This Agreement shall begin upon execution by both parties, and shall end twenty-four (24) months after the last signed date, unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement. Contract extensions will not be granted unless Recipient is able to provide substantial justification and the Division Director approves such extension.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal OMB Circular No. A-102, "Common Rule: Uniform Administrative Requirements for State and Local Governments" or OMB Circular No. A-110, "Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations," and either OMB Circular No. A-87, "Cost Principles for State and Local Governments," OMB Circular No. A-21, "Cost Principles for Educational Institutions," or OMB Circular No. A-122, "Cost Principles for Nonprofit Organizations." The Recipient shall ensure that audit working papers are available to them upon request for a period of six years from the date the audit report is issued, unless extended in writing by the Department. The six year period may be extended for the following exceptions:

1. If any litigation, claim or audit is started before the six year period expires, and extends beyond the six year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time it is acquired shall be retained for six years after final disposition.

(c) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

"Agents" shall include, but not be limited to, auditors retained by the Department.

(6) AUDIT REQUIREMENTS

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

(b) These records shall be available at reasonable times for inspection, review, or audit by state personnel and other personnel authorized by the Department. "Reasonable" shall ordinarily mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

EXHIBIT 1 to this Agreement shows the Federal resources awarded through the Department by this Agreement. In determining the Federal awards expended in its fiscal year, the Recipient shall consider all sources of Federal awards, including Federal resources received from the Department. If the Recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the Recipient expends less than \$500,000 in Federal awards in its fiscal year and chooses to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal funds.

(c) The close-out report is due 45 days after termination of this Agreement or 45 days after completion of the activities contained in this Agreement, whichever first occurs.

(d) If all required reports and copies are not sent to the Department or are not completed in a manner acceptable to the Department, the Department may withhold further payments until they are completed or may take other action as stated in Paragraph (11) REMEDIES. "Acceptable to the Department" means that the work product was completed in accordance with the Budget and Scope of Work.

(e) The Recipient shall provide additional program updates or information that may be required by the Department.

(f) The Recipient shall provide additional reports and information identified in Attachment D.

(8) MONITORING

The Recipient shall monitor its performance under this Agreement, as well as that of its subrecipients, subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement, and reported in the quarterly report.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event that the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Department to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Department will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Department harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Department, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the

Department, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Department to make further payment of funds shall, if the Department elects, terminate and the Department has the option to exercise any of its remedies set forth in Paragraph (11). However, the Department may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Department is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Department and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Department.

(c) If any reports required by this Agreement have not been submitted to the Department or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete in timely fashion any of its obligations under this Agreement.

(11) REMEDIES

If an Event of Default occurs, then the Department may, upon thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of such termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail return receipt requested, to the address set forth in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Department any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,
3. advise the Recipient to suspend, discontinue, or refrain from incurring costs for any activities in question, or
4. require the Recipient to reimburse the Department for the amount of costs incurred for any items determined to be ineligible.

(f) Exercise any other rights or remedies which may be otherwise available under law.

(g) Pursuing any of the above remedies will not keep the Department from pursuing any other remedies in this Agreement or provided at law or in equity. If the Department waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Department, or affect the later exercise of the same right or remedy by the Department for any other default by the Recipient.

(12) TERMINATION

(a) The Department may terminate this Agreement for cause with thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform in a timely manner, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Department may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment shall state the effective date of the termination and the procedures for proper close-out of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Department because of any breach of Agreement by the Recipient. The Department may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Department from the Recipient is determined.

Stat., which the Recipient created or received under this Agreement.

(l) If the Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Department or be applied against the Department's obligation to pay the contract amount.

The Department shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the Recipient, considering the price, quality and other factors. ## **Attachment J: Program and Special Conditions**

1. Prior to the obligation or disbursement of any funds, except for administrative expenses not to exceed Fifteen Thousand Dollars (\$15,000), but in any case, no later than ninety-days (90) from the effective date of this Agreement, the Recipient shall complete the following:
  - a. Comply with procedures set forth in 24 C.F.R. Part 58, Environmental Review Procedure for Title I Community Development Block Grant Programs and 40 C.F.R. Section 1500-1508, National Environmental Policy Act Regulations. When this condition has been fulfilled to the satisfaction of the Department, the Department will issue a Release of Funds.
  - b. Submit to the Department copies of all required policies and procedures that have been adopted by the local government but were not provided at the time of original Application. Also, unless submitted with the grant application, submit an executed copy of the required inter-local Agreement if more than one local government will receive funding under this contract.
  - c. The documentation required in paragraph 2 below for any professional services contract associated with activities funded under this grant.
  
2. For each procured and executed professional services contract for which Disaster funding will be requested, or within five (5) days of the execution of any yet to be procured professional services for which Disaster funding will be requested, submit a copy of the procurement documents listed below. The recipient proceeds at it's own risk if it incurs or expends any funds for a professional services contract before the Department reviews and approves the procurement.
  - a. Public notice of the terms of the request for proposals in a newspaper of regional circulation, including affidavit of publication;
  - b. List of entities to whom a notification of the request for proposals was provided by email, U.S mail or by fax;
  - c. List of firms that submitted a proposal (only if short-listing procedure was used);
  - d. Completed short-listing evaluation / ranking forms, including any ranking summary document, and document transmitting the short-listed firms to the commission (only if short-listing procedure used);
  - e. Completed final evaluation / ranking forms;
  - f. Portion of commission minutes dealing with contract award;
  - g. Cost breakout from selected firm used for completion of the cost analysis (if pricing information was not submitted with proposals);
  - h. Contract (signed or proposed);
  - i. Truth-in-Negotiation certification (if not in the contract) for engineering contracts over \$150,000;
  - j. If a protest was filed, a copy of the protest and documentation of resolution;
  - k. A request for the Department's approval of a single source procurement if only one firm was considered and the contract exceeds \$25,000;
  - l. If a regional planning council or local government is performing the services, submit only a copy of the contract and cost analysis information.

3. The Recipient shall not enter into a contract to be paid with Disaster funds based on a sole source or single proposal procurement action without prior written approval from the Department. Failure to secure the prior written approval shall relieve the Department of any obligation to fund the said procurement contract, including any payments previously made. If professional services procurement will not be undertaken, advise the Department.
4. For any activity that requires construction plans and specifications prepared by an engineer or architect:
  - a. Provide to the Department a copy of all engineering specifications and construction plans. The Recipient shall also furnish the Department, prior to soliciting bids or proposals, a copy of all bid documents for all services and/or materials to provide those services and/or materials for all construction activities when the bids are expected to exceed \$25,000. These submissions are for the limited purpose of identifying the extent of the activities to be accomplished with Disaster funds under this Agreement, and inclusion of program requirements, and in no way does it indicate that the Department has conducted a technical review of, or approved the plans or other bidding documents;
  - b. The Recipient shall not publicize any request for bids for construction purposes or distribute bid packages until the Department has provided to the Recipient, written acceptance of the engineering specifications, construction plans, and bid documents; and
  - c. In any service area which requires construction plans and specifications prepared by an engineer or architect, no more than twenty-five percent (25%) of the grant administration amount allocable to that service area may be requested until the construction plans and specifications for that service area have been received for review by the Department. For the purpose of this condition, the allocable grant administration amount for each service area is calculated by first determining each service area's percentage of total project costs, excluding administrative costs, and then multiplying the service area's percentage of total project costs by the total administrative budget. This calculation results in a percentage of total administrative costs per service area based on each service areas percentage of the grants total project costs, excluding administrative costs.
5. Any procurement which requires public notice in a newspaper (except as otherwise provided for in this contract) shall be published in a daily newspaper of general circulation in a nearby Office of Management and Budget (OMB) designated metropolitan statistical area (MSA). Alternatively, a local government may substitute such notice with a combination of local newspaper publication and mailed announcements to potential bidders, which generates at least three responsible and responsive bids or proposals. Such publication and/or mailing shall allow at least 12 days for receipt of the proposals or bids.
  - a. The Department must provide written permission prior to the local government awarding any contract exceeding \$25,000 procured as a result of inadequate competition, a sole source or noncompetitive procurement. For contracts below \$25,000, the local government's files must document the justification for such noncompetitive procurement which complies with 24 C.F.R. 85.36(b)(4).
  - b. All contracts for professional services shall conform to the following:
    - i. Any Request for Proposals which includes more than one service shall provide that: Proposals may be submitted for one or more of the services; qualifications and proposals shall be separately stated for each service; The evaluation of the proposals shall be separate for each service.
    - ii. A written evaluation, such as a ranking sheet or narrative, shall be prepared for each proposal, ranking or comparing each proposal to the criteria in the published Request for Proposals. Based on those criteria, the written evaluation will document why the successful proposal was selected.
    - iii. A separate professional services contract must be procured and executed between the local government and any professional services consultant for each particular CDBG subgrant and each service. Each advertisement for procurement of CDBG professional

