and Internal Service Funds maintain differing levels of balances depending upon on-going capital project requirements and other audit requirements. The percentages for the other funds are intended to show compliance with the County's policy for maintaining sufficient balances. These reserves are reviewed as part of the annual budget process and allocated to the appropriate projects accordingly.

E. The landfill is currently being closed, drawing down the closure reserves to pay for the final capping of the landfill. The FY 2024 year end fund balance includes funding for the Landfill Closure capital improvement project. Accounting requirements for enterprise landfill funds require that the entire 30-year closure and post closure monitoring costs be accrued in the fund. During closure as these reserves are used, a negative balance reflects that the long-term 30-year liability is not entirely funded. However, the actual closure and monitoring cost are only required to be budgeted on an annual basis. This is not an uncommon occurrence, concurred with by the external auditors, as landfill closures and monitoring costs often exceed the required funding amount set aside based on the landfill permit requirements and related engineering assumptions, which do not include economic drivers such as an inflated construction market. As part of the implementation of the FY 2021 Multi-year Fiscal Plan, the County avoided raising the non-ad valorem assessment by increasing the general revenue transfer to support increases in the recycling hauling and the disposal contract and the elimination of the Rural Waste Service Center (RWSC) fees.

****Notes:**

- 1) The base of the reserves is the minimum required for cash flow purposes. Without these minimums, funds would likely have to be borrowed to meet beginning of the year expenditure obligations.
- 2) Policy column reflects the minimum and maximum reserves under the existing reserve policy. Total reserves without exceeding policy maximum is \$65.6 million.
- 3) The Policy column shows the catastrophe reserve and the emergency reserve minimums and maximums of 2% and 8%, respectively.
- 4) The ending FY 2024 fund balance is estimated at \$46.0 million. The Fund Balance column shows the current distribution of reserves with the projected beginning FY 2025 fund balance of \$45.5 million. The beginning fund balance contemplates the budgeting of \$531,161 in fund balance as approved by the Board.
- 5) Proposed fund balance reflects the distribution of reserve categories under the policy which includes catastrophe reserves.

All \$16.5M will be recouped by the County through energy savings over the life of the projects, approximately 25 years. The financing of the project is over a 15-year term to take advantage of competitive interest rates. As such, the financing will be serviced through a combination of energy savings and \$650,000 in general revenue annually.		\$16,500,000	\$13,580,000	\$1,484,523	\$1,025,000	\$230,119	\$12,555,000	2036
Series 226	The Bond Series 226 is for the replacement of the County's 800 MHz radios. This is due to very favorable interest terms in the market and proposed financing that defers the first-year payment until FY 2023, and the planned use of EMS and Volunteer Fire special revenue fund balances.		\$3,400,000	\$2,460,000	\$96,041	\$480,000	\$31,734	\$1,980,000	2029

Note: 1. Payments reflect only Principal and Interest and do not include bank fees.

2. City provided half of the annual payment of debt service to the County through an Interlocal Agreement.

»» Summary of Transfers

Governmental accounting requires certain funds (self-balancing sets of accounts) to be created. Each fund has a discrete purpose. However, often, there is a need for one fund to support a portion of another fund's activities. To accomplish this, monies are moved between funds through a process called "interfund transfers". The following provides a brief description of each transfer occurring in the budget.

General Fund

General Fund (001) **from** Transportation Trust Fund (106) **\$55,372**: As part of the County's utility bill consolidation effort, funds are being transferred to the Division of Facilities Management.

General Fund (001) **from** Non-Countywide General Revenue (126) **\$5,802,127**: Funds accumulated in the Non-Countywide General Revenue fund are partially available to support unincorporated area only programs, as well as countywide activities. The funds transferred support a portion of the countywide activities in the General Fund and supplement property tax collections.

General Fund (001) **from** American Rescue Plan (137) **\$1,955,725**: As part of the approved ARPA Expenditure Plan, funds are transferred to support general government services.

General Fund (001) **from** Municipal Services (140) **\$165,458**: As part of the County's utility bill consolidation effort, funds are being transferred to the Division of Facilities Management.

General Fund (001) **from** Fire Rescue Services (145) **\$4,307**: As part of the County's utility bill consolidation effort, funds are being transferred to the Division of Facilities Management.

General Fund (001) **from** Tourism Fund (160) **\$40,121**: As part of the County's utility bill consolidation effort, funds are being transferred to the Division of Facilities Management.

General Fund (001) **from** County Accepted Roadways and Drainage Systems Program (162) **\$135,684**: payments for County funded road improvements to private roads improved and provided to the County.

General Fund (001) **from** County Government Annex (165) **\$206,644**: As part of the County's utility bill consolidation effort, funds are being transferred to the Division of Facilities Management.

General Fund (001) **from** Huntington Oaks Plaza (166) **\$83,255**: This transfer provides funds for utilities for the Huntington Oaks Plaza.

General Fund (001) **from** Solid Waste (401) **\$50,581**: This transfer provides funds for the utility consolidation effort as well as the Waste Pro Recycling Education Fund.

Supervisor of Elections (060) **from** General Fund (001) **\$5,927,098**: Funds are transferred from the General Fund to the Supervisor of Elections in order to establish the budget for the fiscal year. This transfer is done on an annual basis. Any remaining budget is returned to the general fund at the end of the fiscal year.

Special Revenue Funds

Transportation Trust Fund (106) **from** Stormwater Utility Fund (123) **\$1,724,735**: The County maintains one engineering division. Within this division are transportation and stormwater engineers. To avoid having gas taxes (which are the main source of revenue contained in the Transportation Fund) support unrelated activities, a transfer from the Stormwater Utility offsets the engineering cost provided to the stormwater utility.

Transportation Trust Fund (106) **from** Non-Countywide General Revenue (126) **\$6,415,898** Gas tax revenues are insufficient to support transportation related activities. This transfer provides additional general revenues to offset the shortfall.

Probation Services (111) **from** General Fund (001) **\$3,887,826**: The transfer provides the necessary revenue to offset the gap between the fees generated in pre-trial/probation and the cost of the programs.

Development Services & Environmental Management (121) **from** Non-Countywide General Revenue (126) **\$3,543,490**: The County's growth management fees do not provide 100% support for services provided by the Department. The transfer is necessary to fund non-fee related activity and any additional difference.

Stormwater Utility (123) **from** Transportation Trust (106) **\$800,000**: The stormwater operations function provides roadside swale maintenance on behalf of the transportation network.

Stormwater Utility (123) **from** Non-Countywide General Revenue (126) **\$2,485,009**: This transfer provides the additional revenue to support the county's stormwater utility program not funded through the stormwater non ad valorem assessment. This transfer will offset the discount provided to veterans and low-income seniors and properties receiving stormwater credit discounts.

Grants (125) **from** Non-Countywide General Revenue (126) **\$428,949**: This transfer provides matching funds for state and federal grants, including emergency management.

9-1-1 Emergency Communications (130) **from** 9-1-1 Capital Projects Fund (330) **\$357,128**: The transfer provides the necessary revenue to support the E9-1-1 System.

Municipal Services (140) **from** 2020 Sales Tax Extension JPA (352) **\$500,000**: This transfer provides L.I.F.E funding to support maintenance at park facilities constructed from past and future local sales tax proceeds.

Debt Service Funds

In accordance with all enabling bond ordinances and resolutions, the County is required to establish separate funds for the purposes of making debt service payments. To avoid “splitting revenues” across multiple funds, the County accrues all the revenues to individual accounts in a particular fund. The County then makes transfers from the applicable funds to the appropriate debt (or other) funds.

Capital Projects Funds

Capital Improvements (305) **from** General Fund (001) **\$8,815,334**: This transfer uses regular general revenue fund transfers to support capital projects.

Capital Improvements (305) **from** Municipal Services (140) **\$1,058,459**: This transfer will fund vehicles, equipment and Parks and Recreation Infrastructure.

Capital Improvements (305) **from** Tourism Fund (160) **\$103,319**: This transfer will fund improvements at Apalachee Regional Park.

Gas Tax Transportation (306) **from** Transportation Trust (106) **\$1,735,475**: The transfer is to support transportation fund vehicle and equipment replacements, pavement markings and road-related stormwater capital projects funded from the gas tax.

Enterprise Funds

Solid Waste (401) **from** Non-Countywide General Revenue (126) **\$3,454,042**: The transfer is necessary to support the operation of the rural waste collection centers and increase in yard debris recycling.

Internal Services Funds

Insurance Services (501) **from** Fire Services (145) **\$60,000**: The transfer is to cover insurance expense associated with the Volunteer Fire Departments.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Organization of Funds

Basis of Budget

Leon County's Governmental and Fiduciary Funds are prepared on a modified accrual basis.

Revenues are recognized when measurable and available under budgetary basis. The following revenues are considered to be susceptible to accrual: taxes, charges for services, interest, state revenue sharing, federal forestry revenue, insurance agent revenues, 5th & 6th cent gas tax, federal and state grants, planning and zoning revenue, communication services tax, and special assessments.

Obligations are budgeted as expenses and generally recorded when the related fund liability is incurred. An exception is principal and interest on general long-term debt which is recorded when due.

The budgets of the proprietary funds (enterprise and internal service) are prepared on an accrual basis. The revenues are recognized when earned and their expenses are recognized when incurred.

Florida state law requires that receipts from all sources be budgeted at 95% of anticipated receipts.

Funds

The financial activities of the County are recorded in separate funds. Each fund is considered a separate accounting entity. The operations of each fund are accounted for within a set of self-balancing accounts that include assets, liabilities, fund equity, revenues, and expenditures, or expenses, as necessary. An account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

The various funds are as follows:

Governmental Fund Types

General Fund – The general operating fund of the Board. This fund is used to account for all financial transactions not required to be accounted for in another fund.

Special Revenue Funds – Funds used to account for special assessments and specific governmental revenue sources. Major capital projects that are restricted by law, or administrative action, for expenditures for specific purposes are not considered Special Revenue Funds. Examples of Special Revenue Funds are Building Inspection, Transportation Trust, Emergency Medical Services, Fire Rescue Services, Tourism, and Probation Services.

Debt Service Funds – Funds used to record the funding and payment of principal and interest on debt reported in the General Long-Term Debt Account Group.

Capital Projects Funds – These funds are used to account for the acquisition or construction of major capital facilities other than those financed by the Proprietary Funds. Examples of Capital Projects Funds are the Local Option Sales Tax and Governmental Capital.

Proprietary Fund Types

Enterprise Fund – A fund used to report operations that provide services financed primarily by user charges. An example of an enterprise fund is the Solid Waste Operations Fund.

Internal Service Funds – A fund used to account for goods or services provided by various departments to other departments of the Board on a cost-reimbursement basis. These funds consist of the Motor Pool Fund, the Communication Trust Fund, and the Insurance Service Fund.

Notes:

The \$377,886,993 total budgeted revenue is net of interfund transfers.

- Property tax from ad-valorem is allocated in Fund 001-General Fund and Fund 110-Fine and Forfeiture, while the EMS MSTU is allocated in Fund 135-Emergency Medical Services and the other non-ad valorem assessments are allocated in Fund 123-Stormwater, Fund 145-Fire Services, Fund 162-Paving Assessment, Fund 164-Special Assessments Sewer and Fund 401-Solid Waste.
- State Gas Tax is estimated to provide \$4.2 million and Local Gas Taxes are estimated to provide \$7.6 million in funding to Fund 106 Transportation Trust Fund.
- State Revenue Sharing is estimated to provide \$8.3 million and the Half-Cent Sales Tax is estimated to provide \$15.8 million to Fund 126 Non-Countywide General Revenue.
- Public Services Tax (PST) on utilities is estimated to provide \$10.5 million in funding for Fund 140 Municipal Services. Communications Services Tax (CST) is estimated to provide \$2.4 million in funding for Fund 126 Non-Countywide General Revenue.
- Appropriated Fund Balance is in the amount of \$3.3 million for FY 2025.
- Fees and Assessments account for \$49 million of the \$52.5 million in revenue including licenses account for \$3.5 million (\$2 million to Fund 120 Building Inspection, \$1.3 million to Fund 121 Development Services & Environ. Mgmt., and \$0.23 million to Fund 126 Non-Countywide General Revenue). Fees include \$18.8 million for EMS, \$13.8 million for Solid Waste, and \$11.9 million for Fire Services.
- Other Revenue include funding from interest, rents and royalties, fines, grants, intergovernmental reimbursements, departmental billings, and other miscellaneous revenue.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» General Fund (001)

Fund Type: General Fund

The General Fund is the general operating fund of the County established by F.S. 129.02(1). Major revenue sources for the County's General Fund include proceeds from ad valorem and other taxes, charges for services, fees, and other miscellaneous revenues. The General Fund is used to account for financial resources and expenditures of general government (except those required to be accounted for in another fund) such as libraries, management information systems, facilities management, etc.

Notes:

The Leon County budget is balanced without increasing the current 8.3144 millage rate. For FY 2025 property values increased by 10.01%, providing an additional \$18.2 million in property tax revenue. After the COVID pandemic and the strong construction economy, values increased by 9.33% in FY 2023 and 7.87% in FY 2024. The growth in property valuations for FY 2025 is related to increases in the number of non-homestead properties being added to the tax roll, growth in residential and commercial development from the previous year, and a Save-Our-Homes valuation cap of 3% for the third year in a row. Property taxes growth was offset by overall inflationary increases, increases in personnel costs for retirement, healthcare budgeted at 6%, and funding for 5% raises for all employees, including Constitutional Officers; and inflationary costs for contractual services, fuel, and materials and supplies.

In FY 2022, as part of the federal government's economic support to assist state and local governments, Leon County received \$57.02 million in American Rescue Plan Act (ARPA) funding, which encouraged local governments to use a portion on revenue loss recovery. This funding was used to support general government services in FY 2022 and FY 2023, and \$2.15 million was allocated in FY 2024 to support the capital program. The remaining \$1.95 million in ARPA revenue loss funds are allocated in FY 2025 to support general government services.

To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, the Board appropriated \$7.7 million in general fund capital reserves in FY 2024. As a result, the total FY 2025 general fund transfer to the capital fund (Fund 305) is \$9.87 million (\$8.8 million coming from the general fund and \$1.1 million from the Municipal Services Fund).

Due to the County's use of ARPA funding, increased property tax revenue, and constraining expenditures to the greatest extent possible, the use of general fund balance for FY 2025 is \$531,161, a decrease of \$40,129 from FY 2024. Outyears reflect maintaining the millage rate at the existing 8.3144, and increased property values providing the necessary revenue growth to fund increases in operational expenses.

»» Supervisor of Elections (060)

Fund Type: General Fund

The Supervisor of Elections Fund is a general fund established as part of the FY 2002 budget process. The Supervisor of Elections requested their appropriation be established in a separate fund to provide discrete accounting of their budget. The revenue is transferred from the General Fund. At the conclusion of the fiscal year, any funds available in the Supervisor of Elections fund are returned to the General Fund as excess fees.

»»» Transportation Trust (106)

Fund Type: Special Revenue

The Transportation Trust Fund is a special revenue fund established by F.S. 129.02(2). Major revenue sources for the Transportation Trust Fund include proceeds from local and state gas taxes. Leon County imposes a total of twelve cents in gas taxes. The County Ninth-Cent, Local Option and Second Local Option are local county taxes. Of those, the Local Option and Second Local Option revenues are split 50/50 with the City of Tallahassee. The 20% Surplus, 5th & 6th Cent and Gas Tax Pour-Over Trust are State gas tax revenues. The fund is used to account for resources dedicated and expenditures restricted to the maintenance/construction of roads and bridges.

Notes:

Gasoline taxes are estimated to decrease by 2% or \$294,595. Prior to COVID, gas taxes, which are consumption based (taxes are per gallon, not a percentage of cost), were only slightly increasing year-over-year due to better vehicle fuel efficiencies and an increase in the use of hybrid and electric vehicles. In FY 2023, gas tax collections declined by 4%, and this trend is projected to continue in FY 2024 and FY 2025. This is largely due to the volatility in the market for crude oil and the shift in consumers driving more fuel-efficient or electric vehicles.

When originally approved for collection beginning January 2014, the second local option gas tax was split 50/50 for sidewalk projects and general transportation maintenance. In FY 2019, this gas tax was approved for reallocation to stormwater projects for two years (FY 2020 and FY 2021) to fix chronic flooding problems on county roads. However, in the FY 2021 budget, due to COVID and subsequent budget balancing strategies for FY 2021, sidewalk funding was suspended, and transportation and stormwater funding were reduced with sidewalk funding being budgeted solely from Sales Tax Extension (352) funds. The second local option gas tax returned to being split 50/50 between sidewalks and transportation maintenance in FY 2022.

In FY 2021, Leon County received \$57.02 million in American Rescue Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. As part of the FY 2022 budget process, the Board allocated \$2.7 million in revenue loss recovery funding to the Transportation Capital Fund for critical road/flood projects delayed because of the pandemic including Baum Road, Ben Boulevard, Miccosukee Road Bridge Replacement and Maylor Road.

A review of fund reserves in FY 2023 indicated that \$3.9 million in Transportation Trust fund balance above policy minimums were available to support the transportation capital program in FY 2024 and FY 2025. To ensure infrastructure improvements continue and heavy equipment and vehicle purchases are not delayed due to supply chain issues, the remaining \$1.5 million in funding was advanced funded in FY 2024. The transfer to the Transportation Capital Fund increased from \$414,016 in FY 2024 to \$1.7 million in FY 2025 to support other transportation projects, including the sidewalk program.

Notes:

The County maintained the countywide millage rate of 8.3144 for FY 2025. Additional information regarding this levy for recurring operating expenditures is located on the general fund page (Fund 001).

The largest expenditure appropriations in this fund are the Sheriff Law Enforcement, Detention and Judicial budgets. The overall increase to the Sheriff's budget is 10.3% or \$10.7 million. In addition to normal personnel costs and contractual services increases, the budget includes costs to increase the base pay for sworn officers to \$60,000 and the final year of implementation of a new compensation plan. In addition, the budget includes continued funding for two Homeless Outreach Street Team (HOST) deputies to provide law enforcement support in the engagement of unsheltered individuals. These positions were previously supported with American Rescue Plan Act (ARPA) funding.

Other budget increases include personnel costs related to the Consolidated Dispatch Agency (CDA), of which the County pays 33% per the interlocal CDA agreement, and the County's statutory required payment to the State Department of Juvenile Justice.

Fund Type: Special Revenue

The Probation Services Fund is a special revenue fund established in support of the administration of County Probation programs. Major revenue sources for the Probation Services Fund include fees related to pretrial costs, other probation related services, and a transfer from the General Fund. The fund is used to account for resources and expenditures related to the alternative Community Service Work Program, the Pretrial Release Program, urinalysis testing fees and other County Probation programs and services.

Notes:

The FY 2025 Probation Services revenues are estimated to decline from FY 2024 due primarily to fee waivers by the courts or the non-payment of fees by those sentenced to the programs offered by Probation and Pretrial Release. In addition, the Courts are now letting Pretrial participants' fees accrue until final adjudication, at which time fees may be waived partially or in their entirety. As a result of these revenue declines, the general revenue subsidy to the fund is increasing from \$3.46 million in FY 2024 to \$3.89 million in FY 2025. The general revenue subsidy is anticipated to increase to \$4.3 million by FY 2029 due to revenues remaining relatively flat and continuing increases in program expenditures.

Notes:

The FY 2025 Drug Court program is experiencing a decline in court costs collected for misdemeanor and felony drug cases. Available Drug Abuse Trust fund balance is used to support the program through FY 2028. FY 2029 reflects a deficit in supporting program expenditures as fund balance will be depleted in FY 2028. A reduction in services may need to be considered if revenues do not increase to support the program.

»» Judicial Programs (117)

Fund Type: Special Revenue

On June 8, 2004, the Board of County Commissioners authorized the imposition of a \$65.00 criminal violation court costs. In accordance with Florida Statutes and the enabling County Ordinance, the proceeds from the \$65.00 fine are to be used as follows: 25% to supplement State funding requirements related to the implementation of a Statewide court system or to pay for local requirements; 25% to be used to fund legal aid programs; 25% to be used to fund law library personnel and materials; and 25% to be used to fund alternative juvenile programs. At the end of the fiscal year, any fund balance remaining shall be utilized in subsequent fiscal years for the funding of either the State or local requirements.

Notes:

In February 2022, the Board adopted a revised fee schedule based on a 2021 building plan review and inspections fee study. The study found that overall permit costs were commensurate with the services provided but recommended a revenue-neutral transition to a flat fee structure and the implementation of a technology fee to support demands for greater digital services.

For FY 2025, revenues are estimated to increase slightly from FY 2024 (\$131,000) based on a stabilization of growth in permitting activity following the low interest rate environment enacted by the Federal Reserve to combat the impacts of the COVID pandemic on the economy.

Consumer demand and supply chain shortages in the post COVID economic recovery caused high inflation, which was countered by the Federal Reserve increasing interest rates. These increased rates then slowed building construction loans and mortgages which in turn results in building permitting activity subsiding.

To ensure Building Inspection continues to provide prompt permitting services, \$1.1 million in fund balance is budgeted in FY 2025. The outyears reflect only nominal increases in revenues and depletion of the Building fund balance in FY 2026. A reduction in services may need to be considered if these revenues do not increase to support these services.

In FY 2025, permit fee revenue is estimated to increase slightly from FY 2024 reflecting a stabilization of growth in environmental permitting after the low interest rate environment established by the Federal Reserve as a tool to ameliorate the affects of COVID on the economy. Due to the modest growth in revenues, the general revenue subsidy increased by \$210,943 in FY 2025. The outyears reflect general fund support increasing incrementally to maintain service levels and is anticipated to increase up to \$3.9 million in FY 2029.

Notes:

In FY 2014, the County implemented the first increase to the stormwater non ad valorem assessment in 23 years from \$20 to \$85 for each single-family equivalent unit. This allowed for the general revenue subsidy to decrease by \$2.5 million. As specified in the adopted ordinance, the current general revenue subsidy covers the cost of the fee discount for low-income seniors, disabled veterans and properties that receive a stormwater credit discount. The remaining general revenue transfer covers the operating deficit in the program. The transfer of \$800,000 from the Transportation Trust fund provides funding for stormwater maintenance activity related to roadways.

The increase in general revenue support in FY 2025 is related to no growth in the non-ad valorem fee due to the issuance of more stormwater credit discounts and increases in program expenditures. These expenses include inflationary costs associated with fuel and vehicle repair costs. As presented to the Board at the June 20, 2023 and April 23, 2024 Budget Workshops, to ensure the continued long-term fiscal viability of the County and eliminate the general revenue subsidy, a stormwater fee study is intended to be conducted in FY 2027 and considered as part of the FY 2028 budget process.

Notes:

The State Housing Initiatives Partnership (SHIP) program allocated \$759,021 for local housing programs to Leon County during the FY 2024 legislative session, a reduction from the \$1.1 million in FY 2024.

In support of the Board's strategic initiative to address heir property issues in Leon County, a portion of FY 2025 SHIP funding (\$50,000) will be utilized to provide title clearing services to income-eligible heirs through a partnership with a qualified legal aid agency.

» Grants (125)

Fund Type: Special Revenue

The Grants Fund is a special revenue fund established to account for grants that are consistently received on an annual basis. The fund also accounts for other restricted revenues such as Friends of the Library and the Driver Education funding. As new grants are received during the fiscal year, appropriate action is taken by the Board of County Commissioners to realize these additional grant proceeds into the budget. This fund includes the corresponding County matching funds for the various grants.

Notes:

Grant program expenditures for Emergency Management and the Storage Tank Program are greater than the grant allocations, which require nominally increasing the general revenue transfer to maintain program service levels. Since 2012, the Board has allocated additional funding for the Storage Tank Program to ensure all local petroleum facilities are inspected on an annual basis, which is in excess of the Florida Department of Environmental Protection's 50% requirement.

As allowed by the Dori Slosberg Driver Education Safety Act, the Board amended the Leon County Code of Laws related to civil traffic penalties at the January 28, 2020 meeting and increased the civil traffic penalty from \$3 to \$5 to support high school driver education programs. The additional funding supports Leon County Schools' Drivers Education Program.

Fund Type: Special Revenue

The Non Countywide General Revenue Fund is a special revenue fund originally established as part of the FY 2002 budget process. Prior to FY 2002, the 1/2 Cent Sales Tax, State Revenue Sharing, and other unrestricted resources were directly budgeted into the specific funds they supported. Beginning in FY 2002, the revenues were brought into this fund and budgetary transfers were established to the funds supported by these revenues. This approach allows for the entire revenue to be shown in one place and all funds being supported to be similarly reflected. These revenues are not deposited directly into the General Fund in order to discretely show support for activities not eligible for Countywide property tax revenue.

Notes:

The State Shared and 1/2 Cent Sales Tax revenues have rebounded over the past three years from the precipitous decline in FY 2020 and are estimated to generate an additional \$1.4 million from the FY 2024 budget.

Effective July 1, 2021, internet sales retailers and marketplace providers with no physical presence in Florida were required to collect the Florida sales tax on sales of taxable items delivered to purchasers in Florida if the out-of-state retailer or marketplace provider makes a substantial number of sales into Florida.

The Communication Services Tax (CST) has been in decline statewide the past five years due to a decline in cable services as consumers "cord cut" in favor of streaming, and certain demographics and small businesses abandoning telephone landlines. FY 2025 revenues estimate an decrease of \$366,700 from FY 2024.

»» 9-1-1 Emergency Communications (130)

Fund Type: Special Revenue

The 9-1-1 Emergency Communications Fund is a special revenue fund established in accordance with the Florida Emergency Telephone Act F.S. 365.171. Major revenue sources of the 9-1-1 Emergency Communications Fund include proceeds from the wireless Enhanced 9-1-1 fee (50 cents/month per service subscriber) pursuant to F.S. 365.172 - 365.173 and the 9-1-1 fee (50 cents/month per service line) pursuant to F.S. 365.171(13). The fund is used to account for resources and expenditures associated with 9-1-1 emergency services within Leon County.

Notes:

Property valuations for the EMS MSTU increased 10.01% for the FY 2025 budget. During the FY 2024 budget process, the Board approved the planned millage rate increase from 0.50 to 0.75 to eliminate the general revenue subsidy to the EMS fund. Additionally, the 0.75 millage rate provides for reserves to support future increased staffing and equipment requirements for the program over the next five years. In addition to the increase in property values, the growth in EMS revenues also reflects an increase in ambulance fees and Medicaid reimbursements from the State.

Most of the increase in expenditures is related to the planned replacement of aging ambulances in the EMS fleet. In addition, to maintain current service levels and ensure adequate resources are available for increased call demand, the FY 2025 budget includes the addition of six full time positions. Additional increases are associated with inflationary costs of EMS contracts and medical supplies.

Notes:

In May 2021, Leon County received \$57.02 million in ARPA funding. Accordingly, as part of the FY 2022 budget process, the Board approved a multi-year ARPA expenditure plan. The plan provided funding to address community nonprofit and human services assistance, public health support, targeted support for the local business community, and funding to complete major wastewater projects.

The expenditure plan also allocated \$25 million of the ARPA funding as revenue replacement to mitigate revenue losses incurred by the County due to the pandemic. These funds were used to support general government services and the capital program in FY 2022, FY 2023, and FY 2024. For FY 2025, the remaining \$1.95 million was transferred to the General Fund (Fund 001) to also support general government services.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

Notes:

For FY 2025, Public Services Tax (PST) revenues are projected to increase by approximately 11%, which can be attributed to an increase in utility rates and more residential and commercial development associated with an improved economy. With more residents at home using utilities, the PST was not affected by COVID stay-at-home orders like other sources of revenue such as gas taxes and tourism taxes. Expense increases to the fund are primarily related to inflationary operating costs of trail, playground and ballfield maintenance, increase acreage for mowing contracts, and tree trimming on greenway and park trails.

The transfer to Fund 305 (the Capital Improvement Fund) was increased by \$443,837 from the previous fiscal year (\$614,622 in FY 2024 to \$1.06 million in FY 2025). This is part of the total \$9.87 million general revenue transfer to the capital fund. The remaining transfer is from the General Fund.

The \$500,000 transfer of revenue from the Sales Tax Extension Joint Project Agreement Fund (Fund 352) assists in funding the maintenance of parks constructed with previous local infrastructure sales tax dollars. This is a level transfer that will occur until 2039.

Fund Type: Special Revenue

The Fire Services Fund is a special revenue fund established in FY 2010 as a method to fund enhanced fire protection services in the unincorporated area of Leon County. The funding is derived from a fire service fee levied on single family, commercial and governmental properties in the unincorporated area of the County. Homes are charged a flat rate, and commercial and governmental properties pay per square foot. Square footage associated with the worship area of a church is excluded from the fee. In addition, the County provides support to the Volunteer Fire Departments.

Notes:

With the implementation of the fire service fee the City initially billed all affected properties in the unincorporated area. In FY 2010, the Board approved placing this assessment on the tax bill for property owners who did not pay the fee via the established billing system. As reflected above, direct billing by the City of Tallahassee is the primary source for the collection for this fee, but non-ad valorem assessment collections continue to increase as property owners become delinquent in their payments or choose to have their fee placed on the tax bill.

In FY 2024, a new fire services fee was implemented to adequately fund the County's share of the Fire Department. Increasing the fire services fee eliminated the general revenue subsidy that was provided to assist funding these services in FY 2022 and FY 2023.

Fund Type: Special Revenue

The Tourism Fund is a special revenue fund established as the repository for the collection of the 5% Local Option Tourist Development Tax on transient lodging sales in Leon County (bed tax). Expenditure of these revenues, as limited by law, is to support tourist development initiatives. Annual reserves for contingencies are supported by available fund balance. This amount will be determined on an annual basis as part of the budget process.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

Notes:

The fiscal impact of COVID on Tourism was significant. Tourist Development Tax (TDT) revenue declined by 33% in FY 2020 after the onset of COVID restrictions in April 2020. With the removal of stay-at-home orders and the availability of vaccines, TDT collection began increasing in March 2021. At the June 8, 2021 meeting, the Board allocated \$750,000 in American Rescue Plan Act (ARPA) revenue loss replacement funding to Tourism for marketing and advertising activities.

Leon County's tourism revenue continues to increase after the subsidence of COVID and a restoration of normal travel activities. In addition to events that attract overnight stays, Leon County has seen an increase in available rooms related to the construction of new hotels near the universities and the interstate. Also, the average room rate has increased as demand and inflation drive the hotel rates which results in greater tourism revenue collection as the tourist tax rate is collected as a percentage of a hotel room's cost.

Expenditure increases reflect more funds for the COCA cultural grant programs, as well as additional resources for the Division of Tourism marketing efforts and costs associated with the continuation of the Leon County/Tallahassee Bicentennial Celebration in FY 2025 and the 2026 World Athletics Cross Country Championship at Apalachee Regional Park.

 County Accepted Roadways and Drainage Systems Program (162)

Fund Type: Special Revenue

The County Accepted Roadways and Drainage Systems Program (CARDS) Fund is a special revenue fund established to account for the repayment of special assessments associated with the County's CARDS program (formerly the 2/3 2/3 paving program). The revenue received into this fund is collected as a non ad valorem special assessment on the annual tax bill. These revenues are repaying the County for loans utilized to construct special assessment paving projects. The revenues are transferred annually to the General Fund (001).

Fund Type: Special Revenue

This Special Assessment Fund was established to account for revenues and expenditures associated with the special assessment levied on property owners to pay for the costs associated with maintaining the new City of Tallahassee sewer service distribution system. These assessments are collected and remitted to the City of Tallahassee in accordance with interlocal agreements with the City of Tallahassee. Areas include Killearn Lakes Units I and II completed in October 2006 and each parcel within Units I and II is levied at \$444.12. Annawood subdivision was completed in 2022 and is levied on eight units.

Notes:

Funding is allocated for general building maintenance and repairs including renovations, mechanical and electrical upgrades, and safety improvements at the Leon County Government Annex. Specific project details are in the Capital Improvements Project Section. In addition, FY 2025 and outyear transfers reflect utility payments to the General Fund (001).

The decrease in rental revenue in FY 2025 is due to a decline in leasing activity at the Leon County Government Annex. Outyears reflect the programmed expiration of leases, which may or may not be extended or renegotiated. Revenue is only contemplated when a lease is active. FY 2025 through FY 2028 reflect the use of accumulated fund balance to support expenditures, however, based on current leasing trends, it is anticipated that leasing revenue will increase. If lease activity does not increase, expenditure reductions and/or general revenue support may be needed as fund balance will be near depletion in FY 2028.

Fund Type: Debt Service

The ESCO Lease Fund is a debt service fund established to account for the debt service associated with the obligations relating to the County's Energy Performance Contract with Energy Savings Group (ESG). This lease was entered into to fund upgrades and replacements of critical building infrastructure at County facilities, including the Detention Center, Courthouse and Sheriff's Administration building relating to the County's Energy Performance Contract. These energy efficiency improvements will offset the cost of the lease. Energy Savings Group will pay any balance on the lease not offset by these energy cost savings.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

Notes:

The FY 2025 – FY 2029 Capital Improvement Plan is primarily focused on maintaining the County's infrastructure of buildings, roads, stormwater system, parks, information technology and fleet. In FY 2021, as part of the budget balancing strategies implemented in response to revenue losses associated with the COVID-19 pandemic, capital improvement projects were reduced or deferred. This allowed for the reduction in the general revenue transfer to the Capital Improvement Fund (305) from \$7.3 million in FY 2020 to \$5.0 million in FY 2021 and FY 2022; however, the FY 2023 and FY 2024 transfers increased to \$8.18 million and \$6.71 million, respectively.

The FY 2025 general capital improvement program is \$10.1 million. In FY 2021, Leon County received \$57.02 million in American Rescue Plan Act (ARPA) funding which allowed for local governments to use a portion on revenue loss recovery. \$3.6 million of this funding was allocated to the Capital Fund for FY 2022, \$6.16 million in FY 2023, and another \$2.15 million for FY 2024.

A review of fund reserves in FY 2023 indicated that the County had \$11.8 million in available general revenue fund balances above the policy minimums that were available to support the capital program for FY 2024 and FY 2025. To ensure some capital projects are not delayed due to current supply chain difficulties, especially with vehicles and construction materials, the remaining \$7.7 million in fund balances were appropriated in FY 2024. This funding will support projects associated with the purchase of County vehicles and heavy equipment, facility improvements, Sheriff Facilities improvements, and park facility improvements.

For FY 2025, additional funding is for IT infrastructure, improvements to critical facilities including the Public Safety Complex, and the Essential Libraries Strategic Initiative. The Essential Library Initiative is a process of re-envisioning the Leon County Public Library System to address the changing needs of residents and trends in library use. These funds are for space improvements to the Main Library.

Outyear expenditure projections reflect overall inflation and the rising costs of construction materials and supplies. Due in part to these inflationary pressures, the general revenue transfer is projected to increase to \$19 million by FY 2027.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

Notes:

When originally approved for collection beginning January 2014, the second local option gas tax was split 50/50 for sidewalk projects and general transportation maintenance. In FY 2019, this gas tax was approved for reallocation to stormwater projects for two years (FY 2020 and FY 2021) to fix chronic flooding problems on county roads. However, in the FY 2021 budget, due to COVID and subsequent budget balancing strategies for FY 2021, sidewalk funding was suspended, and transportation and stormwater funding were reduced with sidewalk funding being budgeted solely from Sales Tax Extension (352) funds. The second local option gas tax returned to being split 50/50 between sidewalks and transportation maintenance projects in FY 2022.

In FY 2021, Leon County received \$57.02 million in American Rescue Plan Act (ARPA) funding which allowed for local governments to use of a portion on revenue loss recovery. As part of the FY 2022 budget process, the Board allocated \$2.7 million of this funding to the Transportation Capital Fund in FY 2021 for critical road/flood projects delayed because of the pandemic including: Baum Road; Ben Boulevard; the Miccosukee Road bridge replacement; and Maylor Road.

A review of fund reserves in FY 2023 indicated that \$3.9 million in Transportation Trust fund balance above policy minimums were available to support the transportation capital program in FY 2024 and FY 2025. To ensure infrastructure improvements continue and heavy equipment and vehicle purchases are not delayed due to supply chain issues, the remaining \$1.5 million in funding was advanced funded in FY 2024. The transfer to the Transportation Capital Fund increased from \$414,016 in FY 2024 to \$1.7 million in FY 2025 to support other transportation projects, including the sidewalk program.

»» Sales Tax (308)

Fund Type: Capital Projects

The Local Option Sales Tax Fund is a capital project fund established in accordance with a 1989 county-wide referendum, and is used to account for resources and expenditures associated with the construction of transportation and jail facility related projects. The Local Government Infrastructure Surtax includes proceeds from a One-Cent Sales Tax on all transactions up to \$5,000. Pursuant to an interlocal agreement with the City of Tallahassee, the revenue generated by the tax will be split between the County and the City. The County's share of the proceeds is equal to 52.84%, and the City's share is equal to 47.16%. The 1989 referendum approved the sales tax levy for a period of fifteen years; however, through a county-wide referendum passed in November 2000, the sales tax was extended for an additional fifteen years (Note: the extended sales tax is accounted for in Fund 309).

In FY 2020, two new funds (351 and 352) were established for the new sales tax extension that went into effect on January 1, 2020. Previous projects assigned to this fund were moved to Fund 351. This fund is still open due to the accumulated funds in the intersection and safety improvement project and maintenance needs at the Sheriff Facilities.

Fund Type: Capital Projects

In November of 2000, Leon County residents approved a referendum extending the imposition of the 1 Cent Local Option Sales Tax beginning in FY 2004 for 15 years. The extension commits 80% of the revenues to Blueprint 2000 projects and will be jointly administered and funded by Leon County and the City of Tallahassee. The remaining 20% will be split evenly between the County and the City. The County's share will be used for various road, stormwater and park improvements. The Blueprint 2000 Joint Participation Agreement Revenue supports County projects funded through the County's share of the \$50 million water quality/flooding funding.

Notes:

This fund was established to account for the County's 10% share of the sales tax extension starting January 1, 2020. The first year of collections was affected by COVID and the associated drop in consumer spending starting in March 2020. The FY 2025 revenue estimates reflect slower economic growth as consumer spending returns to more normal levels.

The 10% share supports the County's annual road resurfacing, OCGM maintenance and intersection/safety capital projects.

Notes:

On November 4, 2014, Leon County residents approved a ballot initiative to extend the current 1-Cent Local Option Sales Tax for another 20 years until 2039. This fund has been established to account for the 2% sales tax share dedicated to the L.I.F.E. program, and the County's share of the Blueprint JPA revenue.

For FY 2025, Sales Tax Extension revenue estimates reflect slower economic growth as consumer spending returns to more normal levels. The Blueprint JPA revenue is consistent in FY 2025 and the outyears since this is a lump sum payment from Blueprint specified in the interlocal agreement.

Sales Tax Extension projects in FY 2025 include the Sidewalk program, Water Quality and Stormwater improvements, and L.I.F.E. projects (Rural Road and Safety improvements, Street Lighting, Neighborhood Enhancements and Transportation Safety, Boat Landing, Stormwater and Flood Relief, and Recreational Amenities). In addition, the \$500,000 transfer to the Municipal Services Fund (Fund 140) will assist in funding the maintenance of parks constructed with previous local infrastructure sales tax dollars.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

Notes:

The Solid Waste fund is an enterprise fund and is supported by a non-ad valorem assessment and tipping fees collected at the Transfer Station. During the FY 2020 budget process, the Board adopted a multi-year fiscal plan that reallocates \$4.1 million in FY 2021 debt services savings to avoid future tax and fee increases for as long as possible.

The plan allowed for the elimination of the rural waste center collection fees and avoided the need to raise the non-ad valorem assessment. For FY 2021, the plan called for the reallocation of \$1.11 million in debt service savings to the solid waste fund to support the Rural Waste Service Centers and the recycling contract. This general revenue transfer has increased to \$1.81 million and \$2.7 million in FY 2023 and FY 2024 respectively.

For FY 2025, the general revenue transfer increased to \$3.5 million and continues to support recycling, and the rural waste collection centers. The increase in revenue and expenditures for the Transfer Station is related to a contractual increase in hauling and disposal rates associated with transferring waste from the transfer station to the regional landfill in Jackson County. FY 2025 capital funding is included for Solid Waste Facility, Transfer Station and Rural Waste Heavy Equipment Replacements, Hazardous Waste Collection and Transfer Station Improvements.

As presented to the Board at the June 20, 2023 and June 18, 2024 Budget Workshops, the \$40 non-ad valorem assessment no longer pays the full cost of disposing of solid waste or operating the rural waste service centers. To ensure the continued long-term fiscal viability of the County and eliminate the general revenue subsidy, a solid waste fee study will be conducted in FY 2025 and considered as part of the FY 2026 budget process.

Notes:

The FY 2025 insurance budget reflects an increase to properly fund the County's insurance premium coverages for property and general liability. Leon County continues to have an aggressive safety and risk avoidance program, which has resulted in reduced workers compensation costs for Leon County Government in FY 2025. This reduction is offset by an increase in workers compensation claims for the Sheriff.

Fund Type: Internal Services

The Motor Pool Fund is an internal service fund established to account for the costs associated with operating and maintaining the County's fleet of vehicles and heavy equipment. This internal service fund generates its revenues from direct billings by the Fleet Management Department to other departmental users. Fuel purchased by the Fleet Management Department is supplied to departmental users at cost plus a minor surcharge. Repairs and maintenance performed by the Fleet Management Department are charged to users at the costs of parts plus an applicable shop rate.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Board of County Commissioners

Executive Summary

This section of the Leon County FY 2025 Annual Budget is comprised of the Leon County Board of County Commissioners. The Board of County Commissioners is the legislative body of Leon County Government. The Board provides policy guidance and establishes the County's vision, mission, strategic priorities, and strategic initiatives that guide the day-to-day efforts of County staff.

The Board addressed and provided focused policy guidance on several key issues in Fiscal Year 2024-2025, consistent with the priorities established in the County's five-year Strategic Plan. The January 24, 2022 Board Retreat served as a "Renewal Year" to both close out the FY 2017 – FY 2021 Strategic Plan and established the baseline for the new FY 2022 – FY 2026 Strategic Plan. During the Retreat, the Board was presented with an "Impact and Progress Report" of the last five-year plan as well as the results of a community-wide survey, environmental scan, and a Strengths, Weaknesses, Opportunities, and Threats (SWOT) analysis. As part of the planning process, the Board reestablished the Vision Statement, Mission Statement, and Strategic Priorities in addition to establishing new Strategic Initiatives for each priority area (Economy, Environment, Quality of Life, and Governance). The new five-year Strategic Plan also includes specific five-year Targets and Bold Goals for each priority area. The Board formally adopted the FY 2022 – FY 2026 Strategic Plan on February 8, 2022.

With the formal adoption of the FY 2022 – FY 2026 Strategic Plan, the Board approved 43 Strategic Initiatives. More recently, at the January 22, 2024 Board Retreat, an additional 18 Strategic Initiatives were adopted by the Board for a current total of 85 Strategic Initiatives. As of March 31, 2024, 63 (74%) of the Strategic Initiatives have been completed, with the remaining 22 (26%) in progress.

To advance the FY 2022 - FY 2026 Strategic Plan, the Board prioritized funding in the FY 2025 budget in support of several Strategic Initiatives to:

- Continue to support the Sheriff in offering competitive compensation and benefits to ensure the recruitment and retention of sworn officers. (2024-85)
- Continue to implement catalytic public infrastructure projects through Blueprint and the County's five-year CIP that provide connectivity and leverage public and private investments. (2022-1)
- Implement the Leon County Essential Libraries Initiative. (2022-21)
- Establish and implement line-item funding for local emergency homeless shelters in coordination and collaboration with community stakeholders including the City of Tallahassee and Children's Services Council of Leon County (2024-72)
- Support efforts to host the 2026 World Athletic Cross-Country Championship at Apalachee Regional Park. (2022-6)
- Implement efforts to enhance access and delivery of human services in the community in partnership with 2-1-1 Big Bend through the 24-hour Helpline, Lyft Transportation Program, Community Information Exchange System, and other efforts.(2024-71)
- Evaluate the reimbursement structure of the Leon County Health Care Program to better reflect the cost for diagnostic and ancillary costs such as laboratory and X-ray services and ensure continued access to affordable health care for low-income individuals and families. (2023-55)

The Leon County Board of County Commissioners also took several actions in Fiscal Year 2023-2024 to further enhance the fiscal and organizational health of the County government while continuing to maintain core services and the community's infrastructure. At the June 18, 2024 Budget Workshop, the Board preliminarily approved a balanced FY 2025 budget which maintains the countywide millage rate at 8.3144 for the thirteenth year in a row, supports public safety and secure elections, addresses urgent community needs such as affordable housing and human services and so much more. The budget prioritizes investing in a high-performing workforce, long-term investments in infrastructure, safeguards the environment, and exhibits budgeting best practices, thus demonstrating a comprehensive commitment to meeting diverse community needs while striving to set the highest standard for local governments everywhere.

» Administration

Executive Summary

The Administration section of the Leon County FY 2025 Annual Budget is comprised of County Administration, Strategic Initiatives, Community & Media Relations, Human Resources, Emergency Management, VolunteerLEON, Purchasing, and Real Estate.

County Administration provides leadership and direction to County staff, facilitates the delivery of services consistent with the priorities and policies established by the Board, and manages the operation of County functions to ensure the delivery of cost effective, customer responsive public services within the bounds of available resources. Strategic Initiatives coordinates Strategic Planning and Leon LEADS activities throughout Leon County departments and divisions. Community & Media Relations works to proactively facilitate the accurate, effective, timely and consistent flow of public information to internal and external parties of interest, providing community outreach, and serving as the County's liaison with media partners. Human Resources provides employee services in the areas of policy development, employee engagement, compensation and benefits, awards and recognition, and regulatory compliance. The Emergency Management division continuously trains staff and prepares for the next emergency that could possibly affect the County. Volunteer Services through the Volunteer LEON brand continues to be the leader in promoting volunteerism and community engagement in Leon County.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the County Administration Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

During FY 2024, the County was recognized for its leadership and innovation by the National Association of Counties (NACo), earning eight more Achievement Awards recognizing Leon County programs and initiatives as nationwide best practices including one "Best in Category" award for Leon County's Crosswalks to Classroom – Dempsey Mayo Road Initiative. These awards recognize cost-effective, high-quality services that Leon County provides to citizens. This year's awards bring the County's total to an impressive 111 Achievement Awards received since 2013.

County Administration with direction to Community and Media Relations (CMR) has once again demonstrated leadership and innovation by guiding the County through several impactful initiatives. These include the redesign of the Leon County website (LeonCountyFL.gov) to meet the evolving needs of citizens and ensure a user-friendly experience; the successful execution of the ninth annual Created Equal event which brought more than 350 community members to discuss race relations and to encourage communication among all members of the community; and hosting the ninth annual Leon Works Expo, connecting more than 500 high school students with 100 academic institutions, private businesses and public sector partners. Administration and CMR also continued to engage citizens with the Citizen Engagement Series events, supported local veterans through the Operation Thank You Initiative, and promoted disaster preparedness through a plethora of resources on LeonReady.com website. Additionally, CMR collaborated with Elder Care Services to distribute 100 disaster buckets to vulnerable populations and provided ongoing neighborhood-specific disaster training for homeowners associations. Throughout these efforts, CMR delivered exceptional public information and communications strategies across all County work areas. CMR was recognized by the Florida Public Relations Association (FPRA) with Awards of Distinction for projects, including the 2023 Annual Report, the 2023 Leon Works Expo, the "Leading the Way" History Kiosk, Leon County Courier, Library Lecture Series: Rhythms of Panama, and the video "20 Years of Exceptional Emergency Medical Services."

Human Resources continues to provide talent management by overseeing and supporting various functions such as recruiting, hiring, compensation, awards and recognition, training, employee relations, benefits administration, and ensuring compliance with state, local, and federal regulations. Our partnerships with Keiser University, Tallahassee State College, and Leon County Schools are crucial in maintaining a steady flow of Junior Apprentice applicants. These partnerships provide youth with on-the-job work experience, preparing them for opportunities within Leon County Government. Additionally, the department

continues to successfully implement the “Live Well Leon” employee wellness program, promoting and maintaining a healthy workforce across all five areas (Community, Physical, Career, Financial and Social) of wellness.

Annually, Volunteer Services provides local organizations and agencies training on volunteer management. Volunteer Services also coordinates the Big Bend Community Organization Active Disaster (COAD) which is an organization composed of community and faith-based groups that collaborate in the planning and coordination of volunteers and resources during emergency events. Furthering on the need for skilled volunteers in an emergency, Volunteer Services also operates the Leon County Disaster Volunteer & Donation database to support additional community needs during a disaster. Additionally, Volunteer Services manages Get Connected, a volunteer engagement and management platform that helps nonprofits find and pair volunteers with opportunities that align with their goals.

Purchasing continues to expand the use of electronic documents, including the implementation of electronic purchase orders, electronic requisitions, and direct payment approvals. Purchasing continues to serve citizens faster and more easily with an online procurement system called OpenGov Procurement. This system provides vendors instant access to many different services and processes such as, instant access to bids, requests for proposal, invitations to negotiate, and various other solicitation documents. These initiatives allow vendors, staff, and other interested parties to obtain copies of purchasing and solicitation documents in a more efficient and cost-effective manner, while promoting sustainability by reducing the use of paper, further demonstrating the County’s commitment to sustainable business practices.

Real Estate Management continues to lease vacant space in County-owned buildings. Real Estate Management also manages the inventory of County-owned properties, processes tax deeds, and identifies appropriate properties for County and Constitutional Offices’ space needs.

ACTIONS

ECONOMY

1. a.) Coordinate with the County's federal lobbying team, Squire Patton Boggs, to monitor and evaluate funding programs under the Infrastructure Investment and Jobs Act, including eligibility criteria and anticipated timelines for specific funding opportunities. (In Progress)
- b.) Coordinate with internal and external stakeholders to identify projects that will be eligible for funding through the various grant programs under the Infrastructure Investment and Jobs Act. (In Progress)
- c.) In FY 2023, the County successfully applied for and was awarded grant funds through the Florida Cybersecurity Grant. In addition, the Office of Economic Vitality (OEV) was awarded an Affordable Connectivity Program (ACP) grant to support outreach to households that are eligible to receive discounted internet service offered through the ACP. Through the ACP, eligible households can receive a discount of up to \$30 per month toward internet service as well as a one-time discount for the purchase of a laptop, desktop computer, or tablet. OEV will leverage these funds to lead innovative outreach activities to raise awareness of the ACP and increase enrollment among eligible households in Leon County. The County plans to continue to take advantage of any potential funding opportunities as they are presented, and the Board will be notified upon notification of grant funding awards. (Ongoing)
2. a) The 2023 Legislative Priority list included the restoration of passenger rail service. (Complete)
- b.) The NACo Legislative Conference presents staff the opportunity to advocate for funding for the restoration of passenger rail service. (In Progress)
3. a.) Leon County continues to collaborate with Leon County high schools and community partner CareerSource to promote the Leon Works Junior Apprenticeship program. In 2023, with the Board's approval to expand the program's eligibility to include charter, private, and Leon County virtual school students, the County expanded outreach efforts to additional high schools in Leon County and provided schools with updated posters and rack cards containing essential program facts and application information for display and distribution to students. Because of this outreach, the County was asked to provide a Lunch-n-Learn for students at FAMU DRS to discuss the program. (Ongoing)
- b.) Leon County also collaborated with local high schools and community organizations to promote and encourage student attendance at the Leon Works Expo. Promotional materials, such as posters and digital media, highlighting the benefits of exhibiting at the expo, and media coordination, such as a news advisory and release, to give insight on the benefits of the expo to the public, were provided. (Complete)
- c.) Building upon the success of the Junior Apprenticeship program and Leon Works Expo, Leon County collaborated with the City of Tallahassee along with program experts and community leaders to promote the Summer Youth Expo, a first-of-its-kind event connecting families of all income levels with summer activity providers. (Complete)

ENVIRONMENT

1. Coordinate with CMR on identifying and implementing program outreach strategies, including promotion via media outlets and roadside signage. (In Progress)
2. a) Executed subgrant agreement with Apalachee Regional Planning Council, and grant agreement with Department of Environmental Protection. (Complete)
- b) The Apalachee Regional Vulnerability Assessment was completed for ARPC's nine-county region. While the assessment identified areas of exposure in the County, the evaluation was high-level and does not provide an in-depth analysis of the County's exposure necessary for the implementation of projects. In light of this, on April 9, 2024, the Board approved an agreement with Jones, Edmunds & Associates, Inc. to conduct a County-specific vulnerability assessment. The Leon County Assessment is anticipated to take approximately one year to complete. Upon completion, the report findings and recommendations will be presented to the Board which will identify and prioritize new resilience projects based on future flood conditions that will be eligible for future construction grants through the Resilient Florida Grant Program. This proactive approach will allow the County to be more strategic through the budget process by identifying and prioritizing funding needs and leveraging opportunities years in advance. (Ongoing)

QUALITY OF LIFE

1. a) Presented an agenda item to allocate County funds to support the Council on the Status of Men and Boys. (Complete)
 - b) Presented an agenda item for the Board's acceptance of the Final Charter for the Council on the Status of Men and Boys. (Complete)
2. a) Community and Media Relations continues to coordinate with the Leon County Sheriff's Office to share timely and important messages on child abuse and prevention programs, human trafficking, sexual abuse and exploitation and domestic violence through the use of public information and social media channels. Further, space will be provided to LCSO in upcoming County LINKs to promote related programs, services, and public service announcements. (Ongoing)
 - b) The County continues to support the Survive and Thrive Advocacy Center's business training efforts related to human trafficking, a curriculum endorsed by the Leon County Sheriff's Office. (Ongoing)
3. a.) Board approved an agreement with Big Bend Cares, Inc. to serve as the operator of the syringe exchange program in Leon County. (Complete)
 - b.) Big Bend Cares launched the Syringe Exchange Program in Fall 2023. (Complete)
4. Developed an interactive community web-based tool. (Complete)
5. The County has continued to support the coordination of local COVID-19 response and recovery through the quick and effective distribution of federal funding in accordance with the County's American Rescue Plan Act expenditure plan. (Complete)

GOVERNANCE

1. a) Planned and executed 2022 Created Equal with Village Square, and exploration of racial inequity in voting access and security. (Complete)
 - b) Coordinated with KCCI and other community partners to launch and promote the Wander and Wonder book trails/installations at Eastside Branch Library's Pedrick Pond, Woodville Branch Library, and Fort Braden's History Walk. Ribbon cuttings occurred in August/September 2022. (Complete)
 - c) BOCC approval of 2023 Citizen Engagement Series, Club of Honest Citizens, and Village Square Events. (Complete)
 - d) Events occurring in 2024 include: "Created Equal – A Bicentennial Tribute to Black and Brown History", "The Big Event: Engaging FAMU, TCC, and FSU Students in Service", the Disaster Resilience Citizen Engagement Series, the Let's Balance Budget Game Citizen Engagement Series, Build Your Bucket, Library Lecture Series events, the Village Square Annual Town Hall, The Longest Table, and Speed Date Your Local Leaders. (Ongoing)
2. a) Plan and host the Florida Association of Counties Innovation Day in Leon County. (Ongoing)
 - b) Attend the FAC Legislative Day. (Ongoing)
 - c) Attend the NACo Legislative Conference. (Ongoing)
 - d) Received eight NACo Achievement Awards for exceptional County programs. (Complete)
 - e) Attend the FAC Annual Conference. (Ongoing)
3. In January 2022, the County successfully launched and integrated Zencity's community engagement tools into its social media monitoring suite and utilizes the platform's real-time data to inform strategy and decisions related to community engagement. Since that time, the County has leveraged the Zencity platform for limited operational purposes; however, due to its limited functionality, the County has not been able to utilize the platform as intended, specifically to address social media misinformation, proactively address citizen concerns, and increase transparency and accountability. Furthermore, the platform does not offer additional functionality beyond the existing platforms and resources being utilized by the County. Accordingly, funding to renew the County's contract with Zencity was not included in the County's FY 2023 budget, and the County's Community & Media Relations Office continues to explore new opportunities to further enhance its ongoing commitment to engage the community in a proactive and transparent matter. (Complete)
4. Invest in continual leadership development opportunities for Leon County Employees. (Ongoing)
5. Promote the Innovator & Inspirator (I²) Program to staff. (Ongoing)

6. Coordinated with Leon County Schools regarding property acquisition. (Complete)
7. The State of Florida's DEO has announced that the Broadband Opportunity Program offering \$400 million throughout the state to improve the internet access in rural areas. The Tallahassee-Leon County Local Broadband Technology Planning Team continue to aggressively pursue opportunities to extend broadband access to areas that are unserved, underserved, or have no service in Leon County. Building on prior County efforts, the State has awarded \$6.5 to date to support broadband expansion projects in Leon County's rural areas with total project costs representing \$15 million in new broadband investment over the next two years. Construction is expected to begin as early as June 2024, and will expand broadband service to 3,000 new households across Leon County. The County plans to continue to take advantage of any additional funding opportunities as they are presented, and the Board will be notified upon notification of grant funding awards. (Ongoing)
8. Work with the Leon County Sheriff's office to provide a report to the Public Safety Coordinating Council (PSCC) about the long-term Leon County Detention Center space needs. (In Progress)
9. Unveiled in 2024, the County led efforts to convene state and local partners to explore relevant history to be displayed in the touch-screen kiosk showcasing "200 Years of Representation and Progress" in alignment with other ongoing bicentennial activities. These efforts included performing the necessary archival research with local and County experts for names, dates, and photographs. The kiosk is located at the County Courthouse and features current and past County officials, significant County achievements/projects by decade, and a historical overview of Leon County.
10. Convened County, State, and community partners to explore history in alignment with other ongoing bicentennial activities. (Complete)
11. Evaluate future opportunities to acquire eligible, non-conservation, federal lands for the provision of affordable housing and public services. (In Progress)

BOLD GOALS & 5-YEAR TARGETS

Target: Connect 7,000 students to skilled job opportunities through Leon Works and other talent development initiatives. (T3)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Students Connected	11	9	11	11	TBD	42

Note: This only reflects the number of students connected to skilled job opportunities by Human Resources through the Junior Apprenticeship Program. Other program areas, such as Emergency Medical Services and the Office of Economic Vitality also connect students to skilled job opportunities.

