We _____ owner(s) (or Designated Agent / Contractor) of parcel ID# _____ request that building permit LB _____ be issued an Environmental Site & Grading Release to allow for Site Clearing and Grading for a new _____ square feet residence.

We understand that no vertical construction and/or associated forms/boards will take place until the full building permit is approved and issued. The site shall be stabilized within two weeks, unless the building permit is issued and active construction for a home commences.

We further confirm that all site work will be conducted by a Licensed Contractor and must be preceded by a Pre-Construction Conference. All conditions/requirements of the Environmental Site Plan and associated documents must be met.

We recognize that a non-refundable fee will be collected at time of building permit submittal.

We confirm, understand, and agree to the conditions of this Affidavit. If we are found in violation of the conditions set in the Environmental Site Clearing & Grading Release, that we, the property owners / agents/ contractors, could be subject to prosecution by the Leon County Code Enforcement Board, which can levy fines of \$250 or more per day for every violation, or by other courts of law.

Therefore, having full knowledge of the above stated restrictions and by our signature below, we hereby request the issuance of an Environmental Site Clearing & Grading Release in connection with the above referenced building permit.
