Leon County was named after the Spanish explorer Juan Ponce de Leon. He was the first European to explore Florida in 1513 in search of the “Fountain of Youth” and named the state after the Spanish word for “flowery.”

Leon County is home to Florida’s capitol, Tallahassee, which was established in 1824. Legislative and executive offices, the State House, and Senate chambers are located here. As a political subdivision of the state, the County is guided by an elected, seven-member Board of County Commissioners.

Five members of the Board are elected to serve specific commission districts and two members are elected at-large. Leon County is a Council-Manager form of government, and the County Administrator is appointed by the Board to oversee all functions, directives and policies. Florida Statutes, Chapter 125, establishes the powers and duties of the County Commission and the County Administrator. As of November 12, 2002, Leon County is governed by a Home Rule Charter.
As home to Florida’s capitol, Leon County is a welcoming, diverse, healthy, and vibrant community, recognized as a great place to live, work and raise a family. Residents and visitors alike enjoy the stunning beauty of the unspoiled natural environment and a rich array of educational, recreational, cultural and social offerings for people of all ages. Leon County Government is a responsible steward of the community’s precious resources, the catalyst for engaging citizens, community, business and regional partners, and a provider of efficient services, which balance economic, environmental, and quality of life goals.
Ben Franklin once said, “When you’re finished changing, you’re finished.” The famously innovative and civic-minded Founding Father would find much to be proud of in Leon County government in 2016, including our commitment to adapting to meet the changes and challenges facing our community. That’s what the best organizations do. They anticipate change, challenge themselves and continue to advance their strategy. 2016 was a year of big changes and bold initiatives for Leon County and capped off the last in the five year 2012-2016 Strategic Plan.

Each year the County Administrator provides an Annual Report to the Board of County Commissioners which also serves as an important update to our community on our commitments to serve on behalf and alongside our citizens. This year continued to reflect the strong leadership of the Board of County Commissioners in balancing our community’s needs with compassion and our taxpayers’ dollars with discipline. It was another year of Leon County employees reaching new heights in innovation, performance and results on behalf of the citizens we serve.

Here are just a few of the highlights from the Annual Report which demonstrate the dependability of the Board of County Commissioners and the dedication of the men and women of Leon County government in doing what we said we would do in 2016.

We said we would continue to be an effective leader and a reliable partner in growing and diversifying our local ECONOMY.

AND WE DID...

As we led our tourism economy to another record setting year in 2016 with $863 million in economic impact from 2.35 million visitors, and continued to create a place which is seen not only a government or university town, but a premiere destination for entertainment, culture and sports tourism. And by starting Leon Works, an initiative that will help our community fill the skilled jobs gap of 10,000 jobs by 2022. In 2016, we created the new Office of Economic Vitality to serve as the hub of our economic development ecosystem bringing together and leveraging the efforts of all of our many economic development partners.

We said we would continue to be responsible stewards of our precious resources and natural ENVIRONMENT.

AND WE DID...

By working with the Keep It Rural coalition to preserve the character of our rural areas in the re-write of the rural land use policies. That same level of focus on what’s important has positioned the County to launch the Property Assessed Clean Energy (PACE) Program to help residents and business owners pay for energy improvements and save money while creating jobs and working on our environmental goals together. We also continued to support 27 community gardens throughout Leon County, with the most recent garden opening at The Kearney Center.
We said we would continue to protect and enhance our unique QUALITY OF LIFE so that people are safe, healthy and connected to their community.

AND WE DID...

As we expanded and improved our beautiful parks countywide, including the grand opening of Fred George Park, and when we celebrated 25 years at the County’s downtown Main Library, which has seen 25 million patrons since opening its doors in 1991. And we did not do it alone. We created public-private partnerships to realize the Orchard Pond toll road and to enhance Bannerman Road for the benefit of our community.

In the area of GOVERNANCE, we said we would continue to be a model local government which our citizens believe in and others benchmark against.

AND WE DID...

As Leon County was recognized in 2016 with 14 national awards for best practices for the efficient, equitable and innovative provision of services to our community. And as we continued to reach out beyond our core practices of transparency, accessibility and customer service to engage citizens as co-creators of our community: training 600 community members in CPR at the annual Press the Chest event, conducting 30 listening sessions with over 300 citizens to continue to improve service delivery and convening the community on important issues as we did for Created Equal: A Community Conversation about Race which attracted over 250 participants.

And our organizational culture saw us through the disaster of Hurricane Hermine, where County, City and nonprofit partners worked around the clock to help our community recover. Throughout the eight day activation, the Leon County Emergency Operations Center served as the hub of emergency management response and performed flawlessly through its toughest trial.

In all the ways that Leon County touches the lives of the people we serve each day, whether it’s helping 3,500 veterans, responding to the scene of 38,396 accidents, or serving one million patrons at our county libraries as we did in 2016, we at Leon County not only do what we say we are going to do, but we do it putting each person first and striving to set the standard in public service.

While we will continue to face the same challenges of communities and local governments everywhere else, Leon County is committed to ensuring that our community continues to be a place like nowhere else, as demonstrated through the pages of the 2016 Annual Report.

In Public Service,
Vincent S. Long
OUR VALUE PROPOSITION
What You Get as a Taxpayer and a Stakeholder in our Community
Leon County Government leverages partnerships, embraces efficiency and innovation, and demands performance to the benefit of our taxpayers. We actively engage our citizens, not only as taxpayers, but as stakeholders and co-creators of our community – providing meaningful opportunities to capitalize on their talents in making important decisions and shaping our community for future generations.

HOW LEON COUNTY LEADS
Leon LEADS was instituted throughout Leon County Government over the course of Fiscal Year 2012. This approach resulted in the alignment of the Leon County Board of County Commissioners’ Vision for the Leon County community, with Strategic Priorities that advance the County toward that Vision, and the County’s optimized resources. As reflected in the graphic on the next page, Leon LEADS is a continuous process by which Leon County Government looks inward to strengthen what works and abandon what does not; looks outward to receive feedback from citizens and leverage partnerships; and adjusts as conditions change.

LEON LEADS
The first step, of what is now an ongoing process, was taken in December of 2011 when the Board identified its Vision Statement composed of four Strategic Priorities that support and advance that Vision, and organizational Values which form the basis for Leon County Government’s “People Focused, Performance Driven” culture. The Board’s Strategic Priorities are: Economy, Environment, Quality of Life and Governance.
To start, Leon County strategic planning teams conducted LEADS Review meetings in early 2012. Each LEADS Review meeting was a facilitated process, during which participants conducted a SWOT Analysis, identifying Strengths, Weaknesses, Opportunities and Threats, and responded to targeted, open-ended questions to identify opportunities for improvement. Each team then prepared a report, identifying workplace improvements and Strategic Initiatives, each of which supports and advances one or more of the Board’s four Strategic Priorities. Staff then drafted their work areas’ Strategic Plans, which identify the work area’s Mission, Strategic Initiatives for which it has lead responsibility, and planned workplace improvements. The work areas’ Strategic Plans, which set the broad course of action for the same two-year period as the Board’s Strategic Plan, were approved by the Board in 2012.

During the 2016 LEADS Listening Session cycle, approximately 30 sessions were conducted, involving input from more than 350 key stakeholders. Through the Listening Sessions, work areas identified customer perceptions with regard to service delivery, quality, efficiency, relevance, and customer experience. Sessions resulted in the identification of actionable recommendations to improve business operations, employee satisfaction and customer experience. Some recommendations may also reduce costs through increased efficiencies or by streamlining processes.

The Leon LEADS process enables Leon County to continue to be a model 21st century county government that is in a constant state of becoming the highest performing organization by conveying greater relevance and delivering more value in the many ways county government touches citizens.
Leon County is an organization that rewards its employees for innovative ideas, teamwork, strategic processes, efficiency and the ability to achieve positive results. Employee ideas are an integral part of innovation and inspiration. Leon County is committed not only to its citizens, but is equally committed to its employees as a part of its “People Focused, Performance Driven” culture.

The I² (Innovator/Inspirator) Award conveys the value Leon County Government places on employee-led improvements that result in increased efficiencies or that enhance and support the delivery of county services, which significantly contribute to reinforcing Leon County’s relevance in the community and our Core Practices in the workplace. Examples of such improvements include the following:

• The Solid Waste Management Division determined that the leachate processing and treatment at the Waste Water Treatment facility was not being measured properly. The team compared the number of gallons being billed versus the number of gallons being pumped from the facility. Once the meter was changed, the County was charged for actual gallons disposed. This saved Leon County approximately $18,000 per month ($216,000 per year).

• Leon County Animal Control received a recommendation from the 2014 LEAD Listening session to increase the number of Animal Control Officers within the division in order to increase the service level to citizens. The team developed a schedule, utilizing existing resources that added sixteen hours of coverage, to increase availability of Animal Control Officers to cover weekends without having to work overtime or hire an additional officer.

• The Library, Facilities Management and County Administration came together to explore alternatives to save the 160 year old live oak tree in front of the Main Library that was determined to be in poor health and posed a danger to the public. After considering options that would bring greater value to the community and reducing the sense of loss, the team decided to transform the tree trunk into a work of art utilizing a local artist.
OUR CORE PRACTICES

Delivering the “Wow” factor in Customer Service. Employees deliver exemplary service with pride, passion and determination; anticipating and solving problems in “real time” and exceeding customer expectations. Customers know that they are the reason we are here.

Connecting with Citizens. Employees go beyond customer service to community relevance, engaging citizens as stakeholders in the community’s success. Citizens know that they are part of the bigger cause.

Demonstrating Highest Standards of Public Service. Employees adhere to the highest standards of ethical behavior, avoid circumstances that create even an appearance of impropriety and carry out the public’s business in a manner which upholds the public trust. Citizens know that we are on their side.

Accepting Accountability. Employees are individually and collectively accountable for their performance, adapt to changing conditions and relentlessly pursue excellence beyond the current standard, while maintaining our core values.

Exhibiting Respect. Employees exercise respect for citizens, community partners and each other.

Employing Team Approach. Employees work together to produce bigger and better ideas, to seize the opportunities and to address the problems which face our community.

Exercising Responsible Stewardship of the Community’s Resources. Employees engage in the continuous effort to create and sustain a place which attracts talent, fosters economic opportunity and offers an unmatched quality of life, demonstrating performance, value and results for our citizenry.

Living our “People Focused, Performance Driven” Culture. Employees have a structure in place to live all of this as our organizational culture and are empowered to help the people they serve.

DELIVERING THE FACTOR IN CUSTOMER SERVICE

LEON COUNTY ADMINISTRATION

“Thank you for hosting and participating in the Capital Medical Society Doctor/Son event at the Public Safety Complex. It’s been a goal of mine to get our physicians out there to see first-hand the quality of the services provided. Thanks to Shlington Lamy and so many who volunteered their time – the evening had a “wow” factor for physicians and their children. We appreciate our many opportunities to partner with Leon County.”
- Pam Walker at The Capital Medical Society

DEVELOPMENT SUPPORT AND ENVIRONMENTAL MANAGEMENT

“I have been working with Ms. Scott for about 2 months on a renaming project as part of Blueprint 2000. Thank you for providing such a wonderful person to help people like myself, that need someone to go the extra mile and she went 5 miles with me.”
- Charlie Livingston, Jr.

VETERAN SERVICES

“My family and I want to inform you of a county employee, Ben Bradwell in Veterans Services. He recently assisted us with my father’s VA application. Not only is he extremely professional but outstanding in his performance and exceeded all of our expectations with the application process.”
- Anne DeMartine

ANIMAL CONTROL

“An Animal Control Officer responded to an incident in which my chihuahua was attacked by a pit bull running loose. Throughout his handling of this matter, he exhibited the utmost professionalism, care, courtesy, and thoroughness. My wife and I wish to express our appreciation for the way this officer carried out his duties in a situation which, for us, was very disturbing. As residents of Leon County, we are very fortunate to be served by professionals.”
- Allen Chapman

EMERGENCY MEDICAL SERVICES

“I want to take this moment to thank the entire EMS team for their rapid response, heroic efforts to save Mr. Harrington and most of all for their compassionate professionalism displayed throughout the entire event. Tallahassee is very fortunate to have such a dedicated group of professionals to help us in our times of need. On behalf of the entire Division of Research, I want extend our profound thanks to your team for a job well done. Thank you!”
- Tim Moore, Ph.D.

PUBLIC WORKS/OPERATIONS

“While I was painting our fence this morning, the men arrived with an incredibly handy machine/truck to trim the ditch and fence line. You and your crew are fantastic! We all appreciate your team!”
- Claudia & Allan Stodghill

LIBRARIES

“I would like to bring attention to Leon County’s public libraries as they provide up-to-date circulation and five-star service. As a frequent visitor of the Northeast Branch on Thomasville Road, I believe it is an honor for the staff to be public employees.”
- James Melton

SOLID WASTE MANAGEMENT

“I would like to thank Mr. Shawn Abbott with Leon County Solid Waste Division for his responsiveness and prompt attention. After having conflict with WastePro regarding a request for a residential bulky item pick-up, Mr. Abbott was outstanding in contacting WastePro on our behalf and having our issue resolved. Mr. Abbott was outstanding in his response and willingness to assist us.”
- Mark Futrell

MOSQUITO CONTROL

“I would like to compliment the work of the staff with Leon County’s Mosquito Control. The employees on the phone are always very nice and helpful. The drivers are very nice and do a great job by spraying the way we need them to every time. We appreciate their time and responsiveness.”
- Billy Allen

OFFICE OF SUSTAINABILITY

“I would like to thank you for presenting again this year! Each year I learn how much I didn’t know and how much has changed about recycling. We look forward to having you back next year!”
- Karen and Alden

FACILITIES MANAGEMENT

“I just wanted to share what a great job Kevin is doing in the BoA building. We had our server room A/C go out last night. I sent a work order today to ask Kevin to check the fuse box on the roof. Within a few minutes he had a portable A/C set up for us to get us by until we replace our unit. Kevin gets the job done!”
- Eric Kent

WE BELIEVE IN

LEON COUNTY ATTORNEY

SERVING THE LEGAL NEEDS OF LEON COUNTY GOVERNMENT

Legal matters from this past year that are of particular note include the following:

- Robert R. Reynolds, Appellant v. Leon County Energy Improvement District, Appellee – On October 1, 2015, the Florida Supreme Court ruled in favor of the Leon County Energy Improvement District when it affirmed the Circuit Court’s decision in the bond validation proceeding for the PACE Program, thereby clearing the way for the District to continue with its Commercial PACE Program. In its Opinion, the Court also created new precedent that will require any person who wishes to participate in a bond validation proceeding to first appear and plead in the circuit court action. The Opinion will further prevent the type of conduct that was allowed in the Reynolds case, which essentially caused a three-year delay in the implementation of the District’s program.

- Leon County, Plaintiff, v. Johnny Petrandis, II, and J-II Investments, LLC, Defendants, and Victor Timber, LLC, et al., Impleaded Defendants – This matter has a long and complicated procedural history concerning illegal development activity on an 88 acre parcel, including the Defendant property owner’s refusal to comply with Court-ordered remediation and restoration of the property, resulting in him being held in contempt of court, and his attempts to disguise ownership of the property by transferring title multiple times during the course of the litigation, culminating in the Court issuing an Injunction Against Further Transfer of the Property. Since this litigation began in 2003, this matter has been heard by seven Circuit Court judges and one Special Magistrate. On June 29, 2016, the Court, in a 15-page Judgment and Lien, confirmed the original Court Judgment of $314,068, plus interest to date in the amount of $103,972.43, accruing at the rate of $41.13 per diem, in favor of Leon County.

- Lori Owen, Caridad Molina and Donna Abramitis, Appellants, v. City of Tallahassee, Leon County, Florida, et al., Appellees, Circuit Court – Fire Rescue Services Special Assessment – This class action lawsuit challenges the validity of Leon County’s fire rescue services assessment, and more specifically, the City’s ability to collect same via utility bills. Plaintiffs amended their complaint on three occasions, and served their Third Amended Complaint in 2013. On July 7, 2015, a hearing on class certification was held. The court is required to first determine the appropriateness of the class, before the parties go to trial on the merits of the claims related to the constitutionality of the fire rescue services assessment. The trial court denied the Plaintiff’s Motion for Class Certification, and in December 2015, the Plaintiffs appealed that decision to the First District Court of Appeal. Oral Argument was held before a three-judge panel at the First District Court of Appeal in June 2016, and we are awaiting the Court’s decision on whether to uphold the trial court’s denial of the Plaintiff’s Motion for Class Certification. The County Attorney’s Office continues to work with the City Attorney’s Office in the defense of this matter.

- Christopher M. Jensen v. Leon County, Sentinel Offender Services, LLC – A complaint was filed in 2015 against Leon County and a number of employees, alleging civil rights violations in connection with a probationer’s monitoring ankle bracelet. A formal request was made by Leon County to Co-Defendant, Sentinel, to defend and indemnify the County pursuant to our contract with Sentinel; however both Sentinel and its insurance carrier refused to do so, resulting in Leon County filing a cross-claim against Sentinel. In October 2015, the Court granted the County’s Motions for Summary Judgment, saying that the “motions are well founded on the merits of the case.” Sentinel’s Motion for Summary Judgment was denied.

Herbert W. A. Thiele
County Attorney
(850) 606-2500
ThieleH@LeonCountyFL.gov

Herb Thiele was selected by the Board in 1990 to create the County’s first in-house legal department and has served Leon County for over twenty-five years. Under Thiele’s leadership, the office continues to remain small but extremely efficient, with only 5 lawyers handling the legal affairs of Leon County, Florida.

In addition to being active in several state and national organizations that serve local government lawyers and advance the interests of local government law, Thiele has presented lectures or published articles on many local government law topics, including the Sunshine Law, the Open Records Law, and the Honest Services Act and Ethics. He serves on the Board of Directors for both the Florida Association of Counties Foundation and the International Municipal Lawyers Association, and currently serves as the President of IMLA.

Thiele leads a team of skilled professionals who provide high-quality, timely and cost-effective legal representation to the Board and other officials of Leon County.
the individual defendants [the named Leon County employees] have qualified immunity from the federal claims.” A Final Judgment was entered on January 6, 2016, ordering that the Plaintiff recover nothing on his claims, and on March 1, 2016, the Clerk of the Court for the U.S. District Court, Northern District of Florida, entered an Order for Taxation of Costs against the Plaintiff in the amount of $3,714.65. The County is moving forward with the indemnity and breach of contract claim against Sentinel. Mediation is tentatively scheduled for August 22, 2016.

Wolf Creek Homeowners’ Association, et al., v. Leon County Development Support and Environmental Management, et al., DOAH – This matter involves a challenge to the County’s Written Preliminary Decision to conditionally approve a development called the Residential Condominiums on Blountstown Highway a/k/a the “Tiny House” development. This matter proceeded under the County’s site and development plan appeal process, with the petition challenging the County’s decision being heard by a Special Master at the Division of Administrative Hearings, pursuant to a contract between DOAH and the County. The Final Hearing was held in April 2016, and the parties submitted Proposed Recommended Orders to the Special Master, who then issued a Recommended Order, confirming the County’s decision to conditionally approve the development. The Board of County Commissioners rendered a Final Order, accepting the Special Master’s Recommended Order’s Findings of Fact and Conclusions of Law, allowing the development to continue, subject to the conditions originally imposed by the County.

Wakulla Springs Basin Management Plan (BMAP Action) – Coordinated County involvement in regional water quality initiative focused on reducing nitrate pollution to Wakulla Springs, and provided legal support during agency and stakeholder meetings that will result in significant policy formulation with long term impacts on capital expenditures and development patterns throughout the region. In December 2015, concerns and issues raised in our agenda item were resolved, resulting in Leon County not filing a formal Petition challenging the Wakulla BMAP Order, and commencing implementation of the Basin Management Action Plan for Wakulla Springs in 2016.

North Monroe Street Turn-Lane Improvement Project – Worked with Public Works staff and outside co-counsel to resolve the eminent domain lawsuits on the remaining parcel acquisitions by negotiating full compensation settlements at mediations and avoiding costly jury trials. Following the settlements, we monitored the construction of the project by FDOT through its completion in July to assure it was constructed in accordance with the agreed-upon settlements.

Real Estate Policy Comprehensive Revision – Worked with a team of County staff from Real Estate, Housing, Public Works, DSEM, and Administration to draft and obtain Board approval of a comprehensive revision of the Board’s Real Estate Policy to streamline the many types of transactions involved in the day-to-day activities of the County’s real estate and eminent domain programs.

Economic Development – Negotiated and drafted the legal support necessary to finalize amendments to three interlocal agreements implementing the Blueprint Intergovernmental Agency’s (Blueprint) direction to (1) authorize the designation of Blueprint as the economic development organization of record for Tallahassee/Leon County, (2) establish the Tallahassee/Leon County Office of Economic Vitality (OEV) through a consolidation of the County and City economic development offices within the Blueprint organizational structure under the Department of Planning Land Management and Community Enhancement (PLACE); and, (3) consolidate the County and City Minority and Women Small Business Enterprise Programs under the Tallahassee/Leon County Office of Economic Vitality.