Bold Goal: Implement 600 citizen ideas, improvements, solutions and opportunities for co-creation. (BG4)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Citizen Ideas Implemented	138	70	120	110	TBD	438

Note: Since the start of FY 2022, staff has implemented 240 citizen ideas, improvements, solutions and opportunities for co-creation, 40% of the County's Bold Goal. Included in this list are 83 actionable recommendations provided during the 2022 LEADS Listening Sessions, during which the County engaged nearly 300 key stakeholders across 26 listening sessions. The County's LEADS Listening Sessions are held every other year with the 2024 LEADS Listening Sessions scheduled to take place in the Fall of 2024. Going forward, implemented recommendations will be captured through ongoing tracking of this Bold Goal which is presented to the Board as part of the mid-year and end-year Strategic Plan updates. Additionally, the County will continue its progress through all methods of citizen engagement (i.e., Citizen Advisory Boards/Committees, Citizen's Connect, etc.) used across the organization to reach the goal of 600 citizen ideas implemented by FY 2026.

Target: Connect 50,000 volunteers with service opportunities communitywide. (T13)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Volunteers Connected	7,460	8,600	10,200	8,750	TBD	35,010

Note: Since the start of FY 2022, the County has made over 17,000 volunteer connections, 34% of the five-year target. The County is continuing its progress by connecting citizens with internal volunteer opportunities with the County libraries, internships, and special events, and other opportunities with community service partners to reach the five-year Target of 50,000 volunteer connections.

Target: Reach 100,000 more citizens across all County platforms and programming. (T14)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Event/Program Attendance	7,233	11,100	10,500	15,000	TBD	43,833
Subscriptions to County Platforms	18,766	11,876	10,500	12,500	TBD	53,642
Combined (Attendance and Subscriptions)	25,999	22,976	21,000	27,500	TBD	97,475

Note: Since the start of FY 2022, the County increased the number of citizens engaged through County platforms subscriptions and programming attendance by over 60,500 citizens, 60% of the County's five-year Target. Within the first two quarters of FY 2024, the County has reached 11,539 citizens through subscription platforms and programming attendance. So far, the County has reached over 7,500 citizens in programs at the libraries, with Citizen Engagement Series, Created Equal, and more, as well as 4,039 social media, bulletin and email subscribers.

Target: Communicate more than 2 million disaster preparedness messages to create resilient households, businesses, and nonprofits. (T16)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Disaster Preparedness Messages	613,000	260,000	300,000	310,000	TBD	1,483,000

Note: Since FY 2022, Leon County Emergency Management communicated disaster preparedness messages approximately 2.8 million times, 140% of the County's five-year Target. This number reflects the County's increased level of communication associated with the COVID-19 pandemic, such as promotion of the Leon CARES and COVID-19 Vaccine campaigns, as well the County's preparation and response efforts related to Hurricane Ian (September 2022) and Hurricane Idalia (August 2023). At the January 2024 Retreat, the Board approved increasing the five-year Target to communicate more than 2 million disaster preparedness messages (from previously 1.4 million); however, this increase did not account for any future incidents that may take place and the associated increase in disaster preparedness messaging/impressions. Most recently, the County led an increased level of communication in response to the squall line of storms in January 2024, the Bicentennial Storm in April 2024, and the severe tornadoes that hit the community on May 10, 2024. Recognizing that the County has reached its increased five-year Target as a result of various emergency events that have taken place since January 2024, staff will assess potential adjustments to this five-year Target and provide recommendations at the Board's January 2025.

*Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

Community & Media Relations (001-116-513)

Goal	The goal of Community and Media Relations is to proactively facilitate the accurate, effective, timely, and consistent flow of public information to internal and external parties of interest, provide community outreach, and serve as the County's liaison with its media partners.
Core Objectives	<ol style="list-style-type: none"> 1. Coordinate special projects, intergovernmental, and interdepartmental activities on behalf of County Administration. 2. Manage Leon County Government's collective information and messaging; foster proactive and responsive communication with the public; and maintain consistency in messaging, visual presentation, and positive representation for the County. 3. Create and distribute graphic design deliverables to promote County events and projects. 4. Maintain routine contact with local news media outlets and manage shifting relationships with their personnel. 5. Prepare and distribute Leon County news and information via news releases, public notices, and other publications and oversee the content of Leon County's websites and government broadcast channel. 6. Organize and manage news conferences, community meetings and special events. 7. Communicate key issues and information to Leon County employees through the employee news email, electronic publications, advertisements and mass notification alerts via email and texting. 8. Coordinate and executes the annual Neighborhood Recognition Program, and maintain partnerships with local, regional, and national associations. 9. Train, prepare, and respond for Emergency Communication/Information within the Incident Command System (ICS) and train/prepare County staff for interaction with media partners. 10. Maintain the County's website with up-to-date content to connect citizens with County services and information.
Statutory Responsibilities	In accordance with Florida Statute 125.001, the Public Information Officer posts public meetings to the County's general calendar and sends public notices to local media in order to appropriately notice all regular and special public meetings.

 Reach 100,000 more citizens across all County platforms and programming. Part A – Track attendance at all public events/programs (T14) ¹	7,233	11,100	10,500	15,000	TBD	43,833
 Reach 100,000 more citizens across all County platforms and programming. Part B – Track subscriptions to County platforms (T14) ¹	18,766	11,876	10,500	12,500	TBD	53,642
 Communicate more than 2 million disaster preparedness messages to create resilient households, businesses, and nonprofits. (T16) ²	613,000	260,000	300,000	310,000	TBD	1,483,000

Notes:

1. Since the start of FY 2022, the County increased the number of citizens engaged through County platforms subscriptions and programming attendance by over 60,500 citizens, 60% of the County's five-year Target. Within the first two quarters of FY 2024, the County has reached 11,539 citizens through subscription platforms and programming attendance. So far, the County has reached over 7,500 citizens in programs at the libraries, with Citizen Engagement Series, Created Equal, and more, as well as 4,039 social media, bulletin and email subscribers.
2. Since FY 2022, Leon County Emergency Management communicated disaster preparedness messages approximately 2.8 million times, 140% of the County's five-year Target. This number reflects the County's increased level of communication associated with the COVID-19 pandemic, such as promotion of the Leon CARES and COVID-19 Vaccine campaigns, as well the County's preparation and response efforts related to Hurricane Ian (September 2022) and Hurricane Idalia (August 2023). At the January 2024 Retreat, the Board approved increasing the five-year Target to communicate more than 2 million disaster preparedness messages (from previously 1.4 million); however, this increase did not account for any future incidents that may take place and the associated increase in disaster preparedness messaging/impressions. Most recently, the County led an increased level of communication in response to the squall line of storms in January 2024, the Bicentennial Storm in April 2024, and the severe tornadoes that hit the community on May 10, 2024. Recognizing that the County has reached its increased five-year Target as a result of various emergency events that have taken place since January 2024, staff will assess potential adjustments to this five-year Target and provide recommendations at the Board's January 2025.
3. Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

Notes:

1. The FY 2024 and FY 2025 communications and events are anticipated to increase over prior years due to advisories and releases related to the year-long Tallahassee-Leon County Bicentennial celebration in 2024.
2. The FY 2024 and FY 2025 estimates are anticipated to increase as the Citizen Engagement Series continues to see a rise in attendees as the County reaches more residents about disaster preparedness through the Disaster Survival Guide, Neighborhood Readiness Trainings, and increased engagement with Billy the Bucket, the County's disaster preparedness mascot. Additionally, Created Equal attendance is anticipated to surpass previously years as the County continues to engage community members, including students at FAMU and FSU.
3. Annual Report video and hard copy distribution is projected to remain constant in FY 2024 and FY 2025.

	Number of employees attending county-sponsored Training and Professional Development events ⁸	1,170	1,250	800	800
	Number of employees nominated for I-Squared Awards ⁹	46	35	40	40
	Percentage of new employees completing “on-boarding” within 30 days ¹⁰	81%	72%	90%	90%

Notes:

- The increase in FY 2022 and FY 2023 are related to the hiring freeze that was lifted during FY 2021. The number of requisitions created and/or recruited for vacant positions is anticipated to level out due to the continued competitiveness of the job market and a stronger hiring climate, in which employees have more options related to flexible work hours and greater opportunities for remote work.
- This performance measure varies each year as the County continues to evaluate succession planning, internal candidates, and qualified external candidates.
- This figure represents the count of job offers extended to potential hires who apply through external channels such as Indeed, LinkedIn, Monster and other sites.
- The metric for the average days to fill vacant positions continues to decrease due to the full utilization of the NEOGOV system and the hiring of a new background screening vendor.
- The turnover rates projected for FY 2024 and FY 2025 are expected to increase slightly due to Baby Boomers continuing to leave the workforce, more remote work opportunities and competitive pay.
- The decrease in the estimates for FY 2024 and 2025 are reflective of added on-site departmental specific assistance during open enrollment verses the primarily offered virtual sessions that were necessary during the pandemic. Human Resources offered on-site open enrollment assistance to Public Works and EMS which reduced the virtual interaction and continues to add more opportunities for employees to engage with the Well-being program. Since 2022, there continues to be an increase in participation in activities such as: the Walking Challenge, Springtime Tallahassee Race, Turkey Trot, exercise classes, and the addition of a new category in the Souper Bowl in 2024.
- Completion of Value Based Design My Rewards Program is estimated to remain consistent in FY 2024 and FY 2025.
- In-person trainings continued, while still offering training content in a virtual format. Employees continue to use the Learning Management System: NEOGOV Learn, which contains extensive content related to professional development created by staff in addition to the training included within the system. Upon request or recommendation, employees also have access to training content through the licensure of LinkedIn Learning for additional targeted content. Additionally, employees also benefit from New and Advanced Supervisor Training, Mastering Team Dynamics with Taking Flight with DISC training, and Retirement/Investment Training. In FY 2024, the County worked in partnership with Survive and Thrive Advocacy Center (STAC) and the Leon County Well-Being team to provide Human Trafficking Awareness Training to several departments as well as a county-wide training. Content specific trainings are built for Leon County departments as requested.
- This is a new performance measure. Each quarter employees are nominated for employee-led projects that highlight the county's core practices and values. These projects are either Innovator or Inspirator nominations. Innovator nominations increase & improve Leon County services or products while resulting in a cost savings or avoidances. Inspirator nominations inspire fellow employees and raise the public's awareness of the County's community relevance as well as promote our “People Focused, Performance Driven” culture. FY 2024 and FY 2025 estimates 40 employees' nominations.
- The Division implemented the NEOGOV Learn New Employee Orientation NEOGOV Learning Plan curriculum in 2021. This curriculum consists of all the required training: including but not limited to: Customer Experience, Disaster Preparedness, Workplace Violence, that a new hire must complete within 30 days. The Division is currently at 88% of new hires completing on-boarding requirements within the required 30 days for FY 2024. This trend is projected to maintain in FY 2025 as new hires will continue to be required to complete this learning plan within the first 30 days of employment.

Notes:

1. Since FY 2022, Leon County Emergency Management communicated disaster preparedness messages approximately 2.8 million times, 140% of the County's five-year Target. This number reflects the County's increased level of communication associated with the COVID-19 pandemic, such as promotion of the Leon CARES and COVID-19 Vaccine campaigns, as well as the County's preparation and response efforts related to Hurricane Ian (September 2022) and Hurricane Idalia (August 2023). At the January 2024 Retreat, the Board approved increasing the five-year Target to communicate more than 2 million disaster preparedness messages (from previously 1.4 million); however, this increase did not account for any future incidents that may take place and the associated increase in disaster preparedness messaging/impressions. Most recently, the County led an increased level of communication in response to the squall line of storms in January 2024, the Bicentennial Storm in April 2024, and the severe tornadoes that hit the community on May 10, 2024. Recognizing that the County has reached its increased five-year Target as a result of various emergency events that have taken place since January 2024, staff will assess potential adjustments to this five-year Target and provide recommendations at the Board's January 2025.
2. Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

Notes:

1. Exercises provide an opportunity to test plans and procedures in a simulated experience. Federal guidelines require emergency management to participate in a minimum of three exercises per year.
2. The number of licensed facilities fluctuates as businesses open and close year to year.
3. Emergency Management has launched a youth preparedness educational program "Billy the Bucket" and neighborhood based "Leon Ready" program.
4. Emergency Management plans monthly meetings with partners on all aspects of disaster response.

Volunteer Services (001-113-513)

Goal	The goal of Volunteer Services is to empower citizens to answer local needs through volunteerism and community engagement.
Core Objectives	<ol style="list-style-type: none"> Promote volunteerism, build the capacity of local volunteer programs and participate in strategic initiatives that mobilize volunteers from all sectors. Screen, interview, and place volunteers, interns, and court-ordered workers by matching their skills, talents, and interests with Leon County departmental needs. Administer “Volunteer Connection” matching system portal to connect local volunteers with local volunteer opportunities. Coordinate Leon County’s internal employee volunteer program in which employees are allowed up to four hours of administrative leave per month to volunteer in community-based organizations. Coordinate the following programs: County Government Internship and Service-Learning Program, County Library Volunteer Program, Big Bend Community Organizations Active in Disaster (COAD), Summer Youth Training Program, 9/11 Day of Service, Annual Volunteer Firefighter Firetruck Found-Up.
Statutory Responsibilities	Florida Statute 252.35 (3) requires each county to ensure the existence of a comprehensive statewide medical care and relief plan administered by the Department of Health; and establish systems for coordinating volunteers and accepting and distributing donated funds and goods.
Advisory Board	None

Bold Goals & Five-Year Targets		FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate ²	FY 2025 Estimate ²	FY 2026 Estimate	TOTAL
 Target: Connect 50,000 volunteers with service opportunities communitywide. (T13) ¹		7,460	8,600	10,200	8,750	TBD	35,010

Notes:

- Since the start of FY 2022, the County has made over 17,000 volunteer connections, 34% of the five-year target. The County is continuing its progress by connecting citizens with internal volunteer opportunities with the County libraries, internships, and special events, and other opportunities with community service partners to reach the five-year Target of 50,000 volunteer connections.
- Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

Performance Measures

Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate
	Number of citizen volunteers coordinated ¹	3,729	2,417	3,000	3,500

	Dollar value of volunteer time ⁴	\$2,168,842	\$2,708,543	\$2,695,500	\$3,081,080

Notes:

- This performance measure varies year to year based on the number of volunteer opportunities within the community. In FY 2024, the number of volunteers is expected to increase 24% as the number of special events increases during the Bicentennial Celebrations. This trend is projected to continue in FY 2025.
- The number of Departments utilizing volunteers is expected to increase in FY 2024 and FY 2025 by 15% due to continued VolunteerLEON staff training.
- The number of volunteer hours is expected to increase by 6% as in-person volunteer opportunities increase.
- The dollar value of volunteer time is obtained from the Independent Sector, which is a resource to quantify volunteer time. The estimated dollar value is anticipated to remain consistent in FY 2024 and is estimated to increase in FY 2025 as in-person volunteer opportunities increase.

Purchasing – Procurement (001-140-513)

Goal	The goal of the Procurement Program is to provide: 1) timely and professional procurement services to secure requested supplies, services, and commodities at a specified level of quality and at the lowest possible cost, through open and fair competition; and 2) an exemplary records and management control program for the tangible personal property of Leon County.
Core Objectives	<ol style="list-style-type: none"> 1. Review all purchasing activity for compliance with Purchasing Policy and applicable state laws. 2. Process requisitions and purchase orders and assist departments/divisions with technical information, quotes, and purchasing related requests. 3. Obtain price quotes, prepare and receive informal bids, review state and cooperative purchasing contracts for vendor sources and best pricing. 4. Provide accounts payable assistance to vendors and staff. 5. Prepare, advertise, and receive Bids, Invitations to Negotiate (ITN's), and Requests for Proposals (RFP's), and coordinate the evaluation processes for those Bids, ITN's, and RFP's. 6. Administer the County procurement card program: provide cardholder training, card management, and audits of card activity. 7. Implement and provide contract management services for County-wide services contracts such as uniforms, prescription safety glasses, and safety boots. 8. Administer the County property control program: maintain property control records, perform and reconcile property inventory, and provide technical assistance and training to Property Custodians.
Statutory Responsibilities	Leon County Government Purchasing Policy (revised 07/13/2021), Purchasing Card Policy (revised 5/9/2023), and Tangible Personal Property Policy (revised 06/08/2021); Florida Statute, Chapter 255 "Public Property and Publicly Owned Buildings"; Florida Statute, Chapter 274 "Tangible Personal Property"; Florida Statute, Chapter 287 "Public Procurement"; Office of Economic Vitality, "Minority, Women, and Small Business Enterprise Policy."

Notes:

1. The division anticipates processing completed requisitions and purchase orders within two days.
2. The division anticipates processing all bids/RFPs within 45 workdays of receipt of request.
3. The division anticipates that the number of purchase orders in FY 2024 and FY 2025 will remain steady.
4. The value of purchase orders is anticipated to increase due to an increase in the cost of goods.
5. The division anticipates a slight increase over the previous fiscal year due to FTE's remaining constant while there is an anticipated increase in the value of purchase orders.
6. The division anticipates the number of solicitations conducted to remain steady.
7. The purchasing card (P-Card) volume is anticipated to increase slightly due to the increase in the cost of goods as well as an increase in the usage of P-Cards as a method of purchase.
8. The purchasing card rebate is anticipated to increase slightly as it is directly related to the purchasing card volume.
9. The number of assets is expected to decrease in FY 2024 and FY 2025 due to Management Information Services (MIS) procuring laptops and other technology devices to replace multiple desktop computers and tablets per person. The desktop computers and tablets are anticipated to be removed from inventory as they are replaced with laptops. Property Control will also be removing assets from the inventory roll that are under the \$1,000 Tangible Personal Property threshold.
10. The projected decrease in the value of assets in FY 2024 and FY 2025 is directly related to the decrease in the number of assets.
11. The division anticipates that the number of auctions will increase as the delays caused by supply chain issues continue to diminish, the County has been receiving long overdue orders resulting in the auction of aging surplus vehicles and equipment.
12. The division anticipates that the value of the auctions will increase drastically in FY 2024 due to more items being available to auction as well as more auctions being held following the delivery of overdue equipment. The division does not anticipate the drastic increase to continue into FY 2025 as the flux of deliveries received in 2024 are the bulk of the overdue equipment orders.
13. The division anticipates that the number of meetings will increase slightly based upon the complexity of the projects to vendors and the implementation of the Minority, Women, and Small Business Enterprise Policy (MWSBE) policy.
14. The division does not anticipate any formal protests during FY 2024 and FY 2025.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Office of Information & Technology

Executive Summary

The Office of Information and Technology (OIT) section of the Leon County FY 2025 Annual Budget is comprised of the Management Information Services (MIS) and Geographic Information Systems (GIS) divisions. The MIS and GIS divisions provide reliable and effective technology and telecommunications products and services, which enable County offices to fulfill their respective goals and missions.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the OIT Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. This is a road map and broad plan of action for accomplishing Board priorities and serves as a gauge for the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

New solutions include on-line permitting for citizens as identified in the strategic plan, new website deployment, upgrade of the County Attorney's case management system, and grant acquisitions totaling over \$1.2 million for cybersecurity and jail management solutions. MIS continues to maintain a robust infrastructure and computing environment that supports over 2,500 users and nearly 10,000 devices at 82 sites, and a virtualized environment with over 700 servers and a storage environment of over 1 petabyte (over 1,000 terabytes).

Cyber security continues to be a top priority for OIT. OIT will continue to facilitate employee awareness trainings and maintain the many layers of protection from spam, viruses, and malware. Enhanced security monitoring has been implemented for the entire network, with special emphasis on the office of the Supervisor of Elections. Cloud computing is leveraged to augment technology needs for the Library's work order management system and the Office of Intervention & Detention Alternatives' (IDA) point-of-sale system, the Office of Human Services & Community Partnerships work order management system, HR's e-recruitment system, Parks and Recreation's reservation system, as well as many IT services for MIS. Application solutions provided by in-house staff include support of the Intranet and Internet websites; the County's Committee Tracking System; Justice Information System, and upgrades for the County's HR and Finance systems.

Efforts continue to grow O365 modules such as TEAMS, SharePoint, and One Drive for process improvements such as agenda processing, file sharing, and work collaboration.

As a joint City/County partnership, the Tallahassee/Leon County GIS (TLCGIS) program provides accurate, consistent, accessible, affordable, and comprehensive GIS data, GIS infrastructure, and GIS services to support the needs of Leon County and the City of Tallahassee as well as their citizens. The program supports 936 data layers and 87 web sites for 60 business units in the County and City which includes Public Works, the Planning Department, Tourism, the Property Appraiser, and Development Support & Environmental Management (DSEM). Additionally, GIS is integrated into the permitting systems for the City and the County, along with a shared portal for citizens and the building community for permitting information. TLCGIS supports WebEOC, a locally shared emergency incident tracking system, which was critical to the support efforts during and after the April 100-year flooding event and May tornadoes.

OIT continues to assist with the Real Time Crime Center networking and technology needs for the Leon County Sheriff's Office (LCSO). The Real Time Crime Center is a joint project with Leon County Sheriff, Tallahassee Police, FSU Police, and FDLE to monitor and provide real-time information to first responders in the field. OIT continues to provide support for the courts with the Justice Information System for criminal case management as well as the Jail Management System for the Sheriff's Office.

Leon County placed in the top ten of counties with populations of 250,000 – 499,999 for the past twelve years and was awarded 4th place nationally and 1st place in Florida for the 2024 Digital Counties Survey Award from the National Association of Counties (NACo), in partnership with e.Republic's Center for Digital Government.

Management Information Services (001-171-513)

Goal	The goal of Management Information Services (MIS) is to serve end users with continually improved, efficient, cost-effective technology and telecommunications products, services, and information so that customers are totally satisfied and able to fulfill their missions.
Core Objectives	<ol style="list-style-type: none"> 1. Provide technology infrastructure and support for the County, the Consolidated Dispatch Agency, Public Safety Complex, Medical Examiner, other County Constitutional Officers (Sheriff, Elections, Tax Collector, and Property Appraiser), and Article V agencies (Courts, State Attorney, Public Defender, Clerk, and Guardian Ad Litem). 2. Provide and maintain county network connectivity for all buildings and offices of the County, Constitutional Officers, Article V agencies and the 2nd Judicial Circuit courtrooms and detention centers in Gadsden, Wakulla, Jefferson, Franklin, and Liberty counties. 3. Provide and maintain Internet and wireless access for employees within County facilities, and wireless access for the public in the Courthouse, main and branch libraries, park facilities, community centers, and other County facilities. 4. Provide for mobile office services to Building Inspection, Public Works Operations, Animal Control, Emergency Medical Services (EMS), Facilities, and other field workers. Also, support the agenda process with iPads and paperless agendas and expand field use of work order systems. 5. Maintain network file systems, storage, and provide system security firewalls, SPAM and virus protection. 6. Provide telephone and voice mail services for the County and the Supervisor of Elections, the Public Defender and State Attorney offices, Guardian Ad Litem, the Property Appraiser's Office, the Tax Collector's Office, the Sheriff's Office, Court Administration, and the Clerk's Office. 7. Provide e-mail services for the County, Constitutional Officers (except Property Appraiser) and Article V agencies. 8. Support and provide connectivity and apps for over 1,100 mobile devices such as smart phones and tablets. 9. Operate the central data center and a disaster recovery site, support and maintain over 50 physical servers and over 700 servers within a virtualized infrastructure environment, provide backup and restoration management, disaster recovery and business continuity services. 10. Support, maintain, and replace over 3,000 devices such as laptops, tablets, printers, personal computers, and desktop software (Microsoft Office Suite) for the County, Constitutional Officers, Article V agencies, and the public systems within the library facilities. 11. Develop, maintain and enhance the inter-agency Criminal Justice Information System (JIS) for the justice community. The JIS supports the Clerk's Office, the Courts, State Attorney, Public Defender, Sheriff's Office, Probation and Supervised Pretrial Release. 12. Develop, maintain and enhance the Jail Management Information System as well as case management and work release management software applications for Probation, Supervised Pretrial Release, and the Sheriff's Office. 13. Maintain the pawnshop network system, an award-winning system, which is currently being used by more than 30 Florida and Georgia counties. 14. Provide technical support to the Supervisor of Elections at all voting locations for all elections. 15. Develop and maintain web services (including an Intranet for the County; websites for the County, Court Admin, Tax Collector, Supervisor of Elections, State Attorney, County Medical Examiner, and the Tourist Development Council) and online web applications (such as Board meetings, workshops, agendas, calendars, job applications, customer problem reporting, permitting, online Purchasing, Summer Youth applications, Library Services, Volunteer Services, Parks Reservations, Have a Hurricane Plan, and the Emergency Information Portal). Provide for mobile versions of the website for smart devices. 16. Support, maintain, and upgrade work order management systems, including Banner (Finance, Purchasing, Human Resources, and Payroll), Infor (Public Works, Facilities Mgmt., MIS), Animal Control, Faster (Fleet), Paradigm (Landfill), Halogen E-Appraisal (Human Resources), Permits and Enforcement Tracking Software (DSEM), E-Pro and Telestaff (EMS), Cycom (County Attorney's Office) and SIRSI (Library). Continue to collapse single work order management systems into the enterprise Infor system, as appropriate. 17. Develop and support specialized applications for Human Resources (electronic timesheets, e-recruitment, onboarding, compensation, employee benefits, and the Florida Retirement System) and the Office of Management and Budget (budget modeling support). 18. Implement electronic document management through Project Dox and/or AppXtnder for Public Works, Animal Control, Engineering, DSEM Divisions, Human Resources, HSCP Divisions, the County Attorney's Office, the Office for Intervention and Detention Alternatives, and other divisions or offices as they become ready. 19. Provide technology, telecommunications, and A/V support for the Public Safety Complex. 20. Develop and support visualization solutions through digital signage for the Libraries and Facilities. 21. Provide, maintain, and support secure telecommuting solutions for Leon County Government, Court Administration, Public Defender, State Attorney, Elections, and Tax Collector. 22. Design and maintain permitting system solution for DSEM to allow efficient processing of building, developmental, and environmental permits. 23. Provide teleconferencing solutions for Leon County Government.

Statutory Responsibilities	Florida State Constitution under Article V (Judiciary), Section 14 (Funding) requires provision of communications services, existing radio systems, and existing multi-agency criminal justice information systems for the Trial Courts (Court Administration and the Clerk of the Court), the State Attorney, and the Public Defender within the Second Judicial Circuit.
Advisory Board	The Criminal Justice Coordinating Council is the executive steering committee for the Justice Information System. Internally, the Justice Information Systems Agreement of 2001, re-ratified in January 2007, by the Criminal Justice Coordinating Council, governs the responsibilities and expectations of the multi-agency criminal justice system called JIS.

	Number of new applications/services deployed ⁵	19	46	38	20

Notes:

1. The average number of emails is projected to grow by 37% (nearly 1 million) in FY 2024. This projected increase is attributed to the flood event in April and the tornadoes in May.
2. In FY 2024, 31% of emails are projected to be identified as valid. The increase in malware/viruses is attributed to the presidential election.
3. Visits to the website for FY 2024 are projected to be lower than expected. This projected decrease can be attributed to the way analytics platforms change counting algorithms as well as blocking more malicious traffic.
4. The percentage of help calls completed the same day is estimated to remain consistent in FY 2024 and FY 2025.
5. In FY 2024, MIS plans to implement 38 new applications that include support for the bicentennial celebrations, enhancements for library services, cyber security improvements, disaster relief support and many more. FY 2025 is anticipated to decrease as bicentennial celebrations end.

The major variances for the FY 2025 Management Information Services budget are as follows:

Increases to Program Funding:

1. Costs associated with the County's portion of retirement rates passed by the Florida Legislature, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees.
2. Personnel costs associated with the realignment of a Network Systems Analyst II position from GIS to MIS.
3. Inflationary increases associated with contractual services for workplace applications, financial management software, system backup, email archiving, and cybersecurity incident response services.

Goal	The goal of the Tallahassee-Leon County GIS is to work in partnership with county agencies to provide accurate, consistent, accessible, affordable, and comprehensive GIS data, GIS infrastructure, and GIS services to support the unique business needs of Leon County and the citizens we serve.
Core Objectives	<ol style="list-style-type: none"> 1. Development and management of high-accuracy planimetric and topographic basemap data. 2. Creation, compilation, access and distribution of derived and thematic GIS data. 3. Manage the overall quality and integrity of departmental GIS data. 4. Provide access to GIS analytical tools. 5. Integrate GIS technology, service and support into the business processes of government. 6. Identify additional sources of GIS data to support government activities and services.

Notes:

1. TLCGIS continues to be responsive to the needs of its customers to ensure a rapid and effective response to the County, City, and Property Appraiser’s Office.
2. Internet based applications increase with every new project. TLCGIS continues to include additional layers of data to the open data download portal to best meet customer needs.
3. TLCGIS continues to maintain the base-map components and the associated derivative products while constantly seeking increased value in product and technology advances.
4. The number of data layers maintained varies from year to year; older data layers are consolidated, and new data layers are created. In FY 2024, additional base map layers were delivered by the vendor, as well as other new efforts initiating additional layer creation. Additional growth is forecasted for FY 2025, based on anticipated projects and growth in data sets. GIS also receives new data each year from aerial photography vendors.
5. The increase in FY 2023 is associated with deliverables of derived base map data as well as new map services that support new projects and activities across the interlocal. This metric correlates with the number of layers maintained and is influenced by the number of projects and users.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

County Attorney's Office

Executive Summary

The County Attorney's Office provides legal services to the Board of County Commissioners, the County Administrator, County departments, and certain boards and agencies organized under the Board of County Commissioners, unless they are separate legal entities or have their own legal counsel, and as otherwise directed by the Board. The Office also reviews contracts, bond documents, ordinances, resolutions, and other written instruments.

HIGHLIGHTS

The County Attorney's Office provides legal support to Leon County Government in a variety of areas, including the following litigation matters:

- Leon County is a plaintiff in the multidistrict opioid litigation against multiple opioid manufacturers, distributors, and retailers. The complaints include allegations of the manufacturer defendants' false, deceptive, and unfair marketing of opioids, as well as the distributor defendants' unlawful distribution of opioids. The Board has approved entering into numerous settlement agreements, as well as a Memorandum of Understanding with the State of Florida governing how the settlement proceeds will be distributed among the State and local governments. It is currently contemplated that settlement payments will be paid out over 18 years, with use restricted to abatement and treatment of opioid use disorders and other limited uses. It is anticipated that most of the outside multidistrict litigation counsel will be paid through an attorney fund established at a national level, but a percentage of the local government distribution may also be used to fund attorneys' fees. On April 5, 2023, the Florida Attorney General's Office provided Florida cities and counties with partial estimated distribution numbers, and Leon County continues to receive disbursements. As of March 2024, Leon County had received \$320,817 in settlement funds. At its April 9, 2024, regular meeting, the Board voted to accept \$2,395,366 in settlement funds and enter into funding agreements with Big Bend Community Based Care, LLC, d/b/a Northwest Florida Health Network, and with DISC Village, Inc., for the provision of substance abuse treatment and ancillary services for individuals with opioid and substance use disorders. Funds will also be used for the purchase of EMS equipment to address opioid use disorders. In addition, outside counsel investigated and researched the role that pharmacy benefit managers (PBMs) played in contributing to the opioid crisis and found that their failure to take action to slow distribution of opioid pills into communities across the country directly contributed to fueling the opioid crisis. At the May 14, 2024 meeting, the Board authorized amending the County's current complaint to add claims against certain pharmacy benefit managers, Express Scripts and OptumRx, and their relevant subsidiaries.
- *Leon County, Florida v. Edward M. Mitchell, Jr.*, Code Enforcement Board Case No. 22-118 – a Code Enforcement Board (CEB) proceeding to enforce an environmental violation resulting from the clearing of trees within the Canopy Road Protection Zone. After a three-hour evidentiary hearing on January 18, 2024, the CEB found that the owner's vested rights did not exempt him from complying with those Code provisions, thereby finding him to be in violation and ordering him to apply for an after-the-fact permit to complete a replanting plan for replacement of the cleared vegetation. The Board's opinion was memorialized in its Order dated February 21, 2024. In *Edward M. Mitchell v. Leon County*, Circuit Court Case No. 2024-CA-489, the Plaintiff has appealed the CEB's Order. In *Edward M. Mitchell v. Leon County*, Circuit Court Case No. 2024-CA-100, the Plaintiff has filed a Complaint for Declaratory and Injunctive Relief, seeking a determination that Defendant is without legal authority to enforce the County's Canopy Road Ordinance as it applies to Plaintiff's Meridian Road property.
- *Leon County/State of Florida v. Judy DuBois*, County Court Case Nos. 2024-CC-16622, 2024-CO-11 through 2024-CO-70 - subsequent to a citizen complaint, Leon County Animal Control officers conducted an investigation into allegations of mistreatment of dogs that were being held on Defendant's property and a neighboring property belonging to a relative. As a result of the investigation, Defendant was issued fifty-nine (59) Leon County Animal Control citations for Inhumane Care, a violation of Section 4-37, Leon County Code, and one (1) citation for Running at Large, a violation of Section 4-35(a), Leon County Code. Animal Control officers seized a total of 60 dogs from Defendant's property and ultimately the Defendant surrendered 57 of the 60 dogs. The County petitioned the Court for custody of the 3 dogs that were not surrendered by Defendant. Hearings on the County's petition and outstanding citations have been postponed, pending the resolution of a related criminal case against the Defendant.

Provided Legal Research, Review, Drafting Assistance, and Counsel to:

- Human Resources for the development of a name-clearing hearing procedure and a revision to County personnel policies.
- The Division of Tourism to update the County's tourism policy and associated delegation of signature authority from the County Administrator to the Director of Community Relations and Resilience and the Director of Tourism.
- The Agenda Coordinator to update the Decision Making and Focus Group Citizen Committee Handbooks developed for staff who support the committees.
- The Library to develop procedures designed to increase compliance with policies on returning overdue items and collection of fines; recommended policy updates to more efficiently address fines of over \$100 and items presumed lost based on time overdue; implemented updates to notice letters to patrons.
- Human Resources and Veterans Services regarding Veterans' Preference Procedures to ensure compliance with the Chapter 295 recruitment plan requirement.
- The Board regarding future quasi-judicial hearings for disclosure of ex parte communications.
- The Planning Department and the Board regarding the 2024 Comprehensive Plan amendments.
- Human Services regarding the County's ordinance prohibiting unauthorized solicitation on private property.

- Housing Services and the Board regarding the County’s potential inclusionary housing ordinance and drafting documents for the implementation of the Homeownership Development Program.
- The Agenda Coordinator in drafting a resolution establishing the Miccosukee Canopy Road Greenways Committee.

Real Estate Transactions and Right-of-Way Acquisition, including:

- Assisting staff with the continued sale of County-owned real property appropriate for use as affordable housing, resulting in significant proceeds to the Housing Finance Authority of Leon County to be used for affordable housing.
- Preparing a resolution adopting an inventory list of all real property within Leon County to which the County holds fee simple title that is appropriate for use as affordable housing.
- Reviewing lease agreements for County-owned properties, such as the Leon County Government Annex, the Lake Jackson Town Center, and the Cross Creek Shopping Center.
- Providing pre-suit negotiation and acquisition of utility easements, drainage easements, whole parcels, and other right-of-way needed for the County’s capital improvement projects, including the Woodville septic-to-sewer projects, the Maylor Road drainage improvements project, the Old Bainbridge Road/Capital Circle NW intersection improvement project, the North Gadsden Street Sidewalk Project, the Belair/Annawood septic-to-sewer Project, and the Blountstown Highway, Tram Road, and Chaires Road Sidewalk Projects to serve the Fort Braden Elementary and Middle School, Fairview Middle School, and Chaires Elementary School areas as part of the Safe Routes to School Program.
- Assisting with the extensive pre-suit negotiations needed to acquire property interests, including involvement in the fee owner’s substantial review to ensure there was no impact to its remaining property forming part of the adjacent Canopy Planned Unit Development, for the dedicated north-bound Centerville Road Turn Lane at Harpers Ferry Drive Project to reduce traffic incidents.
- Assisting staff with Road Abandonment requests – Woodville Plat, Capitola, April Road, and Elk Horn Landing Road.

Procurements, Transactions, and Assessments, including:

- Providing legal guidance in adopting the revised and consolidated joint Minority, Women, and Small Business Enterprise Policy with the City of Tallahassee and Blueprint Intergovernmental Agency, incorporating goals to reduce disparity in local government procurement in the region.
- Assisting staff with the procurement of contractors to build Leon County’s Mountain Bike Trail Master Plan, helping to make Leon County one of only two counties in the State of Florida with an International Mountain Bike Trail Association Bronze Trail designation status.
- Assisting staff with the procurement of contractors for the structural additions, repairs, and renovations of the historic Concord School Building (Miccosukee Community Center).
- Assisting staff with the procurement of contractors for the construction of a concrete trail, storm sewer collection system, water and wastewater replacement, roadway reconstruction, curb and gutter installation, landscape planting, and all associate improvements for Phase II of the Magnolia Drive Trail Project.
- Assisting staff in drafting and adoption of the revised County Cybersecurity Policy and securing Cyber Security Grant funding from the State of Florida Digital Service (FLDS).
- Providing legal support to staff with updating special assessments for fire rescue, sewer, solid waste, stormwater management, and Tower Oaks (2/3 Program).

In the past 12 months, the County Attorney’s Office has responded to over 1,700 requests for legal advice or assistance, including reviewing, preparing, and/or signing ordinances, resolutions, proclamations, agenda items, contracts, various housing, land use, and other real estate documents, as well as employment, procurement, and litigation documents, responding to public records requests and advertising public hearings. Included in this number are 514 agreements, 312 agenda items, 487 public records requests, 88 resolutions, 21 ordinances, and 9 policies. The County Attorney’s Office provided legal support to the Planning Department for the 2024 Comprehensive Plan cycle and the Department of Development Support and Environmental Management in the approval of all Land Development Code revisions and applications for development approvals. The County Attorney’s Office also represents Leon County before the Tallahassee-Leon County Planning Commission, the Board of Adjustment and Appeals, the Code Enforcement Board, and the Development Review Committee. For the 2024 elections, the County Attorney’s Office is representing the Leon County Canvassing Board. Office personnel have assisted with significant revisions to the Code of Laws concerning digital publication of certain advertisements and legal notices, streetlights for school bus stops, accessory uses, solicitation on private property, and repealing the peddlers ordinance, as well as amendments to various elements of the Comprehensive Plan. The County Attorney’s Office continues to be active in efforts to keep the County’s lakes clean and has worked diligently with the Florida Department of Environmental Protection and the U.S. Environmental Protection Agency to reduce nutrient levels coming into Lake Talquin from Georgia, including continuing efforts regarding implementation of the 2022 Lake Talquin TMDL Rule.

In April 2024, County Attorney Chasity H. O’Steen` received the prestigious Paul S. Buchman Award from the Florida Bar’s City, County and Local Government Law Section for her outstanding contribution in the area of legal public service. Additionally, in June 2024, Ms. O’Steen received the 2024 Robert L. “Bob” Nabors President’s Award from the Florida Association of County Attorneys in appreciation for her dedicated service to the Association.

This past year, Assistant County Attorney, Emily Pepin Bouza, met the extensive criteria required by the Florida Bar to be recognized as a Board-Certified Lawyer in city, county, and local government law. This certification represents that Ms. Bouza has exceptional knowledge, skills, and proficiency in her chosen field of law.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Department of Public Works

Executive Summary

The Public Works section of the Leon County FY 2025 Annual Budget is comprised of Support Services, Operations, Engineering Services, and Fleet Management.

Support Services provides oversight, policy development, and coordination of departmental activities. The Operations Division, which consists of Transportation Maintenance, Right-of-Way, Stormwater, and Mosquito Control, manages programs that support transportation, roadside beautification, stormwater maintenance, and mosquito control. Engineering Services provides services for the construction and maintenance of transportation and stormwater-related infrastructure, implementation of water quality improvement projects, design of buildings and recreation facilities, and inspection/construction management. Fleet Management provides maintenance and repair of County-owned and operated vehicles.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the Department of Public Works' Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the Department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

Support Services continued coordination with Development Support & Environmental Management, Department of Planning, Land Management and Community Enhancement (PLACE), Capital Region Transportation Planning Agency (CRTPA), Florida Department of Transportation, and the City of Tallahassee to ensure proper planning, construction, and maintenance of the County's transportation and stormwater related infrastructure.

During FY 2024, Mosquito Control was awarded a Florida Department of Environmental Protection Waste Tire Amnesty Event grant in the amount of \$25,000. The grant supported the transportation and processing costs for waste tires collected during the event to reduce mosquito breeding locations. Operations, utilizing the Livable Infrastructure for Everyone (L.I.F.E.) Rural Road Safety funding, completed 1.3 miles of road improvements in FY 2023. Operations Right of Way continues to spend a \$25,000 Urban and Community Forestry Grant Program to inventory the estimated 7,500 trees that encompass the canopy roads.

Engineering Services is responsible for providing the public with professional services for the construction and maintenance of infrastructure to enhance our community's quality of life. The Division provides in-house design services for construction projects, performs design reviews, manages projects designed by consultants, inspects and performs quality control of new subdivision construction, and offers engineering support to other Leon County departments as needed. Additionally, Engineering provides water quality monitoring services at 73 sites throughout Leon County including all major water bodies. In FY 2023, the Division completed renovation of the old Amtrak Train Station to create the new Visitors Center and Office of Tourism Development. The Division also completed the Ben Boulevard Drainage Improvements Project which was established to address severe flooding along the east side of Ben Boulevard due to the insufficient capacity of the existing conveyance system that moves stormwater into Lake Jackson. Also completed in FY 2024 was the Multi-use Trail along Tram Road from Gaile Avenue to Crossing Rocks Road. In addition, construction on the accessibility enhancements on Maylor Road, sidewalk projects in Woodville for Bur Oak Drive and Shumard Drive and in Ft. Braden along Blountstown Highway from Williams Landing to Ft. Braden School and from Sir Richard to Merry Robin Road were completed in FY 2024.

The Fleet Management Division is responsible for providing quality repairs and maintenance of over 700 vehicles and pieces of equipment for the Board of County Commissioners and all Constitutional Offices, excluding the Sheriff's Office. Fleet Management provides road and field service repairs on stationary equipment and disabled vehicles. As part of the ongoing green fleet Strategic Initiative efforts, the Fleet Division has replaced 51 fleet vehicles and equipment with alternative fuel replacements. In FY 2020, the Division purchased the County's first electric vehicle. In FY 2023, the Fleet Division added four additional electric vehicles with three more on order with the anticipation of adding six or more electric vehicles in FY 2024 to achieve the goal of 30% of the light duty fleet being solely alternative fuel by 2030.

BOLD GOALS & 5-YEAR TARGETS

Bold Goal: Upgrade or eliminate 500 septic tanks in the Primary Springs Protection Zone. (BG2)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Septic Tanks Removed	195	98	220	181	TBD	694

Note: Leon County has demonstrated success in leveraging Blueprint water quality funds as well as aggressively pursuing grant funds to support septic to sewer conversion projects in recent years. During the FY 2022-2026 Strategic Plan, an additional 500 septic tanks will be upgraded or eliminated as part of Phase 1A and 1B of the Woodville Septic to Sewer Project and continuation of the Advanced Septic System Pilot Program. The County anticipated achieving 5% of this target in FY 2022 through the Advance Septic System Pilot Program, with significant progress to be achieved through completion of septic to sewer conversions in the upcoming years. Leon County has demonstrated success in leveraging Blueprint water quality funds as well as aggressively pursuing grant funds to support septic to sewer conversion projects in recent years. Since the start of FY 2022, the County has 350 septic upgrades and/or conversions completed or in progress, 70% of the County's five-year Target. This includes the septic to sewer conversions supported through the Woodville Phase 1A Septic to Sewer Project, as well as system upgrades supported through the Advanced Septic System Pilot Program.

Target: Increase the number of fully electric vehicles in the County's fleet by 500%. (T8)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
% Increase in # of electric vehicles	0%	225%	92%	73%	TBD	390%

Note: Leon County's Integrated Sustainability Action Plan (ISAP) establishes a goal to convert 30% of the light duty vehicles in the County's fleet to fully electric by FY 2030. To stay on track to accomplish this goal, the County will need to increase the number of fully electric vehicles in its fleet by 500%, for a total of 25 vehicles by FY 2026. It should be noted that due to shortages and shipping delays resulting from the long-term economic impacts of COVID, the arrival of electric vehicles ordered by the County have been significantly delayed. Notwithstanding this, since the start of FY 2022, the County has achieved 45% of the County's five-year Bold Goal by increasing the County's electric vehicle fleet by 225% for a total of 13 electric vehicles by the end of FY 2024. The preliminary FY 2025 budget contemplates the purchase of an additional six EVs as numerous light-duty fleet will be eligible for replacement, which will bring the County to a total of 19 electric vehicles, or 76% of the County's five-year Target next year.

Target: Construct an additional 90 miles of sidewalks, greenways, trails, and bike lanes. (T11)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Sidewalk/Greenway/Trail/Bike Lane Miles	3.50	1.06	2.85	1.41	TBD	8.82

Note: This only reflects the number miles constructed by Public Works Engineering. Other program areas, such as Blueprint and Parks & Recreation, also contribute to this target.

***Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.**

Operations – Transportation Maintenance (106-431-541)

Goal	The goal of the Public Works, Division of Operations Transportation Program is to provide for the safety, comfort, and convenience of the public by creating, maintaining, and managing infrastructure and programs supporting transportation, roadside beautification, and stormwater maintenance. This is accomplished through cost effective, environmentally sensitive, and aesthetically pleasing products and services.
Core Objectives	<ol style="list-style-type: none"> 1. Responsible for the creation, maintenance, management, and preservation of functional, safe, and effective transportation systems for the citizens of Leon County and its visitors. 2. Provide pothole patching and major asphalt repairs. 3. Provide dirt road grading, stabilization, and ditch maintenance. 4. Provide street sign installation and repair. 5. Provide supervision of contract services for various activities on over 660 miles of County roadways. 6. Provide repairs on private roads to citizens through Leon County's Private Road Preventative Maintenance and Repair Program and the L.I.F.E. Rural Road Stabilization Program. 7. Provide bridge and guardrail maintenance. 8. Provide pavement marking installations. 9. Provide Open Grade Mix resurfacing. 10. Provide Open Grade Mix pothole patching and major repairs. 11. Respond to service requests from citizens and internal customers. 12. Provide major and minor roadway shoulder repair. 13. Provide maintenance, repairs and inventory of sidewalks.
Statutory Responsibilities	Florida Statute, Chapter 125.01(1)(m) "Streets and Roads", Chapter 334.03(7), 336.01 "County Road System"; Leon County Code of Laws, Chapter 16 "Streets, Roads, and Public Ways" and Comprehensive Plan; Section II "Transportation", Section III "Utilities", Section IV "Conservation", Section V "Recreation", Section IX "Capital Improvements"

	Signs (ground signs 30 sq. ft. or less) ³	0.471 man hrs/sign	1.115 man hours/sign

Source: Florida Department of Transportation

1. Leon County's man hours per unit ratio were lower in FY 2023 than that of FDOT due to fully staffed asphalt repair crews.
2. Leon County's man hours per unit production exceeds FDOT due to additional travel time required to move crews and equipment to multiple small projects, as compared to FDOT's typical large projects.
3. Leon County's man hours per unit production is less than FDOT due to the close proximity, density and size of Leon County signs compared to those of FDOT.

	Wash and clean 9,000 sign panels annually ⁴	2,276	3,284	9,000	9,000
	Install and refurbish 75,000 sq. ft. of pavement markings and symbols with plastic ⁵	15,602	10,252	75,000	75,000
	Respond to 90% of work orders within three weeks ⁶	84%	84%	90%	90%
	Grade County maintained dirt roads on an 18 day cycle ⁷	18 Days	18 Days	18 Days	18 Days
	Perform resurfacing on two miles of Open-Grade Mix roads annually ⁸	0	0	2.00	2.00
	Repair 130 miles/year of shoulders ⁹	24	330	130	130

Notes:

- The Division anticipates being fully staffed in FY 2024 and FY 2025 to meet this performance measure.
- The Division used 307 tons of asphalt for pothole patching in FY 2023 and anticipated level tonnage of 300 tons for FY 2024 and FY 2025.
- The Division installed and repaired 8,523 sign panels in FY 2023, an increase of 21% over the FY 2022 actuals due to other crews assisting on weekends due to staffing shortages in the Sign Shop. The Sign Shop anticipates meeting the performance goal of 7,000 annually in FY 2024 and FY 2025.
- The Division anticipates being fully staffed in FY 2024 and FY2025 to meet this performance measure.
- The Division anticipates being fully staffed in FY 2024 and FY 2025 to meet this performance measure.
- Response time to work orders varies annually due to various factors such as staff vacancies, weather and the number of service requests received. The Division estimates meeting the 90% response goal in FY 2024 & FY 2025.
- The Division anticipates meeting the performance goal of grading County maintained dirt roads on an 18-day cycle in FY 2024 and FY 2025.
- In FY 2022 and FY 2023 it was determined that the roads were in good condition therefore no resurfacing was performed. However, in FY 2024 and FY 2025, it is estimated that 2.0 miles of roads will be resurfaced.
- The Division anticipates meeting the performance goal of repairing 130 miler per year of shoulders for FY 2024 and FY 2025. The decrease in FY 2022 was due to staff vacancies and the increase in FY 2023 was due to the shoulder repair crew utilizing staff from other crews.

Operations – Right-Of-Way Management (106-432-541)

Goal	The goal of the Public Works, Division of Operations Right-of-Way Management Program is to provide for the safety, comfort, and convenience of the public by managing programs that support transportation, roadside beautification and stormwater maintenance.		
Core Objectives	<ol style="list-style-type: none"> 1. Provide roadside maintenance on over 660 miles of County roadways. 2. Meet the objectives and goals set forth in the Canopy Road Management Plan. 3. Review tree removal requests and prune or remove high risk trees and noxious plants. 4. Manage the Roadside Beautification Program, including the Adopt A Tree, Adopt A Road, and Tree Bank programs. 5. Perform litter control and roadside mowing to enhance the functionality, safety, and effectiveness of the roadside environment for vehicular and pedestrian traffic. 6. Perform Clear Zone maintenance to provide a safe recovery area along roadways. 7. Respond to service requests from citizens and internal customers. 8. Perform finish cut mowing, edging, mulching, irrigation maintenance, herbiciding, fertilizing, and shrub/tree pruning in landscaped areas of County right of ways. 		
Statutory Responsibilities	Florida Statute, Chapter 125.01(1)(m) "General Authority Over Streets, Roads, etc."; Chapter 334.03(7), 336.01 et seq. "County Road System", Comprehensive Plan, Policy 3.3.2 "Implementation of Urban Forest Management Goals" & "Canopy Roads Management Plan Development and Implementation"		
Advisory Board	Canopy Roads Citizen Committee; Tree and Wildlife Committee		
Benchmarking			
Strategic Priorities	Benchmark Data	Leon County FY 2023 Actual MH/Unit	Benchmark (FDOT 4 Year Average Production)
	Roadside Litter Removal ¹	1.012 man hours/acre	1.50 an hours/acre
	Right-of-Way Mowing ¹	0.24 man hours/acre	1.40 an hours/acre
	Finish Cut Mowing ²	1.20 man hours/acre	3.71 man hours/acre

Source: Florida Department of Transportation

1. Man hours per unit ratios are lower than FDOT due to County right-of-ways being narrower and in closer proximity.
2. FDOT man hours per unit is higher than Leon County's due to FDOT landscape areas being larger and more expansive than Leon County, which results in less FDOT time lost due to mobilization and travel.

