Issues Discussed

I. Approval of the December 5, 2023 Meeting Minutes

Jessica Yeary moved to approve the meeting minutes, seconded by Chief Norman Mack. The Council voted unanimously in favor.

II. Leon County Detention Facility Population Updates and Discussion- Chief Norman Mack, Leon County Sheriff's Office

Chief Mack provided the Leon County Detention Facility (LCDF) Status Report for 12/4/2023 (Attachment #1). The population is currently at 959: 135 sentenced, 786 non-sentenced and 20 with a combination of sentenced and non-sentenced cases. Chief Mack shared that the average days in jail on violation of probation (VOP) and other pending charges is 206, 56 days on open VOP cases only and 124 days on sentenced VOP cases. As of 12/4/2023, the average length of custody in the Leon County Detention Facility is 219 days.

Jessica Yeary informed the Council that the open VOP cases are individuals that have a violation of probation only. These clients/defendants received a technical violation which may include GPS issues or failed random urinalysis test, but the defendant has not committed a new law offense. Ms. Yeary acknowledged that to bring down the average days in jail to 56 is fast.

Ms. Kelly-Manders inquired of the open VOP cases, what percentage get their probation reinstated? Ms. Yeary did not have the information readily available but advised that she would provide it at a future meeting. Ms. Yeary did inform the Council that it depends how long they have left on probation. Mr. Jacobs offered that it also depends on how you define reinstated; is any of the conditions modified or are they being put back on supervision but not found to be in violation of probation.

Ms. Kelly-Manders inquired, if we have these individuals that are currently being housed in the Leon County Detention Facility due to a violation of probation and the goal is to decrease the LCDF's population, what can be done or is there a solution to "trim" the time even more to keep the population in the Leon County Detention Facility lower? Ms. Kelly-Manders acknowledges that the current population of 959 is amazing but the ideal goal is 800 or less.

III. PSCC Workgroup Update- Teresa Broxton, IDA Director

Ms. Broxton informed the PSCC that the workgroup met on October 31, 2023, to identify a scope of services for the FY 23/24 allocation to assist in managing the Leon County Detention Facility's (LCDF) population. The consensus of the group is to identify options to address homelessness among criminal justice involved individuals returning to the community. Ms. Broxton shared that she is coordinating a future meeting to include staff from Leon County's Office of Human Services and Community Partnership and Big Bend Continuum of Care. This meeting will provide additional information on existing program(s) and services available in the community to minimize

a duplication of services and provide guidance on best methods for assisting this population to secure housing.

IV. 2024 Meeting Schedule- Teresa Broxton, IDA Director

Ms. Kelly-Manders requested a motion to approve the 2024 PSCC meeting schedule. Anne Meisenzahl moved to approve the 2024 meeting scheduled, seconded by Assistant Sheriff Argatha Gilmore. The Council voted unanimously in favor (Attachment #2).

V. Court Administration Reports- Ina Hawkins, Detention Review Coordinator

Tabled in the absence of Ina Hawkins and Kendra Brown.

VI. Electronic Monitoring Reports- Teresa Broxton, IDA Director

Ms. Broxton provided the Electronic Monitoring Program Report for the month of October 2023 (Attachment #3). The Office of Intervention & Detention Alternatives began the month of October with 120 defendants on electronic monitoring: 28 defendants were court ordered GPS; 2 defendants were ordered SCRAM monitoring during the reporting period. As of October 31st, there were 102 defendants being supervised on GPS and 19 defendants on SCRAM. In the month of October, 21 cases were disposed: 12 successful and 9 unsuccessful.

Assistant Sheriff Gilmore requested Ms. Broxton define unsuccessful. Ms. Broxton advised a unsuccessful closure would be the result of an Order to Show Cause being submitted to the Court due to the defendant's non-compliance with court ordered conditions of supervision such as not properly charging electronic monitoring equipment, entering an exclusion zone, etc.