**PROVIDING FISCAL, STRATEGIC & OPERATIONAL LEADERSHIP**

- During FY2016 Leon County exercised sound fiscal stewardship even during the slow economic recovery.
  - Moody’s Investor Service, the bond credit rating business, issued a report in August 2016, calling Leon County’s financial position “very strong.” The report focuses on Leon County’s key credit factors including “a robust financial position” and “a healthy socioeconomic profile.” Specifically, the Moody’s report highlights the County’s management and governance, stating that “balanced financial operations are a component of sound financial management.”
  - Developed a proposed balanced budget without raising the property tax rate.
  - Allocated $98,417 in savings from debt refinancing in FY15 to support related debt service payments.
  - Realized $850,000 in utility savings through the County’s energy efficient investments.
  - Saved $879,297 in recurring costs and $74,801 in one-time costs in the two years since implementing the County’s I² (squared) Employee Awards Program.

- Engaged citizens as stakeholders in their County government by:
  - Conducting 30 separate LEADS Listening Sessions with 350 citizen participants resulting in 124 proposed improvements to County business operations, employee satisfaction and customer experience.
  - Continuing to partner with The Village Square to host Club of Honest Citizens events.
  - Supporting the MWSBE Programs Evaluation Committee to develop recommendations to grow and expand opportunities for local minority and women-owned businesses.
  - Partnering with local volunteers to revitalize the Woodside Heights neighborhood in recognition of 9/11.

- Hosting various Citizen Engagement Series workshops on topics such as race relations, public safety and the County’s budget.

- Throughout the slow economic recovery, the Board continues to make appropriate investments in the community. County Administration manages and oversees the delivery of certain projects, including:
  - Continued leadership over Blueprint 2000 project execution including Capital Circle, Capital Cascades Trail, and the Magnolia Multi-Use Trail.
  - The County Administrator serves with the City Manager and Sheriff as the governing body overseeing the Consolidated Dispatch Agency that provides dispatch services for all law enforcement, fire and EMS first responders.

- Leon County Administrator Vincent S. Long served in 2015-16 as President of the Florida Association of County Managers (FACM) and continues to serve as Immediate Past President.

**DEMONSTRATING HIGHEST STANDARDS OF PUBLIC SERVICE**
Leon County Government received 14 Achievement Awards from the National Association of Counties, including one “Best in Category” award for Leon County’s DesignWorks program. These awards recognize how Leon County provides cost-effective, high-quality service to citizens in categories ranging from Parks and Recreation to Information Technology.
As a part of the ongoing mission to create and maintain social attachments between citizens and their County government, Leon County continues to promote citizen involvement to guide policy and shape our community. Events such as the Club of Honest Citizens and the Citizen Engagement Series drive the continuous effort to maintain sustained citizen involvement and engagement by providing transparency of County government, while building relationships between citizens and County government through social settings.

The Club of Honest Citizens events are held in partnership with the Village Square at unconventional locations like bars and coffee shops and intentionally provoke and challenge citizens and County officials alike on hot-button issues. This year’s Club of Honest Citizen’s event “Created Equal: A Conversation about Race, Founding Ideals, and Our Hometown”, was held at a popular nightclub where more than 250 citizens participated in a conversation on race and its impact on the community.

Leon County continued the nationally-recognized Citizen Engagement Series in effort to provide greater opportunities to build trust through meaningful engagement. The “Public Safety: Preserving Life, Improving Health, and Promoting Safety” session, held in partnership with the Capital Medical Society, featured the County’s Emergency Medical Services, the Consolidated Dispatch Agency, and Leon County Emergency Management. The session offered citizens a stimulating and interactive forum that highlights the operations and high quality safety services the three work areas provide to the community. The session also included a tour of the Public Safety Complex.

In October 2016, Leon County collaborated with the Village Square, City of Tallahassee, and Leadership Tallahassee to kick off The Longest Table Initiative. Over 400 citizens came out for dinner held in the middle of Park Avenue share ideas, thoughts, and a meal. The second phase, which took place on Sunday, June 26, broke conversations into smaller dinners of 6-8 citizens in over 100 homes and public spaces around the community.

Additionally, Leon County Government held the community-wide Great Leon County Scavenger Hunt on Saturday, May 14. Nearly 300 citizens followed clues and discovered the places that make our community unique. At each participating branch library, citizens picked up a Scavenger Hunt treasure map that featured County parks, local cultural institutions and locally-owned restaurants. 80% of the participants who were surveyed indicated it was their first time visiting a County park, greenway, or boat landing listed on their respective map.

EXERCISING RESPONSIBLE STEWARDSHIP OF THE COMMUNITY’S RESOURCES

As responsible fiscal stewards of public dollars, the Leon County Board of County Commissioners unanimously approved the balanced Fiscal Year 2017 budget without raising the millage rate. This budget of $246 million is a 3.18 percent increase from last year’s budget. Property values have grown by 3.12 percent. Included in the Fiscal Year 2017 budget is $19.5 million for the capital improvement program.

The Board accomplished this year’s balanced budget while leaving the millage rate at the current 8.3144 mills. The County deliberately used reserves, all in an effort to maintain quality service levels and focus on capital infrastructure needs.

The Fiscal Year 2017 budget continues to maintain core services and the community’s infrastructure, a few highlights include:

- Restoring a stormwater maintenance crew to pre-recession levels to ensure preventative maintenance is conducted to avoid future costly repairs;
- Reducing a net of 13 positions due to a realignment of resources and through contracting;
- Increasing funding for social service agencies by allocating an additional $200,000 to the Community Human Service Partnership (CHSP);
- Significant budget savings due to planned non-presidential preference primary funding level for the Supervisor of Elections;
- A $17.0 million fund sweep of general revenue and special revenue reserve funds to fully fund the County’s five-year capital program to avoid the issuance of new debt and the reduction of services;
- Reduced the use of General Fund balance by $1.5 million;
- Cost avoidance of $4.0 - $6.0 million for the complete Financial System Replacement by a comprehensive assessment and refresh of the current system;
- $879,000 in recurring savings through employee innovations;
- Increased right-of-way landscape maintenance funding of $282,000 necessary due to the completion of the Capital Circle NW/SE Blueprint 2000 capital project;
- $50,000 for the nuisance abatement of dilapidated structures to assist in code enforcement.

Mission Statement
To preserve life, improve health, and promote safety through clinically superior and compassionate pre-hospital care and life safety education for citizens and visitors of Leon County.

Strategic Initiatives/Support Highlights
Quality of Life
- Partnered with local hospitals and medical providers to improve heart attack outcomes and develop a system of care that exceeds national standards.
- Received a three-year accreditation from the Commission on Accreditation of Ambulance Services for the third time.
- Operated a Tactical Medical Program to provide medical support to the Sheriff’s Office Special Weapons and Tactics (SWAT) unit, allowing specially trained paramedics to more quickly reach victims of violent incidents.
- Provided low-cost Automated External Defibrillators (AEDs) to organizations and businesses throughout the County. Community AEDs improve survivability of sudden cardiac arrest.
- Waived EMS fees for uninsured or underinsured veterans.
- Conducted 160 public education events.
- Engaged community partners and pursued funding for the development of a community paramedic program.

PRESERVING LIFE. IMPROVING HEALTH. PROMOTING SAFETY.

- After celebrating 12 years of dedicated service to the community and responding to more than 400,000 calls for service, Leon County’s nationally recognized Emergency Medical Services (EMS) continues to lead the industry in setting the standard for emergency care.
- With over 300,000 people dying from sudden cardiac arrest each year in the United States before reaching a hospital, Leon County strives to continuously improve the chances of survival by advocating for the placement of Automated External Defibrillators (AEDs) and Cardio-Pulmonary Resuscitation (CPR) training through its Heart Ready initiative. Through these efforts, over 1,700 citizens were trained in CPR and AED use. Also, there are 830 public access AEDs now in place throughout the community because of EMS.
  » For the sixth year, EMS hosted Press the Chest, a community-wide CPR and AED training event held at the Donald L. Tucker Civic Center. EMS and community partners trained more than 600 citizens in CPR and AED as one class.
  » Leon County’s cardiac survival rate of 33% continues to far exceed the national average of 7%.
- Leon County is committed to educating the community on the importance of safety preparedness. EMS hosted several events during the year, including:
  » Child Passenger Safety Seat Program - conducted over 100 child safety seat checkpoints, inspections, and installations at the Public Safety Complex, as well as health and safety fairs throughout the community.
  » Leon Lifesaver - this community risk reduction program was presented at over 20 events and focuses on improving safety and preventing injuries in young, school-aged children. Leon, an interactive robotic ambulance, goes into schools and community events teaching children about the proper use of 9-1-1, the importance of car safety restraints and bicycle helmet use, and stranger danger.
  » Operation Prom Night - this cooperative anti-drunk driving and anti-distracted driving program is for high school-aged teenagers in which a mock accident scene is used to illustrate the dangers of drinking and driving, and distracted driving. This program is hosted by Tallahassee Memorial HealthCare through the cooperation of community partners including schools, EMS, the Leon County Sheriff’s Office, Tallahassee Police Department, FSU Police Department, Tallahassee Fire Department, Lifeflight Air Methods and ShandsCair.
  » Senior Citizens - EMS participated in various senior citizens events including the Leon County Senior Outreach program.
These programs provided information on healthy living, fall prevention, CPR training and heart health education.

» Safety Fair - EMS conducted the seventh annual safety fair to highlight personal safety and injury prevention. This event was conducted at Governor’s Square Mall. EMS hosted this event along with numerous community partners.

» Honor Flight Tallahassee - since 2012, EMS has provided medical support for WWII veterans making the one-day trip to Washington D.C.

**Did You Know**

Leon County EMS received a perfect score during the accreditation review process and was bestowed another three year accreditation from the Commission on Accreditation of Ambulance Services (CAAS). The EMS Division was the first municipally operated EMS system in Florida and the eighth in the nation to receive accreditation from CAAS.

**Demonstrating Highest Standards of Public Service**

Leon County paramedic Lieutenant Allison Hall was named the 2016 State of Florida Paramedic of the Year by the Florida Department of Health. The recognition is one of the most prestigious offered as part of the 2016 Excellence in Emergency Medical Services (EMS) Awards program.
INSPIRING A LOVE OF READING AND A LIFE OF LEARNING

• The LeRoy Collins Leon County Main Library celebrated the 25th Anniversary of the opening of the downtown library. Celebrating the library’s significance in the community, hundreds of library devotees and members of the community gathered for a Story Time reunion, a showcase featuring more than 25 local authors, live musical entertainment and a scavenger hunt for all ages. 25 years ago, Leon County opened the doors of the downtown library, and more than 14 million patrons have visited since 1991.

• Damaged by a lightning strike years ago and suffering from rot, the Library Live Oak had to be removed in January 2016. Over time, the live oak was dropping limbs over the parking lot and presented a public safety risk. The County memorialized the tree through sculpture and grounds improvements.

• The County also launched the Spring and Fall 2016 Seed Library seasons. At the Spring launch, during the anniversary celebration, library visitors learned about vermiculture, how to harvest produce, grow their very own garden, and prepare seasonal recipes.