Performance Measures						
Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate	
	Increase the number of Adopt-a-Road litter control groups by 2% over the prior year ¹	4%	9%	2%	2%	
	Inspect and remove high risk wood on 58 miles of Canopy Roads every three years with an annual average of 19.3 miles ²	23	24.6	19.3	19.3	
	Perform clear zone maintenance on 200 shoulder miles ³	43.7	240	200	200	
	Pick up litter on 519 miles of roads four times per year ⁴	52.8	492	225	519	
	Maintain 206.89 acres of landscaped area 9 times per year (Goal: 1,875 acres) ⁵	512	573	560	1,875	
	Respond to 100% of work orders within three weeks ⁶	100%	100%	100%	100%	
	Mow 519 miles, five times during the mowing season (Goal: 2,595 miles) ⁷	2,557	2,327	2,157	2,595	

Notes:

1. The Adopt-A-Road Program is 100% driven by public interest; therefore, participation levels vary from year to year. Future estimates indicate achieving the 2% performance goal to support Strategic Initiative 2022-19 in expanding the County's Adopt-a-Road program.
2. The number of miles varies annually due to factors such as the length of the canopy road currently in the inspection cycle and the number of trees in the dead and critical condition classes, which can increase the number of miles requiring maintenance. Staff anticipates meeting the performance measure goal of 19.3 miles for FY 2024 and FY 2025.
3. Due to staff performance, this performance measure has been adjusted from 45 shoulder miles to 200 shoulder miles. The Division performed clear zone maintenance on 240 miles in FY 2023 as a result of continuing efforts to utilize specialized equipment including slope mowers to perform the necessary tasks as opposed to manual labor to offset staff vacancies. The Division anticipates meeting this enhanced goal in FY 2024 and FY 2025.
4. The Division estimates picking up litter on 900 miles in FY 2024 which would fall slightly short of the performance goal. The decrease is attributed to a decrease in the availability of inmate labor though participation in the Community Service/Work Program. Staff will continue to work with the Sheriff's office on the use of inmate labor to meet the goal in FY 2025.
5. Staff vacancies have impacted the ability to meet the landscaped area goal for the past several years. For FY 2024, the Division estimates maintaining a total of 560 acres of landscaped area. However, the Division anticipates being fully staff in FY 2025 to meet this performance measure.
6. Due to staff performance, this performance measure has been adjusted from 90% to 100% of responses to work orders within three weeks. The Division anticipates responding to 100% of work orders in a three-week time frame. Response time to work orders varies annually due to various factors such as weather and the number of service requests received.
7. This performance measure is influenced by weather conditions, impacting the ability of staff to mow. The Division estimates a slight decrease in FY 2024 due to staff vacancies. However, anticipates being fully staffed in FY 2025 to meet this performance goal measure.

Operations – Stormwater Maintenance (123-433-538)

Goal	The goal of the Public Works, Division of Operations Stormwater Maintenance Program is to provide for the safety, comfort and convenience of the public by creating, maintaining and managing infrastructure and programs supporting transportation, roadside beautification, and stormwater maintenance.
Core Objectives	<ol style="list-style-type: none"> 1. Maintain and retrofit open and enclosed County owned drainage systems providing for water quality and rate control. 2. Protect citizens against personal injury and private property loss, as well as Leon County from financial loss associated with stormwater runoff. 3. Provide silt removal from open ditches and enclosed stormwater pipe maintenance (mechanically and by hand labor). 4. Sod, hydromulch, seed and hay shoulders, front slopes, back slopes and ditches to prevent erosion. 5. Respond to service requests from citizens and internal customers. 6. Construct and repair concrete structures (i.e. concrete ditch block, concrete ditch pavement, inlets, curbs, and head walls). 7. Conduct routine maintenance such as mowing, tree trimming, and fence repair on stormwater ponds and conveyances. 8. Remove silt from ponds and replace stormwater pond filter systems to ensure proper treatment of stormwater. 9. Repair and stabilize stormwater ponds and conveyances to prevent erosion and future damage to the facility. 10. Conduct inspections of stormwater ponds and conveyance systems to ensure compliance with environmental permits. 11. Maintain vegetation in all County maintained stormwater facilities.
Statutory Responsibilities	Comprehensive Plan: Section II Transportation; Section III Utilities; Section IX Capital Improvements; Federal Non Point Discharge Elimination System (NPDES) regulations set forth in Section 40 CFR 122.26; State Water Policy: Florida Administrative Code Chapter 62; Rule 62 40.432(2)(c), FAC; Leon County Code of Ordinances, Chapter 10, Article VII, City of Tallahassee Land Development Code, Chapter 5, Section 5 57
Advisory Board	None

Benchmarking			
Strategic Priorities	Benchmark Data	Leon County FY 2023 Actual MH/Unit	Benchmark (FDOT 4 Year Average Production)
	Cleaning of Drainage Pipes (Mechanical) ¹	0.048 man hrs./linear ft.	0.162 man hrs./linear ft.
	Cleaning and Reshaping Roadside Ditches ²	0.130 man hrs./linear ft.	0.093 man hrs./linear ft.

Source: Florida Department of Transportation

1. Leon County man hour production is slightly lower than FDOT this year due to several of the projects having longer runs of enclosed drainage conveyances resulting in higher production per project.
2. Leon County man hours production is slightly higher than FDOT due to additional travel time required to move crews and equipment to multiple small roadside ditch projects, as compared to FDOT's typical large projects.

Performance Measures					
Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate
	Complete 90% of work order requests, excluding major construction projects, within six weeks ¹	85%	94%	90%	90%
	Clean and reshape 150,000 feet/year of roadside ditches annually ²	59,219	32,916	100,000	100,000
	Clean 9,500 feet of drainage pipes annually (Mechanical) ³	13,331	7,889	9,500	9,500
	Percent of ponds and associated conveyances mowed two times annually per County Operating Permit requirements ⁴	84%	65%	90%	90%
	Percent of County conveyance systems, not associated with County Operating Permits, mowed one-time annually ⁵	11%	11%	11%	11%

Notes:

1. This performance measure is influenced by various factors such as weather and the number of service requests received. The Division estimates completing 90% of work order requests within six weeks for FY 2024 and FY 2025.
2. The Division estimates cleaning and reshaping 100,000 feet of roadside ditches for FY 2024 and FY 2025 due to staff vacancies, which is lower than the 150,000 in the performance measure goal but higher than the previous years actuals.
3. Staff vacancies prevented the Division from meeting the goal of cleaning 9,500 feet of drainage pipes in FY 2023, however, the Division anticipates meeting the measure in FY 2024 and FY 2025.
4. In FY 2023, the Division only achieved 65% of the goal of mowing all permitted ponds and associated conveyances twice annually per County Operating Permit requirements due to utilizing a vendor who did not meet contractual obligations. A new contract for mowing is in place and the Division anticipates meeting this performance measure in FY 2024 and FY 2025. The Division utilizes a contractor to offset staff vacancies.
5. The Division estimates meeting the performance measure goal of mowing 11% of County non-permitted conveyance systems. The Division will utilize inmate work crews for a portion of the year to perform this activity.

Operations – Mosquito Control (001-216-562/125-214-562)

Goal	The goal of the Public Works, Division of Operations Mosquito Control Program is to provide Leon County residents and visitors with effective and environmentally sound mosquito control services. Services and educational programs are provided to protect public health and reduce human discomfort associated with large mosquito populations.
Core Objectives	<ol style="list-style-type: none"> 1. Conduct fog truck spraying services during the early evening hours to target active mosquitoes. 2. Provide inspections of citizens' properties, provide educational literature, and make practical recommendations to the residents. 3. Conduct inspections of ponds and pools to determine if they are suitable for introduction of mosquitofish. 4. Provide outreach through the Community Education program by conducting educational presentations to schools, civic organizations, homeowner associations, or other groups interested in learning more about mosquitoes and mosquito control. 5. Inspect wetlands, ponds, ditches, or other areas that may harbor larval mosquitoes and treat small and medium-sized areas immediately with appropriate control materials. For larger areas, an aerial application is scheduled. 6. Conduct aerial larviciding in cooperation with the Leon County Sheriff's Office Aviation Unit. The Division provides the application and navigation equipment, control materials, and support staff. The Leon County Sheriff's Office provides the helicopter, pilot, and aviation support services. 7. Map all mosquito control surveillance and requests to identify mosquito activity clusters that may require additional efforts. 8. Monitor for mosquito-borne diseases using sentinel chicken flocks. Collect blood samples and send to the Florida Department of Health for testing. 9. Collect discarded tires from neighborhoods and dispose of through Leon County Solid Waste Management Division.

Engineering Services (106-414-541)

Goal	The goal of the Department of Public Works Engineering Services is to provide the public with professional services for the construction and maintenance of cost-effective infrastructure to enhance our community's quality of life.
Core Objectives	<ol style="list-style-type: none"> 1. In house design using County staff and consultants to design projects for construction, either for Capital Improvement Projects or for smaller identified projects; engineering support for activities such as maintenance of existing facilities and repairs or construction of infrastructure for the Operations Division, Fleet Management Division, Solid Waste Management Division, Office of Resource Stewardship, and Office of Public Safety. Evaluates, performs design reviews, manages, inspects, and performs quality control of new subdivision construction and other projects creating infrastructure for County ownership and maintenance. Also, processes subdivision plats for recording in the public records, reviewing with developers and their consultants, as well as preparing agendas to present plat and associated agreements to the Board. 2. Representation of the County at meetings of County interests, such as utility coordination, construction coordination, sidewalk and pedestrian infrastructure coordination. Responsible for Interagency Coordination including: representing Leon County's Transportation interests with CRTPA projects and initiatives, Stormwater and Transportation interests with Blueprint Program administration and capital project implementation, participating in the annual review of tax deeds, representing Leon County Public Works with citizen committees (Science Advisory & Water Resources Committees, and Community Traffic Safety Team), coordinating with state, federal, and local agencies regarding water resource priorities and public health concerns, and providing technical support for permitting and litigation actions. 3. Represents the County in property acquisitions for Capital Improvement projects in the eminent domain process. Responds to requests from other departments/divisions for delineation of County property and easements, which also includes preparing and/or reviewing legal descriptions, sketches, and maps for the acquisition or disposition of property; easements, or other real estate interest. In addition, the preparation and/or review of legal descriptions, sketches and maps for the County Attorney's Office and other departments; responding to the Board for information regarding land ownership issues; and assists with the new County owned property inventory list. 4. Responsible for the administration of the Stormwater Utility Program, the Water Quality Monitoring/Total Maximum Daily Load (TMDL) Program and implementation of the National Pollutant Discharge Elimination Systems (NPDES) standards for public drainage systems. Provide technical support for implementing the management strategies outlined in the Wakulla Springs BMAP. 5. Responsible for Infrastructure Operations including review of drainage complaints with field staff; responding to citizens, administration, and commission staff; developing operational corrections or scope of required capital project to address complaints, and identification of problem areas. 6. Provides support to the Development Review Division of Development Support & Environmental Management, including; review of drainage and treatment designs for public subdivisions, recommendations of plan modifications to comply with maintenance requirements, ensurance of traffic safety and pedestrian accessibility, identification of drainage problem areas potentially affected by design, coordination with Stormwater Maintenance staff when standards cannot be achieved, and representing Leon County Public Works in review of regional development plans. 7. Responsible for Capital Project Development which includes identifying planning needs to define project scope to correct flooding or water quality concerns, improve roadway levels of services, and enhance traffic and pedestrian safety. Prepares grant applications to support capital projects and provides technical assistance regarding wetland and water resource protection/restoration, public outreach and coordination. Implements the Water Quality Improvement projects such as the Septic to Sewer and Advanced Septic Tank Retrofit projects. 8. Provides significant public support in response to citizen requests for roadway and traffic issues including, but not limited to; speed studies, stop sign evaluations, striping, warning or advisory sign placement or safety markings and administering the traffic calming program. 9. Manages the Fire Hydrant Installation Program. 10. Provides pavement management evaluation and maintains relative priorities for pavement restoration methodology within the available budget. Significant interaction and coordination is provided to assure that underlying infrastructure is repaired prior to resurfacing. 11. Develops and manages Capital Improvement Projects for County owned facilities and facilities utilized by the County departments and Constitutional Offices. 12. Provides professional assistance to Facilities Maintenance with in-house resources or consultants.

 Sidewalk/Greenway/Trail/Bike Lane Miles (T11) ²	3.50	1.06	2.85	1.41	TBD

Notes:

- Leon County has demonstrated success in leveraging Blueprint water quality funds as well as aggressively pursuing grant funds to support septic to sewer conversion projects in recent years. During the FY 2022-2026 Strategic Plan, an additional 500 septic tanks will be upgraded or eliminated as part of Phase 1A and 1B of the Woodville Septic to Sewer Project and continuation of the Advanced Septic System Pilot Program. The County anticipated achieving 5% of this target in FY 2022 through the Advance Septic System Pilot Program, with significant progress to be achieved through completion of septic to sewer conversions in the upcoming years. Leon County has demonstrated success in leveraging Blueprint water quality funds as well as aggressively pursuing grant funds to support septic to sewer conversion projects in recent years. Since the start of FY 2022, the County has 350 septic upgrades and/or conversions completed or in progress, 70% of the County's five-year Target. This includes the septic to sewer conversions supported through the Woodville Phase 1A Septic to Sewer Project, as well as system upgrades supported through the Advanced Septic System Pilot Program.
- This only reflects the number of miles constructed by Public Works Engineering. Other program areas, such as Blueprint and Parks & Recreation, also contribute to this target.

	Maintain number of Leon County water bodies sampled annually ⁴	41	41	41	41

Notes:

- The Division anticipates meeting the performance goal in FY 2024 and FY 2025 with 35% of staff time being spent on Capital Improvement Project activities.
- The Division anticipates meeting 100% of the goal in FY 2024 and FY 2025 to review, permit, and inspect for completion of all projects assigned to ensure compliance with County standards.
- The Division does not anticipate meeting the performance goal of reviewing subdivision plats in an average of six days in FY 2024 due to staff vacancies in the Engineering Coordination Section. The Division anticipate being fully staffed in FY 2025.
- Leon County has 41 water bodies that are sampled annually by the Division.

FY 2022-2026 Strategic Plan

Bold Goals & Five-Year Targets	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate	FY 2026 Estimate	TOTAL
 Increase the number of fully electric vehicles in the County's fleet by 500% (T8) ¹	0%	225%	92%	73%	TBD	390%

1. Leon County's Integrated Sustainability Action Plan (ISAP) establishes a goal to convert 30% of the light duty vehicles in the County's fleet to fully electric by FY 2030. To stay on track to accomplish this goal, the County will need to increase the number of fully electric vehicles (EVs) in its fleet by 500%, for a total of 25 vehicles by FY 2026. It should be noted that due to shortages and shipping delays resulting from the long-term economic impacts of COVID, the arrival of electric vehicles ordered by the County have been significantly delayed. Notwithstanding this, since the start of FY 2022, the County has achieved 45% of the County's five-year Bold Goal by increasing the County's electric vehicle fleet by 225% for a total of 13 electric vehicles by the end of FY 2024. The preliminary FY 2025 budget contemplates the purchase of an additional six EVs as numerous light-duty fleet will be eligible for replacement, which will bring the County to a total of 19 electric vehicles, or 76% of the County's five-year Target next year.

 Number of alternative fuel vehicles purchased ³		4	4	10	6
 Number of average miles per gallon for hybrid vehicles ⁴		26.21	26.40	27.00	30.00

Notes:

1. The number of chargeable hours is anticipated to be 5,500 hours in FY 2024 and increase to 6,000 in FY 2025.
2. Due to the anticipated increase in the Fleet inventory, preventative maintenance services performed is expected to increase by 10% in FY 2025.
3. The Division continues to increase the number of alternative fuel vehicles purchased to meet the County's long-term goal of reducing petroleum consumption. The Division purchased 10 alternative fuel vehicles in FY 2024 and anticipates another six being purchased in FY 2025.
4. The average mile per gallon (MPG) for hybrid vehicles is currently estimated to be 27 MPG for FY 2024. The Division anticipates an increase in average miles per gallon and/or EV miles for vehicles in FY 2025 as the County increases the number of hybrid and electric vehicles to the fleet.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Department of Development Support & Environmental Management Executive Summary

The Department of Development Support and Environmental Management (DSEM) section of the Leon County FY 2025 Annual Budget is comprised of Code Compliance Services, Customer Engagement Services, Support Services, Building Plans Review & Inspection, Environmental Services, Development Services, and Florida Department of Environmental Protection (FDEP) Storage Tank Program.

Code Compliance Services coordinates and administers contractor licensing, code compliance, address assignment and street naming, and citizen review board services. Customer Engagement Services facilitates process improvements to assist customers through the development review and approval process and reflects the updated service model set forth in the new customer value proposition for DSEM. Building Plans Review & Inspection ensures compliance using the Florida Building Code for building permit application review and inspections. Development Services ensures land development proposals are approved consistent with adopted standards and regulations. Environmental Services provides technical and scientific permitting and review services and disseminates environmental information to the public. The Department's Storage Tank program implements the FDEP Storage Tank Contract.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, DSEM's Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

Development Services:

During FY 2024, Development Services processed 250 Permitted Use Verifications (PUV) and Residential Compliance Certificates (RCC), 60 exempt development applications, 50 site and development plans, 1,350 zoning compliance determinations for residential developments, and 28 concurrency certificates. The number of zoning compliance reviews has decreased from FY 2023, likely due to continued uncertainty in the economy and the rise in interest rates. The Division also facilitated Land Development Code (LDC) amendments including amendments to the Accessory Dwelling Unit Ordinance.

Support Services:

Support Services assisted approximately 3,000 walk-in customers and answered nearly 15,000 phone calls during FY 2024. The number of walk-in customers is anticipated to decline from the previous year due to DSEM's efforts to attain the 'Bold Goal' of offering 100% online permitting for licensed contractors, engineers, and architects in the next five years. DSEM's website enhancements have contributed to these reductions by continuing to draw more users with the increased availability of online information, permitting functions, and user-friendly enhancements. Recent enhancements to DSEM's telephone system, including the automated call distribution system and the 'text to inspect' feature, routes calls more efficiently reducing wait times. The current and actual numbers for FY 2025 are anticipated to further decrease as customers get more acquainted with these and other technology enhancements. Support Services also responded to internal and external public records requests, as well as provided responses to all Citizen Connect inquiries directed to the Department.

Environmental Services:

During FY 2024, Environmental Services has reviewed and approved 34 Natural Features Inventories, 110 site plans, 50 stormwater management facility (SWMF) operating permits, 858 single-family environmental permits, 125 SWMF operating permit renewals, 240 driveway applications, 250 permitted use verifications for environmental requirements, and 82 environmental management permits. The Division also anticipates executing more than 4,000 environmental inspections, including approximately over 300 Florida Department of Environmental Protection (FDEP) Petroleum Storage Tanks Compliance Inspections.

» Department of Development Support & Environmental Management Executive Summary

Building Plans Review and Inspection:

During FY 2024, BPRI is on track to review and issue 5,250 building permits and conduct 25,800 inspections. The number of new single-family home permits at the end of FY 2024 is expected to be approximately 225 and is a decrease of 5% from FY 2023 (236). In addition to permit review and inspection responsibilities, the division has continued to refine its internal and external permitting and inspection policies in an effort to increase efficiencies and transparencies within the department.

Code Compliance Services:

During FY 2024, Code Compliance Services investigated 581 code compliance inquiries, assigned 485 addresses, approved 11 new street names, and verified 2,162 contractors' licenses. In addition, the Division staffed the County's Code Enforcement Board, Nuisance Abatement Board, and the Joint Leon County and City of Tallahassee Addressing Steering Committee. The Division has also been facilitating a comprehensive update to the County's addressing ordinance and addressing policy manual.

MISSION STATEMENT

The mission of the Leon County Department of Development Support & Environmental Management is to support the development of a sustainable community and its built environment, while protecting and preserving our natural resources to maintain the quality of life for all citizens, while building positive relationships through exceptional customer service.

STRATEGIC PRIORITIES

ENVIRONMENT

EN1 - Protect the quality and supply of our water.

EN2 - Conserve and protect environmentally sensitive lands and our natural ecosystems.

EN3 - Promote orderly growth and sustainable practices.

GOVERNANCE

G2 - Sustain a culture of performance, and deliver effective, efficient services that exceed expectations and demonstrate value.

G3 - Inform and engage citizens through multiple outreach platforms to ensure consistent, high-value, transparent communication on our most important issues.

QUALITY OF LIFE

Q5 - Promote livability, health and sense of community by supporting strong neighborhoods, enhancing mobility, encouraging human scale development, and creating public spaces for people of all ages.

STRATEGIC INITIATIVES

GOVERNANCE

1. (G3) Further enhance the use of social media neighborhood apps to notify citizens of development projects occurring in their neighborhoods. (2022-40)

ACTIONS

GOVERNANCE

1. Coordinated with CMR to implement the notification of development project meetings through the NextDoor application online. (Ongoing)

BOLD GOALS & 5-YEAR TARGETS

Target: Offer 100% online permitting for licensed contractors, engineers, and architects. (T15)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
% Online Permitting	25%	0%	100%	100%	TBD	100%

Notes: In recent years, the County has reduced average permitting times in large part due to the launch of new permitting software which allows licensed contractors, engineers, and architects to complete most of the permitting process online. However, several steps of the process are still paper based including most applications and associated support materials. Since the start of FY 2022, the County's transition to a 100% online permitting process has been underway with the first of three transition components completed in June 2022. In April 2024, the County launched the system software to implement 100% online permitting. An update on the program will be provided at the Board Retreat.

***Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.**

Code Compliance Services (121-423-537)

Goal	The goal of the Division of Code Compliance Services is to administer, centralize, coordinate and facilitate contractor licensing, code compliance, citizen review boards, and address assignment and street name approval services to residents, property owners and land development professionals served by the Department of Development Support and Environmental Management.
Core Objectives	<ol style="list-style-type: none"> 1. Provide administrative support for the Code Enforcement Board, and Nuisance Abatement Board. 2. Coordinate Code processing through the Code Compliance Program. 3. Coordinate and promote Code compliance through educational efforts. 4. Provide an initial point of contact to customers for all matters regarding addressing and street naming. 5. Coordinate compliance activities for the Abandoned Property Registration Ordinance, Refueling Assistance for Persons with Disabilities Ordinance, Criminal History Records Check and Waiting Period for Purchase of Firearms (aka the "Gun Show Loophole"), and Signs on the Right-of-Way Ordinance. 6. Coordinate activities for the Compliance Certification Letter to research and process open code violations and lien research requests. 7. Coordinate the streamlined Nuisance Abatement Process as outlined in Chapter 14 consistent with applicable Florida Law.
Statutory Responsibilities	Leon County Code of Laws Chapter 5 "Minimum Housing Code;" Chapter 10 "Land Development Code;" Chapter 11 "Refueling Assistance for Persons with Disabilities;" Chapter 12 Criminal History Records Check and Waiting Period for Purchase of Firearms (aka the "Gun Show Loophole"); Chapter 14 "Property Safety and Maintenance Code;" Chapter 6 and Florida Statutes, Chapter 162 "Code Enforcement Board"

Notes:

1. In FY 2023, there were 103 Code Enforcement Board orders filed within the required 10 working days, which is consistent with the previous year. This trend of executing 100% of orders within 10 days is expected to continue in FY 2024 and FY 2025.
2. The FY 2023 figure shows a decrease, consistent with the decrease in number of single-family home building permits issued during this period as a result of rising interest rates to reduce inflation, causing mortgages to increase and permitting to decline. A slight increase is anticipated in FY 2024 and FY 2025.

The major variances for the FY 2025 Code Compliance Services budget are as follows:

Increases to Program Funding:

1. Costs associated with the County's portion of retirement rates passed by the Florida Legislature, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees.
2. Personnel costs associated with the realignment of a Senior Compliance Specialist position from Building Plans Review & Inspection to Code Compliance Services to improve operational efficiencies.
3. Personnel costs associated with the realignment of a Building Inspection Supervisor position from Code Compliance Services to Building Plans Review & Inspection to improve operational efficiencies.

Decreases to Program Funding:

1. Operating costs associated with reduction of Communication costs.

Support Services (121-424-537)

Goal	The Support Services Division provides administrative direction and support for all Divisions within the Department of Development Support and Environmental Management (DSEM). Staff serve as the initial point of contact for walk-in and telephone customers, all internal and external records requests, issuance of Certificates of Occupancy and Completion, and DSEM-related Citizen Connect inquiries.
Core Objectives	<ol style="list-style-type: none"> 1. Provide an initial point of contact for walk-in customers and direct to the appropriate staff for assistance. 2. Direct incoming telephone calls to the appropriate staff for assistance. 3. Direct Citizen Connect inquiries to the appropriate staff for resolution, and track assignments until completed. 4. Provide department-wide direction, coordination, and support to divisions and programs. 5. Provide administrative coordination and support for agenda, budget, personnel, training, property, and other such reports. 6. Act as liaison between the public and Department staff regarding scheduling, meetings, correspondence, public records requests, etc. 7. Provide the initial point of contact for the public and other governmental entities in their requests for information and reservation of the Renaissance Center's 2nd floor meeting room. 8. Provide the initial point of contact for the public, Department staff, and other governmental staff in their request for building, code compliance, development review, or environmental records. 9. Provide staffing for DSEM related Board-appointed citizen's committees, including but not limited to Advisory Committee on Quality Growth, Board of Adjustment and Appeals and the Science Advisory Committee. 10. Act as liaison between the public and the Clerk of Courts Office regarding electronic recording of DSEM site plan review and permitting-related documents.
Statutory Responsibilities	Chapter 119, Florida Statutes (Florida Public Records Law); Leon County Code of Laws Chapter 10 (Land Development Code); Countywide Minimum Environmental Standards Regulations (Environmental Management Act); Florida Building Code; and other BCC-adopted plans and implementing policy and procedures manuals.
Advisory Board	Board of Adjustment and Appeals; Development Review Committee; Advisory Committee for Quality Growth; Tallahassee-Leon County Planning Commission; Science Advisory Committee.

Performance Measures					
Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate
	Number of walk-in customers	3,315	3,128	3,000	2,800
	Number of telephone calls processed through the main switchboard	17,234	15,544	15,000	15,000

Notes:

1. The number of walk-in customers is anticipated to continue to decrease as DSEM works to attain the Bold Goal of offering 100% online permitting in the next five years and with the anticipated implementation of DigEPlan electronic application filing software. It is anticipated the current actual number will decrease going forward as customers get accustomed to filing permits online.
2. The decrease in number of telephone calls processed is likely due to several factors: the enhancements to the DSEM website to make it more user-friendly, the implementation of the "text to inspect" service, which allows customers to text inspection requests, and the noted increase in more direct line phone calls that are not being processed through the main switchboard. It is anticipated this trend will remain consistent going forward.

Building Plans Review & Inspection (120-220-524)

Goal	The goal of the Building Plans Review and Inspections Division is to ensure that built environments are safe, accessible, and energy efficient through compliance with all applicable construction codes, plans review, inspections, the use of automated technologies, and continuing staff development and training.
Core Objectives	<ol style="list-style-type: none"> 1. Process permit applications and collect permit fees. 2. Review building plans and permit applications for all proposed new, existing, renovated, additions, and alterations for construction projects, both public and private, to ensure compliance with the Florida Building Codes, all state-mandated construction laws, County's Code of Laws Chapter 5 Building Code, and the Florida Building Code for Floodplain compliance in concert with the County's Floodplain Management Ordinance requirements. 3. Inspect all proposed manufactured housing permits to ensure compliance with the State Department of Motor Vehicles requirements related to the installation and set-up. 4. Inspect all new, existing, renovated, additions, and alterations for construction projects, both public and private, to ensure compliance with the Florida Building Codes, all state-mandated construction laws and the County's Floodplain Management Ordinance. 5. Inspect building foundation systems of all manufactured housing to ensure compliance with the State Department of Motor Vehicles requirements and Florida Building Code Floodplain requirements. 6. Provide daily, on demand building plans review and inspection service advisor assistance to the public. 7. Provide the Board, upon request, with recommendations and professional assistance regarding all matters relating to building plans review and approval, construction regulations, and building inspections. 8. Provide technical support to the Leon County Code Enforcement, Contractors' Licensing, Examination Board, and the Board of Adjustment and Appeals, and other County, City, and State agencies for construction code requirements, permitting, and related management decisions. 9. Division Director participates on the COOP Planning Team and serves as Facilities Manager. 10. The Division must manage the private provider process for plan review and inspections, which accounts for about 40% of the permit fee collected for administrative work to be performed in the management of the permit and permitting process. 11. Makes recommendations to Leon County Commissioners with updates and revisions to the Leon County's Code of Laws that regulate the permitting, plan review and inspection processes.
Statutory Responsibilities	Florida Mechanical Code; Leon County Code of Laws, Chapter 5; Florida Plumbing Code; & F.S., Chapter 553.01 - 553.14; Florida National Electrical Code; & F.S., Chapter 553.15 - 553.23; Florida Gas Code; Florida Building Code: & F.S., Chapter 553.73; Florida Energy Code - F.S., Chapter 553.900 - 553.998; Florida Accessibility Code; & F.S., Chapter 553.45 - 553.495; Contractor Licensing – (LCCOL) Section 5-(5-3.01 – 5.3.31); Swimming Pool Code – Section 5 (5-2.19); Florida/County Mobile Homes Installation, Section 5-(5.2.11 – 5-2.18); F.S., Administrative Rule, Chapter 15C-1.10; Floodplain Management; Sign Code - (LCCOL), Section 10-(1801 - 1830); Florida Fire Code – Life Safety; F.S., Chapter 633.025 & Chapter 553.895; Section 10-362; Florida Construction Lien Laws - F.S., Chapter 713; Funding of the Building Code Administrators and Inspectors Board, F.S. Notes:

- Review times are based on business days and include both staff and applicant/consultant holding periods. Building, Environmental and septic permit applications are reviewed concurrently.
- The upcoming implementation of the DigEplan software should reduce staff days by increasing efficiencies in the permit application and review process.
- The internal benchmark is based on Leon County averages of reported data from FY 2021 to FY 2023.

	Offer 100% online permitting for licensed contractors, engineers, and architects. (T15) ¹	25%	0%	100%	100%	TBD	100%

Notes:

- In recent years, the County has reduced average permitting times in large part due to the launch of new permitting software which allows licensed contractors, engineers, and architects to complete most of the permitting process online. However, several steps of the process are still paper based including most applications and associated support materials. Since the start of FY 2022, the County's transition to a 100% online permitting process has been underway with the first of three transition components completed in June 2022. In April 2024, the County launched the system software to implement 100% online permitting. An update on the program will be provided at the Board Retreat.
- Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

	Total application review fees received (millions) ⁷	\$5.7	\$2.9	\$2.9	\$3.1

Notes:

- The slight decrease in the number of inspections estimated for FY 2024 is due to stabilization of growth in permitting activity and a reduction in single family permitting due to a reduction in available large residential development projects in the unincorporated Leon County area. Upcoming residential development projects should increase permitting numbers in FY 2025.
- In FY 2024 and FY 2025 the percentage of inspections completed on time are expected to remain consistent with the previous fiscal years.
- In FY 2024 and FY 2025 the percentage of permit requests completed within 30 days are expected to remain consistent with the previous years.
- The number of building inspections per day per inspector in FY 2024 and FY 2025 is expected to remain consistent with FY 2023 due to stabilization in permitting activity.
- The number of plan reviews per plans examiner per day in FY 2024 and FY 2025 is expected to remain consistent with FY 2023 due to stabilization in permitting activity.
- The number of building permits issued is estimated to slightly decrease in FY 2024 due to a reduction in available large residential development projects in the unincorporated Leon County area. Upcoming residential development projects should increase permitting numbers in FY 2025.
- Total application review fees include revenue received in the Building Inspection (\$1.92 million) and DSEM (\$1.02 million) funds. This decrease coincides with the reduction or permitting activity. The FY 2024 revenue received from total application review fees is estimated to remain similar to FY 2023 due to the similar permitting numbers. The revenue received in FY 2025 is expected to increase based on an anticipated increase in permitting activity.

Environmental Services (121-420-537)

Goal	The goal of the Division of Environmental Services is to provide high quality technical and scientific permitting and review services to the public and to disseminate environmental information to the public and government agencies in support of environmental protection efforts.
Core Objectives	<ol style="list-style-type: none"> 1. Review development proposals, including permit applications, site and development plans and pre-application requests for compliance with the Environmental Management Act and sound environmental management practices. 2. Conduct environmental analysis for rezoning, subdivisions, site plans, and other proposed activities to ensure identification and mitigation of environmentally sensitive areas (ESA) and other regulatory constraints. 3. Provide technical support and recommendations on environmental policy, land use, permitting, and related management decisions to the Planning Commission, Board of Adjustment and Appeals, the Board of County Commissioners, and other County, City and State agencies. 4. Inspect permitted new construction and development activity for code compliance and consistency with permitted plans. 5. Implement the stormwater facility maintenance and operating permit program. 6. Provide walk-in client assistance through the environmental service advisor rotation in the research, interpretation, information gathering, or generally directing the client to the appropriate resource or agency. 7. Implement single family permit reviews, including flood letter review and flood protection notification, Board mandated flood indemnification declaration, compliance with master permit and plat, tree protection, erosion and sedimentation control, protection of features, lot to lot drainage issues, and driveway connection permit review. 8. Perform inspections and resolution of code violations with possible Code Enforcement Board involvement, such as non-permitted development activities, junk and mowing ordinance violations.

Notes:

1. Review times are based on calendar days and include both staff and applicant/consultant holding periods.
2. The decrease in applicant days for Environmental Permits is due to smaller projects being submitted that do not require specific engineering data that is not provided in the initial application, resulting in less re-submittals being required.
3. The internal benchmark is based on Leon County averages of reported data from FY 2021 to FY 2023.

	Number of Science Advisory Committee meetings administered. ¹⁰	6	8	8	8

Notes:

1. NFI totals for FY 2024 are projected lower, due to a weakened development market in the first half of the year. It is anticipated that this figure will decrease or stay stagnant in FY 2025 due to increasing interest rates and a stabilized market.
2. The number of environmental impact reviews associated with site plans are anticipated to increase in FY 2024 and is expected to continue to increase or stay stagnant in FY 2025 due to the current state of the market.
3. The operating permit reviews are dependent on the timing of the construction project completion, and therefore projections are based on completed projects thus far.
4. The number of service advisor clients increased in FY 2023. This was due to the number of developments under construction, ongoing drainage issues, routine complaints, tree issues, increase weather events, inquiries into developments, and more calls from the public trying to develop their property. A decrease is expected in FY 2024 and FY 2025 as more information is becoming available online for use.
5. The number of single-family applications may experience a substantial decrease due to increasing interest rates and a slowing of the market, although there is still demand for housing.
6. The number of driveway applications is projected to decrease which is consistent with the decrease of the combined total of single-family building permits and environmental permits with access to county-maintained roadways.
7. Operating permit renewals are based on a three-year cycle; and are relatively consistent. The FY 2023 decrease is attributed to staff turnover due to a retirement.
8. The decrease in environmental inspections is due to a stabilized development market. It is directly related to the number of environmental and building permits.
9. In FY 2024, the number of approved EMPs, which covers a broad spectrum of development activities within Leon County Is expected to increase.
10. The number of Science Advisory Committee meetings is projected to remain consistent in FY 2024 and FY 2025.

DEP Storage Tank (125-866-524)

Goal	The goal of the Department of Environmental Protection Storage Tank Program is to effectively and efficiently implement the Florida Department of Environmental Protection's Storage Tank Contract in a customer sensitive manner.
Core Objectives	<ol style="list-style-type: none"> 1. Perform compliance inspections of registered petroleum storage tank facilities annually in Leon County, and every other year in Gadsden, Wakulla and Jefferson Counties. 2. Perform installation inspections of new petroleum equipment at new and existing facilities. 3. Perform site inspections for tank removals and abandonments. 4. Investigate and report on petroleum discharges, leaks, non-registered tanks and other code violations, and initiate enforcement actions as appropriate. 5. Provide assistance to citizens and consultants concerning petroleum storage tanks. 6. Orientate new DEP/Office of General Counsel Storage Tank employees on tank inspections, closures, and installations in Leon, Gadsden, Wakulla and Jefferson Counties.
Statutory Responsibilities	Florida Statutes, Chapter 376.3071 "Petroleum Storage Tank Section"; Florida Administrative Code, Chapters 62-761 & 62-762; Aquifer Recharge Element of Comp Plan, Policy: 1.1.5

	Percent of regional facilities inspected. ³	50%	50%	50%	50%

Notes:

*The regional program includes Gadsden, Wakulla, and Jefferson counties. The program began in FY 2012 with contractual obligations originally requiring these facilities be inspected once every two years. However, as of FDEP FY 2024, these inspections have been reduced in some counties and increased in others and can change based on contractual obligations outlined in the yearly task assignments, with the overall average remaining at approximately 50%.

1. Grant program expenditures for Emergency Management and the Storage Tank Program are greater than the grant allocations, which require increasing the general revenue transfer to maintain program service levels. Since 2012, the Board has allocated additional funding for the Storage Tank Program to ensure all local petroleum facilities are inspected on an annual basis, which is more than the Florida Department of Environmental Protection's 50% requirement.
2. 100% of customer assistance calls were responded to in FY 2023. This trend of 100% of requests for customer assistance responded to within contract guidelines is expected to continue in FY 2024 and FY 2025.
3. Per the annual FDEP Task Assignment, 50% of contracted regulated storage tanks within Wakulla, Gadsden, and Jefferson counties are anticipated to be inspected in FY 2024 and FY 2025.

Goal	To guide and support the development of sustainable communities through the implementation of the adopted policies of the Comprehensive Plan and development standards of the Land Development Code, in order to ensure and promote the quality of life for all citizens of Leon County Florida.
Core Objectives	<ol style="list-style-type: none"> 1. Provide comprehensive and timely analysis of new development and redevelopment activities requiring site and development plan review. 2. Complete the review of exempt subdivisions and other exempt processes within established minimum time-frames. 3. Issue zoning letters, Permitted Use Verifications and Residential Compliance Certificates in a timely manner providing guidance and notification to property owners and the development community for proposed development activities. 4. Review all new construction permits to ensure compliance with the applicable zoning and development standards. 5. Provide assistance to the Board of Adjustment and Appeals in review of requests for variances to development standards or appeals of determinations made by DSEM. 6. Enhance customer service delivery by streamlining procedural requirements and revising or updating the applicable provisions of the Leon County Land Development Code.

1. Administrative Streamlined Approval Process (ASAP) includes minor site plan reviews that require significantly fewer days to complete, resulting in a lower combined mean time for review.
2. Review times are based on calendar days. "Applicant" refers to number of days that the applicant was responsible for making corrections to the plan; "Development Services" refers to number of days that staff spent reviewing the plan.
3. The estimated decrease in FY 2024 and FY 2025 for applicant and total days is a result of more projects being submitted for ASAP review which has no public meeting requirements.
4. The internal benchmark is based on Leon County averages of reported data from FY 2021 to FY 2023.

Notes:

1. The recent development trend indicates an increase in site plan applications compared to the previous year due to stabilization more stability in the market despite rising interest rates.
2. The number of exempt applications is anticipated to increase in FY 2024 and FY 2025 due to current market conditions.
3. The number of Permitting Use Verifications in FY 2024 and FY 2025 is expected to be higher due to the current market conditions.
4. The number of zoning compliance determinations in FY 2024 is expected to be slightly less than the previous year due to current market conditions but is consistent with the previous year.
5. The number of Board of Adjustment and Appeals Requests applications is expected to increase in FY 2024 and FY 2025. This increase may be reflective of more interest in modifying existing homes.
6. The number of Concurrency Management Certificates issued is anticipated to be more than the previous fiscal year, and likely the result of current market conditions.
7. The projected number of Development Agreements reviewed & DRI Applications reviewed is consistent with the previous fiscal years.
8. The significant projected decrease in LDC amendments from FY 2023 to FY 2024 is due to fewer requests by the Board for Code amendments.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Department of PLACE

Executive Summary

The Department of Planning, Land Management and Community Enhancement (PLACE) section of the Leon County FY 2025 Annual Budget is comprised of the Planning Department, the Office of Economic Vitality, and Blueprint.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the Department of PLACE Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

Planning Department

The Planning Department continues to provide technical and administrative support for the Comprehensive Plan amendment process particularly in the areas of long-range land use, environmental and transportation planning, land use administration, and compliance with Florida Statutes.

The Planning Department is in the midst of a multi-year project to update the Land Use and Mobility Elements of the Comprehensive Plan, which is the County and City's blueprint for growth for the next 20 years. This plan is intended to guide economic, social, physical, environmental and fiscal development of the community. To ensure a unified vision, the Comprehensive Plan is a joint document adopted by both the City of Tallahassee and Leon County. Both the City and County allocated \$150,000 each to hire a consultant to complete this process. Through the procurement process, Half Associates, Inc. was selected and approved as the consultant team.

In 2023, The Planning Department updated the Comprehensive Plan policies and coordinated with County and City Departments to make improvements on the Southside of the Community, updating the former Southern Strategy Area with the Southside Action Plan. This effort will lead to the implementation of projects that reflect the community priorities of beautification, investment, and engaged and activated citizens, and report back metrics related to these priorities to the Board and City Commission. The Southside Action Plan was recently recognized with an Award for Excellence in Best Practices in Planning by the Florida Chapter of the American Planning Association.

The PLACE team continues to play an integral role in growing and connecting the local bicycle and trail network. Year to date, a daily average of approximately 400 pedestrians and cyclists cross the bridge over Monroe Street from Cascades Park built by Blueprint. The Greenways and Bike Route System projects, funded and implemented through the Blueprint program, will continue to leverage and build on previous investments, with new projects like the Downtown-University Projected Bike Lane that will expand the local multimodal network. Adding to that successful investment in bike and pedestrian infrastructure, the Planning Department developed the Bike Route System Plan and coordinated with the Capital Region Transportation Planning Agency (CRTPA) on the bicycle and pedestrian master plan that identified projects that will be funded by Blueprint and other agencies.

Blueprint Infrastructure

Endorsed by Tallahassee-Leon County voters in 2000 and renewed in 2014 for a 20-year extension, the Blueprint Program executes large, transformative, and generational projects. These projects aim to enhance the Tallahassee-Leon County community through coordinated planning and construction of transportation, utilities, stormwater management, parks, greenways, and economic development programs, creating long-term sustainable growth and economic impact for the community.

During FY 2024, Blueprint had 13 projects in construction and has received nine awards from local, state, and national organizations recognizing the impactful projects being implemented across Leon County.

The Blueprint 2020 program began on January 1, 2020. Over the past decade, the Intergovernmental Agency Board prioritized the Blueprint 2020 Infrastructure projects, approved an implementation plan that includes bonding to advance key community projects, and directed the expedited construction of several critical projects. Blueprint is proceeding with the implementation plan as directed by the Intergovernmental Agency Board, which is moving numerous infrastructure projects and subprojects to construction by the end of FY 2025.

The Blueprint Intergovernmental Agency's proposed 5-year plan (FY 25 – FY 29) involves a \$777.6 million investment, with over \$400 million investment in the southside. By FY 2025, 25 of 27 Blueprint 2020 projects will be in progress.

These projects will provide approximately 123 bicycle and pedestrian improvements, 26 miles of roadway improvements, 74 miles of greenway projects, 27 miles of sidewalk improvements, 7 new public parks, and 342 acres of public space.

Office of Economic Vitality

The Office of Economic Vitality (OEV) conducted year-round business recruitment, outreach, and retention activities, leading to significant successes for our local economy including 9 projects, \$36.6 million in OEV commitments, \$302 million in leveraged investment, and 8,858 total jobs (direct/indirect/induced). OEV continued to certify Minority, Women, & Small Business Enterprise (MWSBE) firms, ensuring they are equipped and prepared to engage in business with Leon County, the City of Tallahassee, and the Blueprint Intergovernmental Agency. The team assisted Danfoss Turbocor® with its second expansion in Leon County, which culminated in a ribbon-cutting ceremony in June 2024 to celebrate the new 145,000-square-foot manufacturing facility that represents a \$62 million capital investment and creates over 100 new jobs. OEV supported the North Florida Innovation Labs (NFIL), a state-of-the-art, 40,000-square-foot business incubator that opened in 2024. NFIL is ramping up to create more than 600 full-time, high-quality jobs in the region and support more than 100 growing, early-stage companies. OEV launched a Strategic Site Inventory program to identify sites in Tallahassee-Leon County that are best suited for future economic development. OEV continued to host the annual Leon Works Expo event on April 12, 2024—connecting 500 high school students with 76 representatives from emerging skilled careers in healthcare, industry, creative, information technology, and beyond. As the lead entity for the Local Broadband Technology Planning Team (LTPT), OEV remained engaged with the local Internet Service Providers (ISP), Community Partners, and interested citizens to expand high-speed internet access to unserved and underserved areas in Leon County. To date, OEV and the LTPT have been successful in obtaining state and federal dollars to this end. The State has awarded \$6.5 million to support broadband expansion projects in Leon County's rural areas with total project costs representing \$15 million in new broadband investment over the next two years. At the Leon County Commission Meeting on June 11, 2024, the Office of Economic Vitality (OEV) presented the Fiscal Year 2023 Annual Minority and Women-Owned Small Business Enterprise (MWSBE) Expenditure Report. The report highlighted the effective utilization of minority-owned and women-owned businesses across various procurement categories.

Key findings from the report include:

- Leon County's total expenditures with minority-owned businesses (MBE) reached 215% of the aspirational target, amounting to \$1,962,547.
- Expenditures with women-owned businesses (WBE) achieved 404% of the aspirational target, totaling \$3,800,675.
- Overall, \$5,763,222 was spent with certified MWBE vendors in FY 2023.

The MWSBE Division will collaborate closely with the Purchasing Division to identify projects that can be reserved for Small Business Enterprises (SBEs), aiding these firms in building capacity and operating as prime contractors. Furthermore, during the pre-solicitation process, the OEV will work with project managers to identify scopes of work that can be unbundled from large projects, thereby creating additional procurement opportunities for SBEs to respond as prime vendors.

In conclusion, the Office of Economic Vitality's achievements in Fiscal Year 2023 underscore its commitment to fostering robust economic growth and inclusivity throughout Leon County. From substantial investments in local infrastructure and innovative business incubators to surpassing goals in minority and women-owned business expenditures, OEV has demonstrated proactive leadership and tangible results. Looking ahead, OEV remains dedicated to expanding opportunities for small businesses and enhancing the economic landscape for all residents, ensuring a prosperous future for Leon County and its communities.

2. (Q5) Implement the recommendations of the Citizen's North Monroe Street Task Force to reduce crime and improve conditions along the North Monroe Corridor. (2022-30)
3. (Q5) Building on the Citizens North Monroe Task Force Final report, host an intensive, multi-day design charrette to work with the community to identify and evaluate a variety of land use/planning strategies and other proposals for the continued improvement of the North Monroe Corridor area (2023-53)
4. (Q5) Develop an interactive community web-based tool that documents planned improvements, tracks investments, and identifies enhancement strategies for the North Monroe Corridor area. (2023-57)
5. (Q1) Design and construct the new Northeast Park. (2023-59)

GOVERNANCE

1. (G3) Host community outreach events on the Vision Comprehensive Plan Land Use and Mobility Elements Update to share information and solicit input from citizens, advocacy groups, and neighborhood representatives. (2024-83)
2. (G5) Continue to support updates to the Comprehensive Plan that encourage annexation of southside properties within the Urban Services Area. (2022-41)
3. (G5) Pursue Federal funding to provide broadband to underserved rural communities. (2022-42)

ACTIONS

ECONOMY

1. a) Blueprint held the FY 2024 Budget Workshop with the IA Board; presented proposed FY 2024 Capital Improvement Plan with draft project information schedule for Blueprint infrastructure projects. (Complete)
 - b) IA Board approved FY 2024 Budget provides over \$174 million in capital funding and FY 2024 - 2028 CIP that will provide over \$304 million, continuing the implementation of 32 key community projects across Leon County, including eight regional mobility, gateway, and placemaking projects, and provides \$49.5 million to the City and County for improvements to sidewalks transit and water quality. (Complete)
 - c) Blueprint will hold the FY 2025 Budget Workshop with the IA Board; will present the proposed FY 2025 Capital Improvement Plan with draft project information schedule for Blueprint infrastructure projects. (Complete)
 - d) Blueprint Infrastructure produces Quarterly Project Reports providing updates on all active projects, as well as project snapshots which are updated monthly on the Blueprint website. (Ongoing)
2. a) Adopted by the IA Board. (Ongoing)
 - b) Present two updates to the Board annually, with the Mid-Year Update provided in February and the Annual Update provided in September. (In Progress)
 - c) Completed Phases I and II of the Strategic Site Readiness Project to identify and protect inventory of remaining greenfield sites that are competitive for economic development. (Ongoing)
3. a) The subsequent policy revisions were submitted to the IA Board Spring 2023 and the County Commission immediately following the approval of the IA. (Complete)
 - b) The updated Consolidated MWSBE Policy will be presented to all three jurisdictions for respective policy analysis and future consideration for approval. OEV will continue to support the full integration of the B2GNow as the contract compliance software for all three jurisdictions. This integration is the final recommendation from the Strategic Plan and Disparity Study to complete the consolidation of all three programs. (In Progress)
4. a) The Magnetic Taskforce completed an agreement between the MagLab and Philips, one of the largest global MRI manufacturers, for assistance in researching and developing a new magnet design that will support Philips in marketing and deploying its products in less developed regions and countries. (Ongoing)
 - b) OEV and the MagLab are in conversations, led by MagCorp, with numerous organizations which supply electromagnets and high-temperature superconducting tape to the fusion generation manufacturers about potential research opportunities, collaborations, and possible manufacturing facilities in Tallahassee. (Ongoing)
 - c) Successfully attracted the 2025 MDSM Magnetics Conference to Tallahassee. (Complete)
5. a) As part of Mountain Bike Trails Master Plan, the County has constructed new biking trails and related infrastructure at various County sites, including the J.R. Alford Greenway, Apalachee Regional Park, and Debbie Lightsey Nature Park. (Ongoing)
 - b) The grand opening of Debbie Lightsey Nature Park was held on October 18, 2023. Blueprint anticipates procuring a design-build contract for the 2.2-mile single-track trail before the end of calendar year 2024. (In Progress)
6. In October 2023, OEV served as a Presenting Sponsor for the inaugural North Florida Worlds of Work. The event was held in Leon County with over 50 various industry leaders on hand to provide the participants with an immersive experience in a cross section of vocations and professions. More than 3,000 9th graders attended the event. (Ongoing)

7. On February 29, 2024, the Blueprint Intergovernmental Agency Board directed staff to initiate the design of improvements based on the approved Fairgrounds Master Plan. Scope of services for design is in process. (In Progress)
8. a) Legislative Priority proposal. (In Progress)
b) NACo Legislative Conference – Advocacy. (In Progress)
9. a) Blueprint has finalized the contract with Lochner for the Project Development and Environment PD&E study phase of the project. (Complete)
b) Construction of the Tharpe Street improvements has been accelerated by approximately seven years to FY 2030 and is fully funded at the reduced project cost estimate of \$49.5 million, as approved by the IA Board at the March 9, 2023, meeting. (In progress)
10. a) Leon Works: Each year, Leon County, OEV, and the Leon County School District team up to connect high school students to regional employers and educational institutions. The event aims to make the students aware of future educational and career opportunities in Leon County. (Ongoing)
b) Sponsored the inaugural North Florida Worlds of Work event in October 2023. (Complete)
11. a) Leon County continues to collaborate with Leon County high schools and community partner CareerSource to promote the Leon Works Junior Apprenticeship program. In 2023, with the Board's approval to expand the program's eligibility to include charter, private, and Leon County virtual school students, County staff expanded outreach efforts to additional high schools in Leon County and provided schools with updated posters and rack cards containing essential program facts and application information for display and distribution to students. (Ongoing)
b) Leon County participated in two high school Career Fairs. Godby High School hosted their Career Fair on February 9, 2024, which exposed 1,400 students to the Leon Works Junior Apprenticeship Program. Then on March 29, 2024, FAMU DRS hosted their FutureFest Career Fair that gave 200 students the ability to learn about the program. These events help to increase visibility of the program during the Fall application cycle. (Complete)

ENVIRONMENT

1. a) Public engagement initiated in September 2023 and ongoing through Spring/Summer 2024, including community meetings and surveys. Draft report anticipated in late 2024/early 2025. (In Progress)
b) RFP for a land use consultant released and reviewed. (Complete)
c) Consultant selection approved by Board and City Commission. Contract is in the process of being finalized with scope of work and overall project schedule. (Ongoing)
2. a) Status report on Phase 2A, which entails developing a Mobility Infrastructure Plan upon which new fees would be based. (Complete)

 b) Host an intensive multi-day charette to collaborate with the community, discussing and evaluating a variety of land use and planning strategies to further enhance the North Monroe Corridor area. (Complete)
 c) The Board accepted the Final Report at the February 20, 2024, Board meeting. (Complete)
4. Develop an interactive community web-based tool. (Complete)
5. a) At the August 24, 2023, IA Board Budget Workshop the IA Board approved a Northeast Park Concept with an estimated cost of \$12 million with the inclusion of playground shade structures and a concession stand, and access to the park from Centerville Road. (Complete)
 b) The Northeast Park is currently in design, which is expected to conclude in Quarter 3, 2024. (Ongoing)

GOVERNANCE

1. a) 2023 Public Engagement included the “Educational Roadshow” from September 18 to 20, Vision Survey from October through November, and Community Building blocks Survey from December 2023 to February 2024. (Complete)
 b) Community Engagement began Spring 2024. (In Progress)
2. a) Policies being developed as part of the Southside Action Plan. (Complete)
 b) Additional policies to be developed as part of the Land Use Element Update. (In Progress)
3. a) Local Technology Planning Team will continue to engage Internet Service Providers to present their ideas and solutions to address gaps identified in the analysis of the existing local broadband network. (In Progress)
 b) Agenda Item providing a status report on the efforts to develop a comprehensive Local Broadband Plan for Tallahassee-Leon County that will enable the community to take advantage of federal, state and other grant opportunities. (Ongoing)
 c) The State has awarded almost \$6.5 million to support broadband expansion projects in Leon County’s rural areas. Comcast reports that these grants combined with their own investments total \$15 million in new broadband investment coming over the next two years to provide broadband access to currently unserved areas in Leon County. (Ongoing)

BOLD GOALS & 5-YEAR TARGETS

Target: Grow the job market by 10,000 new jobs and co-create 500 entrepreneur ventures. (T2)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
New Jobs	7,100	5,895	1,300	1,900	TBD	16,195
Entrepreneur Ventures	208	80	100	480	TBD	868

Note: As of the completion of FY 2023, local employment grew by 12,995 jobs with the addition of 288 new entrepreneurial ventures being co-created locally, 129% and 58%, respectively, of the County’s five-year Target. An entrepreneurial venture is a new business formation that is in the early stages of getting capitalized and then developing, organizing, and managing a business toward initial profitability. New entrepreneurial ventures are reported to OEV by partner organizations such as Domi Station and Innovation Park. In addition, the total new jobs reported under this Target is based upon the Local Area Unemployment Statistics (LAUS) published by the Department of Economic Opportunity (DEO) which is published on an annual basis.

Target: Connect 7,000 students to skilled job opportunities through Leon Works and other talent development initiatives. (T3)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Students Connected	3,426	750	1,500	3,000	TBD	8,676

Note: Since the start of FY 2022, over 5,500 students have been connected to skilled job opportunities, 79% of the County's five-year Target. This progress was achieved largely in part to the County's addition of the Leon Works Fall Preview hosted virtually in the Fall of 2021. This only reflects the number of students connected to skilled job opportunities by the Office of Economic Vitality through the Leon Works Expo. Other program areas, such as Emergency Medical Services and Human Resources also connect students to skilled job opportunities.

Target: Increase the number of certified MWSBE's by 30% (T4)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
% Increase in # of MWSBE's	6%	8%	10%	10%	TBD	34%

Note: While there has been a decrease in the total number of MWSBE recertifications, the OEV MWSBE Division continues its efforts to grow the number of new certified MWSBEs in Leon County. Since the start of FY 2022, OEV has achieved 97 new MWSBE certifications, 56% of the County's five-year Target.

