For The

City of Tallahassee

The City of Tallahassee Street Renaming Notice

Please contact the City of Tallahassee Growth Management Department at (850) 891-7100 for address assignments.

Located in township and section 41-01, 1S 1W – the segment of Oakland Ave E, between S Adams St and S Monroe St, has been renamed to be a continuation of “FAMU WAY”. The road is publicly maintained and paved. The effective date of change is immediately, please update your tracking systems to reflect this information.

City of Tallahassee Street Name Clarification Notices

Paul Russell Rd., - In township and sections 41-12 through 31-18, heading east to S Blair Stone Rd.- will now be tracked as - East Paul Russell Rd. (E. Paul Russell Rd). The segment of Paul Russell Rd., between Apalachee Pkwy and Orange Ave E., will now be tracked as - South Paul Russell Rd. (S. Paul Russell Rd). Due to the street being segmented the post directional has been added to each segment thereby allowing for less confusion during a 9-1-1 emergency. The post directional is to take effect immediately, please update your tracking systems with this information.

In townshp and section 41-02, 1S 1W – permanent closure between Cleveland St, and West Seaboard St. This segment of roadway is closed because of the necessary construction of Coal Chute Stormwarter Pond. Please update your tracking systems with this information.

City of Tallahassee Street Names Rescinded Notices

The Cactus Street Condominium Development and the street name of Cactus Pl., within this development has been rescinded effective immediately. “The Forum at Tallahassee” an apartment complex pending approval by the COT Growth Management Department will be located on this development site. Please update your tracking systems to reflect this information.

**PERMANENT ROAD CLOSURES
Cleveland Street and West Seaboard Street
on or about August 1, 2012**

Blueprint 2000 announces the permanent closure of Cleveland Street and West Seaboard Street from south of the St. Augustine Branch Ditch to North of the CSX RR Tracks. The closures are needed to construct the Coal Chute Stormwater Pond and will begin on or about August 1st, 2012.

Coal Chute Pond is a downtown regional stormwater facility that will be an integral part of the proposed redevelopment of central Tallahassee. The pond will be an offline facility that provides retrofit stormwater treatment and aids in flood control for the watershed, as well as providing treatment volume and attenuation for approximately 43 acres of new downtown development.

Detour signs will be in place to direct motorists around the closure. Attached on the back is a map that shows the limits of the Coal Chute Pond road closure.

If you have questions, please contact Blueprint 2000 at 850-219-1060. For details on this and other Blueprint 2000 projects, log on to:
