

PUBLIC WORKS: PARKS AND RECREATION

PEOPLE FOCUSED. PERFORMANCE DRIVEN.

Goal Statement

To provide for the safety, comfort, and convenience of the public by creating, maintaining infrastructure and programs supporting recreation, parks and open space.

Strategic Initiatives/Support Highlights

Quality of Life

- Construction of Fred George Greenway and Park began in March 2015 with an anticipated completion by the end of 2015.
- Received a grant to construct Phase III of trail improvements to Miccosukee Greenway between the Fleischmann Road trail head and the Edenfield Road trail head. The two-mile section of improvements will complete the eight mile, "trunk trail" system that has been part of the County's strategic initiatives. The improvements will make hiking, biking, running and horseback riding more accessible for users of all levels.
- Partnered with Sustainable Tallahassee's Carbon Fund to plant 50 new live oaks at Apalachee Regional Park to promote sustainable practices and sequester carbon.
- Improved active park amenities through the construction of new baseball fields at Miccosukee Park, additional lighting for fields #3 and #4 at Apalachee Regional Park, drainage and irrigation improvements at Chaires Park, and water pressure improvements at Woodville Park.
- Continued to develop parks and greenways consistent with management plans including Okeeheepkee Prairie Park, which completed construction in October 2015, and St. Marks Headwater Greenway which is currently in the design phase.

MAINTAINING LEON COUNTY'S PRISTINE PARKS & GREENWAYS

- Leon County continued to operate, maintain, develop, and promote the many unique recreational amenities the community desires.
- Completed campground renovations at Williams Landing Campground including delineation of ten campsites, adding fire rings and grills to each camp site, installation of a new fish cleaning station and the rehabilitation of the fishing pier.
- Implemented changes and enhancements at Community Centers as identified through neighbors and user feedback which included a new ice machine and chairs at Miccosukee Community Center; improvements to the sound system at Ft. Braden Community Center; and the addition of historical pictures/wall hangings at Lake Jackson Community Center.
- Partnered with Leon County Senior Outreach staff to add a computer class for residents in the Miccosukee community and a fitness program at the Lake Jackson Community Center.

Williams Landing

- Hosted Greenway Day 2014, featuring the greenway's vast hiking, cycling, horseback riding, stargazing and general recreational opportunities that are available throughout the year.
- Participated in community events such as the Healthy Communities Festival, Springtime Tallahassee, and the 2015