Target: Construct an additional 90 miles of sidewalks, greenways, trails, and bike lanes. (T11)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Sidewalk/Greenway/Trail/Bike Lane Miles	1.18	16.62	14.33	12.86	TBD	44.99

Note: This only reflects the number of miles constructed by Blueprint. Other program areas, such as Parks & Recreation and Public Works Engineering, also contribute to this target.

***Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.**

Performance Measures					
Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimates	FY 2025 Estimates
	Number of Land Use Applications Processed, including Site Plans, Text Amendments, Subdivisions, Plats, etc. (City and County) ¹	309	246	175	250
	Number of Rezonings, PUDs Reviewed (County & City) ²	16	12	14	15
	Number of Comprehensive Plan Amendments Analyzed and Processed (County & City) ³	7	7	9	8
	Number of new dwelling units reviewed and/or approved (City and County) ⁴	1,533	2,464	1,200	1,600
	Number of Non-Residential sq. ft. reviewed or approved (City and County) ⁵	1,782,007	580,333	1,400,000	1,500,000
	Number of Planning Commission Public Hearings ⁶	8	8	8	8
	Number of GIS Layers Maintained ⁷	48	48	50	47
	Number of public workshops/Listening sessions/Neighborhood meetings ⁸	55	43	24	35
	Number of committee meetings (Ex: Canopy Road, Water Resources, Joint Bicycle Workgroup, etc.) ⁹	36	17	28	20
	Number of CONA & ATN Meetings ¹⁰	0	1	1	5
 	Number of direct mail notices ¹¹	16,019	8,827	30,469	12,000
 	Number of web postings or updates ¹²	212	212	40	50
 	Number of Newspaper Advertisements (Average 2 – 3 per month) ¹³	21	21	27	20
  	Number of Site Layout and Urban Design Assistance projects ¹⁴	140	159	101	160

Notes:

1. The number of development applications received is driven by external economic factors including the market demand in new development. There was an increase in FY 2022 attributed to market responses to the housing shortage and state and federal housing incentive programs. This leveled off in FY 2023. The projections for 2024 are lower because of an anticipated market cooling resulting from higher interest rates and higher construction costs.
2. The total number of rezonings, including Planned Unit Developments (PUDs) and PUD amendments, are reflective of the real estate market and development demand. Estimates are based on historical numbers, meetings with potential applicants, and the number of site layout and urban design assistance projects (see metric above) that often identify the need for a rezoning.
3. The Division analyzed seven Comprehensive Plan Amendments in FY 2023. There are additional Comprehensive Plan Amendments projected in FY 2024 because changes to Florida Statutes required policies in the Comprehensive Plan to be amended. FY 2025 is projected to be similar to previous years with most amendments being market driven with at least one text amendment being policy driven.
4. For FY 2023, the total number of new dwelling units approved increased 60% from FY 2022, in response to increased housing demand and favorable market conditions. Of those units 305 were County and 2,159 were City. The estimates for FY 2024 and FY 2025 are lower than FY 2023 because of anticipated market response to increased interest rates and construction prices.
5. New commercial square footage was lower than FY 2023 estimates, due to higher investments by developers in residential markets. In addition, FY 2022 actuals were higher than average due to the construction of the 634,812 square foot Amazon Fulfillment Center. The projections for FY 2024 and FY 2025 are anticipated to increase based on tracking major ongoing and proposed developments.
6. Planning Commission Public Hearings are typically held monthly except January, which is generally reserved for the workshop on proposed Comprehensive Plan amendments. Public Hearings are not held if no rezoning or Comprehensive Plan amendment is proposed for a given month. This metric has been updated to reflect the total number of Public Hearings held at Planning Commission meetings, rather than the total number of Planning Commission Meetings held, where there were Public Hearings.
7. The Division maintained 48 Geographic Information System (GIS) layers in FY 2023. This number is projected to increase in FY 2024 with the addition of an Urban Service Area History and a Future Land Use Map History layer. In FY 2025, the number is projected to decrease due to the City's Growth Management Department taking on the maintenance of three of their layers previously maintained by Planning.
8. The number of public workshops, listening sessions, and neighborhood meetings varies depending on the nature and quantity of projects and the request received from neighborhoods to attend or host meetings on these projects.

9. Several committee meetings are application-driven (e.g. the committee meets when applications are received for projects that need to be reviewed by the committee or that staff needs input from a focus group). The timing of applications for projects needing to be reviewed by the Planning Commission, Water Resources Committee, and Canopy Roads Citizens Committee resulted in a lower number of committee meetings with the committees reviewing more projects at the meetings to increase organizational efficiencies.
10. Meetings with neighborhood organizations such as Council of Neighborhood Associations (CONA) and the Alliance of Tallahassee Neighborhoods (ATN) vary depending on the number of requests received from these groups to meet. In FY 2023, neighborhood organizations, including ATN and CONA, were invited to participate in broader neighborhood engagement, such as the Comprehensive Plan Educational Roadshow meetings in September 2023, and others, in which members of ATN were in attendance. The number of CONA and ATN meetings is anticipated to increase in FY 2025 as a result of public engagement on the Land Use and Mobility Elements of the Comprehensive Plan.
11. The number of direct mail notices fluctuates because it is dependent upon the location of the application property and the number of properties within 1,000 ft of subject properties. The number of direct mail notices is anticipated to increase in FY 2024 because of PUD amendments in Southwood, which would result in larger than average numbers of notices being mailed due to the density of the area.
12. The large number of web postings and updates in FY 2022 and FY 2023 were due to the Southside Action Plan and North Monroe Corridor Plan project. Website postings are largely project dependent and can vary significantly year over year.
13. The number of advertisements is projected to remain consistent in the outyears.
14. Design consultations provided through the DesignWorks Division of the Planning Department. Tracking of site assistance consultations began in 2016 and continues to grow as demand for services increases in response to positive customer experiences and word-of-mouth reviews.

The Planning Department budget represents the County's share of the Planning Department costs. For budgeting purposes, Planning Department employees may choose either County or City benefits. The personnel budget reflects a 0.5 full time equivalent employee (the Director of PLACE) opting for County benefits. The remaining budget includes the County's share of rent for the Planning Department office space and the County's share of the Planning Department's operating budget, including funding for the County's share of personnel cost. As part of the interlocal agreement for the joint County City Planning Department, the County's share of the Planning Department's budget is 32.9%. This is based on the percentage of Leon County residents living in the unincorporated portions of the County.

The major variances for the FY 2025 Planning Department budget are as follows:

Increases to Program Funding:

1. County share of operations to the City.

Decreases to Program Funding:

1. Costs associated with multiple employees opting for City benefits.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Management and Budget Executive Summary

Management and Budget section of the Leon County FY 2025 Annual Budget is comprised of the Office of Management & Budget and Risk Management.

The Office of Management & Budget provides financial management and guidance to the Board, County Administrator, and other departments. Risk Management manages the County's activities in an effort to minimize total long-term costs associated with accidental losses.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the Office of Management and Budget Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

The Office of Management & Budget (OMB) developed a balanced Operating and Capital Improvement Program budget on behalf of the County Administrator, as adopted by the Board. The annual Operating and Capital Improvement Program, and Budget in Brief are available on the County's web page. To advance Strategic Initiative (2022-39), the budget realized more than \$12.2 million in new cost savings and cost avoidances, including leasing space to support the Leon County Sheriff's Office reentry and crime prevention programs rather than constructing new office space, saving \$11.3 million; Performing preventative maintenance and certain repairs in-house by Facilities Management, saving \$396,000; To support the expanded Street Lighting Program, the Leon County Engineering Services Division completed the design for 18 intersections and 15 school bus stops in-house, saving approximately \$120,000. OMB received the Government Finance Officers Association of the U.S. and Canada's Distinguished Budget Award for the 34th consecutive year.

Risk Management continues to strive to protect the County against the financial consequences of accidental losses by establishing, implementing, and monitoring a cohesive county-wide safety program. Reduced accident and injury rates have a direct correlation to insurance premiums paid to protect the County's resources. To safeguard the safety and well-being of Leon County employees, Risk Management continues to enhance and foster a culture of safety, working together with Departments to identify workplace hazards and develop innovative training programs. Risk Management coordinated twenty safety training sessions, including a Defensive Driving course, and conducted monthly site visits. The Florida Municipal Safety Excellence Initiative presented a Certificate of Safety Recognition to Leon County Risk Management in recognition of outstanding achievements in Safety Excellence. Additionally, Leon County was nominated for the 2023 Florida Municipal Insurance Trust Partnership Award. National Association of Counties recognized Risk and Safety Management Enhancements with a 2024 achievement award.

Notes:

1. The number of Workers' Compensation claims is projected to remain flat in FY 2024 and FY 2025. To reduce workers compensation claims, the Division has broadened safety measures, resources, tools, and training opportunities to promote safety in the workplace.
2. In FY 2023 training increased due to the update of the Guide to Workplace & Health Safety manual. For FY 2024 and FY 2025, an estimated 20 safety training and health events will be provided at 12 separate locations. In a continuous effort to advocate and promote a culture of safety, Risk Management strives to enhance, increase, and support a variety of safety trainings that reflect County needs.
3. Annually the Division provides a Defensive Driving Course to refresh, train, and promote safe driving habits in the workplace. This concerted drive is to minimize At-Fault claims within the County.
4. The Safety Committee, now recognized as the Safety Advisory Group, continues to meet monthly, with a new approach to lead, promote, and advocate a culture of safety by serving as a hub of information, education, resources, and support.
5. Risk Management conducts random DOT drug testing in accordance with 49 CFR 382.305. FY 2024 and FY 2025 estimates are expected to remain level.
6. In 2023, Risk Management became a member of the National Safety Council and implemented a new Safety software program, Safety 101, which captures and documents all inspections, trainings, certifications, etc. Instituted a new Safety Charter, the Safety Advisory Group will assist in conducting various site inspections in FY 2025.
7. In FY 2024 the Division introduced several different types of safety correspondences, such as Toolbox Talks, intra updates, etc. to promote safety awareness to all county employees.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Division of Tourism

Executive Summary

The Division of Tourism, also known as Visit Tallahassee, promotes the Tallahassee-Leon County area through tourism advertising, marketing, public relations, direct sales (sports, meetings & conventions, leisure groups), visitor service functions, and marketing research. This Division is fully funded by the Tourist Development Tax (TDT) collections in Leon County.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. The Division of Tourism's FY 2022 – FY 2026 Tourism Strategic Plan and annual Marketing & Sales Plan communicates the continued alignment of the Board's economic goals, strategic priorities and initiatives with the Division's actions and performance measures. The Tourism Strategic Plan was approved by the Leon County Tourist Development Council and the Board of County Commissioners in FY 2021-2022 and the annual FY 2024-2025 Marketing & Sales Plan was recently approved by the Leon County Tourist Development Council.

HIGHLIGHTS

The Division of Tourism continues its strong rebound following the devastating impacts of the COVID-19 pandemic. Tourist Development Tax collections are expected to continue to exceed pre-pandemic levels and show significant year-over-year rebound due to travel patterns normalizing. Tourism has completed the utilization of \$750,000 in American Rescue Plan Act Grant Program (ARPA) funding to further assist in tourism recovery efforts. The Division's goals and tactics are all aligned with the Bold Goal of generating \$5 billion in economic impact over the next five years and accomplishing four major Strategic Priorities along with numerous target initiatives. With events rebounding, \$700,000 in Tourism Grant funding was awarded to support 125 festivals and events in FY 2024 which included a 2nd grant cycle for Bicentennial events. The Division continued its activation of the County Concert Series at the Adderley Amphitheater hosting 8 concerts – Gipsy Kings, Travis Tritt/Kenney Wayne Sheppard, The Revivalists, Melissa Etheridge, The Flaming Lips, George Thorogood/38 Special, and a two (2)-day Jubilee Gospel Festival with concerts both Friday and Saturday nights. Additionally, Tourism sponsored the Bicentennial Countdown Downtown New Year's Eve Concert at the Adderley Amphitheater in partnership with the Tallahassee Downtown Improvement Authority.

Sports Tourism continues to demonstrate solid growth in Leon County as staff strategically targets more diverse sporting events including the Tallahassee Open Disc Golf Championship in the Spring of 2024. With eight (8) major events taking place in the fall of 2023, FY 2023-2024 was the largest cross-country season to date as the County's Apalachee Regional Park welcomed over 8,300 runners and coaches and approximately 23,000 attendees. The division hosted the Florida High School Athletic Association (FHSAA) Cross Country State Championships for the 12th consecutive year. Meetings and Conventions in the destination continue to grow with diverse events such as the Florida Comic Con, the Alpha Kappa Alpha Cluster Meeting and Embrace World Cultures-Tallahassee Raqs Music and Dance Day. Tourism expanded its strong partnership with FHSAA hosting all 9 FHSAA State Football Championship Games for the first time ever, as well as the 3rd annual Beach Volleyball State Championship. The division also participated in the World Athletics "Future Organizers" program at the 2024 World Athletics Cross Country World Championships in Belgrade, Serbia and announced Tallahassee as the 2026 World Athletics Cross Country World Championships host site.

Focusing on the strategic initiative for promoting trails and mountain biking experiences, the Division continues efforts to seek the International Mountain Biking Association (IMBA) Ride Center ® designation by securing the services of Rock Solid Trail company to create a "Master Plan" and with support from community partners and the continued enhancement of, a dedicated website, MBTallahassee.com, highlighting Tallahassee's mountain bike experiences.

Tourism kicked off the Bicentennial year with a New Year's Eve celebration December 31, 2023, with the Bicentennial Countdown Downtown concert and in January hosted Bicentennial Day at the Capital, with Declarations from the Florida House and Senate and a large public event in the Capitol Courtyard. In addition to hosting and supporting more than 50 events thus far through April 2024, and events and programming are scheduled to continue throughout 2024. There have been hundreds of people actively serving across the Bicentennial Steering Committee, six (6) Task Forces and 10 work groups. The Bicentennial website launched in 2023 and has continued to grow with event listings and content.

The Division of Tourism/Visit Tallahassee continues to serve visitors in the market with two high-traffic locations: Cascades Park and the restored Train Station on Railroad Avenue. The Railroad Avenue Visitor Information Center, in partnership with Domi Station and COCA, has created and hosted a "Stop at The Station" event on the first Friday of each month beginning in December of 2023, offering diverse programming and entertainment, highlighting local artists and makers, drawing diverse crowds, and educating the public about destination and the visitor information services provided by Leon County Tourism.

BOLD GOALS & 5-YEAR TARGETS

Bold Goal: Grow the five-year tourism economy to \$5 billion. (BG1)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Tourism Economic Growth (billions)	\$1.15	\$1.25	\$1.29	\$1.31	TBD	\$5.00

Note: Leon County currently contracts with the research firm Downs & St. Germain for tourism research services, including determining the annual tourism economy. In FY 2022, Downs & St. Germain estimated the total economic impact of tourism in Leon County at \$1.15 billion. In FY 2023 Downs & St. Germain estimated the total economic impact of tourism in Leon County at \$1.25 billion. For the first two quarters of FY 2024, Downs & St. Germain has estimated the economic impact of tourism in Leon County at \$671 million, which brings the total tourism economy over the last two and a half years to \$3.07 billion, 61% of the County's five-year Bold Goal.

Target: Attract 100 state, regional, or national championships across all sports. (T1)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Championships Attracted	16	16	20	16	TBD	68

Note: The Division of Tourism's continued success with sporting event bidding, leveraging community assets related to sports tourism, and strengthening partnerships with local universities, clubs and community organizations, drives the County's progress in securing and hosting youth and adult sport competitions. In FY 2022, 16 championship sporting events were held in Leon County, with an additional 16 events held in FY 2023. Since the start of FY 2024, 18 championship sporting events have been held bringing the total to 50 championships since the start of the County's five-year plan, 50% of the County's five-year Target. Events hosted in FY 2024 include all nine divisions of the Florida High School Football Association State Championships, the Southwestern Athletic Conference and Atlantic Coast Conference Cross Country Conference Championships, Amateur Athletic Union National Cross-Country Championships, and USA Track and Field Cross Country Championships, among others.

Target: Support 900 community events, sporting competitions, festivals, performances, and cultural programming. (T10)

	Hotel Occupancy ⁵	61.2%	62%	63%	64%
	Hotel Revenue (millions) ⁵	\$158	\$170	\$174	\$176
	Percent Change in Hotel Revenue ⁵	48.8%	7.6%	2.4%	1.1%

Notes:

1. The per penny Tourist Development Tax revenue increased by 7.9% in FY 2023, and anticipated collections will increase by an estimated 15.1% in 2024. FY 2025 is expected to slow and normalize in comparison to prior years due to a settling of travel demand, inflation, and business travel not being expected to fully rebound until post-2024.
2. The total number of visitors to Leon County is projected to increase by 1.7% in FY 2024. The recent success of the Florida A&M and Florida State University football teams, and hosting additional concerts, meetings and sports events contributed to this increase.
3. Leon County contracts with the consulting firm Downs & St. Germain Research to determine the direct visitor economic impact to Leon County. The analysis considers hotel occupancy, reason for visit, origin market, and visitor spending per day (such as accommodations, restaurants, shopping, entertainment, transportation.) In FY 2024, the economic impact is projected to be \$1.28 billion, a 2.5% increase from FY 2023.
4. The number of tourism related job is projected to increase by 2.7% in FY 2024. As is the case throughout the country for the last several years, while improving, Leon County is still facing labor shortages in the hospitality industry especially. Maintaining employees in many industries across the U.S. continue to be impacted, including tourism and hospitality, as workforce participation remains below pre-pandemic levels.
5. The increased inventory of hotel rooms and higher room rates contributed to the increase in projected hotel occupancy and revenue in FY 2024.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Office of Public Safety

Executive Summary

The Office of Public Safety section of the Leon County FY 2025 Annual Budget is comprised of Emergency Medical Services and Animal Control.

Emergency Medical Services provides emergency medical services to all residents and visitors of Leon County. Animal Control provides humane education, prevention, and enforcement programs for the citizens and domestic animals in the unincorporated areas of Leon County.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the Office of Public Safety Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

Emergency Medical Services (EMS) continues to provide award-winning services through the delivery of cost-effective emergency treatment and transportation of the sick and injured, resulting in improved patient outcomes and decreased mortality. EMS has maintained accreditation through the Commission on Accreditation of Ambulance Services (CAAS) which requires meeting strict national standards of excellence that signify EMS has met the "gold standard" of providing ambulance service. Meeting CAAS standards results in strengthened community confidence in the quality and safety of care, treatment and services provided by EMS. The EMS Division was recognized by the Florida Department of Health as the Florida EMS Provider of the Year. In addition, the Division was recognized by the American Heart Association with the Mission Lifeline Gold Plus EMS Award for exceeding national standards on the care of heart attack and stroke patients. EMS implemented the use of ultrasound and the delivery of whole blood in the field to ensure Leon County paramedics are providing the best available emergency care to the community.

The EMS Division continued to invest in our members by successfully implementing an EMT to Paramedic training program by sponsoring and supporting current EMTs in completing paramedic training. This program has provided the Division most of the new paramedics brought on during the year. Current members were supported through providing resilience resources in partnership with the 2nd Alarm Project.

The EMS Division's annual "Press the Chest" CPR community training event trained hundreds of citizens in CPR at one time. EMS continued to provide support to Honor Flight and assisted in taking veterans to visit their memorials in Washington, D.C. EMS continues to provide critical care paramedic ground transport services, transporting seriously ill patients between healthcare facilities, with specially trained and credentialed paramedics that are Critical Care Paramedic-Certified by the International Board of Specialty Certification. EMS continued to provide tactical paramedics as a part of the Sheriff's Office Special Weapons and Tactics team. In FY 2024, EMS partnered with Tallahassee State College to offer a one-year EMT certification program to Godby High School seniors and seven students are expected to complete the program. Partners intend on extending the program into the next school year. The addition of six (6) new positions in FY 2025 will allow EMS to maintain current service levels and ensure adequate resources are available for the increased demand for services.

Animal Control is responsible for enforcing state and local ordinances concerning matters such as stray animals, rabies control, animal cruelty, and dangerous animals in the unincorporated areas of the County. Animal Control also provides training through the conduction of the animal bite prevention and safety program and advocates for the altering of animals to decrease pet overpopulation through educational programs and the distribution of vouchers for free or low cost spay and neutering of animals. Animal Control is also responsible for administering the \$71,250 injured wildlife contract for St. Francis Wildlife services.

BOLD GOALS & 5-YEAR TARGETS

Target: Connect 7,000 students to skilled job opportunities through Leon Works and other talent development initiatives. (T3)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Students Connected	344	160	250	265	TBD	1,019

Note: Since the start of FY 2022, over 5,500 students have been connected to skilled job opportunities, 79% of the County's five-year Target. This progress was achieved largely in part to the County's addition of the Leon Works Fall Preview hosted virtually in the Fall of 2021. This only reflects the number of students connected to skilled job opportunities by EMS through internships and the EMT to Paramedic Trainee Program. Other program areas, such as Human Resources and the Office of Economic Vitality also connect students to skilled job opportunities.

***Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.**

ST-Elevation Myocardial Infarction (STEMI) is a serious type of heart attack during which one of the heart's major arteries is blocked.

Notes:

- In FY 2023, the Division experienced a 6% increase in the number of requests for service over the previous fiscal year. The total number of requests for service represents the busiest year on record for the division. Based on historical trends, the number of calls is anticipated to increase significantly in FY 2024 and FY 2025.
- Actual transports to the hospital increased by 6% in FY 2023, corresponding to the similar increase in requests for service. The number of transports is projected to increase consistent with calls for service.
- In FY 2023, the Division provided 91 public education and injury prevention programs to community groups to reduce the overall community health risk. The increase in the number of events, as well as citizen participation, was indicative of a return to pre-COVID-19 public event levels.
- The number of AEDs in the community registered with the Division increased to 1,375 or 9% in FY 2023 due to continuing efforts to get new and existing AEDs registered. The number is anticipated to steadily increase in FY 2024 and FY 2025.
- Based on Leon County EMS criteria, paramedics correctly identified 99% of trauma alert patients in FY 2023. This trend is expected to continue in FY 2024 and FY 2025.
- Based on Leon County EMS criteria, paramedics correctly identified 95% of stroke alert patients in FY 2023. This trend is expected to continue in FY 2024 and FY 2025.
- Patients experiencing a myocardial infarction were identified correctly 100% of the time in FY 2023. Accurate assessment of a heart attack by paramedics results in faster in-hospital times and corresponding improved mortality rates. This trend is expected to continue in FY 2024 and FY 2025.
- Paramedics continue to transmit 97% of EKGs identified to the receiving hospital due to on-going emphasis on quality control activities and technology improvements used during transmission. This trend is expected to continue in FY 2024 and FY 2025.

Emergency Medical Services (135-185-526)

The major variances for the FY 2025 Emergency Medical Services budget are as

follows: Increases to Program Funding:

1. Costs associated with the County's portion of retirement rates passed by the Florida Legislature, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees.
2. Addition of six positions to maintain current service levels and ensure adequate resources are available for the increased demand for services.
3. Special day and extra shift stipends to incentivize staff to work extra shifts during critical staffing periods, in addition to costs associated with employee training and continuing education.
4. Inflationary costs associated with EMS contracts, medical supplies, and repair and maintenance of equipment.
5. Costs associated with the County's sponsorship with Tallahassee State College to offer children safety workbooks for Annual TSC Heroes in Public Safety Event, in addition to new bikes in support of bicycle pedestrian safety initiatives.

Animal Control (140-201-562)

Goal	The goal of the Division of Animal Control is to improve the well-being of citizens and animals through humane education, prevention, and enforcement programs for the citizens and domestic animals of Leon County.
Core Objectives	<ol style="list-style-type: none"> 1. Assist the Health Department with Rabies prevention and control in the county's unincorporated and incorporated areas. 2. Patrol for stray, nuisance, or dangerous animals including humane trapping. 3. Investigate allegations of neglect or cruelty to animals and resolve complaints. 4. State designated agency for coordination of local Animal Disaster Relief/Recovery Plan. 5. 24-hour emergency rescue and medical care of sick, diseased and/or injured domestic animals. 6. Conducts Animal Bite Prevention Program and other community outreach programs for children and adults in the county's unincorporated and incorporated areas.
Statutory Responsibilities	Leon County Code of Laws, Chapter 4 "Animals"; *Florida Statute Chapter 828 "Animals; Cruelty; Sales; Animal Enterprise Protection" *Florida Administrative Code, Chapter 64D-3 "Control of Communicable Diseases and Conditions Which May Significantly Affect Public Health" *Florida Statute, Chapter 767 "Damage by Dogs" *Florida Statute, Chapter 585 "Animal Industry" *Florida Statute, Chapter 588 "Legal Fences and Livestock At Large"
Advisory Board	Dangerous Animal Classification Committee (Leon County Code of Laws, Chapter 4, Section 4-93 (g)) Leon County Advisory Committee (Leon County Code of Laws, Chapter 4, Section 4-32)

Performance Measures					
Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate
	Maintain customer complaint rate at 5 per 1,000 calls received ¹	.02	.005	1.00	1.00
	Number of citations issued ²	111	127	150	130
	Number of field service calls (service calls including follow-ups) ³	4,126	3,761	4,000	4,000
	Return 7% of lost pets to their owners annually ⁴	19%	15%	7%	7%
	Reduce field impounds at the Animal Shelter by 3% annually ⁵	16%	25%	22%	19%

Notes:

1. As part of Leon LEADS Core Practices Initiative, a strong emphasis was placed on customer satisfaction training.
2. The Division has continued a practice that emphasizes education and assistance prior to formal enforcement. Despite these efforts, owner compliance has decreased resulting in an anticipated increase in citations issued in FY 2024.
3. The number of field service calls decreased in FY 2023 due to an increase in assisting citizens when initially answering the phone. In FY 2024 and FY 2025 calls are expected to remain level.
4. The division returned 15% of lost pets in the field in FY 2023, which is directly related to owners utilizing microchips and identification tags. The FY 2024 and FY 2025 estimates decrease as the number of animals impounded in the field is expected to decline.
5. The Division experienced a 25% increase in field impounds in FY 2023, as more citizens face financial constraints. The Animal Shelter has seen a steady increase in the number of stray animals, owner surrenders, and animal cruelty impounds. There were 573 field impounds in 2022 and 717 in 2023. The number is anticipated to remain constant in FY 2024 and FY 2025.

»» Office Library Services

Executive Summary

The Office of Library Services section of the Leon County FY 2025 Annual Budget includes Library Policy, Planning & Operations and Library Public Services. Library staff members offer services to library users and the public throughout the library system, with specialized services available at the Main Library.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the Office of Library Services' Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

The Essential Libraries Initiative (ELI) continues to focus on serving the residents of Leon County as set by the strategic plan. As recipients of the Emergency Connectivity Fund grant from the Federal Communication Commission (FCC), the Library was able to increase access to reliable technology with the launch of Chromebooks and Chromebook/Hotspot Bundles for checkout to help bridge the digital divide. Over 23,000 patrons were assisted on an individual basis with technology or computer questions. The Library developed a Computer Basics multi-session program that included topics like how to use a mouse and keyboard, internet basics, email, mobile devices, and recognizing spam and scams. These computer classes have been held at three locations to date and will continue to expand to other branches. In addition to the computer classes, Tech Explorers 101 gives patrons the opportunity to work one-on-one with Library staff on challenges like setting up a new cell phone and creating an email address. The Outreach Department also began offering monthly one-on-one tech assistance to patrons living in residential facilities in collaboration with the Library's Extension Services.

Demand for digital resources continues to increase, and the Library expanded its digital footprint to better meet patron needs. The Library increased on-demand access to ebooks, audiobooks, video streaming, and music offerings by 1.4 million through Hoopla. With the launch of the New York Times, patrons can access domestic, national, and international news by journalists from more than 150 countries. To further meet the lifelong learning needs of residents, the Library introduced Mango Languages, an online language learning software program that offers more than 70 world languages and over 20 English courses.

The Big Read grant is awarded by the National Endowment for the Arts, and the Library participated in the program in 2009, 2010, 2019, 2020, and 2021. Programs for the 2024 NEA Big Read Andrew Krivak's *The Bear* brought the community together with activities that highlighted themes of lost history, the importance of storytelling, and respect for nature and natural resources. The Library incorporated a Little Read with *The Hike* by Alison Farrell, a picture book that takes children on a hiking adventure. This program series included stargazing events with the Tallahassee Astronomical Society, a virtual talk with the author, book club discussions at all library locations, and placed copies of *The Hike* in all three Wander and Wonder trails. Partnering with the Tallahassee Writer's Association, the Library held a writing workshop that explored how a single object can have the power to kindle a story, and hosted Misty Penton, the Tradition Keeper and Storyteller for the Muscogee Nation of Florida, White Earth Tribal Town for a Library lecture titled *Keeping History Alive: The Power of Tradition and Storytelling*. Through *Wilderness Discovery: Explore Nature and Those Who Serve It*, attendees explored the great outdoors with an educational hike led by Mark Tancig, Extension Agent for UF/IFAS Leon County Extension Office and also connected with a variety of professionals who work outdoors.

In 2022, the Library hired a Community Resource Specialist (CRS) who worked diligently to develop the social worker's role within the Library. While still in its infancy, the Community Resources Specialist provided one-on-one assistance to patrons at multiple locations with food insecurity challenges, housing, healthcare, workforce, and other various needs. In addition to providing individual patron help, the Community Resources Specialist developed partnerships with a variety of community-based agencies to provide their services on a monthly basis inside the library, eliminating transportation barriers for many patrons. Some of these services include Lawyers in the Library, insurance application assistance, and developmental screenings for young children.

Notes:

- The total number of library visits includes door counts (in-person visits), curbside service, online catalogue, and website visits. Digital access is estimated to account for 48% of total “visits” in FY 2025.
- Along with print material, the library collection is showing a steady increase with non-traditional items such as tablets preloaded with Library apps. The Library is constantly reviewing materials and circulation statistics to ensure the collection is current and mirrors the community. The digital collection includes Hoopla, a streaming service that includes eBooks, audiobooks, television, music, and movies, as well as ebook and audiobook platforms Libby and Boundless (formerly Axis 360).
- This performance measure varies year-to-year based on circulation trends as under-used materials are replaced with new items. This measure includes traditional (books and digital content) and nontraditional (Library of Things, hotspots, etc.) library materials. Hoopla and New York Times launched in FY 2023, and tablets were added for checkout in the second quarter of FY 2024, so circulation is anticipated to increase in FY 2024 and FY 2025.
- Computers are offered at all library locations which enable patrons to search and apply for jobs, conduct research, browse the web, and complete other tasks that require internet and software access. Additionally, laptop checkout allows for computer usage throughout the library, giving patrons the opportunity to work in tutor rooms or other spaces on the floor independently. Public internet use is expected to decrease by 3.5% in FY 2025; however, is still an in-demand resource for the community.
- The Community Resources Specialist connects people with available social services; these services include housing, workforce development, legal aid, food insecurity, and utility assistance. The Community Resources Specialist also assists with programming and organized Stories and Screenings, grief and loss programs, and monthly assistance through community partners. There is an estimated increase in one-on-one assistance between FY 2024 to FY 2025. The Community Resources Specialist is planning to provide a higher number of targeted programs to reach more people while increasing the number of community partners providing direct services within the library.
- Technology and digital assistance continue to be a popular area in which patrons need assistance. Library staff field a high number of technology help questions. The Library hosted basic computer classes at different locations and tech device assistance during FY 2024.
- The number of programs held is projected to increase by 2% and attendance is anticipated to increase by 5%, including both in-person and virtual events, such as Stargazing, an Expungement Clinic, Reading Journal Club, and a Multi-generational Workforce Lecture.
- The number of cardholders shows a steady increase due to additional community outreach. There were 23,446 patrons purged January 2024 due to three years or more of inactivity resulting in a projected reduction in cardholders for FY 2024. Inactive patrons were last purged in 2021 and will be removed on a yearly basis moving forward. Bicentennial Edition library cards launched in January 2024, and have given out over 1,600 in the first three months.
- Meeting room space is available at all Library locations for patrons to reserve and range from larger program spaces to smaller study rooms. It is estimated that meeting space will be booked for 20,000 hours during FY 2024 and increase in FY 2025 to 23,000 based on current trends; however, renovation at the Main Library could impact FY 2025 bookings.
- Homework Hub offers both virtual and in-person assistance to students at no cost and directly supports the ELI. The Library offers other programs and workshops related to assisting K-12 students with schoolwork throughout the year. Marketing efforts increased for Homework Hub, and the program is anticipated to see a 13% growth. Homework Hub volunteer numbers have decreased in the last fiscal year; however, staff are actively working to engage new volunteers.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Office Intervention & Detention Alternatives Executive Summary

The Office of Intervention & Detention Alternatives section of the Leon County FY 2025 Annual Budget is comprised of County Probation, Supervised Pretrial Release (SPTR), Drug and Alcohol Testing, and managing the funding contract for the Juvenile Assessment Center, Domestic Violence Coordinating Council, and other related division contracts.

The Office of Intervention & Detention Alternatives (IDA) assists in jail population management and court ordered monitoring activities. Probation supervises and monitors offenders' compliance with court ordered sentencing conditions. Supervised Pretrial Release provides defendant monitoring and enforcement of court-ordered conditions of jail release. Drug & Alcohol Testing administers court-ordered urinalysis and alcohol testing to County Probation offenders and SPTR defendants.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the Office of Intervention & Detention Alternatives Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

The Office of Intervention & Detention Alternatives provides staff support to the Public Safety Coordinating Council (PSCC), which focuses on jail population management and recidivism issues. In addition, this Office is responsible for the County functions related to the "Dori Slosberg Driver Education Safety Act," contract management for DISC Village for the Juvenile Assessment Center and the Domestic Violence Coordinating Council receiving Outside Agency Funding, The Juvenile Civil Citation Program, and liaison functions with the State Attorney, Public Defender, law enforcement, and the Courts.

In FY 2021, the Board allocated \$100,000 in support of programs and initiatives to assist all citizens in attaining a better quality of life and reducing factors which may impact criminal activity. In July 2021 the Board approved the PSCC's recommendation to utilize the allocation to create a Landlord Risk Mitigation Fund (LRMF). This program was designed to incentivize landlords, through a financial safety net, to make affordable housing available to individuals who would otherwise be considered "high-risk" due to low income, negative rental histories, and criminal records. The LRMF Program was developed through the County's Housing Department with criteria to ensure the allocated funding is utilized for individuals released from the Leon County Detention Facility. Expanding housing programs for this population improves housing stability and reduces recidivism among returning citizens.

The Supervised Pretrial Release Program (SPTR) is Leon County's primary resource to provide alternatives to incarceration and to help manage the inmate population. Although the SPTR Program is administered through OIDA, the Chief Judge of the Second Judicial Circuit establishes the rules and guidelines to ensure its efficient operation in serving the courts. In 2019, the Chief Judge issued Administrative Order 2019-05 which serves as a guiding document for the SPTR to ensure consistent, objective application of criteria when considering a defendant's eligibility for pretrial release and the appropriate conditions of release. The new administrative order was designed to reduce the number of people who remain in custody due to an inability to post bond.

The Office of Intervention and Detention Alternatives is partnered with the Leon County Sheriff's Office (LCSO) to refer pretrial defendants and probation offenders seeking employment to the Re-Entry Innovative Services Empowerment (RISE) Center for assistance with job placement. Through its All-In Business Pledge and 1,000 Jobs for Youth Initiatives, LSCO has developed relationships with local employers committed to hiring individuals who are or have been involved in the criminal justice system. The partnership is beneficial to community supervision clients, employers, and the community in multiple aspects: 1) local employers are able to expand their talent pipelines receiving direct referrals of potential employment candidates; 2) individuals with employment barriers such as a criminal record are connected to employers who have committed to employing them; and 3) positive impacts on the community as studies have shown that employment reduces recidivism.

With funds allocated through the Dori Slosberg Fund, a total of 612 students from five public high schools received road driving experience from a certified driver's education instructor. The Florida Department of Motor Vehicles granted operator license waivers to 89% of the student participants.

MISSION STATEMENT

The mission of the Leon County Office of Intervention and Detention Alternatives is to provide information to the courts, which support judicial custody release decisions, and provide alternatives to incarceration to persons accused of crimes and offenders, which hold them accountable, improve their ability to live lawfully and productively in the community, enhance the overall administration of justice, and support community safety and well-being.

STRATEGIC PRIORITIES

QUALITY OF LIFE

Q3 - Provide essential public safety infrastructure and services while supporting early intervention and prevention strategies.

Q4 - Support and promote access to basic healthcare, mental health, affordable housing, and homeless prevention services to our community members most in need.

GOVERNANCE

G3 – Inform and engage citizens through multiple outreach platforms to ensure consistent, high-value, transparent communication on our most important issues.

G5 – Exercise responsible stewardship of County resources, sound financial management, and ensure that the provision of services and community enhancements are done in a fair and equitable manner.

STRATEGIC INITIATIVES

QUALITY OF LIFE

1. (Q3) Identify and evaluate pretrial alternatives to incarceration for low level and non-violent offenders and support reentry through regional partnerships and state and national efforts. (2022-23)
2. (Q4) Continue to explore policies such as inclusionary housing and mixed housing developments to increase the stock of affordable housing throughout Leon County. (2023-52)
3. (G3) Support law enforcement and community partners' programs and initiatives to address the causes and impacts of drug related crimes in our community. (2022-34)

GOVERNANCE

1. (G5) Engage an industry expert to identify jail population management strategies to proactively mitigate the need for additional infrastructure at the Leon County Detention Center and evaluate long term space needs of the facility. (2023-65)

ACTIONS

QUALITY OF LIFE

1. a.) Leon County Intervention and Detention Alternatives (IDA) has partnered with the Leon County Sheriff's Office (LCSO) in providing job placement assistance through the Sheriff's All-In Business Pledge, 1,000 Jobs for Youth, and Pathways initiatives. (Ongoing)
- b.) Partner with the City of Tallahassee on the Landlord Risk Mitigation Program to assist returning citizens with overcoming barriers to affordable rental housing. (Ongoing)
- c.) County co-sponsored the Fall Reentry and Resource Fair hosted by the Big Bend A.F.T.E.R. Reentry Coalition. (Complete)
- d.) Recycling Smartphones for distribution to pre- and post-sentenced individuals on community supervision to maintain communications and improve successful outcomes of supervision and access to human services in the community. (In Progress)
2. a) Update the Board on the status of a potential inclusionary housing policy in 2024. (In Progress)
- b) The Division of Real Estate works closely with the Division of Housing Services to identify (escheated) properties suitable for affordable housing. As parcels complete the County review process, parcels suitable for affordable housing are designated as such, and presented to the Board for review, approval, and certification via resolution. (Complete)
3. a) HSCP and IDA collaborated to refer pre and post sentence defendants who voluntarily complete self-assessments to human services partners to address underlying causes of criminal behavior. (Complete)
- b) Meet monthly with Sheriff's staff to the Council on the Status of Men and Boys to identify opportunities to collaborate. (Ongoing)
- c) In 2024, the Board accepted \$2.4 million in additional opioid litigation settlement funds. At that time, the Board authorized the execution of an agreement with the Northwest Florida Health Network, on behalf of the State of Florida, to receive and utilize the settlement funds for the provision of substance abuse treatment services resulting from opioid abuse and the purchase of EMS equipment to address opioid use disorders in the community. In addition, the Board authorized the execution of an agreement with DISC Village, Inc. to provide substance abuse treatment and ancillary services for individuals with opioid and substance use disorders. (In Progress)

GOVERNANCE

1. In May 2023, the County hired a consultant, Justice Planners, to develop a needs assessment of the Leon County Detention Facility. To date, the consultant has completed the data collection and initial stakeholder interviews related to identifying jail population management strategies, as well as an analysis of future space needs and assessment of alternatives to incarceration intermediate sanctions, court dispositional options, and other best practices. The consultant is in the process of meeting with individual criminal justice stakeholders to present their preliminary findings and gather feedback. (Ongoing)

The FY 2025 Diversionary Program budget is recommended at the same funding level as the previous fiscal year. The Public Safety Coordinating Council (PSCC) continues the partnership with the City of Tallahassee in funding the Landlord Risk Mitigation Fund (LRMF). The LRMF increases accessibility to affordable housing for individuals returning to the community from incarceration, which is proven to reduce recidivism and enhance public safety. In addition to the LRMF, the PSCC continues to evaluate programs that aid in the alleviation of the detention facility population.

County Probation (111-542-523)

Goal	The goal of the Leon County Probation Division is to hold defendants accountable, improve their ability to live lawfully and productively in the community, and enhance the overall administration of justice and support community safety and wellbeing.
Core Objectives	<ol style="list-style-type: none"> 1. Supervise and monitor probation offenders' compliance with court ordered sentencing conditions, such as abstinence from alcohol or illegal drugs via alcohol tests or urinalysis testing, batterer's intervention program, DUI School, anger management, electronic monitoring via Global Positioning Satellite (GPS) or Secure Continuous Remote Alcohol Monitoring (SCRAM). 2. Submit timely notifications to the courts of the offender's non-compliance with court-ordered conditions through Violation of Probation Affidavits to ensure jurisdiction is maintained by the court. 3. Utilize Technical Violation Notifications to notify the court of non-compliance with court-ordered conditions for technical violations when possible without jeopardizing jurisdiction or public safety. 4. Attend court hearings to provide updates to the judge on the offender's status with court ordered conditions and make recommendations regarding sanctions to be imposed when offenders are in violation. 5. Submit proper documentation to the Court and/or Clerk of Court upon the offender successfully completing all court-ordered conditions. 6. Administer Community Service and County Work Programs which provide post-sentence alternatives to incarceration and assist in managing the detention facility population. 7. Refer probation offenders to community agencies for assistance with housing, transportation, employment placement assistance, food insecurities, etc. as requested through the voluntary Human Services Self-Assessment Questionnaire to promote the offender's successful reentry into the community. 8. Collaborate with criminal justice and community partners to enhance case management efforts for defendants experiencing mental illness, substance use disorders, and/or homelessness to improve supervision outcomes.
Statutory Responsibilities	Second Circuit Court Administrative Order, 86-60; Florida Statute, Chapter 948; Assist in meeting County responsibilities for prisoners under Florida Statute, Chapter 951 (County and Municipal Prisoners) through probation and supervised pretrial release services, which are lower cost alternatives to incarceration.

Benchmarking			
Strategic Priorities	Benchmark Data	Leon County	Benchmark
	Annual average workload hours per Probation Officer per month, per case based upon offender risk factors and blended caseload.	0.86	2.33

Benchmark Source: The American Probation and Parole Association (APPA) recommends that officers not exceed an average workload of 120 hours per month or 2.33 hours per case based on a blended caseload of low, medium and high-risk cases. This APPA benchmark includes a number of tasks that Leon County either does not perform (i.e. home visits, drug testing and other administrative functions) or has automated these processes to improve efficiencies in case management. This produces a lower number of hours needed by Leon County Probation staff for caseload management.

Notes:

1. The Division anticipates a 16.5% decrease in the number of hours per case per Probation/Pretrial Officer in FY 2024 due to position vacancies and a 9.9% decrease in the number of post-sentence assignments. In FY 2025, the Division anticipates a 26% increase in hours per case per Probation/Pretrial Officer due to being fully staffed and a 5% increase in post-sentence assignments.
2. The Division anticipates a 2% increase in technical violations in FY 2024 due to an 9% increase in violations due to failure to report for supervision, failure to complete court-ordered services, etc. The Division anticipates a 3% decrease in technical violations in FY 2025.
3. The Division anticipates the number of successful completions in FY 2024 and FY 2025 will remain consistent with FY 2023 actuals.
4. The Division anticipates \$14.5 million in jail operating costs savings due to diverting 153,566 jail bed days through post-sentence alternative to incarceration. In FY 2025, the Division anticipates a \$15.6 million savings in jail operating costs due to a 5.5% increase in jail bed days diverted.

Supervised Pretrial Release – Pretrial Release (111-544-523)

Goal	The goal of the Supervised Pretrial Release Division (SPTR) is to hold defendants accountable, improve their ability to live lawfully and productively in the community, and enhance the overall administration of justice and support community safety and well-being.		
Core Objectives	<ol style="list-style-type: none"> 1. Pursuant to Administrative Order 2019-05, a Probation/Pretrial Officer is on duty 24/7 to complete interviews and risk assessments for arrestees booked in the Leon County Detention Facility to determine eligibility for non-monetary release prior to First Appearance. Interviews and risk assessments are provided to the Court to assist in the first appearance judge's decisions regarding release and conditions. 2. Compile a summary of defendant's criminal record through the Florida Crime Information Center (FCIC) and National Crime Information Center (NCIC) including information on pending criminal cases and/or pre- or post-sentence court-ordered community supervision. Information is provided to the first appearance judge, prosecution, and defense counsel to assist in release decisions and conditions of release. 3. Attend first appearance hearings to inform the court of specific factors such as pending criminal cases and/or community supervision as well as provide information on available services for monitoring defendants in the community. 4. Supervise and monitor defendants' court ordered conditions of release such as weekly/monthly in-person or telephonic appointments, abstinence from alcohol or illegal drugs via alcohol tests or urinalysis testing, electronic monitoring via Global Positioning Satellite (GPS) or Secure Continuous Remote Alcohol Monitoring (SCRAM). 5. Assist contracted vendor in monitoring defendants' Global Positioning Satellite (GPS) units, providing 24/7 responses to high priority system alerts for equipment tampering, zone or curfew violations, or other technical issues by instructing the defendant on corrective actions to resolve issues. If warranted, notifying law enforcement, victims, and courts of non-compliance. 6. Monitor defendant's 24/7 compliance with alcohol abstinence through transdermal detection via Secure Continuous Remote Alcohol Monitoring (SCRAM). 7. Submit prompt and timely notifications of defendant's non-compliance with court ordered conditions. 8. Refer pretrial defendants to community agencies for assistance with housing, transportation, employment placement assistance, food insecurities, etc. as requested through the voluntary Human Services Self-Assessment questionnaire to promote the defendant's successful reentry into the community. 9. Collaborate with criminal justice and community partners to enhance case management efforts for defendants experiencing mental illness, substance use disorders, and/or homelessness to improve supervision outcomes. 		
Statutory Responsibilities	Florida Constitution, Section 14; Florida Statute, Chapter 907.041(3)(a); Florida Statute, Chapter 907.041(3)(b); Administrative Order 2019-05-Uniform Bond Schedule and Pretrial Release Procedures Second Judicial Circuit, Florida; Florida Statute, Chapter 907.043 Citizens' Right-to-Know. Assist in meeting County responsibilities for prisoners under Florida Statute, Chapter 951 (County and Municipal Prisoners) through probation and supervised pretrial release services, which are lower cost alternatives to incarceration.

Notes:

1. The Division anticipates a 4.6% increase in hours per case per Probation/Pretrial Officer in FY 2024 estimates due to a 13% decrease in the average end of month caseload which may be attributed to the new Administrative Order governing Pretrial Release that become effective January 1, 2024. In FY 2025, the Division anticipates a 2.3% decrease in the number of hours per case per Probation/Pretrial Officer due to a 15% increase in the electronic monitoring assignments.
2. The Division anticipates a 3% increase in the number of technical Orders to Show Cause (OTSC) issued by the Courts in FY 2024 which may be attributed to a 17% increase in violations due to failure to report for supervision because of a 25% increase in bookings for unsheltered individuals. The Division anticipates the number of technical OTSC to remain consistent in FY 2025.
3. The Division anticipates a 4% decrease in the number of defendants who successfully complete pretrial release in FY 2024 due to a 39% increase in the number of violations due to new arrests or failure to appear for scheduled court appearances.
4. The Division anticipates a 10.6% decrease in jail operating costs in FY 2024 due to a 5% increase in the daily jail bed cost and an 8% decrease in the number of supervision days. In FY 2025, the Division estimates a 3.6% increase in jail operating costs due to a 5% increase in the daily jail bed costs and a 15% increase in supervision days.

Drug & Alcohol Testing (111-599-523)

Goal	The goal of the Leon County Drug and Alcohol Testing Division is to assist county departments, the judicial system, and other agencies in creating a safe and secure environment free from the adverse effects caused by abuse or misuse of alcohol and drugs.
Core Objectives	<ol style="list-style-type: none"> Administer random urinalysis and alcohol breath tests to pre-sentence defendants and probation offenders with court ordered conditions of abstinence from alcohol, illegal drugs, or non-prescribed medications. Ensure division staff are trained and certified to perform DOT urinalysis collection and alcohol breath tests. Administer Department of Transportation (DOT) urinalysis collection and alcohol breath tests to County employees for Commercial Drivers' License (CDL), post-accident, return to duty, and reasonable suspicion referrals. Administer pre-employment urinalysis tests to individuals referred by Leon County Department of Human Resources and local constitutional offices in accordance with established guidelines. Administer drug and alcohol tests to individuals referred by outside agencies. Submit all pre-employment, reasonable suspicion, and post-accident tests to a certified laboratory for confirmation testing within 24 hours of collection and provide confirmatory test results to referring agency within 48 hours of receipt. Maintain records for all court ordered urinalysis and alcohol testing.
Statutory Responsibilities	Florida Statute, Chapter 948; Assist in meeting County responsibilities for prisoners under Florida Statute, Florida Drug-Free Workplace Act and Testing Policy, Florida Statute, Chapter 440, Section 440.102, Chapter 112, Section 112.0455. U.S. Department of Transportation and Regulation, Section 49CFR Part 40.33.
Advisory Board	Criminal Justice Coordinating Council; Public Safety Coordinating Council

Performance Measures

Notes:

- The Division anticipates a 3% decrease in FY 2024 estimates due to a 39% decrease in the total number of new assignments of pre- and post-sentence offenders court ordered to submit to alcohol testing.
- The Division anticipates a 27% decrease in FY 2024 estimates due to a 33% decrease in pre and post sentence offenders court ordered to submit to urinalysis testing.
- The Division anticipates a 20.6% increase in the number of urinalysis tests administered for other agencies in FY 2024 due to an 39% increase in court-ordered testing for other agencies.
- The Division anticipates a 3.7% decrease in the FY 2024 estimates for the number of DOT tests administered and a nominal increase in the FY 2025 estimates. The decrease may be attributed to position vacancies. Risk Management monitors and schedules DOT testing in compliance with federal regulations.
- The Division anticipates a 30% decrease in alcohol fee collections in FY 2024 due to a decrease in alcohol tests administered and an increase in the number of fee accruals ordered by the court.
- The Division anticipates a 25% decrease in urinalysis fee collections in FY 2024 due to a decrease in urinalysis tests administered and an increase in accruals.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Office Human Services & Community Partnerships Executive Summary

The Office of Human Services and Community Partnerships section of the Leon County FY 2025 Annual Budget is comprised of Housing Services, Human Services, Primary Healthcare and Veteran Services.

The Office of Human Services and Community Partnerships promotes and maintains the health, safety, and welfare of all Leon County citizens. The Housing Services Division provides assistance to very low to moderate income residents of Leon County through its rehabilitation, homeownership counseling, foreclosure assistance and down payment assistance programs. Human Services administers the funding associated with human services activities consistent with State mandates, Board policies, and Leon County's mission. The Primary Healthcare Program administers the funding and provides contractual oversight of the healthcare providers serving the uninsured residents of Leon County. Veteran Services assists veterans and their dependents with accessing federal, state, and local benefits earned for their military service.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the Department of Human Services and Community Partnerships communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

The Division of Housing Services continues to provide home rehabilitation, home replacement, and emergency repair services to the citizens of Leon County. Housing Services began using State Housing Initiatives Partnership (SHIP) funding to subsidize the development of affordable homes and create homeownership opportunities for low-income first-time homebuyers. In FY 2024, the Homeownership Development program financed the construction of nine new homes with long-term affordability, including four Community Land Trust units on parcels donated by the County, and five units in targeted neighborhoods that have historically experienced poverty and racial inequities. The Division of Housing Services continues to explore policies to increase the stock of affordable housing throughout Leon County.

Human Services administers the funding and provides oversight to the human services activities provided to Leon County residents consistent with State mandates, Board policies, and Leon County's mission. Human Services administers funding for the Direct Emergency Assistance Program and the Indigent Cremation and Burial Program. The division is also responsible for overseeing the County's participation in the Community Human Service Partnership (CHSP) program, allocating a combined \$5.5 million in partnership with the City to continue providing funding to more than 50 non-profit human service agencies. To further the County's initiative on homelessness, the Human Services Division held a Homeless Workshop with updates and recommendation to build on the County's effort to reduce homelessness through partnerships, enhanced policies, and increased investments.

The Primary Healthcare Program serves the residents of Leon County through the provision of primary healthcare, dental and mental health services to low income and uninsured Leon County residents in an efficient and cost-effective manner. This is accomplished through the administration of primary healthcare funding. Primary Healthcare administers funding for Medicaid, Child Protection Exams, Baker Act, Marchman Act, and Tubercular Care. In addition, the Program manages the contracts of local healthcare providers (CareNet) participating in the Primary Healthcare Program, including Bond Community Health Center, Neighborhood Medical Center, Capital Medical Society Foundation's We Care Network, FAMU Pharmacy, and the Apalachee Center. The Division continues to support primary healthcare providers to ensure access to affordable healthcare for low-income residents.

The Leon County Division of Veterans Services is the County veteran liaison for the local community and is responsible for administering the County Military Grant Program, providing counseling and assistance to Veterans and their dependents, and processing benefit claims. In partnership with the City of Tallahassee, over 120 StarMetro Bus passes were provided, totaling 4,200 trips for low income and disabled veterans. The division facilitated claim actions that resulted in Leon County veterans receiving more than \$30 million in benefits. Additionally, over 5,000 benefit counseling contracts were completed for veterans and their dependents.

BOLD GOALS & 5-YEAR TARGETS

Bold Goal: Support community partners to place 225 residents experiencing chronic homelessness in permanent supportive housing. (BG3)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Residents Housed	23	130	25	25	TBD	203

Note: To work toward this Bold Goal, the County, in partnership with the City of Tallahassee, made a historic \$6.2 million investment of American Rescue Plan Act (ARPA) funding to expand the availability of permanent supportive housing through the Big Bend Continuum of Care (BBCoC) and County-City Community Human Services Partnership (CHSP). In FY 2022 and FY 2023, a total of 153 permanent supportive housing placements were made. Since the start of FY 2024, an additional nine permanent supportive housing placements have been made for a total 162 placements made to date, or 72% of the County's five-year Bold Goal.

Target: Secure more than \$150 million in federal, state, and local benefits for Leon County Veterans and their families. (T9)

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Veteran Affairs Benefits	\$32,481,000	\$33,800,000	\$35,000,000	\$40,042,000	TBD	\$141,323,000

Note: The Department of Veterans Affairs (VA) for Leon County annually calculates and publishes the amount of Veterans Compensation & Pension and Medical Care Expenditures which indicate the number of unique clients served by the County's Division of Veterans Services each year. For FY 2022, \$32.4 million in benefits were secured for Leon County veterans and their families. For FY 2023, \$33.8 million in benefits were secured. For FY 2024, the County's Division of Veteran Services estimates \$35 million in benefits will be secured, for a total of \$101.2 million in secured benefits or 67% of the County's five-year Target.

***Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.**

Human Services (001-370-527,562,563,564,569)

Goal	The goal of Human Services is to serve as a safety net to enhance the quality of life for residents by providing resources, access to social services, and short-term financial assistance.
Core Objectives	<ol style="list-style-type: none"> Ensure compliance with the following mandated programs and services through the provision of administrative and fiscal oversight: <ul style="list-style-type: none"> Indigent Burial, which covers the costs of burial for unclaimed bodies and indigent persons within Leon County; Child Protection Exams, which provides funding for alleged victims of abuse or neglect; and Medical Examiner's Office. Reduce homelessness and hunger; and enhance health and safety through the provision of financial support from the Direct Emergency Assistance Program (DEAP). Administer the Community Human Service Partnership Program (CHSP) which is an innovative collaboration between Leon County and the City of Tallahassee which distributes community funds for human services to agencies throughout Leon County.
Statutory Responsibilities	<p>Florida Statute 406.50 mandates that Leon County is responsible for the burial of any dead human body that is unclaimed or indigent.</p> <p>Florida Statute 39.304(5) requires county governments to pay exam costs for children who are alleged to have been abused, abandoned, or neglected.</p> <p>Florida Statute 406.08 requires county governments to pay the Medical Examiner the costs of fees, salaries, and expenses; transportation; and facilities.</p>
Advisory Board	None

Performance Measures					
Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate
	Number of disposition services provided for indigent, unclaimed, or unidentified persons through the Indigent Burial Program. ¹	121	117	130	130
	Number of child protection exams paid. ²	228	143	160	160
	Number of families served by the Direct Emergency Assistance Program (DEAP). ³	97	84	75	75
	Number of CHSP agencies funded. ⁴	52	50	50	50

Notes:

- The Indigent Burial Program provided disposition services for 117 residents in coordination with the County's Public Works Department and local funeral homes in FY 2023. Based on the current caseload, FY 2024 is expected to slightly exceed those numbers, which is consistent with nationwide trends. Eligibility for the Indigent Burial Program includes the deceased person having died or having remains found in Leon County and one of the following: the deceased being unidentified, not having the means to pay for final disposition or is unclaimed by next of kin.
- Leon County provides funding to the University of Florida to provide child protection medical examination for alleged abused and neglected children. The number of exams varies, depending on cases resulting from reports to the Florida Abuse Hotline or to law enforcement. The increase in FY 2022 was attributed to the lifting of COVID-19 restrictions by resumption of pre-pandemic in-person gatherings such as schooling, youth sports and other extracurricular activities. FY 2024 and FY 2025 are expected to adhere to previous patterns.
- The total number of families served decreased slightly in FY 2023 as the cost of rental and utilities increased which resulted in higher awards to eligible applicants. The total number of families served is expected to decrease in FY 2024 due to continued rising costs of rental and utilities assistance resulting in higher awards.
- For more than 20 years, the County and City of Tallahassee have partnered in the CHSP to provide a "one-stop" process for human services grant funding to local human service agencies. The number of agencies and programs funded fluctuate from cycle to cycle due to new agencies receiving funding; previously funded agencies not applying for funding; or the CRT's evaluation of the application and presentation. The County's FY 2024 and FY 2025 budget includes \$1.4 million for CHSP, which supports 50 human service agencies that provide a total of 84 programs.

The major variances for the FY 2025 Baker Act & Marchman Act budget are as follows:

Increases to Program Funding:

1. Annually, each county contracts with Apalachee to pay the state-mandated costs. In FY 2024, due to increased costs to operate the Baker & Marchman Act program and statutory requirements for local governments to pay for a portion of these costs, Apalachee requested the County provide an additional \$191,442 in funding phased in over a three-year period with an increase of \$63,814 per year. The FY 2025 increase represents the second year of the County's increased funding commitment.

The major variances for the FY 2025 Medicaid & Indigent Burials are as follows:

Increases to Program Funding:

1. Florida statutes requires counties to contribute to State Medicaid. These costs are derived every year from the Social Services Estimating Conference, which calculates each county's percentage share of the total statewide amount of county billings.
2. Cost associated with the Leon County Indigent Cremation and Burial Program to cover increased costs incurred by funeral homes for completing final disposition of unclaimed and deceased bodies, including the costs of transportation and the cost of storage of deceased bodies.

Primary Healthcare (001-971-562)

Goal	The goal of Primary Healthcare is to improve the health of citizens by providing quality and cost-effective health services through collaborative community partnerships.
Core Objectives	<ol style="list-style-type: none"> 1. Collaborate with healthcare partners for the provision of healthcare services for uninsured and financially indigent residents. 2. Partner with healthcare providers and other community agencies to pursue opportunities to leverage county funding and resources to expand access to healthcare. 3. Provide administrative and fiduciary oversight to ensure program and contract compliance. 4. Collaborate with CareNet partners and other community partners to achieve program goals. 5. Ensure compliance with the following mandated programs and services through the provision of administrative and fiscal oversight: <ul style="list-style-type: none"> • Medicaid, which covers nursing home and hospital stays for eligible residents; • Health Care Responsibility Act, which funds care for indigent Leon County residents treated for emergency health care in another Florida county; • Baker Act, which funds Leon County's match for the stabilization, temporary detention, and evaluation services for short-term mental health inpatients programs; • Mental Health, Substance Abuse and Alcohol, which funds Leon County's match for the Community Mental Health Act and substance abuse programs related to the Marchman Act; and • Tubercular Care, which funds transportation costs for tuberculosis patients for treatment.
Statutory Responsibilities	<p>Florida Statute 154.011 requires that a county offer primary care services through contracts for Medicaid recipients and other qualified low-income persons.</p> <p>Florida Statute 409.915 requires county governments to fund a portion of inpatient hospital stays and nursing home expenses incurred by county resident Medicaid recipients.</p> <p>Florida Statute 154.301-331 (HCRA) requires counties to reimburse out-of-county hospitals at the Medicaid per diem rate for emergency care provided to the county's indigent residents.</p> <p>Florida Statute 394.76 requires that state funds expended for mental health, alcohol, and drug abuse be matched on a 75 to 25 state-to-local basis.</p> <p>Florida Statute 392.68 requires county governments to pay all fees, mileage, and charges to the sheriff for the transport of tuberculosis patients.</p>

Performance Measures					
Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate
	Number of healthcare visits residents received through the Competitive Provider Reimbursement Pool ¹	7,749	6,761	6,615	6,800
	Value of prescriptions filled by FAMU Pharmacy ²	\$495,355	\$910,268	\$943,500	\$1,000,000
	Value of specialty medical and dental care provided through We Care ³	\$2,592,559	\$3,100,000	\$3,300,000	\$3,500,000
	Number of residents receiving specialty medical and dental care provided through We Care ⁴	956	841	890	910
	Perform three agency contract compliance reviews of patient visits ⁵	3	0	3	4

Notes:

1. During FY 2023 there was a 20% decrease in the number of patient visits in primary healthcare due to a reduction in overall patient visits which peaked during the COVID-19 pandemic and the increase in the number of insured patients being seen at Bond and NMC. The number of residents is expected to remain steady in FY 2024 and FY 2025.
2. Fluctuations in the value of prescriptions filled by FAMU Pharmacy are due to the volatility in retail value of prescription medications provided. FAMU Pharmacy are seeing more patients with prescriptions needs.
- 3-4. The value of donated specialty care for primary care and dental care services is expected to increase in FY 2024 and FY 2025. Variations in the amount of specialty medical and dental care donated is caused by the physician billed invoices and the type of specialty care provided, as it varies year over year. The number of residents receiving specialty care is expected to increase over the next two years.
5. In-person audits and monitoring resumed in FY 2024 and will continue in FY 2025. During the Public Health Emergency, desk audits were conducted in lieu of in-person.

Bold Goals & Five-Year Targets	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate ²	FY 2025 Estimate ²	FY 2026 Estimate	TOTAL
 Secure more than \$150 million in federal, state, and local benefits for Leon County Veterans and their families. (T9) ¹	\$32,481,000	\$33,800,000	\$35,000,000	\$40,042,000	TBD	\$141,323,000

Notes:

1. The Department of Veterans Affairs (VA) for Leon County annually calculates and publishes the amount of Veterans Compensation & Pension and Medical Care Expenditures which indicate the number of unique clients served by the County's Division of Veterans Services each year. For FY 2022, \$32.4 million in benefits were secured for Leon County veterans and their families. For FY 2023, \$33.8 million in benefits were secured. For FY 2024, the County's Division of Veteran Services estimates \$35 million in benefits will be secured, for a total of \$101.2 million in secured benefits or 67% of the County's five-year Target.
2. Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

Performance Measures					
Strategic Priorities	Performance Measures	FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate	FY 2025 Estimate

	Number of Veterans Emergency Assistance Program (VEAP) awards provided ⁴	21	19	26	54

Notes:

1. Due to the announcement of Bipartisan Legislation on Toxic Exposure, the number of clients served increased. The new legislation improved benefits and health care to veterans suffering from toxic exposure, including agent orange in Thailand and burn pits for Gulf War Veterans.
2. As pandemic restrictions have been lifted, large gatherings and the number of outreach events will continue to increase.
3. The Veteran Resource Center continues to be utilized by veteran's who do not have access to internet or computer resources. Based on current trends for the last two years, the Division anticipates the number to increase in FY 2024 and FY 2025.
4. FY 2024 and FY 2025 is projected to see an increase in the dollar amount used and number of veterans awarded. This increase is because veterans now can use the County Library and Hope Navigators to get assistance with completing the online VEAP Application.

Housing Services (001-371-569)

Goal	The goal of Housing Services is to efficiently and responsibly administer programs and develop community partnerships that preserve and grow the inventory of safe and sanitary affordable housing in Leon County.
Core Objectives	<ol style="list-style-type: none"> 1. Administer Affordable Housing Programs including but not limited to: Homeownership Development, Home Rehabilitation; Home Replacement; Down Payment Assistance (DPA); and Emergency Housing Repair (Short-term and Permanent). 2. Plan, promote and execute affordable housing related events aimed at educating the public, such as the Leon County Home Expo. 3. Seek to continually improve methodologies and efficiencies in serving citizens of Leon County. 4. Continue to move the Joint County-City Affordable Housing Work Group's recommendations forward including, but not limited to: develop a holistic plan for single family home ownership opportunities to ensure homes remain affordable in perpetuity; and support the Community Land Trust. 5. Provide staff support and administer the activities of the Community Development Block Grant (CDBG) Citizen Task Force Advisory Committee, and the State Housing Initiatives Partnership (SHIP) Affordable Housing Advisory Committee (AHAC). 6. Participate in and promote Fair Housing Activities; receive and report fair housing complaints. 7. Attend state and local housing events, trainings and conferences to ensure Leon County is aware and in compliance with local, state and federal guidelines.
Statutory Responsibilities	Leon County Code, Chapter 8 Article V, Sections 8-151 thru 8-156 "Direct Implementation of State Housing Initiative Program (SHIP)"; Local Housing Assistance Plans (LHAP); Florida Statute Chapter 420 "Housing"; Leon County Code, Chapter 2, Section 2 71 "Implementation"; and Florida Statute Chapter 760.20 "Fair Housing Act."
Advisory Board	Affordable Housing Advisory Committee; Community Development Block Grant (CDBG) Citizens Task Force Advisory Committee.

Bold Goals & Five-Year Targets		FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate ²	FY 2025 Estimate ²	FY 2026 Estimate	TOTAL
	Support community partners to place 225 residents experiencing chronic homelessness in permanent supportive housing. (BG3) ¹	23	130	25	25	TBD	203

Notes:

1. To work toward this Bold Goal, the County, in partnership with the City of Tallahassee, made a historic \$6.2 million investment of American Rescue Plan Act (ARPA) funding to expand the availability of permanent supportive housing through the Big Bend Continuum of Care (BBCoC) and County-City Community Human Services Partnership (CHSP). In FY 2022 and FY 2023, a total of 153 permanent supportive housing placements were made. Since the start of FY 2024, an additional nine permanent supportive housing placements have been made for a total 162 placements made to date, or 72% of the County's five-year Bold Goal.
2. Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

Notes:

- According to the Escambia County Housing Finance Authority, the decrease in the number of clients receiving purchase assistance from the HFA in FY 2023 was due to potential clients opting to instead participate in the Florida Housing Finance Corporation's purchase assistance program. Market volatility, low inventory, and high interest rates also impacted the overall number of eligible households seeking purchase assistance in FY 2023. The estimates for FY 2024 and FY 2025 remain consistent.
- SHIP-funded purchase assistance is provided through the Tallahassee Lenders Consortium (TLC). The pause of purchase assistance activity in FY 2023 was due to the County focusing additional resources on other housing assistance strategies, such as home rehabilitation and home replacement. The Division resumed purchase assistance activities in FY 2024 and anticipates a slight decrease in FY 2025 due to a decrease in SHIP funding allocation.
- The Division anticipates the number of Home Rehabilitation projects slightly decreasing in FY 2025 due to a decrease in the SHIP funding allocation.
- Home Replacements are considered only when the cost of rehabilitation exceeds 50% of the value of a home (30% for homes older than 50 years). Three home replacements were delayed in FY 2022 to FY 2023 due to maximum cost guidelines, increased cost of materials, and bidding from contractors. The Division anticipates the completion of one home replacement project per year in FY 2024 and FY 2025 due to the increase in Homeownership Development activity and the decrease of SHIP funding in FY 2025.
- The Division of Housing Services has initiated a Homeownership Development program to facilitate the development of affordable housing in Leon County. In FY 2022, the Community Land Trust (CLT) completed the construction of a single-family home on property donated by the County. In FY 2024, the County began utilizing SHIP grant dollars to fund the construction of Homeownership Development projects. Seven projects are expected to be completed with SHIP funding in FY 2025, including 4 CLT projects on land donated by the County.
- FY 2025 funding includes \$759,021 in SHIP allocation, \$100,000 in SHIP loan repayments, and \$75,000 in Housing Finance Authority (HFA) funding.
- The HFA Emergency Repair maximum award amount increased during FY 2024 from \$12,000 per project to \$15,000. To qualify for an award greater than \$3,000, applicants must have a senior (age 55+) or special needs person living in the home. In FY 2023, all Emergency Housing Repair Award recipients qualified as senior citizen or special needs households, resulting in higher award amounts per household and a lesser number of households served. The Division has also witnessed a steady increase in the average HFA Emergency Housing Repair per project due to increased cost of materials and an increased focus and prioritization of long-term housing repair over short-term housing relief. The Division anticipates similar trends in FY 2024 and FY 2025, with a slight decrease in the number of units receiving assistance in FY 2025 associated with the increase of the maximum project award during FY 2024.
- This metric is based on the SHIP Florida Statue 420.9075 requirement that a minimum of 20% of the local housing distribution be used to serve persons with Special Needs.
- The Home Expo offers current and aspiring homeowners a variety of workshops and do-it-yourself demonstrations about home buying, home improvement, emergency preparedness and more.

The major variances for the FY 2025 Housing Services budget are as follows:

Increases to Program Funding:

1. Costs associated with the County's portion of retirement rates passed by the Florida Legislature, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees.
2. Realignment of a portion of personnel cost for the Affordable Housing Coordinator position due to a reduction in SHIP funding from the state.
3. Other contractual costs related to the Neighborly data base software used for affordable housing development and facility security.
4. Cost related to support the Fair Housing Conference sponsorship.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Office of Resource Stewardship

Executive Summary

The Office of Resource Stewardship (ORS) section of the Leon County FY 2025 Annual Budget is comprised of the Office of Sustainability, Parks & Recreation, Solid Waste, Facilities Management and Cooperative Extension.

The Office of Resource Stewardship provides leadership and coordination of services through its Division work areas in order to identify opportunities for synergy and added efficiencies between each work group to effectively promote stewardship of the community's natural, societal, and economic resources. The Office of Sustainability enhances the community's environmental, economic, and social resilience by promoting adoption of sustainability practices within County government and the community at large. Parks and Recreation creates, maintains, and manages infrastructure and programs supporting recreation, parks, and open space. The Solid Waste Division consists of the Solid Waste Management Facility, the Rural Waste Services Centers, the Transfer Station Operations, Hazardous Waste, Recycling Collection and Yard Waste. Facilities Management provides professional maintenance and operating services. Cooperative Extension provides information and conducts educational programs on various issues including energy conservation, food safety, and child and family development.

Leon County follows an annually updated five-year planning cycle, as reflected in the LEADS/Strategic Plan Section. As part of the Leon LEADS Strategic Planning process, the Department of Resource Stewardship Business Plan communicates the continued alignment of the Board's strategic priorities and initiatives with the department's actions and performance measures. The Business Plan is a road map and a broad plan of action for accomplishing the Board's priorities and serves as a gauge to assist the department in measuring outcomes of the Strategic Plan.

HIGHLIGHTS

Facilities Management completed several mechanical and renovation projects, including the Public Works Elevators, County-wide Elevator Keyway Upgrade, and the restoration of the storm-damaged generator at Robert Stevens Clinic. Facilities also helped with the completion of the newly commissioned Sheriff Evidence building. The Operations team upgraded the badge access software, providing an enhanced level of access security for County facilities. Other notable projects include the Leon County Government Annex entry renovation, Courtroom 2C & 3D renovations, and the installation of several Electrical Vehicle Charging Stations throughout the County.

The Office of Sustainability continues to work on action items and goals set forth in the Integrated Sustainability Action Plan (ISAP), featuring 18 goals and 91 action items which include: waste reduction, energy and green buildings, and transportation. The overarching goal is to reduce greenhouse gas emissions from County operations by 30% by 2030. Over the course of the past year, the Office of Sustainability made significant progress on Leon County's ISAP, completing 6 goals and 51 action items, and actively working on 10 additional goals and 25 action items. Additional efforts include launching a pilot partnership to upcycle yard debris into biochar, a pursuit that is first of its kind nationally.

Parks & Recreation completed several notable projects in FY 2024. These include the Fort Braden Walking Trail, which paved half a mile of the trail, and enhancements at Coe Landing. Construction for the Fred George Wetland Restoration Project will restore 5.34 acres to natural conditions by removing artificial berms and re-establishing free-flow conditions. Parks oversaw the installation of a new playground at Woodville Park and play structures at Man O' War and Pimlico parks. The installation of two scoreboards at Chaires Park and one at Woodville Park was recently completed, and the installation of digital displays at Apalachee Regional Park will enhance the park experience for users. In addition to projects, staff facilitated rewriting the 2024 Miccosukee Canopy Road Greenway Land Management Plan.

The Solid Waste Management facility processed 13,800 tons of yard debris from Leon County residents in FY 2024. Solid Waste staff processed 513 tons of potentially hazardous material, of which, 53.5 tons of products were returned into the community through the Renew Center and Habitat for Humanity, while an overall 340 tons of potentially Hazardous Wastes were recycled using programs like the electronics waste recycling program. Through the Capital Improvement Program, extensive repairs to the active drive lanes on the Transfer Station property were completed. During 2024 Solid Waste hosted a pilot project with ReCap, a Florida-based start-up business that seeks to partner with communities to reduce greenhouse gas (GHG) emissions, by creating biochar. The biochar process upcycles greenwaste, or yard waste, into a beneficial and carbon-capturing product used for agricultural amendments, among other things. During the pilot project ReCap produced about 18 tons of biochar using 75 tons of yard waste.

2. a.) The County purchased the 50-acre park space. (Complete)
- b.) Design and Construction of the Park is expected to begin in 2024. (In Progress)

GOVERNANCE

1. Coordinated with Leon County Schools regarding Ft. Braden Community Center property acquisition. (Complete)
2. (a) Develop and install signage at campgrounds. (In Progress)
- (b) Provide training to County staff to help recognize Human Trafficking. (Complete-Ongoing)

BOLD GOALS & 5-YEAR TARGETS

Target: Reduce Greenhouse Gas Emissions stemming from County operations by 25%. (T5)*

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Reduction of Greenhouse Gas Emissions	5%	10%	2%	4%	TBD	21%

Note: In 2019, the Board adopted Leon County's Integrated Sustainability Action Plan (ISAP) which sets out to reduce greenhouse gas (GHG) emissions by 30% by the end of FY 2030. To achieve this, the County will need to reduce GHG by 25% over the next five years. As of the conclusion of FY 2023, the County has achieved a 15% GHG reduction (or 60% of the five-year Target).

Target: Double solar power generation at County facilities. (T6)*

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Solar Power Generation (Kilowatts)	50 kW's	0 kW's	25 kW's	50kW's	TBD	125 kW's

Note: Prior to the start of FY 2022, the County had solar arrays installed at five County facilities, providing a total solar power generation capacity of 135.7 kW's (Kilowatts). Under the new five-year plan, the County is seeking to double the amount of solar power generated at County facilities. In FY 2022, the County increased its solar power generation by 50 kW's, 37% of the five-year target, through the installation of solar panels at the County's Public Works Fleet Division. While the County anticipated achieving an additional 25 kW's increase in solar power generation in FY 2023, the availability of vendors within the region to install and maintain commercial solar has been limited. The County has continued taking proactive steps to build local capacity both for installation and ongoing maintenance of solar arrays. In addition, staff is exploring opportunities for solar installation beyond traditional roof or ground mounted installation options, such as floating solar arrays, which may offer the potential to expand the County's investments in solar.

Target: Divert 3 million pounds of household hazardous waste from the landfill. (T7)*

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Hazardous waste diverted (Pounds)	794,836	679,375	700,000	680,000	TBD	2,854,211

Note: Annually, Leon County's Household Hazardous Waste Division processes a million pounds of waste including chemicals, batteries, paint, and small electronics. Over the next five years, the Division will work to maintain this recycling rate and divert a total of 3 million pounds of waste from the landfill. In FY 2022, the County enhanced services for its Household Hazardous Waste (HHW) program with the creation of a new centrally located drop off site at the Public Works complex at the corner of Blair Stone and Miccosukee Roads. In addition, at the new centrally located drop off site, the County now offers drop off seven-days a week, a vast service enhancement from the prior once a month offering. As a result of these enhancements, the County continues to experience a steady increase in hazardous waste material collected. Since the start of FY 2022, the County has diverted a total of 1.78 million pounds of waste, 59% of the five-year Target.

Target: Increase the number of fully electric vehicles in the County's fleet by 500%. (T8)*

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
% Increase in # of electric vehicles	0%	225%	92%	100%	TBD	417%

Note: Leon County's Integrated Sustainability Action Plan (ISAP) establishes a goal to convert 30% of the light duty vehicles in the County's fleet to fully electric by FY 2030. To stay on track to accomplish this goal, the County will need to increase the number of fully electric vehicles in its fleet by 500%, for a total of 25 vehicles by FY 2026. It should be noted that due to shortages and shipping delays resulting from the long-term economic impacts of COVID, the arrival of electric vehicles ordered by the County have been significantly delayed. Notwithstanding this, since the start of FY 2022, the County has achieved 45% of the County's five-year Bold Goal by increasing the County's electric vehicle fleet by 225% for a total of 13 electric vehicles by the end of FY 2024. The preliminary FY 2025 budget contemplates the purchase of an additional six EVs as numerous light-duty fleet will be eligible for replacement, which will bring the County to a total of 19 electric vehicles, or 76% of the County's five-year Target next year.

Target: Construct an additional 90 miles of sidewalks, greenways, trails, and bike lanes. (T11)*

	FY 2022	FY 2023	FY 2024*	FY 2025*	FY 2026	TOTAL
Sidewalk/Greenway/Trail/Bike Lane Miles	3.2	0.4	15	10	TBD	28.6

Note: This only reflects the number of miles constructed by Parks & Recreation Services. Other program areas, such as Blueprint and Public Works Engineering, also contribute to this target. Continued progress towards this target will be achieved through the continued implementation of the dedicated County Sidewalk program, the Blueprint greenways/trails capital project and other transportation capital projects. Project locations include St. Marks Headwaters, Miccosukee Community Park/Community Center, JR Alford Greenway, and Fall Case Greenway.

***Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.**

Office of Resource Stewardship

Office of Sustainability (001-127-513)

Goal	The mission of the Leon County Office of Sustainability is to enhance our community's environmental, economic, and social resilience by promoting the adoption of sustainability practices within the County government and the community at large.		
Core Objectives	<ol style="list-style-type: none"> 1. Spearhead and assist County divisions and departments in efforts to save energy and water, reduce waste, and increase recycling within County buildings and operations. 2. Research and analyze trends, emerging technologies, and best practices. 3. Oversee the documentation, measurement, and evaluation of program performance data. 4. Establish policies and programs necessary to achieve resource reduction and savings in County operations and to carry out programs that serve the wider community. 5. Provide communications about County sustainability initiatives, host sustainability programs, and work with community partners to carry out community-based sustainability projects. 6. Participate in special events related to sustainability, recycling, and community wellbeing. 7. Organize and provide education services to County facilities, schools, and other organizations. 8. Provide sustainability, recycling and public education consulting services. 		
Statutory Responsibilities	The Florida Solid Waste Management Act of 1988 established that each county has the power to provide for the operation of solid waste facilities to meet the needs of all incorporated and unincorporated areas of their respective county. Florida Administrative Code, Chapter 62 701 "Operating Restrictions and Practices for Solid Waste Facilities" and The Energy, Climate Change, and Economic Security Act of 2008 (House Bill 7135) established a new statewide recycling goal of 75% to be achieved by the end of the year 2020. An updated recycling bill or goal has not yet been passed by the State.

Benchmarking			
Strategic Priorities	Benchmark Data	Leon County	Statewide Goal
	% of waste tonnage recycled	54%	75%

1. Statewide recycling goal: In 2008, Florida set a recycling goal of 75% by 2020. The State did not meet the 75% recycling goal. Though the goal was set for 2020, there is no sunset date; therefore, the County will strive to meet the 75% statewide recycling goal until new legislation provides direction. The County's 2022 recycling rate was 54%, a 2% decrease from the 2021 rate. This rate decrease in 2022 is due to a decrease in construction and demolition debris that has stimulated a fluctuation in tonnage. Though the County's overall recycling rate dropped, the recycling rate for common commodities (plastic, paper, glass, aluminum) has increased in past years.

FY 2022-2026 Strategic Plan							
Bold Goals & Five-Year Targets		FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate⁴	FY 2025 Estimate⁴	FY 2026 Estimate	TOTAL
	Reduce Greenhouse Gas Emissions stemming from County operations by 25%. (T5) ¹	5%	10%	2%	4%	TBD	21%
	Double solar power generation at County facilities. (T6) ²	50 kW's	0 kW's	25 kW's	50 kW's	TBD	125 kW's
	Increase the number of fully electric vehicles in the County's fleet by 500%. (T8) ³	0%	225%	92%	100%	TBD	417%

Notes:

1. In 2019, the Board adopted Leon County's Integrated Sustainability Action Plan (ISAP) which sets out to reduce greenhouse gas (GHG) emissions by 30% by the end of FY 2030. To achieve this, the County will need to reduce GHG by 25% over the next five years. As of the conclusion of FY 2023, the County has achieved a 15% GHG reduction (or 60% of the five-year Target).
2. Prior to the start of FY 2022, the County had solar arrays installed at five County facilities, providing a total solar power generation capacity of 135.7 kW's (Kilowatts). Under the new five-year plan, the County is seeking to double the amount of solar power generated at County facilities. While the County anticipated achieving an additional 25 kW's increase in solar power generation in FY 2023, the availability of vendors within the region to install and maintain commercial solar has been limited. The County has continued taking proactive steps to build local capacity both for installation and ongoing maintenance of solar arrays. In regard to installation, the County is collaborating with state and local solar advocates to identify tangible steps that can be taken to enhance local vendor capacity.
3. Leon County's Integrated Sustainability Action Plan (ISAP) establishes a goal to convert 30% of the light duty vehicles in the County's fleet to fully electric by FY 2030. To stay on track to accomplish this goal, the County will need to increase the number of fully electric vehicles in its fleet by 500%, for a total of 25 vehicles by FY 2026. It should be noted that due to shortages and shipping delays resulting from the long-term economic impacts of COVID, the arrival of electric vehicles ordered by the County have been significantly delayed. Notwithstanding this, since the start of FY 2022, the County has achieved 45% of the County's five-year Bold Goal by increasing the County's electric vehicle fleet by 225% for a total of 13 electric vehicles by the end of FY 2024. The preliminary FY 2025 budget contemplates the purchase of an additional six EVs as numerous light-duty fleet will be eligible for replacement, which will bring the County to a total of 19 electric vehicles, or 76% of the County's five-year Target next year.
4. Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

	Number of waste reduction/sustainability/recycling community education presentations/tours. ⁴	28	6	30	20
	Number of educational publications written. ⁵	1	1	10	10

Notes:

- As part of the County's continued energy savings effort, a new energy savings contract was executed in FY 2020 and work was completed in September of 2022. In FY 2023, the County saved \$2.1 million in utilities, bringing the year-to-date savings total to \$16 million. Cost savings began in FY 2023 and will increase over time as utility rates increase.
- Common commodity recycling (paper, cardboard, plastic) has seen a 23% increase, however, these are lightweight materials so, though participation has increased, tonnage will remain relatively stable. Additionally, the Division does not anticipate an increase in recycling accounts that would increase tonnage as the number of recycling accounts have been stable for multiple years.
- The Office of Sustainability is back to pre-pandemic levels of programming and engagement. Originally scheduled to be held in FY 2023, the Sustainability Summit was delayed until FY 2024 due to scheduling conflicts.
- The number of citizens participating in presentations decreased by 53% in FY 2023 due to the delay of the Sustainability Summit. Staff anticipates hosting approximately 30 presentations for the community in FY 2024 and 20 presentations in FY 2025. This number varies as it is typically by request of outside organizations.
- Educational publications written did not meet the original estimate due to staff turnover the previous two fiscal years. The Division will continue writing educational publications for the local newspaper and other opportunities when available.

Cooperative Extension (001-361-537)

Goal	The goal of the Cooperative Extension Division is to provide researched based educational programs and information on horticulture, agriculture, natural resources, family & consumer sciences, and 4-H youth development empowering citizens of Leon County to make decisions and behavior changes that contribute to an improved quality of life and a more sustainable community.
Core Objectives	<p>Horticulture, Agriculture, and Natural Resources:</p> <ol style="list-style-type: none"> 1. Increase citizen awareness of sustainable food systems and the environment. Teach citizens about energy, water and natural resource conservation. Help citizens to adopt sustainable lifestyles and best management practices. Provide demonstrations in schools and community gardens. 2. Enhance stewardship of water quality, quantity and supply by teaching target audiences how to implement agriculture, and Green Industries best management practices, Florida-Friendly Landscaping principles, and low impact development standards. These programs help keep Leon County's Stormwater Division in compliance with the National Pollutant Discharge Elimination System (NPDES) permit requirements. 3. Increase the sustainability, profitability, and competitiveness of agricultural and horticultural enterprises. Maintain and enhance production systems by improving knowledge and adoption of production efficiencies and effectiveness, new technologies, integrated pest management, food safety and environmental stewardship. Provide continuing education units and certification classes for pesticide applicators, landscape professionals, and other professionals ensuring compliance with state laws and supporting local jobs and workforce. 4. Use volunteers to extend community education and outreach. Train and manage Master Gardener and Sustainable Floridian volunteers to help other citizens adopt sustainable lifestyles and best management practices. <p>Family and Consumer Sciences:</p> <ol style="list-style-type: none"> 1. Empower individuals and families to build healthy lives and achieve social and economic success by providing educational programs in the areas of nutrition and health, financial management, human development, and parent education. 2. Improve the quality of nutrition for limited-resource families through administration of the USDA Family Nutrition Program (FNP). Two full-time FNP paraprofessionals teach comprehensive interactive classes helping families improve diet quality, physical activity, food resource management, food safety practices and food security. 3. Teach consumers, families and food handlers to improve food choices and safe food handling practices. Provide wellness education programs addressing nutrition and healthy lifestyle behaviors to reduce the risk of obesity-related chronic diseases. 4. Improve financial stability. Teach individuals and families skills they need to reduce debt, create spending plans, and save for the future. <p>4-H and Other Youth Programs:</p> <ol style="list-style-type: none"> 1. Through a variety of delivery methods (clubs, camps, field days, workshops) 4-H uses a learn-by-doing approach to help youth gain knowledge and skills to be productive citizens. 2. Recruit, screen, and train teen and adult volunteers to be successful club leaders, teach subject matter and life skills, judge events and serve in an advisory capacity, all while providing safe environments for youth. 3. Provide opportunities for youth to develop science, technology, engineering and math (STEM) literacy through clubs, camps and special interest programs. 4. Plan, implement, and evaluate 4-H/Tropicana public speaking contest for Leon County 4th, 5th and 6th grade students.

Advisory Board	Overall Extension Advisory Committee and Program Advisory Committees

In November 2015, Leon County and the University of Florida enacted a new Memorandum of Understanding (MOU) that changed the nature of the partnership between the two organizations in regard to Leon County UF/IFAS Cooperative Extension. The MOU set forth a new structure in the relationship wherein the University of Florida serves as a contractor for Leon County. Under the agreement, Leon County is invoiced quarterly for a predetermined portion of personnel and operating expenses. The MOU requires the University to provide reports on a quarterly basis to the County regarding the progress of the Extension programs and services.

Leon County revised its agreement with the University of Florida (UF) in November 2015 for providing educational Extension Program. The agreement revised the partnership whereby all Cooperative Extension staff are now University of Florida employees, with the County maintaining the same level of financial support for personnel and operating costs, but on a reimbursement basis. As specified in the contract, the University of Florida Institute of Food and Agricultural Sciences (UF IFAS) provides 70% of the salary and all benefits for each Extension Agent and the Director. The County pays the remaining 30% of the salary. The County provides 100% of the funding for four support staff and 5% for one UF support staff.

Parks and Recreation Services (140-436-572)

Goal	The goal of the Division of Parks & Recreation Services is to provide for the safety, comfort, and convenience of the public by creating, maintaining, and managing infrastructure and programs supporting recreation, parks, and open space. This is accomplished through cost effective, environmentally sensitive and aesthetically pleasing products and efficient services.
Core Objectives	<ol style="list-style-type: none"> 1. Responsible for the development, preservation and management of functional, safe and aesthetically pleasing parks and recreation facilities across Leon County for its citizens and visitors. 2. Responsible for the maintenance of all county park facilities, including ball fields, boat landings, nature trails, greenways, and open spaces. 3. Provide passive recreation activities through access to fishing, camping, picnicking, and nature trails. 4. Develop and maintains active recreation facilities, including ball fields, tennis courts, and basketball courts. 5. Facilitate the organization, promotion, and implementation of recreation programs and activities through community-based recreation providers. 6. Pursue outside funding for facilities and services through grants, partnerships, and other programs to complement existing budgets. 7. Operate six multi-purpose community centers. 8. Prepare facilities and fields for state and local tournaments.

	Community center usage by estimated attendance ⁵	74,726	74,726	85,000	87,000

Notes:

1. The projected decrease in FY 2024 is due to the timing of treatments taking place. Additionally, due to ongoing treatment and removal of invasive exotic plants, treatment is not always needed on an annual basis. The estimates for FY 2024 and FY 2025 are comprised of treatments to Greenways and Passive Park properties. This number reflects parcels that are solely considered Greenway and not a mix of Greenways and passive parklands.
2. During FY 2023, Parks acquired 50 acres for the new Northeast Park. This newly acquired acreage is anticipated to be available to the public in FY 2026.
3. Participation numbers across youth sports programming have continued to rise since the pandemic, surpassing pre-pandemic levels.
4. Additional events held in FY 2024 were due to the Bicentennial celebration. The division anticipates 9 significant events in FY 2025 including several FHSAA Cross Country events.
5. The estimated number of people who attended events at the Community Centers in FY 2024 and FY 2025 is expected to increase slightly due to the Boys and Girls Club's increased usage and the opening of the new Miccosukee Community Center, anticipated in late 2024.

Facilities Management & Operations (001-150-519)

Goal	The goal of the Division of Facilities Management is to serve the citizens of Leon County and occupants of County facilities by providing clean, safe, and fully functional facilities through professional maintenance, minor construction, and operating services.
Core Objectives	<ol style="list-style-type: none"> 1. Provide and maintain facilities for Leon County Government, Constitutional Offices, and the Health Department. 2. Provide minor construction support services for all County buildings. 3. Coordinate facility accessibility and indoor air quality surveys responding appropriately. 4. Maintain County building's structural, mechanical, plumbing, electrical, roofing, emergency generators, heating/air conditioning, and other building systems. 5. Install, repair, or replace fixtures and finishes such as doors, windows, cabinetry, and flooring. 6. Manage parking for the Courthouse, Courthouse Annex, Gadsden Street Lot, and Main Library; maintaining access gates, readers, striping, signage, and user support. 7. Administer contracts for key access and equipment such as grounds keeping, custodial, and elevators. 8. Manage security access control systems. 9. Remodel interior office spaces such as wall and modular system removals and installations, cabinetry and shelving construction, installation of plumbing fixtures, and ductwork. 10. Research energy conservation and sustainable building opportunities. 11. Lower flags, hang plaques and pictures, put up and take down decorations, and transfer surplus property to the warehouse and surplus auctions. 12. Provide internal mail service for all Leon County Departments. 13. Manage the records warehousing. 14. Design and construct various items for special projects. 15. Provide assistance with moves within departments.
Statutory Responsibilities	Constitution of the State of Florida, Article V, Section 14 (facilities for the trial courts, Public Defender, State Attorney and Court functions of the Clerk); Florida Statute, Section 125.35; Florida Statute, Chapter 255, "Public Property and Publicly Owned Buildings"
Advisory Board	Courthouse Security Committee, Safety Committee, Renaissance Property Committee, and Public Safety Management Committee.

Benchmarking			
Strategic Priorities	Benchmark Data	Leon County	Benchmark
	Repair and Maintenance cost per Square Foot – In-house	\$2.14sq. ft. ¹	\$3.08 sq. ft.
	Repair and Maintenance cost per Square Foot – Contracted	\$3.34 sq. ft. ²	\$4.48 sq. ft.
	Average utility cost per Square Foot	\$2.16 sq. ft. ³	\$3.85 sq. ft.

Benchmark Sources: International Facilities Management Association (IFMA) 2022 (Building Interior/External) – new benchmark data is published every five years; Contracted- (Operations & Maintenance/Roads & Grounds/Central System/Other Cost) Ratios are based on (RSF) rentable square ft. The benchmarking data for Repair and Maintenance cost per Square Foot – Contracted will show a decrease due to a more accurate alignment with IFMA's calculations and methodology.

Notes:

1. Repair and Maintenance cost per Square Foot (In-house) includes personnel and operating cost for Facilities Management, Detention Center, Public Safety Complex, and the County Government Annex.
2. Repair and Maintenance cost per Square Foot (Contracted) includes Other Contractual, Repair & Maintenance, Machinery & Equipment and Professional Services totals from Facilities Management, Detention Center, Public Safety Complex, the County Government Annex, and Huntington Oaks Plaza.
3. Average utility cost per Square Foot includes all budgeted utilities from Facilities Maintenance, Detention Center, and Public Safety Complex.

	Average work order completion time in days ⁵	14	14	14	14
	Total square footage of County facilities maintained ⁶	2,022,992	2,022,467	2,022,467	2,022,467

Notes:

1. Current year estimates are based on projects that have started development and/or projects that are anticipated to be completed in FY 2024. Projects include the replacement of the Detention Center Cell Doors, the Southside Clinic Generator, and the installation of several Electric Vehicle Charging Stations throughout the County.
2. The number of work orders are projected to remain steady in FY 2024 and FY 2025 due to continued communication and direction to department representatives on how and when to submit work order requests. These include preventative maintenance, non-preventative maintenance, and work orders from the Capital Improvement Program.
3. As Facilities Management & Operations identify & integrate new tasks, preventative maintenance (PM) will continue to make up most of the work orders.
4. Facilities Management & Operations continues to support all types of special events throughout the County. Some of these events in FY 2024 included early voting, seasonal parade floats, and the dedication of the Bruce J. Host Northeast Branch Library.
5. This average includes all preventive and non-preventative maintenance and Capital Improvement Program work orders for Leon County Facilities and the Sheriff's Office. The average is based on the number of days from the origination of the work order to the date of completion.
6. The division does not anticipate the acquisition of any new buildings in FY 2024 for FY 2025.

Solid Waste (401-416,437,441,442,443-534)

Goal	The Solid Waste Management Facility is an essential component of an integrated solid waste management system dedicated to excellent public service and responsible fiscal and environmental stewardship. The goals of the Facility are to comply with the Florida Department of Environmental Protection Operating Permit and to ensure that existing solid waste is properly contained by maintaining the surfaces of the inactive cells to reduce erosion and landfill gas emissions.
Core Objectives	<ol style="list-style-type: none"> 1. Manage a cost effective, convenient, and environmentally safe Solid Waste Management Facility. 2. Recycle yard debris and waste tires. 3. Provide environmental monitoring of air, groundwater, and surface water. 4. Provide free coarse and fine mulch to residents and businesses. 5. Maintain all weather, safe access to all areas of the Solid Waste Management Facility. 6. Maintain and provide erosion control of closed and inactive landfill cells. 7. Provide stormwater management and treatment. 8. Provide litter control within the facility and along portions of Apalachee Parkway. 9. Maintain existing closed cells of the landfill that contain Class I solid waste as required by Florida Department of Environmental Protection permit.

	Solid Waste Management Facility Tipping Fee (Yard Debris)	\$50.18/Ton	\$39/Ton ¹
	Transfer Station Tipping Fee	\$63.05 ²	\$58.47 ³

1. Includes average yard debris tipping fees for eight Florida counties with operations similar to Leon County.
2. This tipping fee includes hauling and disposal, fuel surcharge, Transfer Station operations, and Household Hazardous Waste/tires.
3. National Tipping Fee Average of \$58.47 as of 2022 (Source: Environmental Research & Education Foundation (EREF)).
4. Due to increase in contractual cost Leon County is higher than the benchmark.

FY 2022-2026 Strategic Plan

Bold Goals & Five-Year Targets		FY 2022 Actual	FY 2023 Actual	FY 2024 Estimate ²	FY 2025 Estimate ²	FY 2026 Estimate	TOTAL ²
	Divert 3 million pounds of household hazardous waste from the landfill. (T7)	794,836	679,375	700,000	680,000	TBD	2,854,211

Notes:

- Annually, Leon County's Household Hazardous Waste Division processes a million pounds of waste including chemicals, batteries, paint, and small electronics. Over the next five years, the Division will work to maintain this recycling rate and divert a total of 3 million pounds of waste from the landfill. In FY 2022, the County enhanced services for its Household Hazardous Waste (HHW) program with the creation of a new centrally located drop off site at the Public Works complex at the corner of Blair Stone and Miccosukee Roads. In addition, at the new centrally located drop off site, the County now offers drop off seven-days a week, a vast service enhancement from the prior once a month offering. As a result of these enhancements, the County continues to experience a steady increase in hazardous waste material collected. Since the start of FY 2022, the County has diverted a total of 1.78 million pounds of waste, 59% of the five-year Target.
- Bold Goal & Target figures for FY 2024 and FY 2025 are estimates. Actuals for FY 2024 will be reported at the Annual Board Retreat in January 2025.

	Number of conditionally exempt agencies and small businesses household hazardous waste disposal services provided to. ⁶	469	492	460	460	
	Number of participants estimated to use new household hazardous waste collection site at Public Works. ⁷	1,934	2,260	2,100	2,100	
	Number of tons of potentially hazardous material processed. ⁸	596	513	500	500	
	Number of tons of potentially hazardous material reused or recycled. ⁹	397	340	250	250	
	Number of tons of electronics waste processed. ¹⁰	209	165	170	170	

Notes:

- Processed tire tonnages are anticipated to increase in FY 2024 and FY 2025. This program is funded by a grant from the Department of Environmental Protection (DEP).
- Yard debris fluctuates based on environmental conditions. Due to increased collections from the City of Tallahassee, the tons of woods waste processed is anticipated to increase in FY 2024 and FY 2025. Approximately 10% of the yard debris processed will be given away as free mulch to citizens.
- The average transfer station outbound load is projected to decrease by 3% in FY 2024 and FY 2025 due to an increase in light and bulky waste taking up space in the long-haul trailers. The Division is working with waste-hauling partners to eliminate the large amounts of bulk and construction debris.
- The total of Class 1 processing consists of everything that goes through the Transfer Station. In FY 2022, high tonnage was due to an increase in development and in FY 2024 and FY 2025, it is expected that tonnage volume will return to normal.
- The increase in FY 2024 and FY 2025 is due to continued public education campaigns to promote awareness of proper disposal services, and free collection at the sites.
- The number of small businesses (that generate 220 lbs of hazmat or less) utilizing hazardous waste disposal services is projected to decrease by 6.5% from 2023. This number is right on par with the business numbers from FY 2022.
- Created at the beginning of FY 2022, the HHW collection site is centrally located at the Public Works Facility and allows for drop-off seven days a week. Participant numbers are estimated by pounds of waste retrieved. Though usage is projected to slightly drop from FY 2023, the number of residents estimated to use the site have increased by 8.6% since its inception in FY 2022.
- The FY 2024 decrease is thought to be from ongoing education encouraging natural products, and the reduction of hazardous materials in the home.
- Previously, this performance measure captured Renew Center items and Habitat for Humanity donations but was updated in FY 2023 to reflect all materials reused and recycled. Tonnage of reused and recycled potentially hazardous materials decreased by 26.5%. With 69% of total materials (by weight) being electronics waste, the decrease is thought to be because of the development of smaller and more compact technologies. The Division will continue promotion of the environmental benefits of the Renew Center and electronics waste recycling program.
- The term "electronics waste" does not include batteries. FY 2024 is projected to increase battery disposal quantities by 33.6% from FY 2023.

The Yard Waste program is budgeted separately from the Solid Waste Management Facility to better account for yard debris recycling costs.

The major variances for the FY 2025 Yard Waste budget are as follows:

Increase to Program Funding:

1. Contractual cost associated with Yard Debris Processing & Disposal, offset by the County's portion of retirement rates passed by the Florida Legislature, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Constitutional Executive Summary

The Constitutional section of the Leon County FY 2025 Annual Budget is comprised of the Clerk of County Courts, the Property Appraiser, the Sheriff's Office, the Supervisor of Elections, and the Tax Collector.

The Leon County Clerk's Office serves as the Clerk of the Circuit Court, the Treasurer and Custodian of County funds, and the Clerk to the Board of County Commissioners. The Property Appraiser assesses all property located within Leon County to ensure property is assessed as required by state statute. The Leon County Sheriff's Office provides law enforcement services, detention and correctional services, and coordination of public safety programs. The Supervisor of Elections is responsible for the registration of citizens to vote, processing and maintaining voter records, and conducting all elections for the community. The Tax Collector's Office provides tax collection and distribution services to taxpayers, businesses and taxing authorities.

HIGHLIGHTS

The Clerk's Office provides staffing for the County Courts (Small Claims, Traffic, and Misdemeanor); provides accounting services and treasury investment for the Board of County Commissioners; records management, Clerk and County Court accounting, cash management and payroll services; records minutes of the Board's meetings and workshops; and provides treasury, custodian, and accounting functions for the Supervisor of Elections. The Clerk's Office continues to use technology to enhance the efficiency and effectiveness of the services it offers to its customers. For FY 2025, the contractual increase for financial services provided by the Clerk is \$406,852. In addition, there was an increase in Article V funding in the amount of \$12,091.

The Property Appraiser's Office manages and certifies property values and exemptions for more than 124,900 parcels currently totaling \$25.37 billion in Taxable Value for Leon County. These services are provided to the Board of Commissioners, School Board, City of Tallahassee, Downtown Improvement Authority, the Children's Services Council and the Northwest Water Management District. The Leon County Property Appraiser's Office was awarded the prestigious International Association of Assessing Officers (IAAO) Certificate of Excellence in Assessment Administration for utilizing best appraisal and assessment practices. The Property Appraiser and the Board of County Commissioners utilize the e-TRIM for the Truth-In-Millage (TRIM) statutory reporting requirements. This electronic process has increased efficiencies for all taxing authorities in reporting county property valuations and ad valorem taxes to the State of Florida.

The Sheriff's Office continues to provide the highest professional level of effective and efficient law enforcement services to the residents of Leon County. FY 2025 funding for the Sheriff's Office includes inflationary increases associated with contractual and communication services, insurance, repairs and maintenance and fuel. Additional personnel increases are aligned with Strategic Initiative #2023-24 which supports the Sheriff in implementing a step pay plan for sworn officers to achieve and maintain recruitment and retention efforts. Additionally, the budget includes a separate appropriation in the amount of \$431,680 for continued funding for the two Sheriff's Homeless Outreach Street Team (HOST) deputies to provide law enforcement support in the engagement of unsheltered individuals and families.

The Supervisor of Elections continues to provide quality voter registration and election services to the citizens of Leon County. The Supervisor of Elections budget varies year to year depending on the election cycles. Funding for the Supervisor of Elections increases in fiscal years that include the Presidential Preference Primary and general elections, and decreases in general election and off year election cycles. In FY 2025 the Elections Office will conduct the 2024 General Election, although significant portions of the expenses for were included in the FY 2024 budget. The remainder of the FY 2025 budget is for off-year voter registration and list maintenance expenses.

The Tax Collector continues to provide efficient, accurate, and convenient tax collection to taxpayers, businesses, and taxing authorities in a fair, friendly, courteous and professional manner. The County is also responsible for paying commission on the ad valorem assessment from the Leon County School Board. Due to increased property valuations, ad valorem collections will increase, causing an increase in commission payments to this office.

Clerk's Article V expenses relate to Article V of the Florida Constitution. In FY08 new reporting requirements for Article V entities were implemented. Effective July 1, 2004, Article V of the Florida Constitution required counties provide funding for certain costs incurred by the state court system. As defined in s. 29.008, F.S., counties must fund the following: (1) Communications services, including telephone expenses, computer equipment/networks, courier/subpoena services, and auxiliary aids; (2) Existing radio systems; (3) Existing multi agency criminal justice information systems; (4) Facilities costs including construction or lease of facilities for court functions, maintenance of these facilities, utility costs, security; and (5) Local Requirements including Legal Aid.

FY 2025 budget reflects an increase in Article V funding in the amount of \$12,091, associated with increased retirement rates, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees.

The major variances to the Property Appraiser's budget are as follows:

Increases to Program Funding:

1. The Property Appraiser's budget reflects a 10.77% increase from FY 2024. Costs associated with retirement rates passed by the Florida Legislature, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees. Other increases are due to inflationary cost associated with contracts and the replacement of an unrepairable vehicle to support operations.

Sheriff - Law Enforcement (110-510-586)

The Sheriff's budget (Law Enforcement, Detention & Judicial) increased by a total of 10.34%. The Law Enforcement portion of the Sheriff's budget increased by 2.51% and includes:

1. Costs associated with retirement rates passed by the Florida Legislature, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for non-sworn staff. Other personnel increases are associated with increasing the base pay of sworn officers to \$60,000 and the final implementation of the officer step plan consistent with Strategic Initiative #2023-24 which supports the Sheriff in implementing a step pay plan for sworn officers to achieve and maintain recruitment and retention efforts. Additional personal increases are related to continued funding for the Homeless Outreach Street Team (HOST) program in the amount of \$431,680 and the addition of one patrol deputy for western Leon County including the Apalachicola National Forest.
2. Other increases are associated with increases in contractual and communication services, insurance, repairs and maintenance and fuel.
3. The staffing summary has been revised to include part-time positions, including school crossing guards, which have historically not been reflected in the FTE count.

The Supervisor of Elections budget varies year to year depending on the election cycles. Funding for the Supervisor of Elections increases for Presidential Preference Primary and preparing for the November general election cycle and decreases in off year election cycles. The upcoming FY 2024 cycle includes a presidential election. In addition, the Florida Legislature enacted new voter verification requirements for felony research by each Supervisor of Elections office requiring an increase in personnel costs as additional staff are needed to conduct the research.

Increases to Program Funding:

1. Costs associated with retirement rates passed by the Florida Legislature, health insurance premium rates at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees.
2. Additional inflationary costs are associated with increases in rentals and leases and repairs and maintenance.

The County budget allocation is not the entire Tax Collector's budget, but only the portion relative to statutorily charged commissions paid by the County.

This budget reflects estimated commission payments based on a 10.01% increase in property values and the related collection of ad valorem taxes. In addition to property taxes levied by the County, Florida Statutes requires the County to pay all commissions related to the collection of School Board ad valorem taxes.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Judicial Executive Summary

The Judicial section of the Leon County FY 2025 Annual Budget is comprised of Court Administration and Other Court-Related Programs, the State Attorney, the Public Defender, and Guardian Ad Litem.

Court Administration protects rights and liberties, upholds and interprets the law, and provides for the peaceful resolution of disputes for citizens of Leon County and other surrounding counties in the 2nd Judicial Circuit. Additionally, Court Administration is responsible for court reporting, the law library, family law assistance program, family visitation program, mediation, teen court, non-conflict attorney, detention review coordination, mental health coordination, and indigent probate services. The State Attorney prosecutes all criminal cases in the 2nd Judicial Circuit for the punishment of crimes and the safety and protection of the public. The Public Defender's office provides quality legal representation to all indigents charged with criminal offenses. Guardian Ad Litem advocates for the best interest of children who are abused, neglected, or abandoned, and who are involved in court proceedings.

HIGHLIGHTS

The Mental Health Coordinator continues to provide case management services for all mentally ill defendants with criminal charges pending in Leon County. It's estimated that 61,334 jail beds and \$6.2 million in costs will be avoided in FY 2025 due to Mental Health Coordinator intervention.

Teen Court continues to be one of the most successful and cost-effective juvenile diversion programs. The recidivism rate, a key indicator of the program's success, is reported on graduates that re-offend within one year of completing the program. It is estimated that only 3.20% of graduates will re-offend in FY 2025.

Beginning in FY 2016, at the request of the Court Administration, the Board approved the creation of the Veteran's Court, which is funded annually by the State of Florida. The Veteran's Court provides felony and/or misdemeanor pretrial or post-adjudicatory veterans' treatment intervention programs to address the substance abuse and/or mental health treatment needs of veterans and service members charged with, on probation or community control for criminal offenses. An estimated 10 defendants will be served by the Veteran's Court in FY 2025. Additionally, the Board approved a plan to use current and future funds from the opioid litigation settlement to expand existing programs provided by the 2nd Judicial Circuit for substance abuse treatment and other ancillary services for people involved in or transitioning out of the criminal justice system and adversely impacted by opioids in Leon County.

In FY 2017, the State Attorney's Office established a new diversion program to address minor offenses through community interventions. The State Attorney's Office will receive and handle approximately 6,000 felony referrals, 750 juvenile referrals, and 6,100 misdemeanor referrals in FY 2025. The State Attorney Office continues to provide efficient and effective prosecution and dispositions of all felony, misdemeanor, and juvenile criminal cases referred. The County continues to provide additional funding support for first appearance attorneys to assist in reducing the jail population.

The Public Defender's Office estimates a total of 9,100 cases to be closed in FY 2025. The Public Defender's office continues to provide quality legal representation to all indigents charged with criminal offenses. The County continues to provide additional funding support for first appearance attorneys to assist in reducing the jail population.

Guardian Ad Litem continues to provide children with legal representation and advocacy services. In FY 2025, Guardian Ad Litem will represent approximately 695 children who are residents of Leon County.