• In 2016, the County offered extra services to patrons during the holidays, including extended holiday check out, Second Saturday Device Advice, and access to a large variety of e-books and audiobooks.

• The Main Library hosted library science scholar, author and historian, Dr. Wayne Wiegand, Florida State University School of Information professor emeritus, during a presentation and discussion of his new book, Part of Our Lives: A People’s History of the American Public Library.

• The Library joined the Festival of Freedom, an annual event honoring the first reading of the Emancipation Proclamation in Tallahassee, by hosting a presentation by Dr. Katherine Mooney, Associate Professor of History at Florida State University. Dr. Mooney presented a speech entitled “Living Freedom: The Consequences of Emancipation and Why They Still Matter.”

• The Library’s Summer Reading Program featured the theme, “On Your Mark, Get Set, Read!” The kick-off was held at each library location on May 21, and hundreds of children and their families enjoyed activities to get children started on a summer of reading and enjoying library programs.

• Monday Nights @ Main, a summer reading program at the Main Library, kicked off in June and included activities like theater, dance, science and more.

• In partnership with Literacy Volunteers of Leon County, the County continues to offer services in adult literacy, family literacy and English for speakers of other languages. Tutoring is offered at all library locations.

• The Library converted to new cataloging standards, Resource Description and Access (RDA), to help citizens find the materials they need.

• The library became an affiliate of CareerSource Capital Region, emphasizing the library’s training and workforce development materials.

• Book groups covering a wide range of reading interests meet at every library location—there is a group for every reader.

• In partnership with Leon County Senior Outreach, the Northeast Branch Library became a new location for senior programming.

Mission Statement
To improve animal and human well-being through education, prevention, and enforcement programs and humane animal care and control services for the citizens and animals of Leon County.

Strategic Initiatives/Support Highlights
Quality of Life

• Provided essential public safety services through animal bite investigations, aggressive animal intervention, educational programs and through enforcement of the Animal Ordinance.

• Provided community outreach and neighborhood sweeps in order to put residents in touch with local animal organizations to assist with animal related needs.

• Actively participated on Tallahassee-Leon Animal Service Center Advisory Committee. Continued to implement strategies that allow Animal Control Officers to return animals to their owners, eliminating the need to take animals to the shelter.

PROTECTING LEON COUNTY’S ANIMALS & CITIZENS

• In order to continuously provide safety and well-being of both citizens and domestic animals, Animal Control staff has:
  » Provided Bite Prevention Classes to approximately 400 1st and 4th grade students throughout the local school district.
  » Educated residents about responsible pet care, animal safety, bite prevention and related matters by participating in outreach events such as public safety fairs, “Howl at the Moon,” and community pet adoption events.
  » Educated pet owners about requirements of the Leon County Animal Ordinance and provided loaner dog houses so owners did not give up their pet for the lack of proper care and shelter.
  » Provided identification tags and collars to ensure lost pets were returned home.
  » Conducted proactive door-to-door neighborhood sweeps with community partners in high volume service call areas. The main focus of the operation being outreach, education and resource provision.
  » Facilitated the Capital Area Animal Network, providing for an open forum format that brings together various animal welfare groups in the capital region.
  » Animal Control staff distributed low-cost spay and neuter vouchers provided by community stakeholders in an effort to impact animal overpopulation.
  » Hosted two Pet-ucation events that connected over 100 pet owners with community resources from over 10 local animal organizations to promote responsible pet ownership.

• Animal control staff is committed to serving the community and protecting animals and citizens. During the year, staff:
  » Fielded over 8,200 phone calls resulting in over 4,900 service requests and over 6,000 Animal Control Officer activities.
  » Responded to over 220 service requests for inhumane care resulting in the issuance of 12 citations and the referral of 2 cases to the Leon County Sheriff’s Office for pursuit of criminal charges.
  » Investigated over 97 dangerous or aggressive animal complaints.
  » Handled over 400 animal bite exposure cases for the state mandated Animal Rabies Program.
Leon County’s Emergency Information Portal’s Website

When a disaster strikes, it is often difficult for people to know where to turn for the latest news and information. However, residents of Leon County now have the Emergency Information Portal (EIP), which can be found at www.LeonCountyFL.gov/EIP, or by clicking on “Emergency Events” at the top of the County’s main website.

The portal offers a wide array of information about weather disasters and other emergency events and how to prepare for them, including useful tips on preparing and protecting citizens in the event that natural or man-made disasters occur in Leon County.

The portal, now mobile friendly, provides links to resources for preparation, response and recovery information, such as the status of available shelters, sandbag locations, road closures, local office and school closings, health advisories and volunteer information.

Localized information such as rain gauges and how to create individual hurricane plans is also included. The portal is regularly updated with weather alerts, active events and other information valuable in an emergency.

Disaster Preparedness, Response & Recovery

- Emergency Management maintains the Emergency Operations Center (EOC) to plan for and coordinate disaster response activities.
  - The EOC was activated three times during the last year to coordinate response to hazardous weather incidents.
  - The EOC hosted four separate training courses for local and regional emergency responders to build and enhance their emergency response skills.
  - Partnered with the Florida Department of Health in Leon County to host Zika Preparedness Training for emergency local response agencies.
- To ensure Leon County is prepared to address disasters, during this past year Emergency Management:
  - Reviewed emergency plans for 33 healthcare facilities.
  - Hosted the 2016 Hurricane Season Kickoff Press Conference and Presentation of the Annual Disaster Survival Guide to re-emphasize the importance of preparedness for hurricanes and other emergency situations.
  - Partnered with Leon County Volunteer Services, the American Red Cross, and the City of Tallahassee to host a Build Your Bucket Event. Over 250 residents received a free starter disaster supply kit bucket to enhance community disaster preparedness.
  - Conducted 19 public education and outreach programs for a variety of community groups.
  - Continuously monitored severe weather situations and coordinated response activities with partner agencies throughout the region.
  - Disseminated 109 severe weather alerts to emergency response partners.
- The Leon County Enhanced 9-1-1 System received 163,000 calls, 39,540 during this past year. Of these calls, approximately 139,913 were from wireless devices, 16,222 were from landline devices, over 6,865 were from VoIP devices.

Did You Know
In response to Hurricane Hermine, the Emergency Operations Center remained activated for nine days. In the beginning, staff worked continuously for 111 hours straight.

Emergency Operations Center during activation
In 2016, the Leon County community experienced two events that clearly demonstrated the resilience and compassion of its citizens. At 5:00 AM on Saturday, July 2, a bus carrying approximately 35 Haitian migrant workers en route to their homes in Belle Glade, Florida collided with a tractor trailer on Coastal Highway 98 in Wakulla County. Immediately, Leon County and a host of community partners took action to reunite the victims of the accident with their families in Belle Glade. Private, nonprofit, and government partners came together to provide care and services for these individuals – many of whom lost their belongings in the crash – including Creole language translation, meals and lodging for family members, cell phones to communicate with family members unable to visit, restoration of identification, and ultimately transportation to get home.

Only weeks later, on September 2 Hurricane Hermine made landfall on a path that led directly through Leon County. Hermine was the first hurricane to hit Florida in 11 years and was the first storm to cause as much damage to our community since Hurricane Kate in 1985. Once again, our community came together to meet the needs of our citizens in the aftermath of the disaster. Government and volunteer organizations partnered to provide food, water, and hygiene kits to citizens who lost electrical power to their homes. A comfort station was established at the Leon County Main Library for citizens to get out of the heat, charge their electronic devices, and receive information about available support services. Citizens invited their neighbors without power into their homes and helped them to clear trees and debris from their property.

Serving as the central hub for emergency management coordination, the Leon County Emergency Operations Center remained activated for eight days. In the beginning of the response, critical staff from the County, City and other nonprofit partners worked around the clock for 111 hours. Before, during, and after landfall of Hurricane Hermine, the Emergency Operations Center performed flawlessly in service to the community.

ADVOCATING FOR ECONOMIC INTERESTS
Embracing Economic Vitality for Florida’s Capital
• Established the Tallahassee/Leon County Office of Economic Vitality (OEV), under the direction of the Intergovernmental Agency, as the economic development organization of record on March 1, 2016. The new office demonstrates the City and County Commission’s desire to invest in and cultivate economic development through its sales tax initiative which, in November 2014, dedicated 12% of sales tax collections (estimated at $90.7 million) to implement economic development projects, programs, and initiatives.
• Contracted with VisionFirst Advisors to provide a strategic plan for economic development. After engaging with more than 1,000 community members, VisionFirst developed recommendations and strategies that reflect the priorities of the community, address existing challenges, and focus on measurable and achievable goals.

Achieving Regional Leadership through Community Engagement
• Launched www.OEVforBusiness.org, promoting services such as expedited permitting, workforce development, financial incentives offered at the local and state levels, demographic reports, and introductions to support organizations.
• Engaged community partners, as appropriate, when responding to requests for proposals to ensure an accurate representation of resources are provided.
• Continually capturing insights about Tallahassee/Leon County’s business infrastructure, company needs, and partnership potential through its site visit program.

Using Data to Drive Informed Decision-Making
• Generated a Data Center on the website to provide key data points and statistics.
• Created a Capital Industries map to identify the location of Tallahassee/Leon County’s diverse economy and vitality that exists within several targeted industry sectors, as identified by Enterprise Florida.
• Developed a Major Ongoing & Proposed Developments Report map to illustrate all major ongoing and proposed developments in our community with more than 20 residential units and/or 10,000 sf or more of non-residential space.
• Launched a Client Relations Management program to track business development in Tallahassee/Leon County.

MINORITY/WOMEN & SMALL BUSINESS ENTERPRISE (M/WSBE)
• During FY16, Leon County expended approximately $2.6 million in contractual payments and the direct purchase of goods and services from local small businesses; including certified minority, women, and small business enterprises participating in Leon County’s procurement process as a prime contractor and/or subcontractor. These expenditures equate to an approximate 8% increase over FY15 expenditures.
• Reviewed Leon County’s competitive procurement opportunities to determine the feasibility of aspirational goals for local, certified minority-owned and women-owned business enterprises and for sets aside opportunities to boost participation among local, certified small business enterprises.
• Supported and staffed local business education workshops and other networking events such as Small Business Week, Minority Enterprise Development Week, and Entrepreneurship Month. These workshops provided education to enhance daily operations for small business owners.
• M/WSBE collaborated with community partners to co-sponsor, plan, and staff the local observations of Small Business Week and Minority Enterprise Development Week events. The monthly financial education workshop series titled “Finance Fridays,” was provided to the local business community. The series began in November 2015, in observation of E-Month, and concluded January 2016.
• The Division demonstrated performance and results through its continuous monitoring of Leon County’s procurement activities.
Economic Development Ecosystem

Ensuring accountability, transparency, citizen engagement and professional management of economic development projects, programs and initiatives, while leveraging the ideas, innovations and intellectual capital of the community’s economic development partners.
Goal Statement
To provide accurate information, creative and effective planning recommendations, and expertise in the areas of long-range land use, environmental, and transportation planning for the orderly growth of Leon County and the Tallahassee community.

