

Contractor Permit Portal – [Click Here to Access](#)

Please note, the Contractor Permit Portal is only for Florida Licensed Contractors. To utilize the Contractor Permit Portal, the contractor must first register with the portal. Additionally, the Contractor Permit Portal is not available for projects that require plan review. Currently, only the following types of permits are available to obtain through the portal:

- Electrical Service Upgrades
- HVAC Changeout
- Installation of not more than one gas appliance (If existing gas system, no other gas appliances can exist)
- Pool Liner Replacements
- Re-roofs
- Window and Door Replacements
- Water Heaters