Court Administration (001-540-601)

Goal	The goal of the Office of Court Administration's Criminal Court Case Management Unit is to provide judicial case management for all cases in Leon County's criminal justice system to reduce delays in case disposition and/or defendant release.
Objectives	<p>Criminal Case Management:</p> <ol style="list-style-type: none"> 1. Oversight and supervision of Mental Health dockets, Veterans Treatment Court, and Felony Drug Court. 2. Performs early identification of all veterans and persons diagnosed with a mental illness booked into the Leon County Detention facility. 3. Provides judicial case management services for all defendants. Specifically, those defendants who are 1) diagnosed with a mental illness, 2) participating in the Leon County Felony Drug Court program, or 3) participating in the Leon County Veterans Treatment Court program. 4. Reviews, enhances and coordinates all criminal court processes. 5. Staffs the Criminal Justice Coordinating Committee (CJCC) and attends the Public Safety Coordinating Council (PSCC). 6. Provides training and oversight of court approved risk assessment tools. 7. Coordinates bi-weekly multi-disciplinary team staffing for all adult specialty courts and/or dockets. 8. Provides weekly, bi-weekly, and monthly case ageing reports to court parties. 9. Serves as Court Liaison for jail population review and management with all outside agencies. 10. Coordinated and facilitated the Big Bend Crisis Intervention Team (CIT) training program. 11. Monitors detention facility population to identify cases for timely disposition.
Statutory Responsibilities	Florida Constitution; Florida Statutes, Chapters 29 "Court System Funding" *Chapter 34 "County Courts" *Chapter 38 "Judges: General Provisions" *Chapter 39 "Judicial: Proceedings Relating to Children" *Chapter 40 "Jurors & Payment of Jurors & Witnesses" *Chapter 43 "General Provisions: Courts"
Advisory Board	Criminal Justice Coordinating Committee; Public Safety Coordinating Council; Justice Information System Users Group, and attendant at First Steps board meetings.

Number of Jail Beds Avoided Due to Criminal Case Management Unit Intervention. ¹	53,098	54,796	56,790	61,334
Estimated Cost Avoidance Due to Criminal Case Management Unit Intervention. ²	\$5.09 million	\$5.12 million	\$5.5 million	\$6.2 million
Number of Defendants Ordered to a Psychiatric Facility for Stabilization. ³	79	77	85	93
Number of Defendants Found to be Incompetent to Proceed. ⁴	172	146	155	165
Number of Misdemeanor Defendants Found to be ITP with Administrative Community Release. ⁵	N/A	74	80	87
Number of Defendants served by Veterans Treatment Court (VTC). ⁶	32	24	15	10
Number of Defendants served by Felony Drug Court (FDC). ⁷	71	17	24	33

Notes:

1. Jail bed days avoided indicates cases where staff provided case management services that resulted in treatment in facilities other than the detention facility or where case disposition was expedited.
2. Cost per day for the jail used in calculations is \$93.58 for FY 2023, \$96.39 for FY 2024, and \$101.73 for FY 2025 (accounts for annual increases to Sheriff's budget).
3. Number of Defendants ordered to a psychiatric facility for stabilization indicates community-based care at Baker Act facilities in Leon County.
4. Number of Defendants found Incompetent to Proceed indicates defendants receiving competency restoration services at State mental health facilities or in the community. These cases are paused/stayed but monitored by staff until competency is restored by the court.
5. Number of Defendants with misdemeanor charges found incompetent to proceed but released into the community to continue treatment until the case is dismissed by the court. Staff typically monitors for six months when case is dismissed.
6. Veterans Treatment Court is a 12-month program with a diversionary and a post adjudication track. Successful completion of the diversion track results in case dismissal. Successful completion of the post adjudication track could result in early termination of probation. Participants receive treatment in the community versus remaining in custody for the duration of the program. Staff provide case management and intervention services throughout the program.
7. Felony Drug Court is a 12-month diversion program where treatment is provided in the community instead of the detention facility. Successful completion of the program results in case dismissal. Staff provide case management and intervention services for the duration of the program.

In FY 2008 new reporting requirements for Article V entities were implemented. Effective July 1, 2004 Article V of the Florida Constitution required counties provide funding for certain costs incurred by the state court system. As defined in s. 29.008, F.S., counties must fund the following: (1) Communications services, including telephone expenses, computer equipment/networks, courier/subpoena services, and auxiliary aids; (2) Existing radio systems; (3) Existing multi agency criminal justice information systems; (4) Facilities costs including construction or lease of facilities for court functions, maintenance of these facilities, utility costs, security; and (5) Local Requirements including Legal Aid.

The budget decrease is due to the allocation of the phone system and other communications charges that are adjusted annually.

During the FY 2016 budget process, the Board approved an additional \$125,000 in limited funding, above the Article V requirement, to support the cost of an attorney and support staff for a maximum of five years ending in FY 2020 due to federal and state funding decreases. This funding was extended for three years due to the need for legal services related to housing caused by the COVID-19 pandemic. Legal Services funding of \$125,000 will continue into FY 2025 as additional unmet needs have been identified in the areas of evictions, heir property and title clearing. The remaining Legal Aid funding is budgeted in Other Court –Related Programs.

Court Administration – Teen Court (114-586-662)

Goal	The goal of Teen Court is to have clients face a jury of their peers, receive a fair and just sentence for their crime, complete the educational sanctions imposed by the Teen Court jury, learn from their mistakes, set goals for themselves, and make better decisions in the future.
Objectives	<ol style="list-style-type: none"> 1. Provide a forum whereby youthful offenders are "sentenced" by a court of their peers. 2. Provide sanctions to offenders through sentencing hearings. 3. Provide professional, educational, and counseling services and/or referrals to clients of the program. 4. Provide training for teens to serve as prosecution and defense attorneys, as well as bailiffs, clerks and videographers. 5. Provide educational/crime prevention/victim's awareness components to clients.
Statutory Responsibilities	Florida Statutes, Chapter 938.19. Assessment of additional court costs; Leon County Ordinance Sec. 7-28(c).
Advisory Board	Teen Court is a member of the Florida Association of Teen Courts, as well as a participant in the National Youth Court Association. Collectively, program staff participates with the Integrated Juvenile Services Staffing team at the Juvenile Assessment Center (JAC) and The Youth Development Council.

Notes:

1. The number of cases referred to Teen Court in FY 2023 reflect a more normal level of participants as the program resumes regular in-person events. Teen Court anticipates a slight increase in FY 2024 and FY 2025.
2. "Officers" refers to Teens (students) volunteering from Leon County School district high schools serving as officers (e.g., attorneys, clerks, and bailiff positions) in teen court proceedings.
3. The number of hours teen volunteers have served as jurors is anticipated to decrease slightly in FY 2024 and FY 2025.
4. The number of volunteer service hours contributed reflects both the number of hours a youth participates and the number of adult volunteer hours. This includes Classroom to Courtroom volunteers
5. The number of successful completions in FY 2023 reflects a more normal level as the program resumed regular in-person events. Teen Court anticipates a slight increase in FY 2024 and FY 2025.
6. Teen Court recidivism rates will be reported on graduates that re-offend within one year of completing the program.
7. Teen Court facilitates courthouse visits and presentations for student and educational groups. The increase in FY 2024 and FY 2025 is due to Raa Middle School's plans to participate in Classroom to Courtroom.

Notes:

1. The division predicts a decrease in the number of cases the GAL office will be appointed to for the next FY due to in-home services.
2. In FY 2025, Guardian ad Litem Office will focus on recruitment and training in all 6 counties. The transition of the GAL 30-hour volunteer training to a virtual format will provide increased accessibility. Guardian ad Litem Office will also incorporate some face-to-face volunteer preservice training.

Fire Control Summary

During FY 2009, the County entered into an interlocal agreement for Fire and Emergency Medical Services program with the City of Tallahassee. In FY 2010, the Board approved placing the fire service on the tax bill for property owners who did not pay the fee via the established billing system. Direct billing by the City of Tallahassee is still the primary source for the collection of this fee. The original fire service fee was adopted by resolution on June 9, 2009. A new fire service fee, based upon a contracted fire service fee study, was adopted by the Board on May 26, 2015. In 2021, the City of Tallahassee raised the fire service fee by 15%. The County, in lieu of raising the fire service fee and as part of the Multi-Year Fiscal Plan, utilized debt service savings to support the increase. At the May 25, 2021 Budget Workshop, the Board authorized an amendment to the Fire Service agreement to conduct a joint fire fee study in FY 2023 to be presented to the Board for consideration during the FY 2024 budget process. At the April 25, 2023 Budget Workshop, the Board was presented with the joint study and voted to conduct a public hearing in July 2023 to proceed with implementing updated rates and amending the Fire Rescue Services Interlocal Agreement with the City of Tallahassee. The rates are effective October 1, 2023 and will remain in effect for a minimum of five years.

Billing for these services in the unincorporated area is through the City electric bill, or quarterly direct billing for properties not served by City utilities. Property owners who do not respond to direct billing will have the fee placed on their tax bill in subsequent years. Approximately 14,781 property owners in Leon County who originally were on the quarterly billing method pay the fire service fee through their property tax bill. The increase costs associated with payment to the City of Tallahassee for fire services include: movement of delinquent quarterly bills in the unincorporated area to the property tax bill for collection; and new properties resulting in increased collection of fire assessment fees.

Cost Allocations Summary

Cost allocations are a method for the County to distribute general and administrative costs throughout the organization. On an annual basis, the County engages a cost plan consultant to determine the appropriate distribution of costs. These are costs incurred by the General Fund on behalf of the entire organization. Costs include such items as Purchasing, Facilities Management, Human Resources, Office of Management & Budget, the County Attorney's Office, Management Information Systems and other non-departmental costs.

Risk Allocations Summary

The County maintains an internal services fund for risk management. The fund derives its revenue from workers' compensation contributions and allocations from various funds based on liability allocations (i.e. property insurance).

The amounts reflected below are the allocations for property and liability. Workers' Compensation is charged directly to each department's Personnel Services budget.

The major variances for the FY 2025 budget are as follows:

Increases to Program Funding:

1. Payments from Constitutionals increased to properly fund the County's liability for the self insurance of workers' compensation claims. These costs include Leon County Government and all the Constitutional offices. Leon County continues to have an aggressive safety and risk avoidance program, including required trainings and post-accident evaluations to avoid similar occurrences, which has resulted in reduced workers compensation costs for Leon County Government in FY 2025. This reduction is offset by an increase in the workers compensation budget for the Sheriff.

Budgeted Reserves Summary

Each year the County sets aside, budgeted reserves and contingency funds. This is an integral part of the budgeting process allowing the County to allocate funds for unforeseeable events or market conditions such as rising fuel and energy costs. Any budgeted reserve utilized during the year must be approved by the Board of County Commissioners.

Other Non-Operating Summary

These expenses relate to costs that are not associated with a specific County Department. A detailed description regarding these costs is provided below.

Non-Operating Expenditures - General Fund

These expenses include: County's annual dues (i.e. National Association of Counties, Florida Association of Counties), unemployment compensation payments, licensing (ASCAP), state fire service payments, pre-employment drug tests, payment for legal notices, annual audit expenses, and bank charges.

Summer Youth Employment

The Summer Youth Employment Program is funded by the County out of general revenue. The participants in this program are Leon County students between the ages of 14 and 21. The County's Summer Youth Training Program is administered through CareerSource Capital Region's (CSCR) Dynamic Futures Program, which is federally funded. Approximately 40 of the County's 63 Summer Youth positions are funded by CSCR. For FY 2025, \$75,378 is allocated for the program.

Other Non-Operating Expenses

Pursuant to an interlocal agreement with the City of Tallahassee, the County's funding for the Downtown CRA is reduced starting in FY 2024, resulting in \$1.0 million in savings from FY 2023. A portion of these cost savings are offset by the normal projected increases in the Frenchtown CRA payment.

State Juvenile Detention Payments

The Juvenile Detention payment is a mandate authorized by the legislature in 2004. The mandate requires counties to pay the State for the predisposition of juveniles at detention facilities. Historically, costs for this program have steadily increased. During the 2016 legislative session, the disagreement between the State and Counties regarding the cost of detention sharing for juveniles was resolved, causing Leon County's share of costs to increase. FY 2025 payments increased in the amount of \$41,125.

Drug Abuse Trust

Expenditures associated with the support of drug intervention programs overseen by the Court Administration.

800 MHZ System Maintenance

The Moving Violation Surcharge Fund is used to account for resources and expenditures associated with Leon County's participation in an intergovernmental radio communications programs previously approved by the Florida Department of Management Services. The actual expenditure is an annual payment to the City of Tallahassee and the contracted vendor for ongoing maintenance associated with the Leon County 800 MHz radio system. In FY 2021, due to the decrease in revenue and consistent increase in the general revenue subsidy, this budget was moved to the general fund. Radio Communications have scheduled a replacement of the virtual prime site, which is the redundancy server for all the 800 MHz radios. The current prime site has been in operation since 2009. Due to the age of the equipment and end-of-life support in 2015, the site needs to be replaced to continue quality radio service for all public safety agencies including the Leon County Sheriff's Office and Leon County Emergency Medical Services. The total replacement will be split evenly with the City of Tallahassee over a three-year period.

Sewer Assessments

This expenditure is a payment to the City of Tallahassee for the maintenance of a sewer system in Killbuck Lakes Units I and II, and Belair/Annwood subdivisions. Revenue for the payment is derived by a non-ad valorem assessment charge to individual lots. The County collects the assessments for remittance to the City. The significant increase in FY 2025 is due to the City adjusting rates for Killbuck Lakes to fully recover the cost of service.

Grant Match Funds

Matching funds are provided for contingent grants that require a certain percent of the funding required to implement or operate a program. The pledged match is contingent on the grant being awarded. For FY 2025, this funding amount remains level.

Blueprint

Blueprint personnel costs for the Legal Assistant, and Business Development Manager are budgeted by the County on an annual basis due to the these employees opting for County benefits. The costs are reimbursed from Blueprint. The County shares the funding of Minority, Woman and Small Business Enterprise (MWSBE) with the City, County and Blueprint providing 1/3 of the funding for this program. The Office of Economic Vitality is now fully funded from the 2020 Sales Tax Extension and no longer split funded between the City and the County.

Payment to the City of Tallahassee for Parks & Recreation

In 2005, the County and the City entered into a 15-year agreement with automatic 5 year renewals to make City parks, recreational facilities and programs fully accessible to the residents of the unincorporated area of Leon County. For FY 2025, this payment will increase \$72,437 based on the inter-local agreement.

Budget was established for employees opting for County benefits as allowed by the interlocal agreement establishing the agency. Blueprint reimburses the personnel costs of the ROW Assistant position to the County on an annual basis. This is done for accounting purposes only.

The Deputy Director-Business Vitality & Intelligence, MWBE Coordinator, Business Development Manager, and Business Outreach & Marketing Coordinator positions are part of the Office of Economic Vitality (OEV), which is jointly funded by the County and the City. OEV positions contribute to the County's share of funding for OEV, as specified in the interlocal agreement. The County shares the funding of MWSBE, with the City, County and Blueprint providing 1/3 of the funding for this program.

The major variances for the FY 2025 Blueprint budget are as follows:

Decreases to Program Funding:

1. Costs associated with the County's portion of retirement rates passed by the Florida Legislature, health insurance premium rates estimated at 6%, increase in workers' compensation costs, and funding for 5% raises for all employees. For budgeting purposes, Blueprint employees may choose either County or City pay and benefits. The personnel budget reflects a 1.0 FTE opting for City pay and benefits which previously was County.

Series 2020	The Bond Series 2020 Fund is a debt service fund established to account for the debt service associated with the financing of the purchase of a new helicopter for the Sheriff's office. Funding for the repayment of the debt service will be split evenly between the County and the City of Tallahassee.		\$1,298,120	\$324,967	\$4,415	\$253,858	\$3,743	\$71,109	2026
Series 2021	The Bond Series 2021 is for the purchase of the Supervisor of Elections building accordance with the Board's Real Estate Policy. The property was purchased for \$5.4 million and financing for the purchase and repairs, including the roof, will be paid back over a 15-year period.		\$5,400,000	\$4,475,000	\$556,018	\$335,000	\$82,788	\$4,140,000	2036
ESCO Lease	Through this program the County financed \$16.5M to pay for energy savings projects. All \$16.5M will be recouped by the County through energy savings over the life of the projects, approximately 25 years. The financing of the project is over a 15-year term to take advantage of competitive interest rates. As such, the financing will be serviced through a combination of energy savings and \$650,000 in general revenue annually.		\$16,500,000	\$13,580,000	\$1,484,523	\$1,025,000	\$230,119	\$12,555,000	2036
Series 226	The Bond Series 226 is for the replacement of the County's 800 MHz radios. This is due to very favorable interest terms in the market and proposed financing that defers the first-year payment until FY 2023, and the planned use of EMS and Volunteer Fire special revenue fund balances.		\$3,400,000	\$2,460,000	\$96,041	\$480,000	\$31,734	\$1,980,000	2029

The various Debt Service Funds account for the debt service, including the accumulation of resources and payment of principal and interest, associated with the existing bonds issued and/or bank loans obtained by the County.

The bonds or loans are secured by Non-Ad Valorem Revenue sources. None of the financing is through General Obligation Bonds. These bonds or loans have been structured to have overall level annual payments until all dates of expiration occur in 2036.

On July 8, 2014, the Board approved a bank loan to refund the remaining Capital Improvement Revenue Refunding Bonds, Series 2005 for an estimated \$1.7 million in net present value savings over the life of the loan. At its June 20, 2017 meeting, the Board approved the refinancing of this bank loan. The refinancing during FY 2017 provided additional savings of \$489,076 over the life of the loan. FY 2020, Bond Series 2012A and 2012B reached maturity and were paid off at year end resulting in a reduced debt service for FY 2021.

In FY 2020, debt was issued to finance the purchase of a new helicopter for Law Enforcement which is split equally between the City and the County. Subsequently, to take advantage of historically low interest rates and to avoid large variances to the capital budget, additional debt service was financed for Building Energy Savings improvements, the Supervisor of Elections Voting Operations Center, and the replacement of the County's 800 MHz radios for the Sheriff's Office, EMS, Animal Control, and the Volunteer Fire Department.

LEON COUNTY FISCAL YEAR 2025 – 2029 CAPITAL IMPROVEMENT PROGRAM

»» Capital Improvement Program Overview

Capital Improvement Program (CIP)

The capital improvement program is a resource that helps Leon County government ensure that decisions on projects and funding are made wisely and in a well-planned manner. The quality of life for a Leon County resident depends on the reliability of transportation, the performance of the stormwater system, the efficiency of waste disposal, the accessibility of culture and recreation, and many other essential public services.

High quality service levels can be achieved through the proper planning and provision of the replacement, maintenance and enhancement of the County's capital assets. In accordance with Florida Statute Chapter 125.74(1)(d), the County Administrator is annually responsible to prepare and submit a capital budget and capital improvement program to the Board.

Capital Assets

A capital asset is a new or rehabilitated physical asset that is nonrecurring and has a useful life of more than five years and costs at least \$20,000.

Capital Project

A capital project is undertaken to acquire a capital asset. Examples include the construction, maintenance, and/or renovations to public buildings as well as improvements to stormwater and transportation systems.

Capital Improvement Program

Capital infrastructure is essential to the Leon County community. Leon County's capital improvement program is a multi-year program that identifies capital projects to be funded during a five-year period. It specifies each capital project to be undertaken, the year it will begin, the anticipated expenses for each year and the method of financing.

Projects and financing sources in the capital improvement program for years other than the current budget year (commonly called "outyears" or "planned years") are not authorized until the annual budget for those years is legally adopted. The outyears serve only as a guide for future planning and are subject to further review and modification.

Annual Capital Budget

The annual capital budget represents the first year of a capital improvement program. It is the appropriation of capital spending legally adopted by the Board.

The annual capital budget is adopted in conjunction with Leon County's annual operating budget and provides legal authority to proceed with specific projects.

Program Preparation

Each fiscal year, the Office of Management and Budget facilitates the preparation of a capital improvement program. Officials, administrators, and staff of Leon County government all assist in this process. The preparation process includes the following:

I. Assessment of Capital Needs

(Department/Division Staff)

- Prepare an inventory
- Evaluate whether to repair or replace facilities and/or equipment
- Identify future needs

II. Identification of Capital Projects

(Commission, Administration, Department/Division Staff)

- Review status of current projects
- Develop information for new projects
- Submit project requests

III. Financial Analysis

(Administration and OMB)

- Evaluate financial conditions
- Forecast financial trends
- Evaluate funding options

IV. Evaluation & Planning of Capital Projects

(Administration and OMB)

- Review and prioritize project requests
- Select projects and project schedules
- Determine project funding sources

V. Adoption of Capital Improvement Program & Annual Capital Budget

(Commission, Administration, and OMB)

- Prepare and submit tentative program and budget to Commission
- Hold public hearings
- Revise and prepare final program and budget for adoption

VI. Implementation & Monitoring of Annual Capital Budget

- October 1 through September 30
- Departmental Biannual Project Status Reports

LEON COUNTY FISCAL YEAR 2025 – 2029 CAPITAL IMPROVEMENT PROGRAM

»» Capital Improvement Program Overview

The following is a brief description of the information contained in the Capital Improvement Program. A Project Index can be found on page 563.

The remainder of this section contains information, analysis and summaries about Leon County’s capital budget and capital Improvement program.

- **Capital Improvement Program Analysis:** Brief analysis of the FY 2025-2029 capital improvement program.
- **Capital Projects by Managing Division:** Summary table of all capital improvement projects organized by managing division.
- **Operating Budget Impacts:** General description and summary table of estimated impacts capital projects are anticipated to have on the operating budget.

Capital Project Sections

Each section represents the service type of the capital projects it contains. The Capital Improvement Program consists of five service types: Culture & Recreation, General Government, Health & Safety, Physical Environment, and Transportation. Included in each section is an overview with a brief analysis, an index of the projects and a detail sheet for any project with planned activity in any fiscal year from FY 2025 to FY 2029. The project detail sheets each provide the following:

General Information

Includes project title, managing division, project number, service type, project status, description/justification and, if applicable, project location map and photo.

Strategic Plan Information

Each project identifies what Strategic Priority(s) it works toward. If applicable, each project notes if it works toward fulfilling one or more of the Board’s Strategic Initiatives. The Leon County Board of County Commissioner’s Strategic Priorities and Initiatives are further explained in the LEADS/Strategic Plan section.

Policy/Comprehensive Plan Information

Non-comprehensive Plan Related Projects - relevant policy, law, mandate, ordinance, master plan, initiative, etc.

Comprehensive Plan Related Projects

Identifies whether the project is in the capital improvement element of the comprehensive plan, the improvements (stormwater, parks & recreation, roads), level of service standard for the improvement, current level of service, level of service upon completion of the improvement, etc.

Financial Information

Includes funding sources, past expenditures through FY 2023, FY 2024 adjusted budget and FY 2024 year-to-date expenditures, FY 2025 budget, FY 2026 – FY 2029 planned budget, FY 2025 – FY 2029 total, total project cost, and estimates of any anticipated impacts on the operating budget.

LEON COUNTY FISCAL YEAR 2025 – 2029 CAPITAL IMPROVEMENT PROGRAM

»» Capital Improvement Program Analysis

FY 2025 through FY 2029 Capital Budget

Chart 25.1 shows the capital funding for each fiscal year from FY 2016 through FY 2025. The total FY 2025 capital budget is **\$28,801,519**. This is a 17% increase from the adopted FY 2024 capital budget of \$24,617,489.

The FY 2025 – FY 2029 Capital Improvement Plan is primarily focused on the long-term maintenance of the County’s extensive existing infrastructure, some of which includes over 2 million square feet of facilities, hundreds of miles of roads, and thousands of acres of parks, greenways, and trails. The capital projects planned for FY 2025 include transportation and stormwater maintenance, sidewalk construction, general county maintenance and improvements, fleet maintenance, technology upgrades, and parks and recreation maintenance and improvements. In developing the proposed five-year capital improvement program, the County continues to focus the limited resources of the County towards maintaining aging infrastructure. A large portion of the projected maintenance budget supports aging facilities. In particular, the County has a number of older large buildings (Sheriff Facilities, Courthouse and Annex, Main Library, and OIDA Urinalysis Building) that are operating with equipment near or at their end-of-life use.

The overall capital project increase for FY 2025 is \$4,184,030. In addition to overall inflation and the rising costs of construction materials and supplies, increased costs are attributed to funding: facility maintenance; statutory technology requirements for the courts, and intersection and stormwater improvements. Over the past four fiscal years, Leon County has used \$14 million in one-time ARPA funds to support the County general capital program and \$17.4 million to fund sewer projects in the Primary Springs Protection Zone. The use of these funds has allowed for a reduced level of recurring general revenue funds to support the capital program.

Over the next five years, the general revenue supported capital budget averages \$17.6 million each year. To maintain this capital program, which is largely focused on maintaining the existing County infrastructure (buildings, IT systems and stormwater), a consistent amount of recurring general revenue would be required to fund these projects. From FY 2021 – FY 2025, the recurring general revenue support for the capital program has ranged from \$3.6 million - \$9.9 million. One-time ARPA revenues were used over the past several years to provide additional revenues to support the capital program.

As fund balances grow due to revenue exceeding the budgeted amount and the under expenditure of the operating budget, these accumulated reserves, in excess of the balance required to maintain reserve policy minimums, become available to support one-time expenses in the capital program. Over the past 15-years, the County has used these excess reserves four times to support the capital program. These “fund sweeps” paid for the County’s portion of the Public Safety Complex, the branch library expansion and stormwater projects. Using these reserves allowed the County to avoid the interest associated with the issuance of debt.

A review of fund reserves in FY 2023 indicated that \$3.9 million in Transportation Trust fund balance above policy minimums were available to support the transportation capital program in FY 2024 and FY 2025. To ensure infrastructure improvements continue and heavy equipment and vehicle purchases are not delayed due to supply chain issues, the remaining \$1.5 million in funding was advanced funded in FY 2024. The transfer to the Transportation Capital Fund increased from \$414,016 in FY 2024 to \$1.7 million in FY 2025 to support other transportation projects, including the sidewalk program.

Due to the increase in property tax values, the County is now positioned to increase the recurring general revenue transfer to support the capital program. This increased transfer also allows the County to address additional critical capital improvement needs to ensure our community remains resilient for storm events, such as replacing critical Public Works vehicles and equipment, repairing critical stormwater infrastructure to ensure our systems are able to fully mitigate future flooding and remove stormwater pollutants during large rain events, and investing in generator improvements and technology enhancements at the Public Safety Complex. The five-year (FY 2025 – FY 2029) capital program continues to focus on the long-term maintenance of the County’s extensive existing and aging infrastructure, some of which includes over 2 million square feet of facilities, hundreds of miles of roads, and thousands of acres of parks, greenways, and trails.

»» Capital Improvement Program Analysis

The following illustrates the Capital Improvement Program funding levels since FY 2016 demonstrating a steady and conservative investment in the County’s capital infrastructure and assets. This consistent level of funding reflects a commitment to a proactive preventative maintenance program, investing in sustainable resources and design, maintaining the County’s standard level of service and identifying cost avoidances and savings where possible. Since 2013, the County has saved or avoided costs totaling more than \$76 million. Of those costs, approximately \$63.2 million of savings were in capital expenditures.

Project Funding Sources

Table 25.1 shows the project funding sources for the FY 2025 capital budget and the FY 2025 – FY 2029 capital improvement program. Capital Improvements (Fund 305) and Sales Tax Extension 2020 (Fund 351) are the primary sources of funding for the FY 2025 capital budget, with \$10,117,259 (35.13%) and \$5,993,792 (20.81%) respectively. Capital Improvements (Fund 305) is the primary source of funding for FY 2025 – FY 2029, totaling \$87,864,335 (44.74%). The table does not reflect budgeted reserves.

In November 2014, Leon County residents approved a referendum providing a second extension of the 1-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. The extension commits 80% of the revenues for Blueprint infrastructure projects, Blueprint Economic Development programs, and Livable Infrastructure for Everyone (LIFE) projects and will be jointly administered and funded by Leon County and the City of Tallahassee. The Blueprint Joint Participation Agreement (BP 2020 JPA) revenue supports other County infrastructure projects funded through the County share of the revenue.

The BP 2020 JPA revenue, accounted for in Fund 352, will be used for the sidewalk program, and water quality and stormwater improvements. The County's share of the dedicated water quality funding from the future JPA proceeds supports a number of strategic initiatives to address septic upgrades and sewer conversion projects in the primary spring protection zone. Over the past several years, the County has utilized existing capital project reserves to match state grant funds in support of the septic to sewer projects. The 2% for L.I.F.E. is allocated for Rural Road and Safety improvements, Street Lighting, Neighborhood Enhancements and Transportation Safety, Boat Landing, Stormwater and Flood Relief, and Recreational Amenities. The remaining 20% of the sales tax extension will be split evenly between the County and the City. The County's 10% share, accounted for in Fund 351 (Sales Tax Extension 2020), will be used for transportation resurfacing and intersection safety improvement projects and other statutorily authorized uses approved by the County.

New and Revised Capital Projects

Table 25.2 indicates new or revised projects for the FY 2025 capital budget and the FY 2025 – FY 2029 capital improvement program. Updating the Basin Management Plans in Leon County has been a priority of the Board since 2020. Updates to the County's Basin Management Plans will focus on the contributing areas to major surface waters, identifying opportunities for upgrades to conveyance and treatment facilities to address rate and volume flooding which occurs in the basins, and to mitigate water quality concerns for the surface waters. The Plans share common goals of flooding and water quality mitigation, ensuring that these challenges are addressed in a consistent manner throughout the County. For the five-year period, a total of \$2,500,000 is budgeted for the new or revised projects.

»» Operating Budget Impacts

The following is a general description of some of the impacts that different types of projects can have on the operating budget.

Facilities

The construction or acquisition of a new facility that increases the square footage that the County is required to maintain. This increase results in additional expenses including utilities, maintenance and custodial contracts, and repairs. New community centers and libraries are typically service enhancements, and therefore also require additional staffing, operating supplies, library materials, and machinery and equipment. A new facility may also involve the cancellation of a lease on an existing facility to help offset the increased costs.

Renovations or upgrades to an existing facility are often completed to improve efficiency and/or to avoid total replacement. An increase in efficiency often results in reallocation of staff time and a decrease in costs such as maintenance, utilities, and repairs.

Parks, Greenways & Trails

The development of a new park, greenway, or trail space increases the acreage that the County is required to maintain. This increase results in additional expenses including maintenance staff, maintenance vehicles and equipment, operating supplies, and utilities.

Roadways

The improvement of roadways generally requires ongoing maintenance costs such as pothole patching, lane and crosswalk re-striping, sign and traffic signal replacement, and roadside right-of-way mowing and maintenance.

Stormwater

The improvements of existing stormwater ponds or drainage systems and construction of new ponds or drainage systems are often completed to correct a deficiency. These corrections typically result in decreases in maintenance and repair costs.

Technology

The implementation of new technology often requires an increase for maintenance contracts once the warranty period has expired. Upgrades to existing technology either have no additional costs or minimal costs. The upgrades can result in a decrease in maintenance costs and reallocation of staff time due to the increased efficiency.

Vehicles/Equipment

The purchase of a new vehicle or piece of equipment results in additional expenses including vehicle insurance coverage, preventative maintenance, fuel and oil, and operating supplies. The purchase of a new vehicle or piece of equipment may also require additional staffing for operation. Replacement vehicles or equipment reduce the maintenance portion of the operating budget for the first three years.

Table 25.5 outlines the estimated impacts that some projects may have on the operating budget. Impacts are shown in the fiscal year in which they are anticipated to begin and the outyears that will be affected by additional operating costs. The impacts shown in this table are only estimates and include projects that will reduce the operating budgets of some divisions. These impact estimates are subject to change.

Impacts are shown in the fiscal year in which they are anticipated to begin and the outyears that will be affected by additional operating costs. The impacts shown in this table are only estimates and are subject to change. In addition, divisions may share the operating impacts of one project. For example, Facilities Management is responsible for the utilities and maintenance of the libraries, while the Library Department is responsible for personnel and operating supplies.

» Culture & Recreation Overview

Overview

The Culture & Recreation section contains capital improvement projects designed to facilitate the provision, maintenance, and operation of culture and recreation facilities and activities. Major Culture & Recreation capital projects funded in FY 2025 include Parks Capital Maintenance, Playground Equipment Replacement, Greenways Capital Maintenance, Library Services Technology, Essential Libraries Initiative and Livable Infrastructure for Everyone (L.I.F.E.) projects.

Funding Sources

Chart 25.4 illustrates that 74% or \$1,618,349 of Culture & Recreation projects are funded in FY 2025 by general revenue, or the Capital Improvements Fund (Fund 305). The L.I.F.E. Fund (Fund 352) is funding the remaining 26% at \$558,626.

Project Description/Justification

This project is for ongoing park improvements associated with creating a positive economic impact for the community and implementing the Master Plan.

Funding in FY 2025 through FY 2029 will be used to continue developing the Master Plan for the park, including amenities such as a storage trailer; playground; paving and resurfacing roads within the Park; as well as evaluating opportunities for trail expansion and additional amenities following the relocation of the Household Hazardous Waste Center and the Rural Waste Services Center Roll-off site.

Strategic Initiative

(EC4) Continue to build upon the reputation of Apalachee Regional Park as a destination venue for cross country athletes by securing state, regional and national competitions. (2022-6)

(EC4) To further promote Leon County as a biking community, pursue the State’s “Trail Town” designation and continue to coordinate with the City, Blueprint, State, and U.S. Forest Service to leverage capital improvements in pursuit of the International Mountain Biking Association (IMBA) designation. (2022-7)

(EC4) Implement the statewide planning, coordination, and fundraising efforts to successfully host the 2026 World Cross Country Championships at Apalachee Regional Park. (2024-69)

Attract 100 state, regional, or national championships across all sports. (T1)

Construct an additional 90 miles of sidewalks, greenways, trails, and bike lanes. (T11)

Project Description/Justification

This project is to implement the Essential Libraries Initiative, a re-envisioning of the Leon County Public Library System, to address the changing needs of residents and trends in library use. The plan includes several enhancements to the Library such as new programs and services, capital improvements, existing position reclassifications, and policy revisions to support the initiative. To ensure that funding was available as final designs were completed for the first phase of renovations to the Main Library, an additional \$900,000, including a \$400,000 grant from the Florida Department of State, was allocated in FY 2024 for a total allocation of \$2.3 million to implement the Phase I construction which began in July 2024. \$2.5 million is programmed from FY 2025 - FY 2027 to complete the second phase.

Project Description/Justification

This project is for the development of the Fred George Greenway and Park in accordance with amenities and activities outlined in the Land Management Plan. Phases of the park's remaining development will include the design, permitting, and construction of a second trash trap (located at Keystone Ct.); wetland restoration; the extension of water and sewer lines to the museum; and the construction of boardwalks and two observation decks. Program funding for FY 2025 through FY 2029 will be allocated from the remaining Blueprint funds after completion of the St. Marks Headwaters project. State funding in the amount of \$400,000 was provided towards the wetland restoration construction. A grant agreement with the Florida Department of Environmental Protection was executed in Fall 2022. The Fred George Park Wetland re-grading and the Keystone Court Trash Screen projects were completed in FY 2024.

Project Description/Justification

This project is for maintenance and small-scale improvement projects for the J.R. Alford, Miccosukee, Fred George, and St. Marks Headwaters Greenways, Lake Lafayette Regional Linear Park, and the Orchard Pond Trails. These properties must be managed in accordance with separate and distinct Land Management Plans.

Project Description/Justification

In November 2014, Leon County residents approved a referendum providing a second extension of the One-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. Blueprint 2020 provides funding for Livable Infrastructure for Everyone (L.I.F.E.) projects. L.I.F.E. projects are an allocation of 2% of the Blueprint 2020 Sales Tax Extension funding and will address Leon County’s rural area basic infrastructure needs.

Leon County maintains 24 boat landings, located on seven water bodies (Carr Lake, Lake Iamonia, Lake Jackson, Lake Miccosukee, Lake Munson, Lake Talquin and Ochlockonee River). Funds are budgeted annually through the Capital Improvement Program for boat landings, and improvements are made when adequate funds are accumulated to complete a project.

FY 2025 is budgeted at \$75,000 and FY 2026 through FY 2029 is budgeted at \$85,000 to address priorities for fishing pier replacements and boat landing improvements and upgrades.

Project Description/Justification

This project is for the support of the County's technology infrastructure. This includes the following components:

Compute Environment: Includes lease for file servers and storage and backup infrastructure - Lease payment and additional equipment for growth.

Lease upgrade equipment beginning in FY 2025:

\$100,000-Compute

\$300,000-Exagrid

\$100,000-Avaya Phone System

Digital Phone System: Includes upgrade phones/infrastructure for the 15-year old Avaya enterprise phone and voicemail system supporting Leon County Government and the Constitutionals and required programming in the Avaya phone system to meet new 911 requirements. Project funding for FY 2025 is \$100,000, and outyear funding from FY 2026 through 2029 is \$150,000.

Network Infrastructure FY 2025 funding includes:

Continual maintenance and upgrading of the network connectivity of County offices to provide uninterrupted service with high speed and increased bandwidth to support existing and growing applications requiring graphics and document images. Redundant links to critical offices will continue to be implemented each year to prepare for disaster recovery and business continuity needs. This includes the maintenance of new firewalls with enhanced security features and annual cyber security assessments each summer;

Security audit and managed services for security breaches and remediation will provide a proactive and comprehensive plan to defend against and respond to cyber threats and includes yearly Cyber Security Reviews. The cost may be offset by savings in the cyber insurance policy. Project funding for FY 2025 is budgeted at \$150,000 for the security services and an additional \$50,000 for security analysis if an event occurs.

Project #:	026003	Capital Improvement:	N/A
Service Type:	General Government	Level of Service Standard:	N/A
Status:	Existing Project	Strategic Priority:	G2, EN4

Project Description/Justification

This project is for the replacement of County vehicles and equipment. Vehicles and equipment are replaced based on a factor of the number of miles, operating hours and repair costs to determine if it is more cost effective to replace the vehicle rather than continue maintaining the vehicle or equipment. It is estimated that the vehicles/equipment being replaced will generate \$21,000 in surplus sales. To ensure some FY 2025 capital projects related to facilities improvements and vehicle purchases are not delayed due to supply chain issues, \$670,192 in dedicated general revenue fund balance was advanced funded in FY 2024 to support the following FY 2025 replacement schedule:

Department	Year/Make Description	Mileage/Hour	Original Cost	Repair Cost to Date	Estimated Replacement Cost

Policy/Comprehensive Plan Information

In accordance with the Green Fleet Policy, each vehicle and equipment replacement is evaluated to make every effort to purchase and use the lowest emission vehicle or equipment item possible, while taking into account the vehicle's life cycle costs, miles per gallon, life cycle environmental impacts, and ability to support Leon County's operation and services.

Operating Budget Impact

There are no new operating costs associated with replacing vehicles and equipment. The applicable fuel, maintenance, and insurance costs have already been budgeted.

Project #:	076065	Capital Improvement:	N/A
Service Type:	General Government	Level of Service Standard:	N/A

Project Description/Justification

This project creates a sinking fund for the upgrade of the County managed Justice Information System (JIS) estimated at \$5 million over the next several fiscal years. JIS is a custom in-house program, that supports all facets of criminal data for multiple agencies. The current system is older and the software requires modernization to stay current with today's technologies. This system supports information for the courts and criminal justice system. The complex system supports all activities from Law Enforcement (such as warrants, arrest, jail management), Courts (e.g. first appearance and court docketing), State Attorney Office, Public Defender, Clerk of Court and Comptroller, and Probation and Pretrial Release processes. JIS is a comprehensive system with extensive modules accessed by each of these entities. The jail management module solution has been identified and is partially supported by a \$500,000 FDLE grant and will address Corrections/Detention licensing. Additional licensing includes modules for the Clerk's Office which will be partially supported by available Clerk funding for the Clerk's portion of the solution (Clericus).

》》 L.I.F.E. Miccosukee Sense of Place

Dept/Div:	Engineering Services	Comp Plan CIE Project:	N/A
Project #:	091004	Capital Improvement:	N/A
Service Type:	General Government	Level of Service Standard:	N/A
Status:	Existing Project	Strategic Priority:	Q1, Q2, Q5

Project Description/Justification

In November 2014, Leon County residents approved a referendum providing a second extension of the One-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. Blueprint 2020 provides funding for Livable Infrastructure for Everyone (L.I.F.E.) projects. L.I.F.E. projects are an allocation of 2% of the Blueprint 2020 Sales Tax Extension funding and will address Leon County’s rural area basic infrastructure needs.

This initiative, which is a priority of the Board as reflected in Strategic Initiatives and the previous Five-year Strategic Plan, is a catalytic project that will identify opportunities to strengthen the connection between citizens and the rural Miccosukee community. The initiative reflects a partnership between the County and Miccosukee area citizens to address long-standing community needs by making extraordinary improvements in the community and providing an outlet for proactive and positive change. At the April 24, 2018 budget workshop, the Board adopted the Miccosukee Rural Community Sense of Place Plan and approved the establishment of the Miccosukee Citizens Working Group. Plans have been developed for the renovation of the Concord School building to create a new Community Center facility.

The County was successful in receiving over \$4.6 million in direct federal appropriation, including a CDBG-CV grant for this project, thereby reducing the amount of future LIFE funds necessary to fund this project. Previous LIFE allocations have already provided the required match for the federal grants. The project was bid and awarded in FY 2023 and construction will be completed in FY 2025.

This project is for technology needs for the Public Defender's Office. As required by Article V, the County must cover hardware, software, and services for computer automation. Covered services are for STAC (the Public Defender's case management software) and integration to the Justice Information System (JIS), which is the criminal case management system for Leon County. This allows case information to auto populate and flow back to JIS so that others in the justice community have access to shared information in one place. Dept/Div:	Engineering Services	Comp Plan CIE Project:	N/A
Project #:	091002	Capital Improvement:	N/A
Service Type:	General Government	Level of Service Standard:	N/A
Status:	Existing Project	Strategic Priority:	Q4

Project Description/Justification

The number of burial plots available at the Leon County Serenity Cemetery for state mandated unclaimed or indigent burials will need to be expanded in the future to ensure continued burial capacity. Additional plots, access and stormwater improvements are planned to provide the same level of service in future years. This project entails site clearing, road construction, fencing, and stormwater conveyance.

Approximately 6.7 acres of the 8.7 acres of the Serenity Cemetery consists of undeveloped land. This project would improve this area by constructing two access points, internal roadway for traffic circulation, stormwater conveyance for the added impervious area and provide enough cleared land to establish an additional 1,142 burial plots. The northern portion of the Cemetery was expanded in FY 2018 to include an additional 221 traditional burial plots, and all main access roads were built. In late 2021, Leon County began receiving cremains versus traditional remains, which resulted in space savings. 122 of the 221 burial spaces were occupied, the remaining space allowed for another 160 cremain burial plots and 42 traditional burial plots. Funding in FY 2027 is for improvements to the site's drainage system, access roads, and fences for an additional 480 plots and clearing of two blocks for an additional 700 cremain burial plots. Funding in FY 2029 will complete the remaining roadway and fencing with the space savings, only two of the 14 burial blocks will need to be cleared to provide an estimated 20 years of burials. Blocks can be cleared on an as-needed basis to provide an average of 320 additional burial plots.

Project Description/Justification

This project is for technology needs for the State Attorney's Office. As required by Article V, the County must cover hardware, software, and services for computer automation. Covered services are for STAC (the State Attorney's case management software) and integration to the Justice Information System (JIS), which is the criminal case management system for Leon County. This allows for case information to auto populate within STAC and allow updates within STAC to update JIS so others in the justice community have access to shared information.

Project Description/Justification

This project is for the replacement of aged-out user computers, printers, and peripherals. A replacement schedule is important due to advances in software, deterioration of hardware, the inability to obtain replacement parts for old equipment and the increased cost of maintenance of old equipment. Most computers are on a five-year replacement cycle plan. Users with specialty software needs, such as engineers and GIS staff, are in a three-year replacement cycle. The computers that are replaced every three years are recycled to County users with standardized needs. Pursuant to County Policy, older machines are recycled to the Goodwill's electronics store.

As part of the County's plan to utilize \$1.9 million of American Rescue Plan Act (ARPA) funds for the continuity of operations, funding was allocated in FY 2021 for the County to enhance remote working capabilities by acquiring and proactively deploying additional laptops, configured with secure virtual desktop capability, for use throughout the public health emergency. These funds were used for the acquisition of approximately 850 laptops, which includes 650 laptops to be deployed across County work areas and an additional 200 laptops to be deployed across the Constitutional and Judicial Offices. In addition, these new laptops and existing laptops owned by the County are enhanced with the new secured virtual desktop solution to provide additional security across these devices for remote working capabilities.

Beginning in FY 2021, to maintain the five-year PC replacement cycle, and facilitate preparedness when natural disasters, fire, or other situations require staff to work remote, a plan was developed to migrate all Senior Management staff from PCs to tablets/laptops, followed by other key staff by deploying 50 devices at the time which will have all Senior Managers on mobile devices within four years. Without the supplemental ARPA funds, the projected cost is an estimated \$350,000 to \$450,000 per year.

This project funds the purchase or replacement of voting equipment including privacy booths, precinct signage, ballot tabulators, audit and absentee ballot scanners, electronic pollbooks, and ballot demand printers. With the system heavily dependent on technology, it is important to anticipate equipment needs to assure smooth continuation of operations. This includes replacing equipment that has reached the end of its useful life, as well as expanding inventory as the number of registered voters in Leon County continues to grow.

LEON COUNTY FISCAL YEAR 2025 – 2029 CAPITAL IMPROVEMENT PROGRAM

»» Health & Safety Overview

Overview

The Health & Safety section contains capital improvement projects designed to facilitate the provision of emergency medical and other public safety services provided by Leon County government. Major Health & Safety capital projects funded in FY 2025 include the Sheriff Facilities Capital Maintenance, Emergency Medical Services Vehicle and Equipment, and the Public Safety Complex.

Funding Sources

Chart 25.6 illustrates that Emergency Medical Services MSTU (Fund 135) funds 61% or \$4,472,709 and Capital Improvement (Fund 305) funds 37% or \$2,686,768 and Building Inspections Fund (Fund 120) funds 2% or \$143,419 of the Health & Safety capital improvement budget in FY 2025.

Chart 25.6

Project Description/Justification

This project is for the acquisition of Emergency Medical Services ambulances, vehicles and equipment. In accordance with the Green Fleet Policy, each vehicle and equipment replacement is evaluated to make every effort to purchase and use the lowest emission vehicle or equipment item possible, while taking into account the vehicle's life cycle costs, miles per gallon, life cycle environmental impacts, and ability to support Leon County's operation and services. Emergency Medical Services ambulances are replaced every 5 to 6 years. The total FY 2025 budget includes equipment replacement costs for cardiac monitors and chest compression devices for a total of \$1,642,209. It is estimated that the vehicles/equipment being replaced will generate \$48,000 in surplus sales. The following is the FY 2025 replacement schedule for vehicles totaling \$2,630,000:

LEON COUNTY FISCAL YEAR 2025 – 2029 CAPITAL IMPROVEMENT PROGRAM

»» Physical Environment Overview

Overview

The Physical Environment section contains capital improvement projects designed to facilitate the provision of services by the different branches of Leon County government with regards to stormwater management, water quality improvements and solid waste management. Major Physical Environment capital projects funded in FY 2025 include Stormwater Infrastructure Preventative Maintenance, GIS Incremental Basemap Update, Permitting Software Enhancements, Solid Waste Heavy Equipment and Transfer Station Heavy Equipment.

Funding Sources

Chart 25.7 illustrates that the Sales Tax Extension (Fund 352) funds 48% or \$2,429,460 while the Capital Improvement (Fund 305) funds 33% or \$1,676,794 and Solid Waste Management (Fund 401) funds 15% or \$982,500 of the Physical Environment projects funded in FY 2025.

Chart 25.7
FY 2025 Physical Environment Projects

Managing Divisions

Table 25.13 shows Engineering Services will manage the majority 48% of the Physical Environment capital with eleven projects. Fleet Management will manage five projects for a total of 22%. Management Information Services and Solid Waste will each manage three projects, and Operations will manage one projects which accounts for the remaining 30% of the FY 2025 Physical Environment capital projects.

►►► Baum Road Drainage Improvements

Dept/Div:	Engineering Services	Comp Plan CIE Project:	N/A
Project #:	054011	Capital Improvement:	N/A
Service Type:	Physical Environment	Level of Service Standard:	N/A
Status:	Existing Project - Carryforward	Strategic Priority:	Q3

Project Description/Justification

This project is for drainage improvements and wetland mitigation to reduce the flooding of Baum Road and associated stream erosion. The drainage way through Winfield Forest subdivision remained natural during the subdivision development. Uphill development north of Winfield Forest on both sides of Baum Road, including I-10, generates increased flows, which overwhelm the Baum Road cross-drain during heavy storms. This project was planned for construction in FY 2021, however, due to COVID-19 and budget balancing strategies, this project was deferred until FY 2022. However, to bolster the transportation capital program, and fund critical road/flooding projects that were delayed or not considered because of COVID, \$2.7 million in American Rescue Plan Act (ARPA) replacement revenue funding was recommended to shore up the transportation capital program of which \$926,000 was allocated for this project.

This project is funded in three stages that include:
 (1) a feasibility study with community input (FY 2019 - FY 2020);
 (2) design and permitting (Spring FY 2023);
 (3) construction begins (Fall FY 2024).

Strategic Initiative

(EN1) Ensure County’s water quality and stormwater regulations, programs and projects are evaluated and implemented holistically to advance the County’s adopted strategic priority: to protect the quality and supply of our water. (2022-16)

Status:	Existing Project	Strategic Priority:	EN1

Project Description/Justification

In November 2014, Leon County residents approved a referendum providing a second extension of the 1 Cent Local Option Sales Tax beginning in FY 2020 for 20 years. This allocation of \$85 million is for water quality and stormwater funding (split 50/50 between the City and the County) of its 80% share of the Sales Tax Extension. A total of \$42.5 million is set-aside for water quality protection and stormwater mitigation in Leon County, or an estimated \$2,125,000 per year. Over the next five years, these funds are dedicated as state match funds for sewer projects.

Local match funds will be required for construction of the Woodville Central Sewer System. The Design request for proposals was released on 2/2/2018, and the actual design started in February 2019 following grant scope modification. Per the preliminary project schedule, the Phase 1A final design has been completed and the bid was awarded in February 2023. Construction of Phase 1A started June 2023. Depending on additional grant funding, other phases will be completed between FY 2024 to FY 2026. The Board also directed staff to continue to seek future Springs Restoration grant funds for the Northeast Lake Munson and the Belair/Annawood areas.

On February 13, 2018, the Board accepted the grant from the springs restoration grant program for Northeast Lake Munson and Belair/Annawood sewer system projects. Belair/Annawood was completed in the summer of 2023 and Northeast Lake Munson is currently under construction.

Leon County is committed to sewer infrastructure improvements, and has invested millions of dollars in the Primary Spring Protection Zone septic-to-sewer program. Total funding either spent or included in the five-year approved capital improvement program (CIP) is approximately \$63 million, which will provide sewer to 709 homes currently served by septic tanks. Current funding for these projects consists of State grant funds, County matching funds and American Rescue Plan Act (ARPA) funds for sewer infrastructure improvements. Based on funding availability, future phases include an additional 819 lots that will be serviced by sewer. Due to increases in construction costs, the County is seeking additional matching funds from Florida Department of Environmental Protection to assist in funding planned sewer projects in the Primary Springs Protection Zone. Based on recent construction bids, funds are currently not available to complete the construction of all planned Primary Spring Protection Zone sewer projects without additional matching support from the State and/or Federal governments.

Project Description/Justification

On September 13, 2022, the Board accepted a \$1.11 million grant from FDEP for the County's Septic Upgrade Incentive Program to provide incentive payments up to \$7,500 to eligible recipients within the Wakulla Springs PFA for voluntarily upgrading an existing conventional septic system to an advanced nitrogen-reducing system. Funding from this grant is anticipated to upgrade or replace nearly 150 septic systems through the County's Septic Upgrade Incentive Program.

On January 24, 2023, the Board accepted additional \$1.11 million grant from FDEP for the County's Septic Upgrade Incentive Program. As of August 2024, eighty eight on-site sewage treatment disposal system upgrades have been completed using the Incentive Program.

This project is fully funded by the Florida Department of Environmental Protection Springs Restoration Grant Program. No grant match is required.

Project #:	927128	Capital Improvement:	N/A

Status:	Existing Project - Carryforward	Strategic Priority:	EN1, EN2

Project Description/Justification

At the April 2016 budget workshop, the Board approved working with the state regarding alternative On-site Sewage Treatment and Disposal Systems (OSTDS) technologies for nitrate removal. The alternative technologies can be utilized where it is not cost-effective or technically feasible for central sewer. The grant provides funds to Leon County for replacement of residential OSTDS with the new technologies, which will be monitored post-construction for water quality improvement and operational cost analysis after installation.

This project is fully funded by the Florida Department of Environmental Protection Springs Restoration Grant Program. No grant match is required.

This project is for the construction of advanced passive on-site sewage treatment and/or disposal systems in the Wilkinson Woods subdivision and has expanded to include the Wakulla Springs Priority Focus Area. System installation began in Summer 2020. More than 75 systems have been replaced to date.

Project #:	063005	Capital Improvement:	N/A
Service Type:	Physical Environment	Level of Service Standard:	N/A
Status:	Existing Project - Carryforward	Strategic Priority:	EN1, EN2

Project Description/Justification

This project is partially funded by the \$50 million (split 50/50 between the City and the County) set aside by Blueprint for stormwater and water quality retrofits from the first Sales Tax Extension.

This project is for water quality treatment and flow attenuation for stormwater entering Fords Arm of Lake Jackson from the Lexington Branch. The project provides a combination of attenuation, water quality treatment and flow way improvements in the contributing basin south and east of Fords Arm. This project includes drainage improvements at Meridian Road, Lexington Road and Timberlane Road which will help prevent flooding along those roads. Construction of Linene Woods Phase I between Hunter's Crossing subdivision and the wetland north of John Hancock was completed in FY 2020. The Meridian Road crossing was completed in FY 2021. The Timberlane Road cross drain upgrade is under design which will be completed in FY 2024. Construction estimates are pending the final design.

On March 9, 2024, the President signed into law the 2024 Consolidated Appropriations Act which included funding for "FY 2024 Community Project Funding Requests" (commonly known as "earmarks"). The legislative team identified Leon County projects which met the eligibility criteria for this funding opportunity and coordinated funding requests with Congressman Neal Dunn's offices. The FY 2024 appropriations package approved by Congress and signed by the President included funding for the Fords Arm Restoration Project in the amount of \$800,000 to construct improvements to enhance the treatment of stormwater flowing into Fords Arm of Lake Jackson, through a combination of attenuation, water quality treatment, and flow way improvements.

Project Description/Justification

This project is for the funding of the City of Tallahassee and Leon County Geographic Information System Interlocal Project. Tallahassee-Leon County Geographic Information System (TLC GIS) was created in May, 1990 when the City of Tallahassee, Leon County, and the Property Appraiser's Office entered into an Interlocal Agreement. The mission of TLC GIS is to:

- Develop a common base map
- Promote the sharing of resources
- Reduce redundancy of data collection and creation
- Provide a mechanism to maintain the base map and other data layers
- Encourage enterprise information management solutions
- Enhance decision making for public officials.

This project includes the following items for FY 2025, of which 62% is reimbursed by the City of Tallahassee:

\$211,000 for Environmental Systems Research Institute, Inc. cloud computing environment, (ESRI) Enterprise Licensing Agreement (ELA): ESRI is the primary software provider for GIS software. The license covers web servers, the cloud computing environment and desktop licensing. Annual analysis has shown that the enterprise license saves money over the alternative of buying individual licenses.

\$87,000 for the compute/storage and backup environment: This funding is utilized to support the ongoing costs of the shared infrastructure environment with Management Information Systems.