Strategic Initiatives/Support Highlights

Quality of Life
• Identify projects that may be advance-funded as part of the Sales Tax extension.
• Initiate a comprehensive review and revision to the Land Use Element of the Comprehensive Plan.
• Reformat the existing online Comprehensive Plan to modernize its appearance and increase usability.
• Evaluate the existing Comprehensive Plan amendment process and identify opportunities for further streamlining.
• Protect the rural character of our Rural Land use category.
• Work with Blueprint Intergovernmental Agency and the Office of Economic Vitality to implement the Sales Tax extension, including the Economic Development portion.
• Coordinate partners in the creation of a North Monroe Corridor Task Force for the purposes of revitalization.
• Create and maintain a Design Studio.
• Increase awareness of the services DesignWorks offers to the community.

Did You Know
DesignWorks provided design assistance to a local restaurant owner who wanted to add an outdoor dining patio on Lafayette Street. This type of pedestrian scale private reinvestment complements the County’s recent sidewalk and landscaping investments along the corridor.

Did You Know
The Planning Department is in the midst of a multi-year project to update the Land Use Element of the Comprehensive Plan, which is the County and City’s blueprint for growth for the next 20 years. The goal for the first year is to clarify community values and principles that will guide more detailed policy.

Developed a Lake Jackson Blueway Plan. A blueway is a paddling trail established within a navigable waterway having the physical capacity (based on length, width and depth) for kayaking and canoeing. The Lake Jackson Blueway will provide additional interconnections for canoeists, paddle boarders and kayakers to County and State parks around Lake Jackson. Blueways are intended to encourage resource-based (passive) recreation, ecological education and preservation of wildlife resources.

Initiated and cooperated with the North Monroe Corridor Task Force, a group of residents and business owners, which developed the North Monroe Action and Management Plan. The Plan recommended several strategies to achieve the following results:
» Rejuvenate existing & attract new businesses
» Beautify the corridor and improve transportation
» Enhance great parks, trails and sidewalks

» Recognize and support vibrant neighborhoods
» Protect Lake Jackson

Maintained the BikeTallahassee.com website as a central access point for all cycling-related information in Leon County. Users are also able to map their own ride using identified bicycle routes and other on and off-road cycling facilities. Bike Tallahassee provides regional cycling information for both residents of and visitors to the Tallahassee-Leon County community. While these routes are currently in use, they will be enhanced in coming years through the Blueprint 2000 funding approved in November 2014.
Mission Statement
To implement the Blueprint program in a timely and cost-effective manner, utilizing sound but innovative business practices while keeping the citizenry informed and involved.

Strategic Initiatives/Support Highlights
The Blueprint Intergovernmental Agency (Blueprint) is a division of the Department of PLACE (Planning, Land Management, and Community Enhancement). Blueprint plans, designs, and constructs infrastructure and environmental projects funded from the one-cent local-option sales tax. Blueprint is managed by the Intergovernmental Agency Board, which consists of the seven Leon County Commissioners and the five City of Tallahassee Commissioners. Blueprint also works with a 13-member Citizens Advisory Committee and technical staff from City and County departments.

The City and the County Commissions agreed to a joint management approach for the implementation of Blueprint projects, which are currently allocated 80% of the funds generated from the one-cent local-option sales tax. Additionally, 10% of the one-cent sales tax revenue is allocated to support County projects, and 10% is allocated to support City projects, as approved by the respective Commissions.

PLACE emphasizes the desire to create a livable, sustainable community and coordinates Blueprint, Planning and the Office of Economic Vitality activities.

PRESERVE, PROTECT & ENHANCE THE COMMUNITY’S QUALITY OF LIFE

• Blueprint2000, managed through the joint Leon County/City of Tallahassee Intergovernmental Agency, is committed to preserving, protecting and enhancing the community’s quality of life through holistic and coordinated planning, transportation, water quality, environmental and green space projects.

  » In June 2016, Segment 3C of Capital Cascades Trail along FAMU Way was opened to the public. This newest segment of the trail between Wahnish Way to Pinellas Street features a playground, market area, and other amenities. The remaining phase of the Capital Trail project is currently in design and will extend the bike and pedestrian facility from Pinellas Street to Lake Bradford Road. It will include a connection to the St. Marks Trail at Gamble Street. Once this connection is completed, residents and visitors will be able to walk or bike the along the Capital Cascades and St. Marks trails to the Gulf Coast in Wakulla County.

  » Constructing a 2.5 mile Capital Circle Northwest/Southwest road project, which includes widening the roadway to six lanes, adding sidewalks, bike lanes, and a multi-use path, an enhanced median and wildlife crossings. The 17 acre stormwater management facility at Broadmoor has been improved to also serve as a neighborhood park with a paved trail and seating circling the pond.

• Phase 1 of the Magnolia Drive Multi Use Trail is currently under construction between Meridian Street and Ponitac Drive. Once completed, this project will provide a 10’ multi-use path along Magnolia Drive from South Adams Street to Apalachee Parkway. Planned improvements include the installation of sidewalks, multi-use trails, streetscaping, and signalization at the intersection at Jim Lee Road as well as landscaping and improved lighting along the corridor. The trail is funded by Blueprint and is being constructed through a partnership with Leon County Public Works and City of Tallahassee Utilities.

• Constructed the Capital Cascades Crossing pedestrian bridge and trail connections. This project includes a multi-use trail that extends three city blocks and connects the Cascades Park segment of the trail to the east with the FAMU Way segment of the trail to the west. The Capital Cascades Crossing is an expansion of the award winning Cascades Park as it carries Cascades Park across Monroe Street to Adams Street, where it joins FAMU Way.

Demonstrating Highest Standards of Public Service
2015 Facility/Park Design Award for Cascades Park - This Award is presented by the National Recreation and Park Association to the jurisdiction that manages an innovative park or facility that serves as a model facility or park in its inclusiveness and responsiveness to the needs of the local community or region.
Mission Statement
To provide safe, efficient, and sustainable roadways and transportation amenities, stormwater facilities, maintenance services throughout Leon County that enhances its livability, environment and economic vitality.

Strategic Initiatives/Support Highlights
• In pursuing Public Works’ American Public Works Association (APWA) accreditation, the department completed the first step in the accreditation process. During FY 2016, Public Works submitted a formal application and agreement to pursue accreditation. Public Works is now in the process of revising and/or developing policies and procedures, and implementing new processes, which are required for accreditation.
• Participated in the development of the North Monroe Street Corridor Action and Management Plan, which identified revitalization opportunities along North Monroe Street
• Assisted in the development of an agreement for Orchard Pond Parkway, the first Public/Private Toll Road in Florida. Orchard Pond Parkway was completed in April 2016.

PLANNING, BUILDING & MAINTAINING QUALITY INFRASTRUCTURE

• Public/Private Collaboration: Orchard Pond Parkway Toll Road – In an effort to enhance mobility in the northern part of the County, Leon County collaborated with the property owners adjacent to Orchard Pond Road to build the first privately built toll road in Florida. This 5.2 mile stretch of road, located between Meridian and Old Bainbridge Roads, provides direct relief to I-10 between Capital Circle Northwest and US 319 North of I-10.
• The Florida Department of Transportation awarded a State Infrastructure Bank (SIB) loan to the owners for the construction of the Toll Road. The SIB load funded $13.5 million of the approximate $17 million for construction of the project, with the property owner funding the remainder. The SIB loan will be repaid with toll revenues generated by the Project.

Did You Know
Leon County Public Works provides water quality monitoring services at 73 sites throughout Leon County.
Goal Statement
To provide the public with professional services for the construction and maintenance of cost-effective infrastructure to enhance our community’s quality of life.

Strategic Initiatives/Support Highlights
Quality of Life
- Continued to provide essential services that make Leon County a place where people are healthy, safe, and connected to their community.
- Continued to create connectedness and livability through supporting human scale infrastructure.
- Completed easement acquisitions for the North Monroe Street Turn Lane/Through Lane Addition project, and assisted FDOT in completion of the construction.
- Continued emphasis on pedestrian connectivity, resulting in the completion of the following sidewalks in FY 2016: Fred George Road from Mission Road to the Fred George Park; Nabb Road from Buck Lake Road to the south of Rich Farm Road; Timberlane School Road from Timberlane Road to the north of I-10; Timberlane Road from Woodley Road to Deerlane Drive.

Professional Services and Quality Infrastructure
- A safe and efficient transportation system is critical. Leon County remains committed to constantly evaluating roadways for efficiencies. This past year, Leon County:
  » Constructed the new Natural Bridge Road Bridge.
  » Nearly eight weeks ahead of schedule, completed the Old Bainbridge Road Roundabout. The project enhanced the safety for vehicles and pedestrians by calming the traffic through the intersection and reducing congestion during peak traffic hours.
  » Resurfaced Tram Road from St. Joe Road to County Line, Buck Lake Road from Baum Road to Chaires Cross Road, Lanier Street, Blount Creek Landing Road, Holder Lane, and Tekesta Drive.
  » Provided assistance to complete Orchard Pond Parkway.
- In order to implement the most cost-effective options to reduce flooding and improve the community’s surface and ground water quality, Engineering Services completed the following projects:
  » Robinson Road Flood Mitigation - this project included the property acquisitions and construction of a landscaped stormwater attenuation area between Old Woodville Highway and Woodville Road. A portion of Old Woodville Highway was re-built to improve drainage. The completed project creates more storage capacity to mitigate flooding in the Robinson Road area.
  » Lake Heritage Dam - a new concrete spillway was built and the dam was re-graded to control the overflow from Lake Heritage in lieu of failed overflow control structure and the leaking discharge pipe. The completion of this project ensures the safety of the dam and facilitates future maintenance while maintaining the same functionality of the stormwater facility.
  » Crump Road Cross Drain Replacement – this project raised the road to enhance accessibility while the new box culvert would still maintain the stormwater conveyance without overtopping the road.

Demonstrating Highest Standards of Public Service
Two projects received the 2015 APWA awards from the Big Bend Branch. The Crump Road Emergency Culvert Replacement project received the award in the Emergency Construction category and the Kinhega Drive at Beech Ridge Trail received the award in the Transportation category.

Goal Statement
To provide the best quality maintenance and repair at the most economical cost to taxpayers of Leon County.

Strategic Initiatives/Support Highlights

Environment
- The Green Fleet Team provides input in the selection and purchase of a sustainable fleet. Currently, the County’s fleet is composed of 44 alternative fuel vehicles and 11 pieces of miscellaneous equipment. Four one-ton trucks utilizing unleaded gasoline and CNG were purchased in FY 2016.
- Recycling is part of the culture of the Fleet Division. More than 1,475 gallons of used motor oil have been recycled.
- The Fleet Management Division implemented the use of Echo Power Synthetic Blended recycled motor oil.

