

# Food Donation Sites

Many events that include food result in leftovers that can be donated to a local non-profit. Event organizers are encouraged to make arrangements for leftover food to be disposed of at one of our identified food donation sites. Be sure to call the organization to coordinate before dropping off food.

## Bill Emerson Good Samaritan Food Donation Act (Federal Law)

The Emerson Good Samaritan Food Donation Act was signed into law in 1996 and protects the donor and the recipient agency against liability, excepting only gross negligence and/or intentional misconduct. In addition, each state has passed Good Samaritan Laws that provide liability protection to good faith donors.