\$81,000 ESRI services for COT electric utility outage map (100% repayment from City)

\$30,000 ESRI services for shared interlocal projects.

The Florida Department of Revenue requires that all property appraisers' offices in the State of Florida compile and maintain digital Cadastres (a register of property showing the extent, value, and ownership of land for taxation) that meet specific guidelines governing methodologies to be used and the layers to be compiled. Dept/Div:	Management Information Services	Comp Plan CIE Project:	N/A
Project #:	076060	Capital Improvement:	N/A
Service Type:	Physical Environment	Level of Service Standard:	N/A
Status:	Existing Project	Strategic Priority:	G2

Project Description/Justification

This project is for the incremental update of the Tallahassee-Leon County Geographic Information System, TLC GIS, basemap. The basemap includes orthophotography, planimetrics and a digital elevation model with contours. These elements are essential in providing timely and accurate basemap information which provides positional control for other critical Geographic Information System information and the analysis opportunities they support. They are the foundation for geo-referencing (tying to coincident geographic features for accurate and reliable referencing) many of the Geographic Information System data layers.

In June 2008, the Florida Department of Revenue was directed under Chapter 195.002 Florida Statutes, to provide each County Property Appraiser's Officer with digital orthophotography every three years and charge each county office for the cost of that service and product delivery. The City also contributes funds to this project. In working with the vendor and leveraging the latest technology, TLC GIS was successful in developing a new methodology for collecting, compiling and releasing the basemap data in compliance with Chapter 195.002 Florida Statutes. TLC GIS also obtains additional oblique and satellite imagery to support efforts related to public safety, property assessment and non ad-valorem assessments which this funding covers.

The basemap data acquisition is captured and delivered on a rolling three-year basis, where certain products are captured, compiled, and delivered each year over that three year period. Aerial imagery of some type is designed to be provided each year. This ensures the ability for change detection which is vital to many business activities throughout the County. Methodology and products are planned and reviewed each year to take advantage of new technology and efficiencies. This ensures the best basemap products and value to end users.

The aerial flyover, LiDar flyover, and ground control survey work was completed in FY 2018. Photography and data processing of updated layers was completed in FY 2019. A new aerial flyover began in FY 2024 followed by photography and data processing to begin updating layers.

Project #:	091009	Capital Improvement:	N/A

Project Description/Justification

In November 2014, Leon County residents approved a referendum providing a second extension of the 1 Cent Local Option Sales Tax beginning in FY 2020 for 20 years. Blueprint 2020 provides funding for Livable Infrastructure for Everyone (LIFE) projects. The LIFE projects are an allocation of 2% of the Blueprint 2020 Sales Tax Extension funding. LIFE projects will address Leon County rural area basic infrastructure needs.

Leon County's stormwater maintenance program protects citizens and the environment by improving water quality and minimizing flooding. Consistent with County policy, the Comprehensive Plan, state law, and the requirements of the County's federal National Pollutant Discharge Elimination System (NPDES) permit, Leon County conducts a variety of stormwater projects to improve existing stormwater management facilities' treatment capacities or volumes for rate control; enhance inflow, outfall, or discharge systems' conveyance capacities; and provide for erosion control. However, even with proper maintenance, given the limited resources of the County, there are long-standing localized flooding problems that do not have funding programmed. This budget is to fix long-standing flooding issues occurring on Benjamin Chaires Road. 2,000 linear feet along Benjamin Chaires Road overtops during high volume flooding events preventing access by residents and emergency vehicles. This project would elevate the roadway and excavate compensating volume to eliminate the overtopping. Consistent with the previous five year L.I.F.E. program schedules, existing funding will address the preliminary design for Benjamin Chaires Road and outyear funding is for construction.

Project Description/Justification

This project involves the major restoration of the 21-year old Lake Henrietta stormwater facility on Springhill Road. The pond was constructed with its northern five acres excavated as a sump to capture and concentrate the sediment from the west, central and east drainage ditches. Funding was requested as part of a legislative federal appropriation request to support design and permitting, hydraulic dredging, and hauling and disposal of approximately 20,000 cubic yards of sediment. In March of 2022, the County was notified it was approved for a federal FY 2022 appropriation of \$1.6 million with a local match of \$400,000 which was budgeted in FY 2023. A grant agreement is expected to be executed in Fall 2024.

The project is divided into three phases: Phase 1 - Property acquisition of spoils handling site; Phase 2 - design and permitting of adjacent spoil handling site (FY 2025); followed by Phase 3 - hydraulic dredging and disposal off-site (FY 2026).

Project Description/Justification

This project is for the closure of the Solid Waste Landfill on Apalachee Parkway.

On May 12, 2015, the Board approved the closure of the Solid Waste Landfill on Apalachee Parkway. In October 2017, the Board approved the Solid Waste Closure, Phase I, for a contractor to haul 222,200 cubic yards of material from the F.A. Ash Borrow Pit to the landfill site. Household Hazardous Waste, Yard Waste, and other activities will continue at the location. Landfill Closure Quality Construction Assurance will continue to be provided throughout the final closure process. The remaining site will be converted and become part of the Apalachee Regional Park. However, once the landfill is closed, the County will maintain and monitor the site for 30 years.

Phase I was completed in March 2018. Phase II construction was suspended in September 2019 to ensure the landfill was being closed in the most environmentally sensitive manner. A new RFP for Solid Waste Management Professional Services, including the Landfill Closure Design Evaluation and Finalization, was awarded in 2022. Landfill Closure design viability study has been completed and redesign options provided for implementation. The final design has been completed and the project is in the construction bidding process with construction anticipate to begin early 2026.

Project Description/Justification

Updating the Basin Management Plans in Leon County has been a priority of the Board since 2020. At the January 24, 2022 Retreat, the Board added "Initiate Basin Management Plan updates for the unincorporated area once the state adopts new stormwater standards. (2022-17)" to the County's Strategic Initiatives. The County's current Basin Management Plans were developed in the 1990s. Since that time, regulations have changed and the County has undergone growth and development. In addition, better data is available and technologies for evaluating the water quality and quantity have improved. Updates to the County's Basin Management Plans will focus on the contributing areas to major surface waters, identifying opportunities for upgrades to conveyance and treatment facilities to address rate and volume flooding which occurs in the basins, and to mitigate water quality concerns for the surface waters. The Plans share common goals of flooding and water quality mitigation, ensuring that these challenges are addressed in a consistent manner throughout the County.

Policy/Comprehensive Plan Information

The Tallahassee-Leon County Comprehensive Plan (Comp Plan) includes a Stormwater Management Plan Objective 1.4 which includes adoption of a comprehensive stormwater management plan for the entire county. Comp Plan Policy 1.4.1 specifies elements to be included in the plan and Policy 1.4.3 states the plan "shall be a practical document which will function as a day-to-day reference providing guidance to both government and the public on short term and long term stormwater system requirements, capacities, and system implementation plans." The County's current Stormwater Management Plan was developed in the 1990s and no longer meets the goals of the Comp Plan.

Project #:	062008	Capital Improvement:	N/A
Service Type:	Physical Environment	Level of Service Standard:	N/A
Status:	Existing Project - Carryforward	Strategic Priority:	EN1, EN2

Project Description/Justification

During the development of the grant agreements and discussion of future projects, priorities, and a shared desire to improve water quality in the region, the Florida Department of Environmental Protection (FDEP) proposed an ongoing financial partnership whereby the state would prioritize and match local funds for future Leon County projects. As a result, staff developed a tentative seven-year improvement plan that continues to implement the County's commitment for water quality and springs protection projects in Leon County. The local match for the future water quality grants is made through the County's share of the \$42.5 million Blueprint 2020 Water Quality and Stormwater Improvement allocation. The "Tentative Leon County Water Quality and Springs Protection Improvement Plan" is estimated to result in the leveraging of an additional \$20.4 million in state matching grants through FY 2024.

This project will provide the design and construction of the central sewer collection system for Yon's Lakeside Estates and Idlewild neighborhoods. This will include lift stations, service connection to approximately 220 single family residences and commercial properties, removal of septic tank systems, and the transmission system connecting to the City of Tallahassee's sewer system. The project will eliminate the onsite systems which will result in a significant reduction in nutrient load leaching into the Florida aquifer in the Wakulla Springs contribution area. The final engineering design and permitting process was complete in October 2022, and under construction with an anticipated construction completion date of Winter of FY 2025.

This project is funded by a \$2,750,000 grant from the Florida Department of Environmental Protection (FDEP), with match funding of \$2,750,000 from the County. A grant amendment with FDEP to increase the grant award by an additional \$3,700,000 was approved by the Board in September 2020. In February 2024, another grant amendment with FDEP was approved by the Board to increase the total grant amount to \$2,947,735. The grant required a 50% match from the County. As part of the County's plan to utilize ARPA funds for infrastructure improvements, \$6.5 million in funding was allocated in FY 2021 to support the remaining cost for the project. In FY 2024, FDEP reduced the County's match requirement to 25% and allocated an additional \$2.9 million in supplemental grant funding.

Project Description/Justification

This project is for Accela licensing fees and system updates for the Permitting and Enforcement & Tracking System (PETS). The web-based PETS system with Accela replaced the County's previous Accela permitting system in FY 2017.

FY 2025 activities include:
 \$212,000 - Accela license renewals,
 \$4,331 - DigEplan subscription
 \$26,140 - Selectron renewal increase

Outyear funding is for Accela annual license renewals and continued Accela consulting services to improve system processes in coordination with Development Support and Environmental Management's work process improvements to achieve the County's goal/priority to reduce the number of days to issue a single family permit and allow for online submissions.

Strategic Initiative

Offer 100% online permitting for licensed contractors, engineers, and architects. (I15)

Project Description/Justification

This project provides a means for replacement of major cross drains that are beyond the realm of maintenance activity due to size, location and cost. As part of the stormwater requirements for the County's Non Point Discharge Elimination System (NPDES) permit, an inventory and inspection of the major stormwater systems in unincorporated Leon County was conducted to proactively prioritize and schedule the replacement of more than 1,000 major culverts before failure.

To ensure some FY 2025 capital projects related to facilities improvements and vehicle purchases are not delayed due to supply chain issues, \$800,000 in Transportation Trust funding was advanced funded in FY 2024 to support the FY 2025 planned construction, repairs and maintenance; funding for construction of the Lake Munson Slough.

Old Plank Road Cross Drain will be constructed after the bid award. The Antlers Dam repair is under design. Outyear funding in FY 2026 is for Lake Munson Slough and for construction repairs on W. Joe Thomas Road at Harvey Creek.

Future projects include improvements on Old Magnolia at Panther Creek, Capitola Road, Black Creek Crossing on Miccosukee Road, Sandstone Ranch Subdivision. These projects will be prioritized based on funding availability. Additional projects will continue to be identified for future funding.

Project Description/Justification

This project provides funding for the planned repair and replacement of stormwater structures including filters associated with County-owned stormwater facilities and roadways. The County has a large number of aging stormwater systems which have deteriorated and may not function at optimal levels during large rainfall events. These repairs are essential to provide for public safety and ensure that stormwater facilities continue to meet environmental and operating permit requirements. Poorly functioning systems can suffer from reduced storage capacity causing an increased potential for flooding.

Funding in the amount of \$100,000 is programmed for the next five years for these repairs.

Due to continuous failures of the View Point Pond drainage system, funding of \$100,000 was allocated in FY 2024 for design \$400,000 was allocated in FY 2025 for the reconstruction once design is complete. Design is underway.

This project provides funds for ongoing maintenance and repairs of the buildings and grounds at the Gum Road Transfer Station. Transfer Station improvements will be designed by Public Works Engineering or the Division's environmental compliance consultant as appropriate. This funding is for general improvements and maintenance of the facility.

Upon completion of the Exterior Drive Path in May 2024, ongoing efforts will be needed to replace asphalt with concrete, increasing the path's lifespan. The milling and resurfacing of the driveway is scheduled in FY 2024, including the trench gate replacement. Additionally, as part of daily operations, the load cells for the weight scale require regular maintenance. Due to the current load cells being end of life, funding is budgeted for replacements. Funding also supports the replacement of compactors.

Status:	Existing Project - Carryforward	Strategic Priority:	EN1, EN2

Project Description/Justification

During the development of the grant agreements and discussion of future projects, priorities, and a shared desire to improve water quality in our region, the Florida Department of Environmental Protection (FDEP) proposed an ongoing financial partnership whereby the state would prioritize and match local funds for future Leon County projects. As a result, staff developed a tentative seven-year improvement plan that continues to implement the County's commitment for water quality and springs protection projects in Leon County. The local match for the future water quality grants is made through the County's share of the \$42.5 million Blueprint 2020 Water Quality and Stormwater Improvement allocation. The "Tentative Leon County Water Quality and Springs Protection Improvement Plan" is estimated to result in the leveraging of an additional \$20.4 million in state matching grants through FY 2024.

This project will provide the design and construction of the central sewer collection system in the northern half of the Woodville Rural Community, the design of the transmission system connecting to the City of Tallahassee's system and the purchase of the required lift station sites. At the completion of the entire septic to sewer conversion project, an estimated 1,000 septic tanks will be removed as part of this project scope. The project implements the Upper Wakulla River Basin Management Action Plan to reduce nitrogen loadings to Wakulla Springs by providing central sewer service for the limited areas of Woodville Rural Community. This is a 50/50 grant match funded project with the match funding being provided by the County. Subsequent funding will be pursued for construction of the sewer collection and transmission system being designed under this Phase of the Woodville Septic to Sewer Project. The engineering design started in February 2019. The sewer project is divided into four Phases: Phase One (1A), Phase Two (1B), Phase Three (1C-1) and Phase Four (1C-2) to spread out the construction costs and funding arrangement. The Woodville Sewer Phase One design was completed in November 2022 and is under construction with an anticipated construction completion date in early FY 2025. Phase One construction and Construction Engineering Inspection (CEI) is \$17 million. Currently, Woodville Sewer Phase Two design is anticipated to be complete in October 2024. Phase Three and Phase Four design are anticipated to be completed in November 2024 and May 2025. The estimated cost to complete Phase Two is \$31.5 million, Phase Three is \$19.8 million, and Phase Four is 34.6 million.

Due to increases in construction costs, the County is seeking additional matching funds from FDEP to assist in funding planned sewer projects in the Primary Springs Protection Zone. Based on recent construction bids, funds are currently not available to complete the construction of all planned Primary Spring Protection Zone sewer projects including future Woodville phases, without additional matching support from the state and/or Federal governments.

Strategic Initiative

Upgrade or eliminate 500 septic tanks in the Primary Springs Protection Zone. (BG2)

LEON COUNTY FISCAL YEAR 2025 – 2029 CAPITAL IMPROVEMENT PROGRAM

»» Transportation Overview

Overview

The Transportation section contains capital improvement projects designed to facilitate the provision of services in the Leon County Transportation Program. Major Transportation capital projects funded in FY 2025 include Arterial/Collector and Local Road Resurfacing, Sidewalk Program, Transportation and Stormwater Improvements, and Livable Infrastructure for Everyone (L.I.F.E.) projects.

Funding Sources

Chart 25.8 illustrates 64% or \$5,993,792 of the Sales Tax Extension (Fund 351) funds the FY 2025 transportation budget. The Gas Tax (Fund 306) funds 19% or \$1,769,105 and Sales Tax Extension (Fund 352) funds the remaining 17% or \$1,650,000 for Blueprint JPA sidewalk projects and L.I.F.E. projects.

Project #:	026015	Capital Improvement:	N/A
Service Type:	Transportation	Level of Service Standard:	N/A
Status:	Existing Project	Strategic Priority:	G2,Q3

Project Description/Justification

This project allows for the refurbishing of long line thermoplastic on the County's Arterial and Collector Road System. Due to annual resurfacing and reconstruction projects, the number of roads with thermoplastic markings has increased substantially.

Public Works refurbishes pavement markings on approximately 10 miles of arterial and collector roads annually. This change allows for refurbishing of aging thermoplastic markings in a more timely manner and improves the coordination between asphalt resurfacing and thermoplastic refurbishing activities.

To ensure some FY 2025 capital projects related to roadway maintenance and road improvements are not delayed due to supply chain issues, \$64,000 in Transportation Trust fund balance was advance funded in FY 2024 to support FY 2025 transportation improvements.

Project #:	056001	Capital Improvement:	N/A

Project Description/Justification

This project is for the annual resurfacing of part of the County's arterial/collector road and local road systems. The County is responsible for the general superintendence and control of the County roads and structures. There are approximately 252 miles of arterial/collector roads in the County system in addition to approximately 340 miles of local roads. At this funding level, it can be expected that all arterial/collector roads will be resurfaced on a 25 year frequency while the local roads will be resurfaced based on the condition ratings and available funding each year.

Public Works is in the process of preparing a request for proposals for a comprehensive pavement condition study to determine the pavement condition index for each County maintained paved road. The study will evaluate various asphalt surface treatment options for each road, including asphalt milling, resurfacing, reconstruction, etc. The results of the study and treatment options is anticipated to increase the number of roads receiving surface treatment annually. A request for proposals will go out in early FY 2025 and once a bid has been awarded, the study will take approximately 18 months to complete.

This project was previously funded by the 10% share of the Sales Tax Extension dedicated to Leon County. The project funding shifted to the County's 10% share of the 2nd Sales Tax Extension (Blueprint 2020) in January 2020.

Project Description/Justification

This project is for the planning, design, and construction of traffic calming devices and design and installation of signage and pavement markings for safety enhancements on County maintained roads. On February 16, 2021, the Board approved the Traffic Calming Program Policy which establishes program criteria for determining minimum qualifications and traffic calming project prioritization. Depending on the root causes identified and the physical characteristics of the impacted neighborhood, some combination of the following improvements may be considered to "calm" traffic: speed tables, speed humps, pavement treatment, pavement markings, or raised intersections. For pedestrian safety improvements at existing intersections or mid-block crossings, the raised crosswalks, rectangular rapid flashing beacons (RRFBs), yellow flashers, and different pavement markings and signs may be used to enhance the visibility and awareness of pedestrian activities. The speed feedback signs, flashing beacons, and pavement markings may be installed to enhance drivers' awareness of speeding on County roads. \$425,000 in funding is allocated in FY 2026.

Strategic Initiative

(Q5) Continue to work with the Florida Department of Transportation for safety improvements on State and County roadways to include accessibility enhancements, street lighting installations, sidewalk additions, safety audits, and intersection improvements. (2022-26)

Project #:	053011	Capital Improvement:	N/A
Service Type:	Transportation	Level of Service Standard:	N/A
Status:	Existing Project - Carryforward	Strategic Priority:	EC1, Q3, Q5

Project Description/Justification

This project is for safety improvements at the Old Bainbridge Road at Capital Circle Northwest intersection. Old Bainbridge Road intersects Capital Circle Northwest at a severe angle, which makes northbound traffic on Capital Circle Northwest difficult to turn onto Old Bainbridge Road. In addition, the drivers on Old Bainbridge Road going northbound have difficulty seeing the oncoming traffic on Capital Circle Northwest because of the angle. The proposed improvement will realign Old Bainbridge Road 350 feet to the south connecting it with Gateway Drive to the west. This realignment will provide a safe intersecting angle of Old Bainbridge Road to Capital Circle and add a westbound left turn lane to Old Bainbridge Road.

This project is supported by a State Funded Grant through Florida Department of Transportation. In FY 2020, Florida Department of Transportation (FDOT) provided \$80,000 of the total \$160,000 toward the project costs for design with a 50% match required from the County, budgeted in FY 2023. Design is complete and the project is in the permitting process. Once permitting is complete, construction funds will be available in State FY 2026. A State Funded Grant LAP Agreement will be executed with FDOT for construction, estimated at \$862,172 of which the County is required to match 50% of construction costs.

Project Description/Justification

This project is for the improvement of intersections throughout the County in order to maintain safe and efficient operations. Intersection improvements can also have significant impacts on the capacity of road sections as it relates to concurrency management. Annually, County intersections are assessed and occasionally, projects can be coordinated with improvements being performed by other governmental agencies such as the Florida Department of Transportation (FDOT) and the City of Tallahassee to reduce the long-term costs to the County. Intersection improvements that have significant costs or other impacts are typically established as an independent project and are not included in this project.

Intersection improvements currently in design, permitting, or right of way acquisitions:

Blair Stone/Old St. Augustine (permitting), North Monroe Street/Crowder (right of way acquisition), and Harpers Ferry/Centerville is under construction.

Future projects:

Old Bainbridge Road/Portland Avenue

Intersection improvements completed:

Project Description/Justification

In November 2014, Leon County residents approved a referendum providing a second extension of the 1 Cent Local Option Sales Tax beginning in FY 2020 for 20 years. Blueprint 2020 provides funding for Livable Infrastructure for Everyone (LIFE) projects. The LIFE projects are an allocation of 2% of the Blueprint 2020 Sales Tax Extension funding. LIFE projects will address Leon County rural area basic infrastructure needs.

The unincorporated area of Leon County contains over 350 miles of private dirt roads encompassing various segments that are not well maintained. While road conditions often deteriorate over time without maintenance, in certain situations dirt roads have deteriorated to the point of causing safety concerns for emergency vehicles with limited accessibility due to washed-out roads with unstable sand/clay, impassable depths, or wheel-path width. Extreme weather and climate conditions such as recent hurricanes, tropical storms, torrential rains, and prolonged periods without rain each accelerate the deterioration and make it difficult in navigating dirt roads when they are not adequately maintained.

During the June 18, 2019 Budget Workshop, the Board approved the L.I.F.E. Rural Road Safety Stabilization Program Policy to assist financially-restricted property owners in restoring unsafe and inadequately maintained private dirt roads. To be eligible for a Rural Road Improvement project, 60% of the property owners abutting the rural road proposed for improvement must be deemed to be a low-income households. Property owners abutting the project area are required to complete a Household Income Certification form as part of the application process for purposes of income verification.

The Board approved allocation of \$100,000 for FY 2025 through FY 2029 for a total of \$500,000 in L.I.F.E. funding over a five-year period. Based on a review by Public Works Engineering staff, many of these dirt roads are less than a mile in length. Given the funding allocation, approximately three to four miles a year or approximately 15 to 20 miles over the five-year period will be stabilized. Due to funding availability, the program will only provide a one-time improvement within a specific project boundary. This program is specifically tailored to utilize in-house resources at Public Works to repair unsafe dirt roads since Florida Statutes does not allow for the resurfacing of privately owned paved roads unless the funds are paid back to the County through an assessment. The County began accepting requests for the L.I.F.E. Rural Road Safety Stabilization Program in the fall of 2019. To date, the County has completed thirteen projects: Mamie Lane, Daniel Lee Trail, Johnherb Lane, Willie Frances Trail, Backforest Lane, Minnie Rose, Kinfolks Loop, Silver Branch, Kin Cross Lane, Wilkinson Woods, Ranger Road, Sassafras Trail and Forbes Pine Trail.

Project #:	091005	Capital Improvement:	N/A
Service Type:	Transportation	Level of Service Standard:	N/A
Status:	Existing Project	Strategic Priority:	Q3

Project Description/Justification

In November 2014, Leon County residents approved a referendum providing a second extension of the 1 Cent Local Option Sales Tax beginning in FY 2020 for 20 years. Blueprint 2020 provides funding for Livable Infrastructure for Everyone (LIFE) projects. The LIFE projects are an allocation of 2% of the Blueprint 2020 Sales Tax Extension funding. LIFE projects will address Leon County rural area basic infrastructure needs.

Over the past several years, the County has seen a continued increase in citizen requests for street lights in unincorporated areas. To maximize the benefit of the County's limited resources and enhance public safety through increased visibility for both drivers and pedestrians, in 2017 the Board adopted Policy No. 17-2, "Street Lighting Eligibility Criteria and Implementation" which provides specific criteria for the placement of street lights in the unincorporated area on County roads and intersections.

At the April 25, 2023 Budget Workshop, the Board approved a revision to the Street Lighting Policy to include the Unincorporated Area School Bus Stop Lighting program. This revision provides specific criteria for new street light installations at school bus stops proposed within the unincorporated area of Leon County.

This category is level at \$125,000 a year to address street lighting needs including the new Unincorporated Area School Bus Stop lighting program. To date, the County has installed lighting in 45 intersections with approximately 20 more programmed for installation in FY 2024. Beginning in FY 2024, 15 bus stops have been equipped with street lights and 16 more bus stops are in progress. In addition, four bus stops in unsignalized intersections have been addressed, with an additional nine bus stops in progress, for a total of 19 bus stops completed and a total of 25 bus stops in progress. An additional 19 areas have been identified for FY 2025.

Project #:	055010	Capital Improvement:	N/A
Service Type:	Transportation	Level of Service Standard:	N/A
Status:	Existing Project - Carryforward	Strategic Priority:	EC1, Q3, Q5

Project Description/Justification

This project is for the implementation of the Magnolia Drive Multiuse Trail. Magnolia Drive is a County-maintained major collector roadway, which the County is responsible for construction of sidewalk improvements. The roadway is also a key pedestrian and bicycle corridor listed in the Regional Mobility Plan as well as the Safe Routes to School document. This project will be completed in five phases. Based on citizen's input, the Intergovernmental Agency (Blueprint) approved the modified design approach, multi-use trail typical section and underground electric. Some of the phases will be combined for construction, however construction may not occur sequentially.

Currently, Phase II is under design for underground electric and a redesign of the multi-use trail. Phase I redesign was completed in FY 2020 and Phase IV and Phase I Construction began in FY 2021 and was completed in the FY 2022. A bid for CEI (construction engineering and inspection) services was awarded in FY 2023 and Phase II construction commenced in May FY 2024.

- Phase I - South Meridian Road to Pontiac Drive is complete.
- Phase II - Pontiac Drive to Diamond Street (Construction March 2024)
- Phase III - Diamond Street to Apalachee Parkway (Under design and Right of Way Acquisition-Anticipated Completion is Fall 2025)
- Phase IV - Multiuse Trail from South Meridian Road to South Monroe Street (Completed in Summer 2022).
- Phase VI - Streetscape from South Monroe to South Adams - (Sidewalks on both sides completed in Fall 2017)

Project Description/Justification

After a series of storm events in December 2018 and January 2019, a portion of Maylor Road was overtopped by stormwater. This project is to ensure accessibility of Maylor Road based on the recorded high-water elevation and mitigate yard flooding when feasible. The project will include elevating portions of the roadway and evaluating suitable areas to provide additional flood storage within the closed basin. A preliminary engineering analysis was completed in FY 2020, with design services being completed in May 2022. Based on the 100% design document, the overall construction estimate increased by \$478,290. To bolster the transportation capital program, and fund critical road/flooding projects that were delayed or not considered because of COVID, \$2.7 million in American Rescue Plan Act (ARPA) replacement revenue funding was recommended to shore up the transportation capital program, of which \$356,500 was allocated in FY 2021 for this project. The final design and permits were completed by May 2022. Construction began in January 2024 and is anticipated to be completed Fall of 2024.

Project #:	057918	Capital Improvement:	N/A
Service Type:	Transportation	Level of Service Standard:	N/A
Status:	Existing Project - Carryforward	Strategic Priority:	Q5, Q3

Project Description/Justification

The bridge replacement will be designed by Florida Department of Transportation (FDOT) and constructed by Leon County, with FDOT providing 75% of total funding and Leon County providing a 25% local match. The total costs for replacement of the bridge is estimated at \$3.1 million, including an estimated design fee of \$803,720 and an estimated construction and Construction Engineering Inspection (CEI) cost of \$2.46 million. FDOT has advised that right of way acquisition will not be required for this project.

To bolster the transportation capital program, and fund critical road/flooding projects that were delayed or not considered because of COVID, \$2.7 million in American Rescue Plan Act (ARPA) replacement revenue funding was recommended to shore up the transportation capital program, of which \$567,500 was allocated in FY 2021 for this project.

The Locally Funded Agreement with FDOT for the County to provide the 25% local match for design (\$100,000) was approved by the Board at the September 24, 2019 meeting. In January 2021, FDOT notified the County of an increase in design fees, which required an additional \$20,930 in the County's local match.

A construction Local Agency Program (LAP) agreement in the amount of \$2,019,664 with a local match amount of \$673,222, was approved by the Board at the September 12, 2023 meeting. Construction began in June 2024 and is anticipated to be completed in March 2025.

Project Description/Justification

This project restores the asphalt roads inside the North Florida Fairgrounds. As specified in the lease agreement with the North Florida Fairgrounds, the County is required to maintain the internal roads on the fairgrounds. The internal service roads inside the Fairgrounds have aged after many years of service. The asphalt surface has cracks and is deteriorating. In August 2016, the Fairgrounds Property Manager requested the County assist in the road repair inside the North Florida Fairgrounds. The Operations Division completed the pot hole patching work shortly after receipt of the request in 2016. Upon further inspections of the roads, it was determined that the internal roads need to be resurfaced. This project was anticipated to be completed in FY 2021, however, due to budget reductions related to COVID-19, this project is scheduled to be completed in FY 2027, pending results of the current Fairgrounds Revitalization project in which the layout of the grounds may change depending on the final design and analysis.

Project Description/Justification

This project provides funding for materials and contract services associated with asphalt maintenance on Leon County's Open Grade Mix roadways. As Open Grade Mix roads age, it can be anticipated that these older roads will require a higher degree of maintenance (i.e. patching and rejuvenation) than in recent years. It can further be anticipated that some of these roads will require resurfacing. Additionally, permitting requirements on the County's Open Grade Mix roads require that porosity within the Open Grade may be maintained by either hydro-cleaning or other maintenance methods. To meet these needs, funding is required for both routine maintenance and scheduled resurfacing of Open Grade Mix roads.

This project is funded by the 10% share of the 2nd Sales Tax Extension (Blueprint 2020) dedicated to Leon County.

Project Description/Justification

This project is for the replacement of Public Works vehicles and equipment. Vehicles and equipment are replaced based on a factor of the number of miles, operating hours and repair costs to determine if it is more cost effective to replace the vehicle rather than continue maintaining the vehicle or equipment. It is estimated that the vehicles/equipment being replaced will generate \$135,500 in surplus sales. To ensure some FY 2025 capital projects related to facilities improvements and vehicle purchases are not delayed due to supply chain issues, \$646,000 (total budget of \$876,000) in Transportation Trust funding was advanced funded in FY 2024 to support the following FY 2025 replacement schedule:

Project Description/Justification

This project is for the planning, design, and construction of sidewalks. The sidewalk network is to safely and conveniently connect individual residences to schools, shopping and recreations, as well as to the collector and arterial roads where transit is provided. The sidewalks are identified in the County priority list.

In FY 2014, the Board approved levying the additional five-cent gas tax. This tax went into effect January 01, 2014. The Board directed staff to allocate the gas tax revenue 50/50 between transportation operating expenditures and capital expenditures. Beginning in FY 2020, the Blueprint 2020 sales tax provided the County funds for sidewalk construction. Blueprint provides \$1.25 million per year in funding each year.

In November 2014, Leon County residents approved providing a second extension of the 1-Cent Local Option Sales Tax beginning in FY 2020 for 20 years. Blueprint 2020 set aside \$50 million (50/50 County and City) of sales tax extension revenue for County/City Sidewalk Projects funding.

On May 12, 2015, the Board approved the Safe Routes to Schools and Community Sidewalk Enhancements Tier Prioritization Lists. This project is jointly funded with the additional five-cents gas tax and the Blueprint 2020 2nd sales tax extension, which took effect January 2020.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Charter

Note - The Leon County Home Rule Charter was originally enacted by Ord. No. 2002-07 adopted May 28, 2002; to be presented at special election of Nov. 5, 2002. Ord. No. 2002-16, adopted Sept. 10, 2002, repealed Ord. No. 2002-07 in its entirety. Subsequently, Ord. No. 2002-17, adopted Sept. 10, 2002, special election of Nov. 5, 2002; effective Nov. 12, 2002, enacted the Home Rule Charter to read as set out herein.

SECTION 1. - HOME RULE CHARTER

The proposed Home Rule Charter of Leon County, Florida, shall read as follows: PREAMBLE

We, the citizens of Leon County, Florida, united in the belief that governmental decisions affecting local interests should be made locally, rather than by the State, and that County government should be reflective of the people of the County and should serve them in achieving a more responsive and efficient form of government and in order to empower the people of this County to make changes in their own government, do ordain and establish this Home Rule Charter for Leon County, Florida.

ARTICLE I. - CREATION, POWERS AND ORDINANCES OF HOME RULE CHARTER GOVERNMENT

Sec. 1.1. - Creation and general powers of Home Rule Charter government.

The County shall have all powers of self-government not inconsistent with general law, with special law approved by vote of the electors, or with this Charter. The County shall have all county and municipal powers of self-government granted now or in the future by the Constitution and laws of the State of Florida.

Sec. 1.2. - Body corporate, name and boundaries.

Leon County shall be a body corporate and politic. The corporate name shall be Leon County, Florida. The County seat and boundaries shall be those designated by law on the effective date of this Home Rule Charter.

Sec. 1.3. - Construction.

The powers granted by this Home Rule Charter shall be construed broadly in favor of the charter government. The specified powers in this Charter shall not be construed as limiting, in any way, the general or specific power of the government as stated in this article. It is the intent of this article to grant to the charter government full power and authority to exercise all governmental powers necessary for the effective operation and conduct of the affairs of the charter government.

Sec. 1.4. - County purposes.

The County, operating under this Charter, shall have all special powers and duties which are not inconsistent with this Charter, heretofore granted by law to the Board of County Commissioners, and shall have such additional county and municipal powers as may be required to fulfill the intent of this Charter.

Sec. 1.5. - Municipal purposes.

The County shall have all necessary municipal powers to accomplish municipal purposes within the County.

In the event the board of county commissioners levies the municipal public services tax on utilities, any additional recurring or non-recurring fee or charge imposed on a utility relating to the use or occupation of the public rights-of-way shall not exceed what is reasonably necessary to properly monitor and enforce compliance with the county's rules and regulations concerning placement and maintenance of utility facilities in the public rights-of-way.

Sec. 1.6. - Relation to municipal ordinances.

(1) Except as otherwise provided by law or this Charter, municipal ordinances shall prevail over County ordinances to the extent of any conflict within the boundaries of the municipality. To the extent that a county ordinance and a municipal ordinance shall cover the same subject without conflict, then both the municipal ordinance and the county ordinance shall be effective, each being deemed supplemental to the other.

(2) Minimum Environmental Regulations. County ordinances shall establish minimum standards, procedures, requirements and regulations for the protection of the environment and shall be effective within the unincorporated and incorporated areas of the County. Such standards, procedures, requirements and regulations shall include, but shall not be limited to, tree protection, landscaping, aquifer protection, stormwater, protection of conservation and preservation features, and such other environmental standards as the Board of County Commissioners determines to be necessary for the protection of the public health, safety, and welfare of the citizens throughout Leon County. Standards shall be designed to place emphasis on supporting healthy natural systems occurring in the environment. However, nothing contained herein shall prohibit a municipality from adopting ordinances, standards, procedures, requirements or regulations establishing a more stringent level of environmental protection within the incorporated area of the County.

(Ord. No. 2010-22, § 1, 8-17-2010)

Sec. 1.7. - Transfer of power.

Whenever a municipality, special district or agency shall request, by a majority vote of the governing body, the performance or transfer of a function to the County, the County is so authorized by a majority vote of the Board of County Commissioners to have the power and authority to assume and perform such functions and obligations. This section does not authorize a transfer in violation of Article VIII, § 4 of the Constitution of Florida.

Sec. 1.8. - Division of powers.

This Charter establishes the separation between legislative and administrative functions of this government. The establishment and adoption of policy shall be the responsibility of the Board of County Commissioners and the execution of that policy shall be the responsibility of the County Administrator.

Sec. 1.9. - Relation to state law.

Special laws of the state legislature relating to or affecting Leon County and general laws of local application which apply only to Leon County, except those laws relating exclusively to a municipality, the school board, or a special district, shall be subject to approval by local referendum to the extent that they are not in conflict with this Charter. All special laws so approved shall become ordinances and may be subject to amendment or repeal by the Board of County Commissioners.

ARTICLE II. - ORGANIZATION OF COUNTY GOVERNMENT

Sec. 2.1. - Elected Commission and appointed County Administrator form of government.

Leon County shall operate under an elected County Commission and an appointed County Administrator form of government with separation of legislative and executive functions in accordance with the provisions of this Home Rule Charter. The legislative responsibilities and powers of the County shall be assigned to, and vested in, the Board of County Commissioners. The executive responsibilities and power of the County shall be assigned to, and vested in, the County Administrator, who shall carry out the directives and policies of the Board of County Commissioners and enforce all orders, resolutions, ordinances and regulations of the Board, the Charter and all applicable general law to assure that they be faithfully executed.

Sec. 2.2. - Legislative branch.

- (1) **The County Commission.** The governing body of the County shall be a Board of County Commissioners composed of seven (7) members serving staggered terms of four (4) years. There shall be one (1) Commissioner elected for each of the five (5) County Commission districts, established pursuant to general law or by ordinance, and they shall be elected by the electors of that district. There shall be two (2) At-large Commissioners elected on a countywide basis by the electors of the County. Elections for all seven (7) members of the County Commission shall be non-partisan. Each candidate for the office of district County Commissioner shall reside within the district from which such candidate seeks election at the time of qualifying to run for that office, and during the term of office each Commissioner shall reside in the district from which such Commissioner ran for office, provided that any Commissioner whose residence is removed from a district by redistricting may continue to serve during the balance of the term of office.
- (2) **Redistricting.** Redistricting of County Commission district boundaries shall be in accordance with general law, changed only after notice and a public hearing as provided by general law.
- (3) **Salaries and Other Compensation.** Salaries and other compensation of the County Commissioners shall be established by ordinance, and salary shall not be lowered during an officer's term in office.
- (4) **Authority.** The Board of County Commissioners shall exercise all legislative authority provided by this Home Rule Charter in addition to all other powers and duties authorized by general law or special law approved by a vote of the electorate.
- (5) **Vacancies.** A vacancy in the office of County Commissioner shall be defined and filled as provided by general law.
- (6) **Administrative Code.** The County Commission shall adopt an administrative code in accordance with general law.
- (7) **Limitation on Campaign Contributions.** No candidate for any County office for which compensation is paid shall accept any contribution from any contributor, including a political committee, as defined by state law, in cash or in kind, in an amount in excess of \$250 per election.

(Ord. No. 2010-21, § 1, 8-17-2010)

Sec. 2.3. - Executive branch.

(1) The County Administrator.

(A) The County Administrator shall be appointed by an affirmative vote of a majority plus one (1) of the entire membership of the Board of County Commissioners. The County Administrator shall serve at the pleasure of the Board of County Commissioners until such time as the County Administrator shall be removed by a vote for removal of a majority plus one (1) of the entire membership of the Board of County Commissioners voting during the first regularly scheduled meeting occurring after a meeting of the Board at which a motion expressing the intent of the Board to remove the County Administrator was adopted by majority vote of those present and voting. The County Administrator shall be the chief executive officer of the County and all executive responsibilities and powers shall be assigned to, and vested in, the County Administrator. The County Administrator shall exercise all executive authority provided by this Home Rule Charter and all other powers and duties authorized by general or special law.

(B) The County Administrator shall be chosen on the basis of his/her professional qualifications, administrative and executive experience, and ability to serve as the chief administrator of the County. The County Administrator shall reside within the County during his/her tenure as County Administrator.

(C) The compensation of the County Administrator shall be fixed by the Board of County Commissioners at a level commensurate with the responsibilities of the position, with performance appraisals conducted by the Board of County Commissioners at least annually.

(D) A vacancy in the office shall be filled in the same manner as the original appointment. The County Administrator may appoint an Acting County Administrator in the case of his/her temporary vacancy.

(2) Senior Management. The County's senior management employees, with the exception of the County Attorney's Staff, shall serve at the pleasure of the County Administrator, who may suspend or discharge senior management personnel with or without cause.

(3) Non-interference by Board of County Commissioners. Except for the purpose of inquiry and information, members of the Board of County Commissioners are expressly prohibited from interfering with the performance of the duties of any employee of the county government who is under the direct or indirect supervision of the County Administrator or County Attorney by giving said employees instructions or directives. Such action shall constitute malfeasance within the meaning of Article IV, Section 7(a) of the Florida Constitution. However, nothing contained herein shall prevent a County Commissioner from discussing any county policy or program with a citizen or referring a citizen complaint or request for information to the County Administrator or County Attorney.

(Ord. No. 2010-23, § 1, 8-17-2010; Ord. No. 2010-24, § 1, 8-17-2010; Ord. No. 2010-25, § 1, 8-17-2010)

Sec. 2.4. - County attorney.

(1) There shall be a County Attorney selected by the Board of County Commissioners who shall serve at the pleasure of, and report directly to, the Board of County Commissioners, and shall reside within the County during his/her tenure as County Attorney.

(A) The County Attorney shall provide legal services to the Board of County Commissioners, the County Administrator, and County departments, boards and agencies organized under the Board of County Commissioners.

(B) The compensation of the County Attorney shall be fixed by the Board of County Commissioners at a level commensurate with the responsibilities of the position with performance appraisals conducted by the Board of County Commissioners at least annually.

Sec. 2.5. - Code of Ethics.

In order to provide a high level of transparency and ethical conduct under charter government, the Board of County Commissioners shall enact by ordinance a Code of Ethics no later than the first County Commission meeting in December 2019. The Code of Ethics shall prescribe standards of conduct for members of the Board of County Commissioners and its employees, as well as to all members of appointed boards and committees that have been created by the Board of County Commissioners. The Code of Ethics shall supplement and not contradict or supersede any statutory or administrative standards of conduct which apply to any such officer or employee. The Code of Ethics shall include, but is not limited to, standards of conduct, provisions defining offenses, prescribing penalties within the limits allowed by law, and establishing lobbyist regulations. The Code shall not conflict with the power of the Governor to suspend county officers or of the Senate to remove them from office, or the power of the people to recall them from office.

(Ord. No. 2018-06, § 1, 4-10-2018)

ARTICLE III. - ELECTED COUNTY CONSTITUTIONAL OFFICERS

Sec. 3.1. - Preservation of constitutional offices.

The offices of the Sheriff, Property Appraiser, Tax Collector, Clerk of the Circuit Court and Supervisor of Elections shall remain as independently elected constitutional offices, and the status, powers, duties and functions of such offices shall not be altered by this Home Rule Charter, or any revisions or amendments hereto, except as provided in Section 5.2 below. The constitutional officers shall perform their executive and administrative functions as provided by law.

Sec. 3.2. - Non-partisan elections.

***(1) Non-Partisan Offices. The Supervisor of Elections shall be non-partisan.

(A) Non-Partisan Election Procedures. If three or more candidates, none of whom is a write-in candidate, qualify for such office, the names of those candidates shall be placed on a non-partisan ballot at the first primary election. If no candidate for such office receives a majority of the votes cast for such office in the first primary election, the names of the two candidates receiving the highest number of votes for such office shall be placed on the general election ballot.

(B) Qualification by Petition. A candidate for non-partisan office may qualify for election to such office by means of the petitioning process provided in general law.

**Pursuant to the holding by the Florida Supreme Court in the Orange County v. Singh case (268 So.3d 668), Section 3.2(1) of the Charter has been rendered unenforceable. Henceforth the election for the office of Supervisor of Elections shall be partisan.

Sec. 3.3. - Clerk auditor.

(1) The Leon County Clerk of the Court shall serve as the Auditor to the Commission as specified by law. The Clerk shall employ a Certified Internal Auditor, Certified Public Accountant, or such other person qualified by education or experience in governmental accounting, internal auditing practices and fiscal controls, which shall include at least five (5) years' experience in professional accounting, auditing, governmental fiscal administration or related experience, unless the Clerk holds such qualifications. The Board of County Commissioners shall fund the audit function of the Clerk.

(2) Audit Committee. There shall be a five member Audit Committee of which two members shall be appointed by the County Commission and three by the Clerk. The Audit Committee shall adopt an annual plan of work for the Auditor and shall oversee the work of the Auditor. The Audit Committee members shall be residents of Leon County, none of whom may be an employee or officer of County government, and who have experience as a public accountant, internal auditor, or as a financial manager for a public, private or not for profit institution. The purpose of the Committee is to promote, maintain, and enhance the independence and objectivity of the internal audit function by ensuring broad audit coverage, adequate consideration of audit reports, and appropriate action on recommendations. Clerk shall provide for the organization and duties of the audit committee, including membership terms, voting procedures, officers, sub-committees, meeting schedules and staff support.

Sec. 3.4. - Limitation on campaign contributions.

No candidate for any County office for which compensation is paid shall accept any contribution from any contributor, including a political committee, as defined by state law, in cash or in kind, in an amount in excess of \$250 per election.

(Ord. No. 2010-21, § 2, 8-17-2010)

ARTICLE IV. - POWERS RESERVED TO THE PEOPLE: INITIATIVE AND RECALL

Sec. 4.1. - Citizen initiative.

(1) Right to Initiate. The electors of Leon County shall have the right to initiate County ordinances in order to establish new ordinances and to amend or repeal existing ordinances, not in conflict with the Florida Constitution, general law or this Charter, upon petition signed by at least ten percent (10%) of the total number of electors qualified to vote in the County reflecting ten percent (10%) of the total number of electors qualified to vote within each of the five (5) commission districts. The total number of electors qualified shall mean the total number of electors qualified to vote in the last preceding general election.

(2) Procedure for Petition. The sponsor of an initiative shall, prior to obtaining any signatures, submit the text of a proposed ordinance to the Supervisor of Elections, with the proposed ballot summary and the form on which signatures will be affixed and

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Charter

obtain a dated receipt therefor. Any such ordinances shall embrace but one (1) subject and matter directly connected therewith. The sponsor shall cause a notice of such submission to be published within fourteen (14) days thereof in a newspaper of general circulation in the County. The allowable period for obtaining signatures on the petition shall be completed not later than one (1) year after initial receipt of the petition by the Supervisor of Elections. The sponsor shall comply with all requirements of general law for political committees and shall file quarterly reports with the Supervisor of Elections stating, to the best of the sponsor's information and belief, the number of signatures procured. The time and form of such reports may be prescribed by ordinance. When a sufficient number of signatures is obtained, the sponsor shall thereupon submit signed and dated forms to the Supervisor of Elections, and upon submission, shall pay all fees required by general law. The Supervisor of Elections shall, within sixty (60) days after submission of signatures, verify the signatures thereon, or specify a reason for the invalidity of each rejected signature, if the petition is rejected for insufficiency of the number of valid signatures. If the petition is rejected for insufficiency of the number of signatures, the sponsor shall have an additional thirty (30) days within which to submit additional signatures for verification. The Supervisor of Elections shall, within thirty (30) days of submission of additional signatures, verify the additional signatures. In the event sufficient signatures are still not acquired, the Supervisor of Elections shall declare the petition null and void and none of the signatures may be carried over onto another identical or similar petition.

(3) Consideration by Board of County Commissioners. Within sixty (60) days after the requisite number of signatures has been verified by the Supervisor of Elections and reported to the Board of County Commissioners, the Board of County Commissioners shall give notice and hold public hearing(s) as required by general law on the proposed ordinance and vote on it. If the Board fails to enact the proposed ordinance it shall, by resolution, call a referendum on the question of the adoption of the proposed ordinance to be held at the next general election occurring at least forty-five (45) days after the adoption of such resolution. If the question of the adoption of the proposed ordinance is approved by a majority of those registered electors voting on the question, the proposed ordinance shall be declared, by resolution of the Board of County Commissioners, to be enacted and shall become effective on the date specified in the ordinance, or if not so specified, on January 1 of the succeeding year. The Board of County Commissioners shall not amend or repeal an ordinance adopted by initiative prior to the next succeeding general election, without the approval of a majority of the electors voting at a referendum called for that purpose.

(4) Limitation on Ordinances by Initiative. The power to enact, amend or repeal an ordinance by initiative shall not include ordinances or provisions related to County budget, debt obligations, capital improvement programs, salaries of County officers and employees, the assessment or collection of taxes, or the zoning of land.

Sec. 4.2. - Recall.

All members of the Board of County Commissioners shall be subject to recall as provided by general law.

ARTICLE V. - HOME RULE CHARTER TRANSITION, AMENDMENTS, REVIEW, SEVERANCE, EFFECTIVE DATE

Sec. 5.1. - Home Rule Charter Transition.

(1) General Provisions. Unless expressly provided otherwise in this Home Rule Charter, the adoption of this Charter shall not affect any existing contracts or obligations of Leon County; the validity of any of its laws, ordinances, regulations, and resolutions; or the term of office of any elected County officer, whose term shall continue as if this charter had not been adopted.

(2) Initial County Commissioners. The persons comprising the Leon County Board of County Commissioners on the effective date of this Charter shall become the initial members of the Board of County Commissioners of the Charter government and shall perform the functions thereof until the normal expiration of their terms or until the election and qualification of their successors as provided by law.

(3) Outstanding Bonds. All outstanding bonds, revenue certificates, and other financial obligations of the County outstanding on the effective date of this Charter shall be obligations of the Charter government. All actions taken by the former government relating to the issuance of such obligations are hereby ratified and confirmed. Payment of such obligations and the interest thereon shall be made solely from, and charged solely against, funds derived from the same sources from which such payment would have been made had this Charter not taken effect.

(4) Employees Continuation. All employees of the former County government shall, on the effective date of this Charter, become employees of the County government created by this Charter. All existing wages, benefits, and agreements, and conditions of employment shall continue, until modified by lawful action of the County Commission.

Sec. 5.2. - Home rule charter amendments.

(1) Amendments Proposed by Petition.

(A) The electors of Leon County shall have the right to amend this Home Rule Charter in accordance with Sec. 4.1 of this Charter.

(B) Each proposed amendment shall embrace but one (1) subject and matter directly connected therewith. Each Charter amendment proposed by petition shall be placed on the ballot by resolution of the Board of County Commissioners for the general election occurring in excess of ninety (90) days from the certification by the Supervisor of Elections that the requisite number of signatures has been verified. If approved by a majority of those electors voting on the amendment at the general election, the amendment shall become effective on the date specified in the amendment, or, if not so specified, on January 1 of the succeeding year.

(2) Amendments and Revisions by Citizen Charter Review Committee.

(A) A Citizen Charter Review Committee shall be appointed by the Board of County Commissioners at least twelve (12) months before the general election occurring every eight (8) years thereafter, to be composed and organized in a manner to be determined by the Board of County Commissioners, to review the Home Rule Charter and propose any amendments or revisions which may be advisable for placement on the general election ballot. Public hearings shall be conducted as provided by F.S. § 125.63.

(B) No later than ninety (90) days prior to the general election, the Citizen Charter Review Committee shall deliver to the Board of County Commissioners the proposed amendments or revisions, if any, to the Home Rule Charter, and the Board of County Commissioners shall consider such amendments or revisions to be placed on the general election ballot, in accordance with F.S. § 125.64.

(C) If the Citizen Charter Review Committee does not submit any proposed Charter amendments or revisions to the Board of County Commissioners at least ninety (90) days prior to the general election, the Citizen Charter Review Committee shall be automatically dissolved.

(3) Amendments Proposed by the Board of County Commissioners.

(A) Amendments to this Home Rule Charter may be proposed by ordinance adopted by the Board of County Commissioners by an affirmative vote of a majority plus one (1) of the membership of the Board. Each proposed amendment shall embrace but one (1) subject and matter directly connected therewith. Each proposed amendment shall only become effective upon approval by a majority of the electors of Leon County voting in a referendum at the next general election. The Board of County Commissioners shall give public notice of such referendum election at least ninety (90) days prior to the general election referendum date.

(B) If approved by a majority of those electors voting on the amendment at the general election, the amendment shall become effective on the date specified in the amendment, or, if not so specified, on January 1 of the succeeding year.

Sec. 5.3. - Severance.

If any provision of this Charter or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Charter which can be given effect without the invalid provision or application, and to this end the provisions of the Charter are declared severable.

Sec. 5.4. - Home rule charter effective date.

This Charter shall become effective November 12, 2002.

SECTION 2. - BALLOT QUESTION TO BE PRESENTED TO ELECTORATE

The proposed Charter of Leon County, Florida, shall be presented to the qualified Leon County electorate by placing the question of whether to adopt same on the ballot at the special election to be held on November 5, 2002.

DULY PASSED AND ADOPTED BY the Board of County Commissioners of Leon County, Florida, this 9th day of September 2002.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» Guiding Principles

1. The Board of County Commissioners upholds the importance of the Leon County Home Rule Charter allowing citizen involvement and flexibility in shaping government to best meet the County's unique and changing needs.
2. The County budget will always be balanced, with available revenues equal to appropriations.
3. The County will strive to maintain the lowest dollars spent per County resident, as compared to like-size counties, while retaining the maximum level of service possible.
4. Through citizen input and Commission deliberation, core functions for County government will be identified and the dollars will be allocated accordingly during the budget process.
5. The County will continue to explore opportunities with its governmental counterparts for functional consolidation and/or shared efficiencies.
6. The County will continue to enhance our cooperation and coordination with our Universities and Community College to promote, strengthen, and sustain our community's intellectual capital.
7. The County Administrator will require Program Managers to conduct an annual review and scrutiny of their base budgets when preparing budgets for future years.
8. Consistent with best practices and the Florida Statutes, Leon County will retain an emergency reserve fund of not less than 5%, but not more than 10% of the general operating budget (Policy No. 07-2).
9. Consistent with best practices and the Florida Statutes, Leon County will retain an operating cash reserve fund of not less than 10% but not more than 20% of the general operating budget (Policy No. 07-2).
10. Cash reserves in excess of reserve policies will be utilized to support one-time capital projects and/or other one-time expenditures to address unforeseen revenue shortfalls (Policy No. 07-2).
11. Leon County will continue to ensure the useable and safe life of existing infrastructure by providing funding for proper maintenance (Policy No. 93-44).
12. Provide that fees charged in enterprise operations will be calculated at a level which will support all direct and indirect costs of the enterprise (Policy No. 92-5).
13. Ensure that capital projects financed through the issuance of bonds will not be financed for a period that exceeds the useful life of the project or the life of the supporting revenue source (Policy No. 93-47), and support conduit financing to promote the economic health of the community.
14. Maintain accounting and reporting practices in conformance with the Uniform Accounting System of the State of Florida and Generally Accepted Accounting Principles (GAAP) (Policy No. 92-4).
15. Ensure that the annual financial and compliance audit of the County's financial records is conducted by an independent firm of certified public accountants whose findings and opinions are published and available for public review (Policy No. 92-4).
16. Will optimize return on investments within the constraints of safety and liquidity through an adopted Investment Policy.
17. Shall establish formal policies and procedures to address amending the budget while allowing the organization to function and react to changing conditions (Policy No. 97-11).
18. The County shall provide a meaningful public input process during the annual budget review which shall, at a minimum, include at least one Board Workshop and two Public Hearings.
19. The County will fully research and employ technology to improve the personal and collective efficiency of county employees.
20. The County will continue to enhance our culture of performance, as we maintain a very low employee per 1,000 population and a "flat" organizational structure and hold individual employees to high expectations and performance standards. Employees are entrusted with broad authority in their functional areas, expected to respond quickly to requests for service, explore and pursue alternatives to assist the citizenry, attempt to deliver more than what is expected, and are empowered to use professional discretion on the spot to resolve issues and reduce "bureaucracy." These employees are valued and compensation and benefits are commensurate with their responsibilities and competitive in the industry.
21. The County will continue to improve efforts to promote employee innovation, through incentives, recognition and rewards for identifying and implementing program and process improvements that add value to services while producing cost savings.
22. The County will continue to leverage Leon County taxpayer dollars to attract federal and state appropriations, reimbursements, and matching grants to realize revenue maximization for the purpose of funding priority projects and programs.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» Summary of County Financial Policies & Ordinances

Industrial Development Revenue Bond Financing Policy, No. 81-1

This policy establishes a means for the expansion of local businesses as well as the attraction of new prospective businesses, allowing for diversification and expansion of the local economy.