VEHICLE REPAIR & PREVENTATIVE MAINTENANCE
- To promote efficiencies within Fleet Management and improve the management of resources, the team:
  - Performed 1,000 preventative maintenance services.
- In order to properly manage the community’s financial resources, Fleet Management regularly pursues cost-saving opportunities such as:
  - Investing in new hybrid vehicles. The average MPG on hybrid vehicles in FY 2016 was 28.81.
  - The Fleet Division purchased three alternative fuel (CNG) vehicles during FY 2016.
  - Collected $131,000 in surplus vehicles and equipment auctions and $134,100 on buy-back equipment for a total of $265,100. Additionally, $155 was generated for used oil and scrap metal.
  - Purchased 1,649 gallons of Echo Power, Echo Friendly Recycled Motor Oil. Fleet also recycled 1,475 gallons of used motor oil.

Did You Know
Leon County’s fleet includes many alternative fuel vehicles, including those that use compressed natural gas (CNG) - a fuel that is both cleaner-burning and more cost efficient than regular gasoline.
Goal Statement
To provide an integrated solid waste management system dedicated to excellent customer service and responsible fiscal and environmental stewardship.

Strategic Initiatives/Support Highlights

Environment
• Constructed additional shelters to allow better protection of Household Hazardous Waste drop offs at the Rural Waste Service Centers.
• Transfer Station employees removed 30 tons of waste tires from the household waste stream. This resulted in annual savings of $36,000.
• Evaluated the long-term policy implications of the following options, taking into consideration the potential fiscal, environmental, operational and neighborhood impacts: a complete closure of the landfill; redirect Class I Solid Waste from the Transfer Station to the landfill; and a hybrid solution that includes both Class I Solid Waste disposal at the landfill and through the Transfer Station.
• Dual purposed a closed solid waste disposal cell for event parking at Apalachee Regional Park. The parking lot has a capacity of 3,000 vehicles.

CUSTOMER SERVICE, ENVIRONMENTAL STEWARDSHIP & INNOVATION

• Leon County’s Hazardous Waste Center continued to be a one-stop location for hazardous waste and electronics disposal that promotes the reuse and recycling of these products.
  » Processed 368 tons of potentially hazardous material from 10,784 residents, of which 206 tons was removed from the solid waste stream through recycling or reuse. The hazardous material is collected from the four Rural Waste Collection centers, the Household Hazardous Waste Collection Facility and through nine weekend collection events held at the Public Works Facility.
  » The Swap Shop continued to promote the reuse of household products. The program receives usable household products, such as paint, pool chemicals, and polishes, all of which are available to the public at no charge. This includes returning 49 tons of household products to the community through the Swap Shop and 5,330 gallons of re-blended latex paint through the ReNew Paint program.

• Leon County continues to strive toward state benchmarks for recycling:
  » Achieved 54% recycling rate.
  » Recycled over 284 tons of electronic scrap.
  » Partnered with the Sharing Tree, a community resource for reuse and recycling of art supplies and other materials that would otherwise be destined for a landfill.
  » Processed 20,000 tons of yard debris from Leon County residents. The processed yard debris generates fine mulch that is given away for free to Leon County residents.
  » Processed 300 tons of waste tires from Leon County residents. The tires are transported off site to a processor who uses the tires for an alternative fuel.

Goal Statement
To provide for the safety and convenience of the public by constructing, maintaining, beautifying and protecting our infrastructure, to include transportation maintenance, stormwater maintenance, right-of-way maintenance, and mosquito control services.

Strategic Initiatives/Support Highlights

Economy
- Began working with the project contractor to inspect and approve the landscaping installed on the Southwest/Northwest segments of Capital Circle. Operations will assume all landscape area maintenance responsibility for the segments.

Environment
- Completed the 2016 Canopy Road Tree Inventory update, providing valuable data which will assist in future management needs.
- County residents received 400 Eastern Redbud trees through the Adopt-A-Tree Program, funded by the Leon County Tree Bank.

Quality of Life
- Leon County, in cooperation with the Florida Department of Health, developed a Zika Mitigation Action Plan. The plan provides a framework for coordination and response to transmission of the Zika virus.
- Completed 22 burials at the Leon County Serenity Cemetery. In addition, cooperative efforts continue between Operations, Real Estate and Engineering for expansion of the cemetery in the near future.
- Completed 126 Private Road Repair requests.

TRANSPORTATION INFRASTRUCTURE

- Cleaned and repaired more than 22 miles of roadside ditches, which will improve water quality and reduce the potential of stormwater impacts on adjacent properties.
- Through the use of Citizens Connect, the division has received more than 2,382 requests for services. In addition, the division has received over 10,600 requests for services via e-mail, telephone and other means.
- Refurbished 64 line miles of pavement striping to improve driver visibility on roadways.
- Performed 8.3 miles of road resurfacing with Open Grade Hot Mix (OGHM). The OGHM pavement is more environmentally friendly asphalt that provides for a certain degree of stormwater treatment within the asphalt mat.
- Performed maintenance on more than 858 acres of landscaped areas throughout Leon County.
- Responded to 8,261 service requests for Mosquito Control Services.
- During this past year, Operations:
  » Installed and repaired approximately 5,929 street signs throughout Leon County.
  » Washed and cleaned approximately 7,765 sign panels.

» Repaired over 70.56 miles of road shoulders.
» Painted more than 84,615 square feet of pavement traffic symbols.

Did You Know
In Leon County there are more than 40 different species of mosquitoes with a wide range of habitats. Only about 15 of these species are considered to be of economic or medical importance.
Goal Statement
To serve as a bridge from strategic planning to action implementation by ensuring alignment of organizational activities, initiatives, and culture with the overarching strategic vision and plan set forth by the Board of County Commissioners.

Strategic Initiatives/Support Highlights

Governance
- Provide for County Commissioners in their leadership roles with the National Association of Counties and the Florida Association of Counties. Through these positions, County Commissioners lead national and statewide conversations about policy issues impacting county governments, as well as exchanging best practices with fellow county commissioners and staff.
- Leon County conducted approximately 30 LEADS Listening Sessions in 2016, involving more than 350 participants supporting the initiative’s success. These sessions resulted in the identification of 124 proposed improvements to business operations, employee satisfaction and customer experience.

Economy
- County secured $100,000 in funding from the Florida Legislature in support of the Leon Works initiative to promote awareness of skilled workforce needs.

Advocating for Leon County’s Legislative Interests
- Through Community Legislative Dialogue Meetings, Leon County continued to partner with stakeholders throughout the community to identify legislative items of shared significance. Leon County partnered with organizations such as the Florida Association of Counties, Leon County’s state and federal legislative delegations, the City of Tallahassee, institutions of higher education, and others to identify these shared issues and to seek opportunities to leverage financial, technical, and human capital to draw attention to the community priorities at the federal, state, and local levels.
- Staff prepared, guided and implemented the County’s 2016 state and federal legislative priorities to leverage funding for local projects and preempt legislation that threatened local decision-making.
- During the 2016 regular and special legislative sessions, staff produced weekly briefings (the Capitol Update) to keep the Board of County Commissioners and senior staff apprised of legislative developments that would impact the community.
- Staff led a multi-departmental effort to win 14 National Association of Counties (NACo) Achievement Awards in 2016, including one “Best in Category” designation for Leon County’s DesignWorks program. The 14 Achievement Awards spanned categories ranging from Parks and Recreation to Information Technology. NACo’s awards recognize Leon County’s efforts in providing cost effective, high quality service to citizens.
In an effort to reduce the use of single-use plastic bags and promote the adoption of sustainability practices within County government and the community at large, Leon County partnered with the Florida Department of Environmental Protection, the City of Tallahassee and the Florida Department of Health in Leon County to host the Healthy Communities Festival. The event drew over 2,000 attendees and 60 exhibitors provided educational units, resulting in 2,080 certifications and/or continuing education credits awarded to professionals.

The Leon County Cooperative Extension Services trained over 438 commercial landscape maintenance and land management professionals, resulting in 2,080 certifications and/or continuing educational units. Cooperative Extension also engaged 7,342 youth in 4-H programs and activities and initiated 4-H SPIN (Special Interest) Clubs at three of the Leon County libraries during the summer months.

Through its Community Garden Program, the Office of Sustainability has supported 27 community gardens to date. Staff engaged in ongoing publicity efforts to promote the program, including several garden dedication ceremonies to highlight both the new garden’s intended efforts and the County’s contributions.

Leon County is committed to community outreach and education to expand our reach and improve our services. Among the day-to-day efforts and presentations, staff participated in the following events:

- On April 23, 2016, Leon County partnered with the Florida Department of Environmental Protection, the City of Tallahassee and the Florida Department of Health in Leon County to host the Healthy Communities Festival. The event drew over 2,000 attendees and 60 exhibitors provided environmental resources focused on sustainability.

- In an effort to reduce the use of single-use plastic bags and increase the use of reusable bags, the Office of Sustainability hosted a community-wide Better Bag Challenge, which encouraged citizens to trade plastic bags for a canvas tote bag. Nearly 200 citizens brought in an estimated 1,500 plastic bags.

- The Office of Sustainability participated in the Spring Home Expo by hosting a Composting and Gardening 101 session and a Better Bag Challenge.

- Redesigned the Growing Green website. The website features a variety of topics, including waste and energy reduction, local food, and sustainable transportation, and is consistently updated.

- Continues to deliver Workplace Sustainability Workshops to Leon County departments to encourage energy and water conservation, better purchasing options, waste reduction and overall employee health.

- The Leon County Cooperative Extension Services trained over 438 commercial landscape maintenance and land management professionals, resulting in 2,080 certifications and/or continuing educational units.
Mission Statement
To serve the people of Leon County as a responsible steward of all building infrastructure that is necessary to support County operations in a timely, professional and cost-effective manner.

Strategic Initiatives/Support Highlights
Quality of Life
- Leon County collaborates with the John G. Riley Center/Museum on their annual Blended Lives Program by reserving the lower bottom portion of the Gadsden Street parking lot to provide ample space so that tents may be set up to allow over 2,500 to engage in a historical experience.

Economy
- In FY15-16 Leon County provided parking access cards to 14 persons with disabilities and 34 veterans for the parking lot at the Main Library at no cost.

Environment
- Facilities Management worked in partnership with the Leon County Cooperative Extension office to provide a fresh, new look to the main entrance area. The interior entrance was freshly painted and additional door window panes were installed to provide more natural lighting. A new sustainable cork floor was installed and a new front intake counter area was designed to provide better customer service to our Leon County citizens.

Governance
- Facilities Management assisted in the relocation of the Blueprint 2000 agency to the Government Annex building.

