Senator Montford mentioned that the Mayor of St. Augustine and the Mayor of Pensacola will be attending the November 10, 2024, event. Commissioner Williams-Cox inquired if we are tracking whether people have career training or certifications other than high school, some college or a college degree. Ms. Turner indicated that they were not currently asking these questions specifically but could add them to their surveys. Russell Daws inquired on the status of TDT collections against budget</u>

<u>FY25 Tourism Special Events Grant Award Recommendations</u> – Ms. Post thanked the Grant Review Committee members for their leadership and service and reviewing the grants. Russell Daws inquired about the amount of Grant Awards exceeding the TDT funds projected in the Tourism Budget for the FY25 COCA program. Ms. Spehar explained that funds are given out on actual funds available, rather than TDT budget projections. Kerri Post shared additional background on the COCA grant funding being changed to currently available funds, from historically based on projected funds, began with COCA after the COVID pandemic when COCA paid out all of their grants in 2020 which depleted all of their reserves. Discussion ensued. Commissioner Williams-Cox commended COCA on the wide range of organizations and the increase in funding levels of the COCA Grant Awards during this current time of need, and Commissioner Richardson concurred. Additional discussion ensued. Ms. Post also inquired with COCA about the Indaba, Inc. cultural program grant application that she had reviewed for eligibility but was not on the list COCA presented to the TDC and Ms. Spehar noted that the applicant had withdrawn their application. Ms. Post also shared an update from the August 22, 2024 CRA meeting where the CRA's attorney, Mr. Lou Norvell, provided an update to the CRA on the \$143,000 CRA/TDT Arts Grant that was awarded to Indaba, Inc. to produce an event that did not occur. Mr. Norvell noted CRA staff had met with the applicant and that by her description, the money has been spent with some of the funds may have been diverted for an unauthorized purpose, and the CRA and City are exploring all legal options and remedies and will be prepared to file suit if the funds cannot be recouped. Discussion ensued. Commissioner Williams-Cox proposed safeguards be put in place on grant programs for future events.

Commissioner Williams-Cox moved, seconded by Commissioner Richardson for approval of the COCA FY25 Cultural Program & Tourism Marketing Grant Award Recommendations. The motion passed unanimously 7-0, with Russell Daws abstaining.

Executive Director's Report

Amtrak Station/Tourism building/Visitor Center Tornado Damage Update - Ms. Post updated the TDC members on the Amtrak building, noting staff receives monthly updates and the goal of staff, County Engineering and Architects is to keep the building on the National Register. The most optimistic timeline is early next summer to be able to return to the building.

Status Update on Tourism RFPs - Branding, Digital Advertising/Marketing, PR & Research - Ms. Post presented updates on the four RFPs. Branding, Digital Advertising/Marketing, PR & Research. Branding at this time has been paused, though numerous proposals were received. Six proposals were received for Digital Advertising/Marketing, and three for PR. They majority of the proposals received for these services were disqualified for not meeting MWBE requirements, leaving two Digital Advertising/Marketing and one PR able to move forward meeting the MWBE requirements. Ms. Post noted that with such an unusually high amount of respondents being disqualified, this may be an opportunity to examine both the communication in the RFP clearly detailing all of the specific MWBE requirements to applicants, as well as an opportunity to work with OEV to assist more local businesses in registering and qualifying for this designation, which she had shared with Darryl Jones. Several TDC members concurred.

<u>Bicentennial Update - On the Homestretch and the Best is Yet to Come</u> - Ms. Post thanked Vel Johnson and Doug Alderson for all the great work accomplished so far during the Bicentennial. She highlighted more Bicentennial upcoming events, the big Bicentennial weekend in November on the 9 & 10, renaming of the street for T-Pain, and the New Years Eve celebration at Cascades.

Bicentennial Reunion Program Economic Impact Report at the November TDC Meeting - Ms. Post thanked the hotel partners that participated in the Bicentennial Reunions inaugural program stating that there will be a full recap at the November TDC meeting. Ms. Post shared that meetings with community leaders are continuing regarding the Conference Center Meeting Space and commended Ms. Roach for her good work.

Recognition of Russell Daws Nomination for Distinguished Servant Leadership Award - Ms. Post recognized Russell Daws for his long-standing service to the community and his well-deserved nomination for the Leadership Tallahassee Distinguished Servant Leadership Award.

Ms. Post recognized and commended Brain Rowland for production of the Bicentennial issue of the Tallahassee Magazine. Rowland Publishing has also produced the Visit Tallahassee Visitors Guide for the last 25+ years, however Rowland Publishing has sold Tallahassee Magazine to Palm Beach Media. Ms. Post asked the TDC to join her in recognizing the many years of great work that Brian Rowland and Tallahassee Magazine have done to champion Leon County Tourism over the years.

Ms. Post announced that Katie Kole would be leaving the Tourism team to be the new Marketing & Communications Director at Tallahassee Memorial Hospital, noting she would be sorely missed. Ms. Personette thanked Ms. Kole for her service to the Tourism Industry, stating that her creativity, energy, steadiness, and keeping a level head in all that she does will be missed. Ms. Post also announced the retirement of Aundra Bryant at the end of October.

Ms. Post thanked the Visit Tallahassee Team for their continued focus and resilience, and the grants team for all the hard work and long hours in the preparing the FY25 Tourism Grants Program.

Lastly, Commissioner Williams-Cox made a motion to authorize the Executive Director to handle DJ Demp Week's request for appeal of their Grant Award and to keep the Board informed and to provide information regarding the outcome of the appeal and DJ Demp Week.