- services, except for subgrant application preparation, must identify either the CDBG subgrant cycle by federal fiscal year or the CDBG subgrant cycle by federal fiscal year or the CDBG subgrant agreement to which it is applicable.
- iv. Each professional services contract must reference the CDBG subgrant agreement to which it is applicable.
  - c. If CDBG and other sources of funding are being jointly used to fund activities under a single contract, the activities to be paid for with CDBG funds must be shown separately in the bid proposal so that the CDBG activities and the amount of the contract to be paid from CDBG funds are identifiable.
  - d. If, after applying any specified deductive alternates, construction bids exceed available funds, the local government shall not negotiate with the low bidder unless there is only one bidder or all bidders are allowed to submit revised bids for the revised project.
  - e. If the construction cost can be reduced by deleting entire line items or reducing quantities based on unit prices identified in the bid, the effect of such deletions or reductions on all bidders' prices shall be determined. Contract award shall be made to the low, responsive and responsible bidder for the revised project.
  - f. All contracts in excess of \$100,000 covered by Section 3 regulations shall contain the language required in 24 C.F.R. 135.38.
6. Should the Recipient be undertaking any activity subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended, and:
- a. Disaster funds will not be used for the cost of acquisition, the Recipient shall document completion of the acquisition by submitting all documentation required for a desk monitoring of the acquisition, including notice to the property owner of their rights under URA, invitation to accompany the appraiser, all appraisals, offer to the owner, acceptance, contract for sale, statement of settlement costs, copy of deed, waiver of rights (for donations), as applicable. The documentation shall be submitted within 45 days of acquiring the property and prior to advertising for construction bids for any activity that required the acquisition.
  - b. Disaster funds will be used for the cost of acquisition, the Recipient shall document completion of all pre-acquisition activities by submitting all documentation required for a desk monitoring of those activities, including notice to the property owner of their rights under URA, invitation to accompany the appraiser, all appraisals, offer to the owner, acceptance, contract for sale, waiver of rights (for donations), and estimated settlement costs, as applicable. The documentation shall be submitted to the Department for review prior to closing on the property. A copy of the final statement of settlement costs and a copy of recorded deed, with any required deed restrictions, shall be submitted within 45 days of the acquisition.
7. Payment for the acquisition of property, right-of-way, or easement must be approved in writing by the Department prior to distribution of funds. Should the Recipient fail to obtain Department approval, any portion of the cost of the acquisition exceeding Fair Market Value as established in the Housing and Urban Development (HUD) Handbook 1378 shall not be paid with Disaster funds. Furthermore, if grant funds are used for acquisition, the requirements of 24 CFR 570.83 (e) (2) regarding final use or disposition shall be met.
8. If grant funds are used for acquisition of property for, or infrastructure in support of, LMI housing construction, construction of the housing must be completed and LMI benefit documented during the subgrant period.