PROFESSIONAL CONSTRUCTION & MAINTENANCE FOR COUNTY BUILDINGS

- Installed thirteen new remote heat pumps and air handlers at the Southside Health Department. The new units will run more efficiently, more quietly, and they require less maintenance and can be monitored and adjusted remotely.

- Collaborated with the Main Library in the removal of a historical oak tree. As an alternative of removing the tree, the base of the tree was transformed into a wood sculpture.

- Refreshed the exterior of the Amtrak building with the assistance of a grant through the Community Redevelopment Agency. Facilities Management painted the exterior of the building for the Amtrak Train site visit. In addition, Facilities Management repainted the covered walk way, park bench seating, and added new, more efficient LED lights around the exterior of the building.

- Renovated new office space for the Warrants Division at the Leon County Government Annex building. The renovations included new interior walls, new countertops, paint and carpet. The relocation of the Warrants Division provides better access for citizens who may need access to the Court offices and the Clerk’s Office which both are centrally located in the Courthouse adjacent to the new Warrants Division.

- Renovated new office space for Human Resources within the Leon County Government Annex building. The renovations included new interior walls, fresh, new paint and new carpet. With the new relocation, HR staff is now located in one suite which provides for a more open, cohesive work environment.

- To adhere with the Constitution of the State of Florida, Article V, Section 14, Leon County Facilities Management assists constitutional agencies in updating several courtrooms and jury deliberation rooms located within the Courthouse. The improvements include a fresh coat of paint, new carpet, new cabinetry and new courtroom furnishings.

- Continued new work at the Leon County Jail. These improvements include replacement windows for the Sheriff’s Administration Building and the Jail; upgrading the Building Automation System, replacing new restroom doors, replacing water heaters with more efficient units and installing a new sign which re-named the facility in honor of the late Sheriff Larry Campbell.

- In preparation of the 25th Anniversary celebration of the main library, Facilities Management painted and replaced carpet on the 2nd and 3rd floors of the main library, replaced all lighting and re-tiled the stairways of the main atrium.

- Assisted with the review of historical sewer overcharges for leachate at the Solid Waste Management Facility, resulting in significant cost recovery.

Library Live Oak Tree Removal
Goal Statement
To provide for the safety, comfort, and convenience of the public by creating, maintaining infrastructure and programs supporting recreation, parks and open space.

Strategic Initiatives/Support Highlights
Quality of Life
• Completed the construction of Fred George Greenway and Park, featuring a 160-acre greenway and 10 acres of recreational amenities.
• Took the lead in coordinating and staffing the 2016 Joint County/City Arbor Day Planting. This year’s planting was of 800 long-leaf pine tublings at Apalachee Regional Park. The planting helps promote sustainable practices and sequester carbon, and will eventually provide a shaded perimeter for the back portion of the cross country course.
• Improved active park amenities through the installation of scoreboards for fields #3 and #4 at Apalachee Regional Park and began renovations to the existing concession stand Woodville Park.
• Completed the construction of Okeeheepkee Prairie Park.

MAINTAINING LEON COUNTY’S PRISTINE PARKS & GREENWAYS

• Leon County continued to operate, maintain, develop, and promote the many unique recreational amenities the community desires.
• Completed the construction of Fred George Greenway and Park, featuring a 160-acre greenway and 10 acres of recreational amenities. A newly installed sidewalk connects park goers to nearby neighborhoods, businesses and the Leon County Lake Jackson Library and Community Center. Fred George Park hosts a regulation-sized baseball diamond, a concession stand with a restroom and a multi-purpose field, as well as roughly two miles of natural-surfaced trails.
• Completed the construction of Okeeheepkee Prairie Park, which includes two elevated boardwalks to provide bird-watching and overlook opportunities, as well as ADA access to the trail around the pond; 1/2 mile of stabilized walking trail around the perimeter of the pond with a crushed oyster shell surface; sidewalk along the entire frontage of Fuller Road, tying to the boat ramp parking area; an informational kiosk; and landscaping.
• Worked with Facilities and Library staff to accommodate additional programming space for the Leon County Senior Outreach program. The senior programs now have access to space at the Northeast Library when the library is closed.
• Partnered with Little League and Babe Ruth to provide programming opportunities at the new Fred George baseball field.
• Enhanced the Reservation System to include Leon County Campgrounds and the pavilions at J. Lee Vause Park. The enhanced system makes it more convenient for booking an overnight stay or an upcoming event.
- Began construction of the Jackson View Boat Landing Improvements, which are anticipated to be completed in early 2017.
- Conducted six prescribed burns, encompassing nearly 500 acres, between January and June for the purpose of vegetative habit restoration and improvement, with a secondary benefit of public safety for wildfire prevention.
- Embarked upon and engaged the community in a master planning process for expansion of the Apalachee Regional Park amenities as a result of closure to portions of Leon County’s Solid Waste Facility.
Development Services Division

- Continued to provide exceptional customer service to the community and ensured that all approved development met or exceeded the minimum development standards. During FY 15-16, Development Services reviewed and approved 28 site and development plan applications, issued 21 concurrency certificates, reviewed and approved 39 exempt subdivision applications, issued 103 Permitted Use Verifications, and reviewed 764 applications for land use compliance.

- At the request of the Board, staff drafted an Ordinance to allow outdoor dog-friendly dining for local restaurants as an exception to Chapter 509, Florida Statutes. The Board approved the Ordinance which became effective on July 1, 2016.

- Worked extensively with the Buck Lake Alliance and Fallschase developer to review and approve a proposed movie theater and apartment development in compliance with the applicable site and development plan regulations as well as the Board-approved Fallschase Village Center Building and Site Design Guidelines and Standards Manual.

- Developed an Ordinance amending the Land Development Code to establish location standards and mitigation requirements for new private and charter schools.

Building Plans Review and Inspection Division

- Continued to ensure building safety within unincorporated Leon County: performed 12,555 building, electrical, plumbing and mechanical inspections; completed the associated plan reviews and issued approximately 3,607 building permits.

- Initiated the final phase of the digital document management program, Project Dox. This phase expands the current use of Project Dox to allow the electronic submittal and review all building permit applications.

Environmental Services Division

- Staff revised the Driveway and Street Connection Guidelines and Procedures Manual and the Driveway Connection Permit Applications and the associated implementing Ordinance which were approved by the Board. Driveway and street connection review and permitting functions were transferred from Public Works to Environmental Services on May 16, 2016.

- Continued to protect the community’s natural features by reviewing and approving 48 Natural Features Inventories, 116 site plans, 28 stormwater management facility (SWMF) operating permits, 747 single-family permits, 217 SWMF operating permit renewals, and 87 environmental management permits. Staff also assisted 1,400 walk-in and telephone clients, and performed more than 7,500 environmental inspections.

- The Orchard Pond Parkway and Natural Bridge Road bridge projects were completed, inspected and finalized. The Capital Circle S.W. widening project is nearing completion. Staff is working with the Science Advisory Committee to develop recommendations for improving the water quality of Lake Munson.

- The Leon County Petroleum Storage Tank Regulation Program performed over 450 petroleum tank inspections in Leon, Gadsden, and Wakulla Counties during the Florida Department of Environmental Protection’s 2015/2016 fiscal year.
Strategic Initiatives/Support Highlights

Economy
- Developed examples of acceptable standard solutions to expedite environmental permitting for additions to existing single-family homes.
- Revised the Land Development Code to provide a more streamlined application process for accessory dwelling units.
- Revised the Land Development Code to allow outdoor dog-friendly dining as an option for local restaurants.

Quality of Life
- Implemented a property registration program for abandoned real property to ensure vacant properties are adequately maintained.
- Revised the Rural zoning district to allow outdoor shooting ranges as a restricted use.
- Integrated low impact development (LID) standards into the Land Development Code.

Environment
- Continued to update 100-year floodplain data in GIS with site-specific analysis received during the development review process to ensure future development is permitted outside of flood prone areas, and to provide a database to assist property owners and consultants with the design of proposed developments.

Governance
- Continued to offer after-hours and weekend building inspections for construction projects. This change assists roofing, HVAC, and other specialty contractors, and will also provide homeowners the opportunity to be present during the County’s final inspection of their project.
- Developed and implemented the multiphase electronic building permit application submittal and plans review process.

Permit & Code Services Division
- Development support through customer service is critical. During the year, more than 10,475 walk-in customers were assisted, over 26,550 phone calls were answered, and over 335 online Citizens Connect Service Requests were addressed. Additionally, 808 contractor licensing customers were assisted by staff.
- Staff responded to 3,616 code compliance calls from citizens, reporting issues such as public nuisances, junk, illegal dumping, or illegally removing trees or filling wetlands, resulting in 1,217 site inspections, and the presentation of 76 cases before the Code Enforcement Board for resolution.
- Continued to implement the Abandoned Property Registration (APR) Ordinance approved by the Board on March 12, 2013. This ordinance established a registration program to protect neighborhoods from becoming blighted through distressed and abandoned properties with mortgages in default. To date, 1,158 properties have been registered.
- Implemented the Compliance Certification Letter (CCL) process approved by the Board on July 7, 2015. The CCL process provides for the recovery of associated costs of research and processing of open code violations, lien research requests and the issuance of a CCL by the Code Compliance Program. To date, 313 CCL’s have been issued.
- Implemented the amended Sign Code Ordinance approved by the Board to address illegal signs in the right-of-way in the unincorporated County. To date, 521 signs have been removed.
Mission and Goal Statements

HSCP: To build a stronger, healthier community by providing a safety net of resources, services, and solutions for citizens in need, in partnership with our community.

Human Services: To serve as a safety net to enhance the quality of life for residents by providing resources, access to social services, and short-term financial assistance.

Primary Healthcare: To improve the health of citizens by providing quality and cost-effective health services through collaborative community partnerships.

Strategic Initiatives/Support Highlights

Quality of Life

• As mandated by State law, Leon County paid more than $2.5 million as a Medicaid match for Medicaid patients’ hospital stays and for nursing home residents.

• Continued to support, fund and administer the Community Human Service Partnership (CHSP), in partnership with the City and United Way, by allocating $1.2 million for human services programs.

• Expanded Primary Healthcare services to include allocated funds for Dental Care services in an effort to reduce the health disparities surrounding oral health and increasing health services care coordination.

Provided funding to community healthcare partners (collectively “CareNet”) as part of a Countywide effort to offer critical health services to uninsured and low-income residents. Leon County’s investment in health services has helped realize a return of $3.01 for every $1 of County tax revenue contributed to CareNet.

» Leon County contributed $1.3 million to help fund the more than 7,500 visits for primary care and mental health services for uninsured and low-income residents at Neighborhood Medical Center, Bond Community Health Center, and Apalachee Center.

» Leon County provided $168,826 to the Capital Medical Society Foundation’s We Care Network to coordinate donated specialty medical care and dental care for uninsured and low-income residents valued at more than $2.9 million.

