The applicant shall submit a completed application along with a site plan drawing in accordance with regulations and standards approved by Leon County in the *Driveway and Street Connection Guidelines and Procedures Manual*, adopted April 12, 2016, as amended. The manual is available online at www.leonpermits.org, or at the DSEM offices at 435 North Macomb Street.

The applicant/owner for self, heirs, assigns and successors in interest, binds and obligates self to save and hold Leon County harmless from any and all damages, claims or injuries caused in whole or in part by applicant that may occur by reason of this construction, said facility design, maintenance or continuing existence of connection.

This permit authorizes work within the County right-of-way only. Additional permitting will be required for any activity outside the right-of-way.

The applicant/owner binds and obligates by way of the approved permit to construct the driveway connection in accordance with the approved permit. Failure to do so shall result in enforcement action.