9. No payment from the Department shall be for an amount less than \$5,000, unless it is a local government's final request for funds. Additionally, all funds requested from the department must be expended within 3 days of receipt.
10. If the project involves installation of new sewer lines, or a new sewer treatment plant funded (partially or wholly) from Disaster funds and new sewer lines funded by another source, the Recipient shall document notification to appropriate households of the requirement in Section 381.00655(1), Fla. Stat. (1995) to hookup to the sewer system within 365 days of its availability. (Note that the notification is to be provided at least one year prior to the anticipated availability of the system.) Special assessments or impact fees cannot be charged to households that are to be hooked-up to a water or sewage system.
11. The maximum percentage of subgrant funds allowed for architectural and engineering costs shall be based on the subgrant activities which require architectural design and engineering and shall not exceed the Rural Development (RD) Rural Utility Service (RUS) fee schedule (Form RD 1942-19) in Florida RUS Bulletin 1780-9, which can be obtained from the Department, and which is incorporated herein by reference.
  - a.   - i. Any proposed amendment extending the termination date of the subgrant agreement must be approved by the Department. The local government must explain any delay affecting project completion and must justify the need for the extension.
18. The Recipient shall comply with the historic preservation requirements of 24 C.F.R. 58.17 and the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, and with all other environmental regulatory requirements.
19. Conflicts of interest relating to procurement shall be addressed pursuant to 24 C.F.R. Section 570.489(g). 23. Following demolition of a structure on private property, the local government shall place a lien against the real property for the cost of demolition. If the lien is not recorded against the real property, then the demolition cost is not an eligible cost under the grant. A lien is not required when the demolition is needed for residential reconstruction completed during the sub-grant period. A copy of the lien shall be maintained in the project files. When the lien is paid, the funds shall be treated as program income in accordance with CDBG regulations in 24 CFR 570.
24. For any activity performed as an "urgent need," the project files shall document that the activity meets the requirements of 24 CFR 570.483 (d) to qualify under the "urgent need" national objective. For these disaster recovery funds, the "threat to health or welfare" portion of the requirements may be established in

the context of the 2008 hurricane season damage. The Recipient must submit an appropriate and properly completed National Objective Form, including attachments; to the Department for review and approval before funds may be drawn down to implement those activities. A copy of the approved National Objective Form must be maintained in the sub-grant file.

Before approval, the project files must document that the activity took place in an area officially designated as “slum” or “blighted” and meets HUD requirements for “slum and blight” on an area basis, or “slum and blight” on a “spot blight” basis. A copy of the approved National Objective form must be maintained in the sub-grant file.
26. For activities where hookups or connections are required as a condition for beneficiary access to a Disaster Recovery funded public improvement, no hookup or connection fees shall be charged to very-low, low or moderate-income beneficiaries.
27. For any construction contract that requires payment of prevailing wages under the Davis-Bacon and Related Acts (DBRA), the Recipient shall take the following actions so that the Department may meet its DBRA tracking and reporting requirements to HUD for these funds:
  - a. Obtain a wage decision from the Department using its Wage Decision Request form or a similar document with the same information; and
  - b. Prior to awarding the construction contract, submit the Bidding Information and Contractor Eligibility form, or document with the same information, and obtain the Department’s confirmation that the contractor is not excluded from participation in federally funded projects.
28. Pursuant to the Robert T. Stafford Disaster Assistance and Emergency Relief Act (42 U.S.C. 5155), no activity may receive assistance from these funds with respect to any cost that is reimbursable by FEMA, eligible for Small Business Administration assistance, insurance, or any other program or sources. The Recipient’s project files shall document how compliance with this prohibition on duplication of benefits was determined for each activity, including sub-recipients and, for housing or other direct benefit activity, individual beneficiaries. Duplication of benefits identified during monitoring, by an audit, or other means may require repayment of duplication of benefit funds.
29. Before expending disaster recovery funds for housing rehabilitation projects, the recipient must receive prior written approval of release of funds and the file shall document damage by the applicable 2008 storm.
30. Recipients of these Disaster Recovery funds are responsible for management of all subrecipients vendors and contractors that will receive funding from this grant or will assist the Recipient in carrying out the activities funded under this grant. Recipients must take steps to ensure compliance with applicable Federal and State rules and regulations. The Recipient’s monitoring must cover each program, function or activity. Site visits and any necessary review of files should be undertaken on a regular basis to ensure that projects are being carried out in a timely manner and that they comply with required rules and regulations. Recipients must report on the subrecipient, vendor and contractor progress on a quarterly basis using the Department’s Quarterly Status Report developed specifically for this Disaster Recovery funding. Recipients are encouraged to develop written procedures and checklists for accomplishing such monitoring. During on-site visits, the Department may request documentation that reviews of subrecipients or contracted work has been monitored on a regular basis.