VII. Other Business:

Ms. Kelly-Manders inquired if it would be a good recommendation to send to the Commission a recommendation to start a Homeless Court targeting individuals with multiple offenses such as trespassing, camping in public, or other "nuisance crimes" and to help treat the problem(s) that keeps bringing individuals into the detention facility.

Ms. Yearly responded yes and requested this item be placed on the next meeting agenda for discussion. Ms. Yearly also acknowledged that when you look at the number of defendants having a place to be housed and/or sheltered it has been a huge help. And as the PSCC continues to strengthen community resources the Leon County Detention Facility population will continue to decrease.

**IN THE SECOND JUDICIAL CIRCUIT
OF FLORIDA**

OFFICE OF THE CHIEF JUDGE

ADMINISTRATIVE ORDER 2023-03

(Rescinding 2018-06 and 2019-05)

IN RE: UNIFORM BOND SCHEDULE AND PRETRIAL RELEASE PROCEDURES

WHEREAS, the Florida Legislature amended section 903.011, Florida Statutes, to require the Florida Supreme Court to adopt a Uniform Statewide Bond Schedule (“bond schedule”); and

WHEREAS, in compliance with section 903.011, Florida Statutes, on December 12, 2023, the Florida Supreme adopted a bond schedule in Administrative Order AOSC23-88, effective January 1, 2024; and

WHEREAS, Florida Rule of Criminal Procedure 3.131 provides that unless charged with a capital offense or an offense-punishable by life imprisonment and the proof of guilt is evident or the presumption is great, every person charged with a crime or a violation of a municipal or county ordinance shall be entitled to pretrial release on reasonable conditions. If no conditions of release can reasonably protect the community from risk of physical harm to persons, assure the presence of the accused at trial, or assure the integrity of the judicial process, the accused may be detained; and

WHEREAS, the bond schedule applies when police or county jail staff or pretrial release employees exercise their discretion to release a person on bond before that person’s first appearance hearing; and

WHEREAS, the bond schedule stated herein shall not bind a judge in an individual case who is conducting a first appearance hearing or bail determination; and

WHEREAS, the Chief Judge of a judicial circuit may establish a local bond schedule that adds conditions of release and/or increases the bond amounts above those required by the bond schedule established in AOSC 23-88;

IT IS THEREFORE ORDERED that Administrative Orders 2018-06 and 2019-05 are rescinded and that the bond schedule and pretrial release program procedures set forth below are hereby adopted for the Second Judicial Circuit effective January 1, 2024, as follows:

I. CIRCUIT-WIDE UNIFORM BOND SCHEDULE

IV. LEON COUNTY SUPERVISED PRETRIAL RELEASE PROGRAM (SPRP)

An officer of the Leon County Supervised Pretrial Release Program (SPRP) shall be on duty at the Leon County Detention Center every day, twenty-four hours a day. In addition, the conditions of SPRP include:

- a. The defendant must stay in regular contact with his or her pretrial release officer as required by the officer.

The affidavit and proposed order to show cause shall be presented to the assigned trial judge.
- e. Emergency situations during non-business hours, as determined by the pretrial release officer, shall be presented to any available judge. Any individual arrested under the emergency procedures must be brought before a judge within 24 hours. Otherwise, violations of pretrial release conditions should be promptly presented to the judge having trial jurisdiction over the case.

"Emergency situations" shall be defined as circumstances necessary to protect the community from risk of personal injury, to assure the presence of the accused at trial, or to assure the integrity of the judicial process.

- f. These procedures shall not be interpreted to extend or limit a law enforcement officer's authority to make a warrantless arrest for violating a condition of release.

V. COUNTIES NOT HAVING A SUPERVISED PRETRIAL RELEASE PROGRAM

Counties within the Second Judicial Circuit are authorized to develop separate procedures for a supervised pretrial release program, as approved by the Chief Judge, in consultation with the judges presiding over criminal matters in the respective county.
