ADDENDUM #2

Dear Vendor:

This letter serves as Addendum #2 for the above referenced project. The following shall be added to the bid specifications:

1. The second sentence of the Purpose has been changed to read:

The selected contractor shall submit a bid for one or both of the options listed in the Scope of Work, however, Leon County Government prefers Option 1.

2. Questions received with answers are being provided to assist all in preparation of the bid submission:

A. There were no plan sheets with the solicitation on the County's website, please advise where they may be located?

There is no plan set. Slab drawings, permits, etc. would be the responsibility of the contractor and in accordance with the specifications as provided in the bid and best practices.

Acknowledgment of this addendum is required as part of your bid submittal. Failure to acknowledge this addendum may result in rejection of your bid.

Should you have any questions, feel free to call me at 850-606-1600.