Accounting and Reporting Policy, No. 92-4

This policy establishes accounting and reporting systems that maintain accounting and reporting practices that conform to the Uniform Accounting System of Generally Accepted Accounting Principles (GAAP). The policy also ensures that the accounting and reporting systems are consistent with the standards set for local governments according to Governmental Accounting and Financial Reporting (GAFR), the National Council on Governmental Accounting (NCGA), and the Governmental Accounting Standards Board (GASB).

Revenues Policy, No. 92-5

This policy establishes revenue practices that: provide for the establishment and maintenance of a diversified revenue system to protect it from fluctuations in any one revenue source; ensure fees charged in enterprise operations will be calculated at a level which will support all direct and indirect costs of the enterprise; and ensure that the County does not accept any revenue source whose terms of acceptance or collection may negatively affect the County.

Fiscal Planning Policy, No. 93-44

This policy establishes fiscal planning practices that provide for:

- The annual operating and capital budget to be developed in conformity with the Tallahassee-Leon County Comprehensive Plan.
- The development and review of a Capital Improvement Project budget, containing a 5-year plan for acquisition and improvement of capital investments that is also coordinated with the annual operating budget.

Dues and Memberships Policy, No. 93-46

This policy requires that any dues or memberships paid by Leon County on behalf of an employee shall be detailed in a department/division's annual budget request submission to the Office of Management and Budget. The request will be reviewed for appropriateness with final denial/approval being given by the County Administrator or his/her designee during the development of the tentative budget.

Debt Management and Other Investments Policy, No. 93-47

This policy establishes that debt management and investment practices are established to:

- Ensure that capital projects financed by capital bonds will not be financed for a period that exceeds the useful life of the supporting revenue source.
- Ensure that interest, operating or maintenance expenses will be capitalized only for facilities or enterprise activities and limited to expenses encumbered prior to the operation or improvement of the facility.
- Provide that Leon County's debt will be limited to an amount that will not hinder the County from maintaining sources of available revenues for service of debt at 135% of annual debt service.
- Provide that the County will limit its investments to only the safest types of securities (including the U.S. government or its agencies) and those which provide insurance or the legally required backing of the invested principal.
- Provide that, unless required by market conditions, not more than fifteen percent of the County's investment portfolio will be placed in any one institution other than those securities issued or guaranteed by the US Government or its agencies or the State Board of Administration of the State of Florida.

Amending the Budget Policy, No. 97-11

This policy establishes that for the operation of amending the annual budget, all amendments/transfers will be reviewed by the director of the requesting department/division, followed by the Office of Management and Budget, prior to submission and subsequent approval/denial by the County Administrator and/or the Board of County Commissioners as set forth below:

- Allows program managers to amend their operating budgets and personal services budgets up to 10 percent of the total on an aggregate basis between line items within programs with a \$50,000 cap, upon County Administrator approval.
- Designates the Office of Management and Budget the responsibility for monitoring and enforcing the provisions for amending the budget based upon policies adopted by the Board.
- Allows the County Administrator to authorize intrafund transfers up to \$250,000. Intrafund transfers exceeding \$250,000 and all interfund transfers must be approved by a majority vote of the Board.
- Requests for use of reserves for contingency must be approved by a majority vote of the Board.

Carry Forward Program Policy, No. 98-16

This policy establishes that the Carry Forward Program will provide budget incentives to managers to improve financial management effectiveness and accountability. It allows managers to carry forward a portion or all unexpected end-of-year funds for identifiable projects which will result in increased productivity, cost savings, and/or increased efficiency. Department managers submitting a request to OMB for review, must clearly indicate how the County will realize an increase in productivity, save money, and/or increase efficiency, if approved. Managers of projects funded by the Board in the current fiscal year, which are incomplete, must submit a "Carry Forward Request" requesting the funds be added to the budget of the following fiscal year for the sole purpose of completing the project for which the funds were appropriated. All carry forward requests are presented to the Board prior to November 1 of each year and are based upon the prior approval of the County Administrator.

Finance Advisory Committee Policy, No. 00-1

This policy establishes the Financial Advisory Committee which ensures that financial matters which come before the Board have been appropriately and thoroughly reviewed. This committee will make recommendations on financial matters related to the Board and all County boards. Such financial matters may include, but not be limited to, issuance of debt, selection of bond counsel, financial advisory services, bond underwriter services, underwriter counsel, disclosure counsel, and arbitrage rebate compliance services.

Leon County Investment Policy, No. 17-4

This policy establishes that Leon County's Investment Policy within the context of the County's Investment Ordinance is intended to set the framework within which the County's investment activities will be conducted. It establishes the parameters for investment activity, which may be further, restricted by the Investment Oversight Committee or by investment staff, and provides parameters to limit risk and ensure a broadly diversified portfolio.

Solid Waste Rate Stabilization Reserve Fund Policy, No. 03-08

This policy establishes the Solid Waste Stabilization Reserve Fund to provide funding for: planned future capital project expenditures, temporary and nonrecurring unexpected capital projects, accommodation of unexpected program mandates from other governmental bodies, extraordinary operating expenses, and operating expenses in order to stabilize rates. All requests for the use of these funds are limited to the operation of the County's landfill and transfer station and must be Board approved.

Discretionary Funding Guidelines Ordinance No. 06-34

This ordinance governs the allocation of discretionary funds and provides the Board a maximum amount of annual funding available in each of the following categories: (a) Community Human Services Partnership Fund (CHSP); (b) Community Human Services Partnership-Emergency Fund; (c) Commissioner District Budget Fund; (d) Mid-Year Fund; (e) Non-Departmental Fund; and (f) Youth Sports Teams Fund. The funding for the purposes set forth in this ordinance shall be subject to an annual appropriation by the Board in accordance with this Ordinance.

Reserves Policy, No. 07-2

This policy establishes funding for: general revenue emergency reserves, un-appropriated reserve for cash balance, minimum and maximum amounts of fund balance, funding for authorized mid-year increases, unexpected increases in the cost of existing levels of service, temporary and nonrecurring funding for unexpected projects, local match for public or private grants, offset losses, and unexpected program mandates. It establishes authorized forms and procedures to be used by outside agencies or individuals, set forth procedures and evaluation criteria of funding.

Capital Asset Policy, No. 19-5

The Leon County Governmental Capital Asset Policy has been developed in accordance with Generally Accepted Accounting Principles (GAAP) and Governmental Accounting Standards Board (GASB) Statement Number 34, to set forth the parameters of the government accounting for capital assets. Included in this policy are asset class definitions, capitalization thresholds, and methods of depreciation and amortization.

Industrial Development Revenue Bond Financing Policy, No. 81-1

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that:

Industrial Development Revenue Bond (IDRB) financing will be considered as an inducement to local and new prospective business expansion and relocation as a means to promote the diversification and expansion of the local economy, subject to the following conditions:

1. Information and application requirements of the County are completely and accurately met.
2. All fees and charges are paid, if and when assessed.
3. The project, consisting of land acquisition, construction, renovation and/or equipment purchases, has not begun prior to IDRB financing approval.
4. The project complies with all federal, state, and local laws with regard to industrial development revenue bond financing eligibility.
5. Except in unusual circumstances, the Board will give priority consideration for IDRB financing to an industrial or manufacturing plant.

Accounting and Reporting Policy, No. 92-4

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that Policy No. 92-4 "Accounting and Reporting", adopted March 10, 1992, is hereby amended and a revised policy is hereby adopted in its place, to wit:

The County will establish accounting and reporting systems to:

1. Maintain accounting and reporting practices in conformance with the Uniform Accounting System of the State of Florida and Generally Accepted Accounting Principles (GAAP).
2. Maintain accounting system records on a basis consistent with the accepted standards for local government accounting according to Governmental Accounting and Financial Reporting (GAFR), the National Council on Governmental Accounting (NCGA), and the Governmental Accounting Standards Board (GASB).
3. Provide regular monthly financial reports that include a summary of activity for all funds.
4. Provide regular monthly trial balances of line item financial activity by type of revenue and expenditure.
5. Ensure that an annual financial and compliance audit of the County's financial records is conducted by an independent firm of certified public accountants whose findings and opinions are published and available for public review.
6. Provide that the Office of Management and Budget (OMB) will submit to the County Commission semi-annual reports, consisting of a mid-year and an annual report, on the operating condition of the County and, where applicable, to identify possible trends and, where necessary, to recommend options for corrective action.
7. Seek, annually, the Government Finance Officers Association (GFOA) Certificate of Achievement in Financial Reporting and the GFOA's annual budget award.

Revenues Policy, No. 92-5

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that:

The County will establish revenue practices to:

1. Provide that the County seek out and maintain a diversified revenue system to protect it from fluctuations in any one revenue source.
2. Provide that fees charged in enterprise operations will be calculated at a level which will support all direct and indirect costs of the enterprise.

»» County Financial Policies & Ordinances

3. Ensure that the County does not accept any revenue source whose terms of acceptance or collection may negatively affect the County.

Fiscal Planning Policy, No. 93-44

It shall be the policy of Leon County, Florida that Policy No. 93-44, "Fiscal Planning", amended by the Board of County Commissioners on May 10, 2016, is hereby further amended and a revised policy is hereby adopted in its place, to wit:

The County will establish fiscal planning practices to:

1. Provide that the annual operating and capital budget for Leon County shall be developed in conformity with the Tallahassee-Leon County Comprehensive Plan by the Office of Management and Budget, under the advisement of the County Administrator and adopted as provided in State law by a majority vote of the Board of County Commissioners presiding in a public hearing.
2. Provide for the development and annual review of a capital improvement budget. This budget shall contain a 5-year plan for acquisition and improvement of capital investments in the areas of facilities, transportation, equipment, and drainage. This budget shall be coordinated with the annual operating budget.
3. Provide that the Board of County Commissioners will continue to reflect fiscal restraint through the development of the annual budget. In instances of forthcoming deficits, the Board will either decrease appropriations or increase revenues.
4. Provide that the County will strive to better utilize its resources through the use of productivity and efficiency enhancements while at the same time noting that the costs of such enhancements should not exceed the expected benefits.
5. Provide that expenditures which support existing capital investments and mandated service programs will be prioritized over those other supporting activities or non-mandated service programs.
6. Provide that the County Administrator shall be designated Budget Officer for Leon County and will carry out the duties as set forth in Ch. 129, F.S.
7. Provide that the responsibility for the establishment and daily monitoring of the County's accounting system(s) shall lie with the Finance Division of the Clerk of the Circuit Court, and that the oversight of investment and debt management for the government of Leon County shall lie with the Board of County Commissioners.
8. Annually, prior to March 31, the Board of County Commissioners will:
 - A. Establish a budget calendar for the annual budget cycle.
 - B. Confirm the list of permanent line-item funded agencies that can submit applications for funding during the current budget cycle.
 - C. Establish the amount of funding to sponsor community partner/table events in an account to be managed by the County Administrator.
 - D. Provide direction to staff on additional appropriation requests that should be considered as part of the tentative budget development process.
 - E. Establish outside agency funding for the next budget cycle.
9. Provide that this policy shall be reviewed annually by the Board of County Commissioners to ensure its consistency and viability with respect to the objectives of the Board and its applicability to current state law and financial trends.

Dues and Memberships Policy, No. 93-46

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that:

Policy No. 77-7, adopted by the Board of County Commissioners on June 21, 1977, is hereby repealed and superseded, and a new policy is hereby adopted in its place, to wit:

Organizations to which dues and memberships are paid for a County employee by Leon County shall be listed in a department's/division's annual budget request submission to the Office of Management and Budget and reviewed for their appropriateness to the employee's job responsibilities with final denial/approval of such membership(s) by the County Administrator or his/her designee during the development phase of the tentative budget. Any request for County-paid employee memberships made during the fiscal year shall be submitted to the Office of Management and Budget for review with final denial/approval by the County Administrator. All memberships paid by the County for its departments/divisions shall follow the same review and approval process as that of a County Employee as outlined in this policy.

Debt Management and Other Investments Policy, No. 93-47

It shall be the policy of the Board of County Commissioners of Leon County, Florida that:

Policy No. 93-47, adopted by the Board of County Commissioners on August 10, 1993, is hereby superseded, and a revised policy is hereby adopted in its place, to wit:

Debt management and investment practices are established to:

1. Ensure that capital projects financed through the issuance of bonds will not be financed for a period that exceeds the useful life of the project or the life of the supporting revenue source.
2. Ensure that interest, operating or maintenance expenses will be capitalized only for facilities or enterprise activities and will be limited to those expenses encumbered prior to the actual operation of the facility or its improvement.
3. Provide that debt for Leon County, Florida shall be limited to an amount which will not prevent the County from maintaining sources of available revenues for service of debt at 135% of annual debt service. The State of Florida does not mandate legal debt limitation for local governments.
4. Provide that the County will limit its investments to only the safest types of securities, to include those backed by the U.S. Government or its agencies and those which provide insurance or the legally required backing of the invested principal.
5. Provide that, unless market conditions otherwise require, not more than fifteen (15) percent of the County's investment portfolio shall be placed in any one institution other than those securities issued or guaranteed by the U.S. Government or its agencies or the State Board of Administration of the State of Florida.
6. Provide that the investment portfolio of Leon County, Florida must be structured in such a manner to provide sufficient liquidity to pay obligations as they become due. The investment portfolio shall be diversified by type of investment, issuer, and dates of maturity in order to protect against fluctuations in the market economy. At least fifteen percent (15%) of the County's portfolio shall be kept in liquid investments which are available on a daily basis, without loss of principal.
7. Provide that the clear title to principal and collateral backing for all investments shall be maintained by Leon County, in the County's own bank, or a third party agent under agreement to the County.
8. Provide that the Board of County Commissioners seeks to optimize return on investments within the constraints of safety and liquidity. The purchase and sale of securities shall be at competitive prices based on market conditions.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» County Financial Policies & Ordinances

9. Provide that Leon County will use only major banks, brokers or dealers which have been selected after review of their qualifications, size, capitalization, inventories handling and reputation.
10. Provide that Leon County will not place funds with any institution which is less than three years old.
11. Provide that the Board shall adopt a plan by October 1 of each year to govern the policies and procedures for the investment of surplus funds of the County based on the criteria as set forth in the County's Investment Ordinance for Surplus Funds, Policy No. 93-3.
12. Provide that collateral shall be required for any re-purchase agreement, not covered under Chapter 280, Florida Statutes. Collateral placed for any re-purchase agreement will be governed by the same terms as those defined in the County's Investment Ordinance for Surplus Funds, Policy No. 93-3.
13. Provide that the County shall establish a County Investment Oversight Committee whose membership and duties shall be governed by the provisions as set forth in the County's Investment Ordinance for Surplus Funds, Policy No. 93-3.

Amending the Budget Policy, No. 97-11

The County will establish practices for the operation and amending of the annual budget to:

1. Provide that all amendments/transfers of funds will first be reviewed by the director(s) of the requesting department/division, followed by a second review by the Office of Management and Budget, prior to submission and subsequent approval/denial by the County Administrator and/or the Board of County Commissioners, as set forth by the following provisions of this policy.
2. Provide that:
 - A. Notwithstanding the provisions of paragraph 1, program managers shall have the flexibility to amend their operating expenditure budgets and personnel services budgets by up to 10 percent of the total on an aggregate basis between line items within programs with a \$50,000 cap, contingent upon approval by the County Administrator.
 - B. The County Administrator delegates to the Office of Management and Budget the responsibility for monitoring and enforcing the provisions of this paragraph based on policies adopted by the Board of County Commissioners.
3. Provide that, in addition to the provisions of paragraph 2, the County Administrator may authorize intrafund transfers up to \$250,000.
4. Provide that intrafund transfers greater than \$250,000, and all interfund transfers, must be approved by a majority vote of the Board of County Commissioners.
5. Provide that all requests for use of reserves for contingency must be approved by a majority vote of the Board of County Commissioners.

Carry Forward Program Policy, No. 98-16

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that Policy No. 94-8, entitled "Carry Forward Program" and adopted by the Board of County Commissioners on December 13, 1994, is hereby repealed and superseded, and a new policy is hereby adopted in its place, to wit:

The Carry Forward Program provides budget incentives to managers to improve financial management effectiveness and accountability. The program allows managers to carry forward into the ensuing fiscal year a portion of, or all, of the unexpected end-of-year funds for identifiable projects which will result in increased productivity, cost savings and/or increased efficiency. Those projects which receive the County Administrator's approval will be presented to the Board of County Commissioners prior to November 1 of each year.

A. Eligibility Requirements

The department manager must submit the program proposal to the Office of Management & Budget (OMB) no later than the deadline established by OMB. The proposal must include financial savings estimated based on the most recent financial data available. The department manager must clearly indicate in the Carry Forward Program how the County will realize an increase in productivity, save money or increase efficiency by approving the proposal.

Any request that was denied during the budget review process will be forwarded directly to the County Administrator for special review. The County Administrator will provide further direction to OMB.

Note: Those projects which were funded by the Board in the current fiscal year, and which were not completed, are not affected by this program. In such case, the manager must submit a "Carry Forward Request Form" to the Office of Management & Budget requesting that these funds be added to the budget of the ensuing fiscal year for the sole purpose of completing the projects for which the funds were appropriated in the previous fiscal year. The program must state on the "Carry Forward Request Form" why the project was not completed within the current fiscal year and the anticipated completion date.

B. OMB Responsibilities

The Office of Management & Budget shall review all proposals from department managers. The Office of Management & Budget will be responsible for the program activities listed below.

Verify the total amount of funds eligible to be carried forward into the ensuing fiscal year with the Finance Department.

Review an analysis of the proposed project to determine if it will increase productivity, save tax dollars and/or increase efficiency.

Make a recommendation of approval or denial to the County Administrator.

Notify the program manager in writing of whether the project was accepted or denied within two (2) working days of the County Administrator's final decision.

Finance Advisory Committee Policy, No. 00-1

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that Policy No. 00-01 "Finance Advisory Committee", adopted by the Board on February 8, 2000, is hereby amended and a revised policy is adopted in its place, to wit:

In order to ensure that financial matters which come before the Board of County Commissioners have been appropriately and thoroughly reviewed, a Finance Advisory Committee is hereby established which shall be comprised of the Leon County Administrator or designee, the Leon County Attorney or designee, the Director of the Office of Financial Stewardship, the Director of the Office of Management and Budget or the Budget Manager, and the Clerk of Courts' Finance Director.

The Finance Advisory Committee shall review and make recommendations to the Board of County Commissioners on financial matters related to Leon County, Florida, and all County boards and authorities. Such financial matters may include, but not be limited to, issuance of debt, selection of bond counsel, financial advisory services, bond underwriter services, underwriter counsel, disclosure counsel, and arbitrage rebate compliance services.

Leon County Investment Policy, No. 17-4

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that Policy No. 17-4, "Leon County Investment Policy", adopted on July 9, 2019, is hereby amended and a revised policy is hereby adopted in its place, to wit:

I. SCOPE

This Policy was adopted using Florida Statutes Section 218.415 as a guideline and applies to all funds held by the County in excess of those required to meet current expenses.

II. INVESTMENT OBJECTIVES

The primary objectives of all investment activities for the County should be safety of principal, maintenance of adequate liquidity, and finally, return maximization.

- A. Safety of Principal. This is the foremost investment objective. Investment transactions should seek to keep capital losses to a minimum, whether the result of security defaults or erosion of market value. This is best insured by establishing minimum acceptable credit ratings, limiting overall portfolio duration, setting maximum exposures by sector, defining appropriate levels of diversification, and limiting exceptions.
- B. Maintenance of Liquidity. To meet the day-to-day operating needs of the County and to provide the ready cash to meet unforeseen temporary cash requirements, a liquidity base of approximately at least three months of anticipated disbursements will be kept in relatively short-term investments. These would include investments in government pools with daily liquidity such as the Local Government Surplus Trust Fund and money market investments.
- C. Return Maximization. Return is of least importance compared to the safety and liquidity objectives above. Investments are limited to low risk securities in anticipation of earning a fair return relative to the risk being assumed. Extending the duration of investments to enhance investment returns can induce volatility and affect market value, which should be avoided.

III. STANDARDS OF CARE

- A. Standards of Prudence. The "Prudent Person" Rule shall be applied in the management of the overall investment portfolio. The "Prudent Person" Rule states: "Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived. The Clerk and Finance Department employees performing the investment functions, acting as a "prudent person" in accordance with established procedures and this Policy and exercising due diligence, shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided that appropriate monitoring efforts are performed.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Financial Policies & Ordinances

- B. Ethical Standards. Officers, employees, and external investment advisors of the Clerk's Office who are involved in the investment process shall refrain from personal business activity that could conflict with State Statutes, County ordinances, proper management of the investment portfolio or which could impair their ability to make impartial investment decisions. Investment officials and employees, including members of the Investment Oversight Committee, shall disclose any material financial interests in any investment firms, or financial institutions that conduct business with the County and shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of the County.
- C. Limits of Liability. Other than by an action of the County, the County shall provide for the defense and indemnification of any Committee member who is made a party to any suit or proceeding, or against whom a claim is asserted by reason of their actions taken within the scope of their service as an appointed member of this committee. Such indemnity shall extend to judgments, fines, and amounts paid in settlement of such claim suit, or proceeding, including any appeal thereof. This protection shall extend only to members who have acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interest of the County.

IV. AUTHORITY

Responsibility for the administration of the investment program is vested in the Clerk of the Circuit Court (Clerk), as provided in Section 28.33, Florida Statutes. The Clerk shall exercise this authority to invest surplus funds in accordance with Section 218.415, Florida Statutes. The Clerk hereby delegates the day-to-day responsibility for the administration of the investment program to the Finance Director. The Finance Director shall maintain an Investment Procedures and Internal Controls Manual based on this Policy.

V. INVESTMENT OVERSIGHT COMMITTEE

The Board is responsible for setting guidelines for the investment of the portfolio through the adoption of this Investment Policy. The Board recognizes that there is an expertise required both for setting the guidelines and the review of performance, which may exceed the technical background of individual commissioners and has, therefore, created the Investment Oversight Committee. This Committee is charged with the responsibility to review this Policy on a regular basis and to recommend changes. The Clerk will provide sufficiently detailed reports to the Committee in order for the Committee to review portfolio performance. The Committee will establish portfolio benchmarks in order to judge the performance of the portfolio with respect to the market and other portfolios of similar size and limitations. The Committee will provide the Board a report as of the close of the fiscal year recapping the performance of the portfolio and any external managers. The Board or the Committee may request additional meetings to discuss issues of concern or direction.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Financial Policies & Ordinances**VI. PROCUREMENT OF EXTERNAL INVESTMENT MANAGERS**

The County may utilize external investment managers to assist with management of the portfolio. External management may be employed in situations where, due to limitations in the areas of staff time or expertise, such outside resources would be in a better position to overcome such limitations. Securities purchased by the external manager on behalf of the County, and other investments held by the fund, must be in compliance with the constraints identified by this Policy. The average duration of the funds managed by any one external manager on behalf of the County as part of the portfolio shall not exceed two years.

The Clerk in her capacity as Chief Financial Officer of Leon County oversees the selection of external managers through a competitive selection process (an RFP). The RFP committee will include county and clerk staff along with investment experts from other governments or the community. In making this selection, consideration will be given to past investment performance, fees, assets under management, experience of the firm and the individuals managing portfolios of similar size, complexity and investment restrictions. Upon selection of an external manager, the Clerk will execute a contract with the firm. External managers will be evaluated and retained based upon their investment performance, insight, advice on positioning the portfolio, and satisfactory discharging professional services provided for in the contract.

VII. THIRD-PARTY CUSTODIAL AGREEMENTS

The Clerk will execute a Third-Party Custodial Safekeeping Agreement with a depository chartered by the United States Government or the State of Florida. All securities purchased, and/or collateral obtained by the Clerk shall be properly designated as an asset of the County and held in an account separate from other assets held by the depository. No withdrawal of such securities, in whole or in part, shall be made from safekeeping except by authorized staff. The Clerk will enter into a formal agreement with an institution of such size and expertise as is necessary to provide the services needed to protect and secure the investment assets of the County.

Securities transactions between a broker-dealer and the custodian involving purchase or sale of securities by transfer of money or securities must be made on a "delivery vs. payment" basis, if applicable, to ensure that the custodian will have the security or money, as appropriate, in hand at the conclusion of the transaction.

The Third-Party Custodial Safekeeping Agreement shall include letters of authority from the Clerk and details as to responsibilities of each party. These responsibilities include notification of security transactions, repurchase agreements, wire transfers, safekeeping and transactions costs, procedures in case of wire failure and other unforeseen mishaps, including the liability of each party.

VIII. INTERNAL CONTROLS

The Treasury Manager shall establish and monitor a set of written internal controls designed to protect the County's funds and ensure proper accounting and reporting of the securities transactions. The internal controls should be designed to prevent losses of funds, which might arise from fraud,

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Financial Policies & Ordinances

employee error, and misrepresentation by third parties, or imprudent actions by employees. The written procedures should include reference to safekeeping, repurchase agreements, separation of transaction authority from accounting and recordkeeping, wire transfer agreements, banking service contracts, collateral/depository agreements, and “delivery-vs-payment” procedures.

No person may engage in an investment transaction except as authorized under the terms of this policy. All daily investment activity is performed by the Treasury Manager under supervision of the Finance Director.

Pursuant to Section 218.415 (13), Florida Statutes, independent auditors as a normal part of the annual financial audit to the County shall conduct a review of the system of internal controls to ensure compliance with policies and procedures.

IX. CONTINUING EDUCATION

The Clerk staff responsible for making investment decisions must annually complete eight hours of continuing education in subjects or courses of study related to investment practices and products.

X. POLICY REVIEW AND AMENDMENT

This Policy shall be reviewed annually by the Investment Oversight Committee and any recommended changes will be presented to the Board of County Commissioners for adoption.

XI. AUDITS

Certified public accountants conducting audits of units of local government pursuant to Section 218.39, Florida Statutes shall report, as part of the audit, whether or not the local government has complied with Section 218.415, Florida Statutes.

XII. MASTER REPURCHASE AGREEMENT

The County will require all approved institutions and dealers transacting repurchase agreements to execute and perform as stated in the Master Repurchase Agreement. All repurchase agreement transactions will adhere to requirements of the Master Repurchase Agreement.

XIII. INVESTMENT PERFORMANCE AND REPORTING

A quarterly investment report shall be prepared by the Finance Office and provided to the County Administrator and the Investment Oversight Committee. The report shall include an analysis of the portfolio by sector, maturity, yield, as well as its overall performance during that period with sufficient detail for a comprehensive review of investment activity and performance.

An annual report will be presented to the Board of County Commissioners (“Board”), which shall include securities in the portfolio by sector, book value, income earned, market value and yield. Investment performance shall measure risk characteristics, portfolio size, sector allocations, and year-to-date earnings to an appropriate benchmark.

»» County Financial Policies & Ordinances

The County Administrator shall be notified immediately of deviations from currently approved investment policies. In the event of a ratings agency downgrade to below the A or better requirement, a written notification and investment plan from the external manager must be submitted to the County Administrator. A forced or immediate sale of the downgraded asset is not required.

XIV. RISK DIVERSIFICATION AND PORTFOLIO COMPOSITION

The County recognizes that investment risks can result from issuer defaults, market price changes, change in credit ratings, reinvestment of principal and interest, or various technical complications leading to temporary illiquidity. For purposes of this Policy, the top nationally recognized statistical ratings organizations (NRSROs) for all credit-sensitive securities are Moody's, Standard and Poor's, and Fitch. Portfolio diversification and maturity limitations are employed as primary methods of controlling risk. Market value shall be the basis for determining portfolio percentages and compliance with this Policy.

The average range of duration for the County's overall portfolio, inclusive of internally and externally managed investments, is defined as 0.5 years to 2 years. Unusual market or economic conditions may mandate moving the portfolio outside of this range. The Investment Oversight Committee will be convened and will approve any portfolio duration outside of the range specified above.

XV. AUTHORIZED INVESTMENTS

This section lists the authorized investments for the internal and external county portfolios. Details of key limitations on authorized investments are provided in Exhibit A. Investments not listed in this policy are prohibited.

Internal Investment Portfolio

- A. The Local Government Surplus Trust Fund (Florida Prime), Florida Treasury Special Purpose Investment Account (SPIA), or any intergovernmental investment pools authorized pursuant to the Florida Interlocal Cooperation Act of 1969 as provided in Section 163.01 Florida Statutes.
- B. Investments are permitted in money market mutual funds with AAAm or AAAg ratings including Treasury Money Market Mutual Funds, Governmental Money Market Mutual Funds, and Prime Money Market Mutual Funds. These funds must exclusively comprise investment instruments authorized by this Policy. Importantly, they are restricted from engaging in derivative transactions.
- C. Interest-bearing time deposits or savings accounts in qualified public depositories as defined in Section 280.02 Florida Statutes. This includes, but is not limited to, time deposit accounts, demand deposit accounts, and non-negotiable certificates of deposit.

External Investment Portfolio

- D. Direct obligations of the United States Treasury. Investments may be made in negotiable direct obligations or obligations the principal and interest of which are unconditionally guaranteed by the United States Government.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Financial Policies & Ordinances

- E. Federal Agencies and Instrumentalities. United States Government Agencies and sponsored agencies which are non-full faith and credit.
- F. Corporate Debt Securities. Investments may be made in securities issued by any U.S. corporation provided that such instrument is rated A or better by at least two NRSROs.
- G. Municipal Bonds. Investments may be made in securities issued by governmental entities or territorial boundaries of the United States provided that such instrument is rated A or better by at least two NRSROs.
- H. Repurchase Agreements. Investments whose underlying purchased securities consist of United States Treasury, Federal Agencies and/or Instrumentalities and based on the requirements set forth in the Clerk's Master Repurchase Agreement.
- I. Commercial Paper. Investments may be made in commercial paper of any United States company, which is rated at the time of purchase, "Prime-1" by Moody's and "A-1" by Standard & Poor's (prime commercial paper). Asset backed commercial paper is prohibited.

XVI. SUMMARY OF KEY LIMITATIONS ON AUTHORIZED INVESTMENT

The detail guidelines for investments and limits on security issues, issuers, maturities, and credit quality as established by the Clerk are provided in **Exhibit A**. The Clerk or the Clerk's designee (Finance Director) shall have the option to further restrict or increase investment percentages from time to time based on market conditions. Exceeding percentage limits due to changes in portfolio balance will not require liquidation of any asset but will restrict further investing. Any changes to the portfolio composition guidelines or limits must be in writing from the Finance Director, directed to the appropriate parties and discussed at each quarterly Investment Oversight Committee meeting.

Additional Portfolio Limitations

- A. The limits for the Internally Managed portfolio apply to the combined internal and external portfolios.

Solid Waste Rate Stabilization Reserve Fund Policy, No. 03-08

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that Policy No. 94-1, "Policy for Landfill Rate Stabilization Reserve," adopted by the Board of County Commissioners on February 8, 1994 is hereby repealed and superseded, and a new policy entitled "Solid Waste Rate Stabilization Reserve Fund" is hereby adopted in its place. It shall be the policy of the Board of County Commissioners of Leon County, Florida that:

1. The Solid Waste Rate Stabilization Reserve Fund is established to provide the following:
 - a. To accumulate funding for planned future capital project expenditures;
 - b. Funding for temporary and nonrecurring unexpected capital projects;
 - c. Funding to accommodate unexpected program mandates from other governmental bodies;
 - d. Funding for extraordinary operating expenses.
 - e. Funding for operating expenses in order to stabilize rates.
2. Use of funds from the Solid Waste Rate Stabilization Reserve Fund will be limited to operation of the landfill and transfer station.
3. The Board of County Commissioners must approve requests for use of Rate Stabilization Reserve Fund. The Board will use the procedures and evaluation criteria set forth in this policy. Such requests will be evaluated to insure consistency with other Board policy; the urgency of the request; the scope of services to be provided; the short- and long-term fiscal impact of the request; a review of alternative methods of funding or providing the services; a review for duplication of services with other agencies; a review of efforts to secure non-County funding; a discussion of why funding was not sought during the normal budget cycle; and a review of the impact of not funding or delaying funding to the next fiscal year.
4. The Rate Stabilization Reserve Fund will be budgeted at the excess of revenues over expenditures after the requirements of the balance needed in the Contingency Reserve and Closure Reserve are met. The Rate Stabilization Reserve Fund shall be separate from the Contingency Reserve and Closure Reserve.
 - a. The County's budget will be amended at such time as the County Commission, by majority vote, authorizes the use of reserves. All requests to the County Commission for the use of Rate Stabilization Reserve Fund shall be accompanied by an addendum prepared by OMB showing the year-to-date activity on the reserves account as well as the current account balance and the net effect on the account of approving the use of reserves.
6. As used in this document, the term "Fund" does not require the establishment of a self-balancing set of accounts, but rather indicates a separate account established within the Solid Waste Enterprise Fund.

Discretionary Funding Guidelines Ordinance, No. 13-08

Section 2-600 Application of Article

This article shall govern the allocation of discretionary funds and provide the Board a maximum amount of annual funding available in each of the following fund categories: Community Human Services Partnership Fund, Community Human Services Partnership – Emergency Fund, Commissioner District Budget Fund, Midyear Fund, Non-Departmental Fund, and Youth Sports Teams Fund.

Section 2-601 Annual Appropriation

Funding for the purposes set forth in this article shall be subject to an annual appropriation by the Board in accordance with this article.

Section 2-602 Definitions

The following words, terms, and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning.

- *Community Human Services Partnership Fund* shall mean funds eligible for allocation to social service programs.
- *Community Human Services Partnership – Emergency Fund* shall mean funds eligible for allocation for one time funding to meet an emergency situation.
- *Commissioner District Budget Fund* shall mean funds eligible for allocation to each Commissioner for activities relating to his or her district or the County at large.
- *Emergency Situation* shall mean those exigent circumstances that would prohibit or severely impact the ability of a currently funded Community Human Services Partnership (CHSP) agency to provide services.
- *Midyear Fund* shall mean funds eligible for allocation for requests that occur outside of the regular budget process.
- *Non-Departmental Fund* shall mean funds eligible for allocation for non-profit entities that are included, by direction of the Board, as part of the regular adopted budget.
- *Non-Profit* shall mean an entity that has been designated as a 501(c)(3) eligible by the U.S. Internal Revenue Services and/or registered as a non-profit entity with the Florida Department of State.
- *Youth Sports Teams Fund* shall mean funds eligible for allocation for temporary and nonrecurring youth sporting events such as tournaments and playoffs, and events recognizing their accomplishments.

Section 2-603 Application Process

- (a) The County Administrator or his designee is authorized to develop forms and procedures to be used by a non-profit, group or individual when submitting a request for funding consistent with the provisions herein.
- (b) The County Administrator or his designee shall establish a process for evaluating request for funding made pursuant to this article.

Section 2-604 Funding Category Guidelines

- (a) *Community Human Services Partnership Program Fund*
 - (1) Non-profits eligible for Community Human Services Partnership (CHSP) funding are eligible to apply for funding for other programs or specific event categories as long as the organization does not receive multiple County awards for the same program or events, or when requesting funding for an activity that is not CHSP eligible, such as capital improvements.
 - (2) Annually, as part of the budget process, the Board shall confirm the allocation of funding set aside for the Community Human Services Program.
- (b) *Community Human Services Partnership Program – Emergency Fund.*
 - (1) Non-profits that are funded through the CHSP process are eligible to apply for emergency, one time funding through the Community Human Services Partnership Program – Emergency Fund.
 - (2) Annually, as part of the budget process, the Board shall confirm the allocation of funding set aside for the Community Human Services Partnership Program – Emergency Fund.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Financial Policies & Ordinances

- (3) These funds are available to any agency that is currently funded through the CHSP process.
 - (4) The request for emergency funding shall be made at a regular meeting of the Board. If deemed appropriate, the request for emergency funding shall then go before a CHSP sub-committee consisting of members from the CHSP review boards of each of the partners (Leon County, the City of Tallahassee, and the United Way of the Big Bend.) The sub-committee shall determine if the situation would qualify as an Emergency Situation and what amount of financial support would be appropriate. The CHSP shall then make a recommendation to the County Administrator, who is authorized to approve the recommendation for funding.
 - (5) In the event the Board does not meet in a timely manner, as it relates to an agency's request, the County Administrator shall have the authority to appropriate expenditures from this account.
- (c) *Commissioner District Budget Fund*
- (1) Annually, as part of the budget process, the Board shall determine the allocation of funding set aside for the Commissioner District budget fund.
 - (2) Expenditures shall only be authorized from this account for approved travel, and office expenses.
- (d) *Midyear Fund*
- (1) Non-profits, groups, or individuals that do not fit into any of the other categories of discretionary funding as outlined in this article are eligible to apply for midyear funding.
 - (2) Annually, as part of the budget process, the Board shall determine the allocation of funding set aside for the Midyear Fund.
 - (3) In the event the Board does not meet in a timely manner, as it relates to a funding request, the County Administrator shall have the authority to appropriate expenditures from this account. Such action is thereafter required to be ratified by the Board.
- (e) *Non-Departmental Fund*
- (1) Non-profits eligible for non-departmental funding are eligible to apply for funding in any other program or specific event categories as long as the organization does not receive multiple County awards for the same program or event. Eligible funding activities in this category are festivals and events and outside service agencies.
 - (2) Annually, as part of the budget process, the Board shall determine the allocation of funding set aside for the Non-Departmental Fund.
 - (3) Non-profits eligible for funding through the Cultural Resources Commission (CRC) Leon County Grant Program (funded through the non-departmental process) are eligible for funding in other program or specific event categories as long as the organization does not receive multiple County awards for the same program or event.
- (f) *Youth Sports Teams Fund*
- (1) Non-profits or athletic teams of the Leon County school system that are eligible for the County's Youth Athletic Scholarship Program are not eligible for funding pursuant to this Article.
 - (2) Annually, as part of the budget process, the Board shall determine the amount of funding pursuant to this Article.
 - (3) The award for Youth Sports Teams shall not exceed \$500 per team.
 - (4) Youth Sports Teams requesting funding from the Board shall first submit their requests in writing to the County Administrator or his or her designee for review and evaluation the request must include certified documentation establishing the legitimacy of the organization.
 - (5) Funding will be allocated on a first come, first-serve basis. In the event that more than one request is received concurrently when the fund's balance is reduced to \$500, the remaining \$500 will be divided equally among the applicants meeting the evaluation criteria.

- (6) Applicants must have participated in a City, County, or school athletic program during the year in which funding is sought.
 - (7) Team participants must be 19 years of age or younger.
 - (8) The requested funding shall support post-season activity, e.g., tournaments, playoffs, or awards banquets associated with extraordinary performance.
 - (9) After the Youth Sports Team funding level is established by the Board during the budget process, the County Administrator shall have the authority to appropriate expenditures from this account.
- (g) *Appropriation Process Annually, prior to March 31, the Board shall:*
- (1) Determine the amount of funding set aside for each funding category identified in this Article;
 - (2) Determine the list of permanent line-item funded entities that can submit applications for funding during the current budget cycle; and
 - (3) Provide direction to staff on additional appropriation requested that should be considered as part of the tentative budget development process.

Section 2. Conflicts

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict, except to the extent of any conflicts with the Tallahassee-Leon County 2030 Comprehensive Plan as amended, which provisions shall prevail over any parts of this ordinance which are inconsistent, whether in whole or in part, with the said Comprehensive Plan.

Section 3. Severability

If any word, phrase, clause, section or portion of this ordinance shall be held invalid or unconstitutional by a court of competent jurisdictions, such portion or words shall be deemed a separate and independent provision and such holding shall not affect the validity of the remaining portions thereof.

Section 4. Effective Date

This Ordinance shall have effect upon becoming law. DULY PASSED AND ADOPTED BY the Board of County Commissioners of Leon County, Florida, this 12th day of March 2013.

Reserve Policy, No. 07-2

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that:

Policy No. 07-2, "Reserves", adopted by the Board of County Commissioners on September 16, 2008, is hereby superseded, and a revised policy is hereby adopted in its place, to wit:

1. Emergency Reserves

- a. The general revenue emergency reserves will be maintained at an amount not to be less than 3% and to not exceed 8% of projected general fund and fine and forfeitures fund operating expenditures for the ensuing fiscal year.
- b. A Catastrophe Reserve will be maintained at 2% of the general fund and fine and forfeiture fund operating expenditures for the ensuing fiscal year. The Catastrophe Reserve will provide immediate cash flow for staff overtime, equipment, contractual support and materials/supplies in the event of a natural disaster. In the event of a declared local state of emergency, the County Administrator is authorized to utilize the Catastrophe Reserve to pay Leon County solid waste and Leon County building/growth fees for eligible residents for the purpose of debris removal and home restoration/reconstruction. To be eligible, residents must demonstrate that all other

means (including, but not limited to: FEMA Individual Assistance, property insurance) have been exhausted prior to seeking County assistance. Upon Board approval during a declared local state of emergency, the Catastrophe Reserve may be increased above 2% of the general fund and fine and forfeiture fund operating expenditures for the purpose of establishing an individual and/or business microgrant assistance program. The microgrant assistance program shall be tailored to isolated events, such as tornadoes, which does not directly impact the entire unincorporated area of the County. The microgrant assistance program will be based on funding availability, and funding levels and eligibility criteria will be established on a per event basis.

- c. The reserve for contingency is separate from the reserve for cash balances.
- d. Annually, the Board will determine an appropriate amount of reserve for contingency to be appropriated as part of the annual budget. Any funds not included in the budget under this category will be included as part of the unreserved fund balance.

2. Reserve for Cash Balances

- a. The County will maintain an annual unappropriated reserve for cash balance at a level sufficient to maintain adequate cash flow and to eliminate the need for short-term borrowing.
- b. The unappropriated fund balance shall be no less than 10% and no greater than 20% of projected general fund and fine and forfeiture fund operating expenditures.
- c. The reserve for cash balance shall be separate from the emergency reserves.
- d. All major funds will retain sufficient cash balances to eliminate the need for short-term borrowing.

3. Utilization of Fund Balance

- a. As part of the annual budget process, a determination will be made of the minimum and maximum amounts of fund balance available based on the requirements set forth in Sections 1 and 2.
- b. Funds in excess of the minimums established can be utilized to support one time capital project funding and/or other one-time expenditures to address unforeseen revenue shortfalls.

4. Budgeted Contingency Reserve

Budgeted Reserve for Contingency reserves, are established to provide the following:

- a. Funding for authorized mid-year increases to adopted levels of service.
- b. Funding for unexpected increases in the cost of providing existing levels of service.
- c. Temporary and nonrecurring funding for unexpected projects.
- d. Funding of a local match for public or private grants.
- e. Funding to offset losses in revenue caused by actions of other governmental bodies.
- f. Funding to accommodate unexpected program mandates from other governmental bodies.

»» County Financial Policies & Ordinances

5. Procedures

- a. The County Administrator is authorized to develop forms and procedures to be used by outside agencies or individuals or County agencies in submitting their requests for use of contingency reserves.
- b. County agencies, including County departments and Constitutional Officers, requesting additional funding from the Board shall first submit their requests in writing to the County Administrator for full review and evaluation.
- c. After evaluation, all requests will be brought to the Board for consideration at a regularly scheduled meeting.
- d. Requests for use of reserves for contingency may be approved only by the Board of County Commissioners.
- e. The County's budget will be amended at such time the County Commission, by majority vote, authorizes reserves for contingency. All requests to the County Commission for the use of any reserves for contingency shall be accompanied by a "contingency statement" prepared by OMB showing the year-to-date activity on the reserves account as well as the current account balance and the net effect on the account of approving the use of reserves.

6. Evaluation Criteria

- a. The Board will use the procedures and evaluation criteria set forth in this policy. The evaluation of funding requests shall include, but not be limited to the following:
 - consistency with other Board policy;
 - the urgency of the request;
 - the scope of services to be provided;
 - the short-term and long-term fiscal impact of the request;
 - a review of alternative methods of funding or providing the services,
 - a review for duplication of services with other agencies;
 - a review of efforts to secure non-County funding;
 - a discussion of why funding was not sought during the normal budget cycle; and
 - a review of the impact of not funding or delaying funding to the next fiscal year.

7. Exceptions

- a. This policy is not intended to limit regular mid-year salary adjustment transfers from the salary adjustment contingency account, which is reviewed separately by the Board of County Commissioners on an annual basis.

Capital Asset Policy, No. 19-5

It shall be the Policy of the Board of County Commissioners of Leon County, Florida, that:

Policy No. 19-5 "Government Capital Asset Policy" is hereby adopted on September 24, 2019, to wit:

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

» County Financial Policies & Ordinances

Section 1. Purpose

The Leon County Governmental Capital Asset Policy has been developed in accordance with Generally Accepted Accounting Principles (GAAP) and Governmental Accounting Standards Board (GASB) Statement

Number 34, to set forth the parameters of the government accounting for capital assets. Included in this policy are asset class definitions, capitalization thresholds, and methods of depreciation and amortization.

Section 2. Capital Asset Definition

The term capital asset includes land, improvements to land, easements, buildings, building improvements, vehicles, machinery, equipment, works of art and historical treasures, infrastructure, and all other tangible or intangible assets that are used in operations and that have initial useful lives extending beyond a single reporting period.

(GASB S34, par. 19) (GASB Codification Section 1400.103)

Section 3. Capital Asset Valuation

Capital assets are reported at historical costs. This cost should include any charges that will be necessary to get the capital asset to usable condition and to its intended location. Items to be included in cost of capital asset:

- Original contract or invoice price
- Legal and title fees
- Closing costs
- Appraisal and negotiation fees
- Surveying fees
- Land preparation costs
- Demolition costs
- Developer costs
- Audit and accounting fees
- Transportation charges
- Freight and handling costs
- Storage costs necessary to transport an asset to the intended location

In the absence of the historical cost, the asset's estimated cost may be used to value the asset. Costs of extended warranties and/or maintenance agreements, which can be separately identified from the cost of the equipment, should not be capitalized. Donated capital assets should be reported at the fair market value.

Section 4. Depreciation Method

Depreciation and amortization are expenditures recorded to allocate an asset's cost over its useful life. Capital assets should be depreciated or amortized over their estimated useful lives unless they are:

- Inexhaustible (e.g., land)
- Construction in progress
- Considered to have an indefinite useful life

Leon County uses straight-line depreciation (historical cost divided by the useful life and expensed evenly over the useful life) applying the half year convention method for all capital assets. This means that a half years' worth of depreciation will be taken the year the asset is acquired, and a half years' worth of depreciation will be taken in the year the asset is disposed of. It is the County's policy that capital assets have no residual value at the end of their useful life. Depreciation does not affect the removal of a capital asset from inventory. A capital asset will remain on inventory until the end of useful life and disposed of.

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Financial Policies & Ordinances

Section 5. Land

It is the County's policy to capitalize all acquired land. Land will never be depreciated unless evaluating is needed in the rare case of depletion of resources in the land purchased.

Items to be capitalized with the land will be:

- Purchase price or the determined fair market value if land is donated
- Preparation costs (if indefinite useful life) of basic site improvements
- Land excavation, fill, grading, drainage
- Demolition of existing buildings and improvements (less salvage)
- Removal, relocation, or reconstruction of other property on the land
- Includes related rights (unless acquired separately)
- Commissions, professional fees (title searches, architect, legal, engineering, appraisal, surveying, environmental assessments, etc.)

Section 6. Buildings and Building Improvements

It is the County's policy to capitalize all acquired buildings and depreciate over forty years. Items to be capitalized as part of the building will be:

- Original purchase price and any other costs associated with getting the building ready for use
- All costs associated with the original construction of a building

Leon County requires that any improvements over \$100,000 will be added to the cost of the building it is improving and depreciated over five to thirty years with the average being twenty years.

Improvements are defined as an additional value adding to the length of the useful life or increasing the service capabilities. Repairs and maintenance are not capitalized, as they only serve to retain value and as such will be expensed in the period it occurs.

Section 7. Improvements Other Than Buildings

The capitalization minimum levels for Improvements Other Than Buildings will be \$50,000 and depreciated over twenty years, if the improvement is structure related, or thirty years, if the improvement is ground work related. Improvements related specifically to buildings will be evaluated under the building improvements section of capital assets and will be added to the basis of the building asset class.

Items to be capitalized with the improvements other than buildings will be:

- Fences and gates
- Parking lots
- Landscaping
- Retaining walls
- Park peripherals
- Paths and trails
- Gazebo
- Pavilions
- Recreation areas and athletic fields
- Basketball courts, playground equipment, swimming pools and tennis courts
- Shade structures
- Signals and signage
- Boat docks and ramps

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Financial Policies & Ordinances

Section 8. Machinery, Vehicle, and Equipment

Equipment will be recorded on the General Property List for all amounts greater than \$1,000, but equipment will be capitalized at the level of \$20,000. Equipment will be depreciated over the life of the asset, which should be from five to twenty years. Currently all laptops and computers are being recorded on the general property list and expensed in the year of purchase for tracking purposes.

Items to be capitalized with the machinery, vehicle, and equipment will be, but not limited to:

- Machinery
- Computers
- Printers
- Vehicles
- Furniture

Section 9. Works of Art, Historical Treasures, and Similar Assets

Any future acquired works of art, historical treasures, or similar assets shall be capitalized if an accurate value can be determined in a cost beneficial manner, and the value of the asset is greater than \$50,000. Items greater than \$750 and less than \$50,000 can be listed on the property list for tracking purposes.

Divisions acquiring the asset must notify the Finance Office about the asset value and estimated useful life along with a description. If the information is not available, but the asset may be of significant and historic value, the Finance Office must still be informed; a note disclosure is required. Works of art, historical treasures, or similar assets will be depreciated unless it is determined the item has an inexhaustible life. The Purchasing Division will determine the life of the asset, which for art should range from twenty to fifty years. For donated assets, fair market value will be used to determine the asset value. Due to the nature of the asset there will not be an official list of example items to be capitalized with works of art, historical treasures, and similar assets.

Section 10. Infrastructure

Infrastructure is defined by GASB 34 as a long-lived capital asset that is normally stationary in nature and can be preserved for a significantly greater number of years than most capital assets (paragraph 19). Leon County is not going to use the modified approach and as such will be depreciating the infrastructure assets over its useful life. The capitalization minimum levels for infrastructure will be \$200,000 per project and depreciated over twenty to fifty years. Items greater than \$100,000 and less than \$200,000 will be recorded on the Infrastructure List for tracking purposes and expensed in the year of purchase. Any land that is associated with infrastructure will be recorded separately under the land section of capital assets.

Items to be capitalized with the infrastructure will include, but not limited to:

- Roads and streets including peripherals such as landscaping, curbs, gutters, sidewalks and streetlights, when incorporated into the construction project
- Bridges
- Driveways and parking barriers
- Stormwater drainage improvements
- Water and sewer utility plant, piping equipment
- Water and wastewater transmission and distribution systems

Section 11. Construction in Progress

Construction in Progress will be used as a placeholder for future asset items that have not yet been completed such as buildings, infrastructure, additions, alterations, reconstruction, and installation. Assets to be capitalized

LEON COUNTY FISCAL YEAR 2025 TENTATIVE BUDGET

»» County Financial Policies & Ordinances

with the Construction in Progress will be determined by their asset classifications listed in this policy and will be considered capitalizable upon meeting one of the following requirements:

- The asset is placed into service
- Final acceptance from the contractor (defined below)

Final Acceptance from the Contractor

After a project has been completed, tested and inspected in accordance with contract requirement, the contract has been completed by the contractor and maintenance of the asset has switched from contractor to Leon County.

Section 12. Other Capital Assets

The Other Capital Asset category is used for assets that do not easily fit into a category listed above. Capitalization minimum levels for Other Capital Assets will be \$150,000, and each asset on the list will be individually evaluated for a useful life.

Items to be capitalized with Other Capital Assets will be, but not limited to:

- Patents: A patent safeguards an original invention for a certain period of time and is granted by the United States Patent and Trademark Office. It allows for the exclusive right granted by a government to an inventor to manufacture, use, or sell an invention for a certain number of years.
- Copyrights: Copyrights protect “works of authorship,” such as writings, art, architecture and music. For as long as the copyright is in effect, the copyright owner has the sole right to display, share, perform or license the material.
- Trademarks: A trademark is any word, name, symbol, or design, or any combination thereof, used in commerce to identify and distinguish the goods of one manufacturer or seller from those of another and to indicate the source of the goods.
- Use Rights: Use rights are defined as the right to utilize that land in accordance with its zoning, including any lawful departure or Consent use. “Utilization” in relation to land, means the use of land for a purpose and includes the extent of such use.
- Easements: Easements are defined as a right to cross or otherwise use someone else's land for a specified purpose. Easements are used for roads, for example, or given to utility companies for the right to bury cables or access utility lines.
- Software: Software, in a general sense, a program used to perform tasks and specific functions. The costs included in software will be the acquisition cost of software purchased “off the shelf” or software created by the government itself (internally generated) by a contracting party acting on the government’s behalf. The County will capitalize the application development stage, coding, instillation of hardware, testing costs, and data conversion to make sure the new software has everything needed to run as intended. The County will not capitalize the preliminary project stage of acquiring or creating software nor will the County capitalize the post implementation costs of training and software maintenance.

Citizens' Guide to the Budget Budget Terms

-A-

Accrual Accounting:

A basis of accounting in which revenues are recorded when earned and expenses are recorded at the time they are incurred, instead of when cash is actually received or disbursed.

Actual:

Monies which have already been used or received.

Ad Valorem Tax:

A tax levied on the assessed value (net of any exemptions) of real or personal property. This is commonly referred to as property tax.

Adjusted Final Millage:

The actual tax rate levied by a local government when tax bills are issued. The rate is adjusted for corrected errors in property assessments for tax purposes and for changes in assessments made by property appraisal adjustment boards in each county. Usually, such changes are very slight and the adjusted millage sometimes does not change from the levy set by the taxing authority. State law provides for certain limitations.

Adopted Budget:

The financial plan of revenues and expenditures for a fiscal year as approved by the Leon County Board of Commission.

Aggregate Millage Rate:

The sum of all property tax levies imposed by the governing body of a county. State law limits the aggregate rate for a county or municipality to \$10.00 per \$ 1,000 of assessed taxable value.

Amendment:

A change to an adopted budget that may, or may not, increase or decrease a fund total. The change must be approved by the County Commission in certain instances.

Appropriated Fund Balance:

The fund balance is included as a revenue source in the annual budget.

Appropriated Income:

Florida Statute requires county governments to budget only ninety-five percent (95%) of the total revenue anticipated. Five (5%) percent of the total amount of revenues cannot be incorporated into the budget and made available for expenditure. Therefore, ninety-five percent (95%) of the one hundred percent (100%) of anticipated total revenues becomes the portion referred to as appropriated income.

Appropriations:

A specific amount of funds authorized to which financial obligations and expenditures may be made.

Assessed Value:

A value established by the County Property Appraiser for all real or personal property for use as a basis for levying property taxes.

-B-

Balanced Budget:

A budget in which revenues are equal to expenditures. Thus, neither a budget deficit nor a budget surplus exists.

Base Budget:

The amount programmed in the budget year for conducting the same program and performing the same services as are planned for the current year.

Board of County Commissioners (BOCC):

Elected Officials that make legislative decisions concerning Leon County policies.
