Number: BC-04-17-12-44
Opening Date: Tuesday, April 17, 2012 at 2:00PM

ADDENDUM #2

Dear Vendor:

This letter serves as Addendum #2 for the above referenced project.

Questions submitted by a vendor are answered below for your consideration.

1. When was the last solid waste assessment study conducted? **The current assessment was set in 1994.** What firm conducted the last solid waste assessment study? **The assessment rate was determined by County staff.** How much did the firm charge for the last solid waste assessment study? **Not applicable.**
2. What is the budget allocated to conduct the requested study? **The cost for this study is not specifically budgeted. Funds are available in a general consulting line item.**
3. What is the County's timeline for implementation of Task 1? **It is undetermined and will depend upon Board action.** Will the rates calculated in Task 1 be placed on November 2012 tax bill? **No.** If so, does the County use Truth-In-Millage (TRIM) notices to provide the statutorily required first class notice of revised rates? **Although not applicable in this instance, the County would use both a first class mailing and TRIM notice.** If so, what is the deadline for submittal of the revised rates/assessment roll to the Property Appraiser? **Calendar year 2013.**
4. Will the County allow the Contractor to submit revised Indemnification language in section VI of the above referenced request for proposals? **The proposed language may be submitted with the proposal and will be reviewed by the County Attorney prior to acceptance.**

Acknowledgment of this addendum is required as part of your bid submittal. Failure to acknowledge this addendum may result in rejection of your bid.