» Leon County committed $500,000 to support the construction of the Comprehensive Emergency Services Center. With help from numerous community partners, the building centralizes services to address homelessness in the community by relocating the Shelter and the Renaissance Community Center. This move helps foster new investment and commercial development potential in the Frenchtown community.

» Leon County builds local and national partnerships to provide eligible residents critical and life-saving prescription drugs at reduced costs:

  » Uninsured residents with limited income have received over 10,500 prescription medications, valued at more than $143,448 through the CareNet partnership with FAMU Pharmacy and Neighborhood Medical Center.

  » Residents used Leon County’s free Prescription Discount Card, made possible through the County’s partnership with the National Association of Counties (NACo), to fill more than 800 prescription medications not covered by insurance.
Goal Statement
To promote safe, sanitary and affordable housing through homeowner education & counseling, home rehabilitation & replacement, and foreclosure prevention, in the unincorporated areas of Leon County.

Strategic Initiatives/Support Highlights

Economy
- Provide administration and marketing for the Leon County Housing Finance Authority First Mortgage and Down Payment Assistance Program. Nearly 60 first-time home buyers purchased their own home in Leon County as the program supplied over $6.5 million dollars in first mortgage financing and close to $700,000 in down payment assistance was provided.
- As an approved Advisor Agency for the federally-funded Florida Hardest Hit Foreclosure Prevention Program, Leon County secured a Principal Reduction Loan for six eligible homeowners statewide; and financial relief for seven Leon County eligible residents, which gives them time to find new or sufficient employment, avoid foreclosure and stay in their homes.
- Ten Leon County residents were assisted with severe housing repair needs through a new Emergency Housing Repair Program, funded through the Leon County Housing Finance Authority. $13,199.97 in total funding was expended on roof, HVAC, septic, and well repairs.
- Leon County rehabilitated three low-income residents’ homes and replaced one resident’s home of which a tree had fallen upon during a storm, making the home uninhabitable.

Did You Know
Leon County residents can receive up to $42,000, providing homeowners the time to find new or sufficient employment, so they may avoid foreclosure, and separately receive up to $50,000 to lower their overall mortgage debt.

- 62 first-time homebuyers purchased a home in Leon County through the Leon County Housing Finance Authority’s Down Payment Assistance Program, funded in conjunction with Escambia Housing Finance Authority.
**Goal Statement**

To assist Veterans and their dependents in accessing federal, state and local benefits earned for their honorable military service. Divisional staff manages all Veterans’ activities within Leon County and acts as a single point of contact for outside government and private agencies concerning Veteran’s issues. The staff also provides outreach service and support to Veteran service organizations, non-profit entities, community partners, residents in assisted living facilities and nursing homes.

**Strategic Initiatives/Support Highlights**

**Economy**

- Continued to focus resources on assisting Veterans.
- Helped Veterans and their dependents with processing benefit claims and obtaining other benefits entitled to them through the U.S. Department of Veterans Affairs and other federal agencies.
- Continued to fund and administer Leon County’s Active Duty Grant Program, to help offset financial obligations for active duty service members and their families.
- Continued to fund Leon County’s Veterans Emergency Assistance Program, which provides Veterans in need with emergency financial support for expenses such as rent, utilities, temporary shelter and transportation for medical treatment.
- Continued to host the annual Operation Thank You events by hosting fourth annual Operation Thank You on Armed Forces Day to honor and recognize the service of Korean War Veterans.
- Continued to partner with Career Source Capital Region by referring Veterans

**County’s Veteran Services and other community resources dedicated for veterans.**

- Provided veteran benefits presentations for “Senior Days” at all senior center events throughout Leon County.
- Maintained strong relationships with community partners by attending United Vets monthly coordinating meetings.
- To honor and recognize the service of Leon County Veterans, Leon County partnered with the American Legion Sauls-Bridges Post 13 to host the 2015 Operation Thank You breakfast. Over 500 citizens and veterans attended the event.
- Processed claims on an average of 85% success rate for pension, which assists war time disabled and elderly veterans and their survivors.

**OFFICE OF HUMAN SERVICES & COMMUNITY PARTNERSHIPS:**

**VETERAN SERVICES**

**VETERANS HELPING VETERANS**

- Leon County understands that behind every veteran’s benefits claim is a veteran in need. In FY16, the Leon County Veteran Services Division:
  - Assisted more than 3,500 veterans and dependents in person.
  - Administered the free Bus Pass Program for veterans. The City of Tallahassee/StarMetro implemented a Bus Pass Program to provide free transportation to low income and disabled veterans good for one year. Veteran Services Division processed over 400 applications totaling 6,500 trips on StarMetro fixed route system.
  - Facilitated claim actions that resulted in Leon County Veterans receiving more than $8.8 million in new award funding.
  - Managed the Veterans Resource Center where veterans have access to resources to assist them with employment needs.
  - Sent “welcome” letters to all separating veterans who designated Tallahassee as their home of record or as the place they will be relocating to after separation. These letters provide a wealth of information regarding services provided by Leon County’s Veteran Services and other community resources dedicated for veterans.

*Operation Thank You*
Did You Know

Disabled and elderly veterans and survivors who served during a wartime era may potentially be eligible for a monetary pension. In most cases they become eligible when their medical condition requires aid and attendance with their assisted daily living activities.

Leon County Government is dedicated to serving veterans. In 2015, Leon County served more than 3,500 veterans and dependents with face-to-face consultations. For his or her service, a veteran has earned many benefits. But sometimes, the application process can be complicated. Leon County staff works to help veterans and their spouses process medical claims, retirement benefits, and even to receive assistance for certain approved emergency needs like heating and cooling.

But being a one-stop shop for local veterans is not the whole story of what Leon County does. In 2016, Leon County engaged the community on veteran events such as Honor Flight, Operation Thank You, and the Veterans Day Parade. Leon County supported Honor Flight Tallahassee, a program that flies World War II veterans – at no cost – to Washington D.C. to visit memorials dedicated to their service. Leon County Emergency Medical Services staff and others served as chaperones on the day-long trip. For some of the attendees, that day was their first chance to see the memorials honoring their service. Leon County also honored veterans at home. In its continuous and long tradition of supporting local veterans, Leon County has partnered with American Legion Sauls-Bridges Post 13 to host Operation Thank You Veterans Day Breakfast. Each veteran in attendance received an Operation Thank You Commemorative Challenge Coin and Leon County Proclamation.

- Developed and approved funding for the Veterans Emergency Assistance Program, which provides emergency financial assistance to help qualifying Veterans meet critical, basic needs such as, rent, mortgage, and utilities. The County distributed more than $50,000 to Veterans through this program in FY16.
- Partnered with Honor Flight Tallahassee, which transported 80 World War II Veterans and support personnel to Washington, D.C. to visit memorials dedicated to honor their service and sacrifice. An Honor Flight trip is provided at no cost to the Veterans, and entirely funded by local fundraisers and community support. Leon County contributed staff support and $15,000 to help offset the costs of this event.
- Continue to support the North Florida Veteran Stand Down. Processed claims and provided benefits classes to Homeless Veterans during the three-day event.
ALIGNING BOARD PRIORITIES WITH OPTIMIZED RESOURCES

Goal Statement
To empower citizens to answer local needs through volunteerism and community engagement.

Strategic Initiatives/Support Highlights
Governance
• As a part of Leon County’s Summer Youth Training Program, nearly 70 students were introduced to the world of volunteerism and civic engagement. Each student participated in meaningful service projects and opportunities to learn more about how decisions are made in local government. Students reported they now have a better understanding of how policies and programs are developed, and more importantly, how necessary it is for young citizens to use their voices, skill and talents to contribute to the community.
• In its role as the County’s Emergency Support Function, VolunteerLEON coordinated volunteers and donations, and successfully responded to three partial activation and one full activation. Employees and volunteers were trained to provide the needed support to Leon County’s Emergency Operation Center during critical activations.

RESPONSIVE VOLUNTEERISM & COMMUNITY ENGAGEMENT

• Leon County continued to leverage the vast talents and resources of residents for the benefit of a diverse group of organizations and individuals.
• Through internships and volunteer service, more than 5,200 citizens volunteered with Leon County programs and special events and contributed over 130,000 hours of service.
• VolunteerLEON’s Internship Program connects students to meaningful resume-building internships. The success of this hands-on learning program has generated more interest than available positions. Evaluations of the internship program by participating students and County department supervisors indicated satisfaction rates greater than 95 percent.
• VolunteerLEON continues to play a leadership role in the activities of Community Organizations Active in Disaster (COAD), an association of non-profits and government agencies that participate in all phases of disaster response and recovery.

VolunteerLEON staff, volunteers, and interns participated in 35 community events. Also, staff conducted presentations and outreach on program services by speaking at workshops, serving on panels, attending volunteer fairs, and assisting with community events.

ATTRACTING, TRAINING AND RETAINING A QUALITY WORKFORCE

• Encouraged employees to engage in healthy behaviors, which promotes a healthier workplace and reduces employer costs. The Well-Being Team along with Human Resources held the first combined 2015 Well-Being and Benefits Fair in partnership with over 68 participating community and business vendors. Over 600 Leon County Government employees attended.
  » Live Well LEON hosted 80 seminars for employees with professional guest speakers from the health and wellness industry.
  » Live Well LEON partnered with Tallahassee Memorial HealthCare’s Diabetes Center and Weight Watchers for onsite programs.
  » Live Well LEON partnered with My 4 Rules to offer six one-on-one diabetes/pre-diabetes and nutrition sessions.
  » County employees lost over 2,000 pounds through healthy living activities provided through Live Well LEON.
  » Introduced Loans at Work program to provide a payroll-deducted, direct-to-consumer loan, designed for employees who do not have access to traditional credit options. Employees must take a Financial Literacy Course before they can apply for the loan.
• Reflecting Leon County’s concern for workplace safety, Leon County developed its Domestic Violence, Sexual Violence, and Stalking in the Workplace policy and employee handbook.
• Provided Human Trafficking Awareness training to front line staff to recognize and report signs of human trafficking within our community.
• Implemented the Banner financial system’s Self-Service Module to efficiently provide employees with online access to their personnel information.

» Continued to expand electronic business processes, including the electronic timesheet system which automates the time entry for staff, thereby increasing efficiencies and accuracy.
• Continued to conduct the Summer Youth Training program, which offers youth ages 14-21 an opportunity to help form their career outlook by working in various departments throughout Leon County and providing an educational and productive alternative for the summer months.
• Continued its Employee Recognition Program, to better reinforce its commitment to innovation, efficiencies, and its core practices. Celebrated nearly $1 million in recurring savings from employee recommendations at the inaugural Employee Awards and Recognition Breakfast.
• Expanded recruitment efforts to include social media platforms to attract more qualified applicants.

Demonstrating Highest Standards of Public Service
Leon County received the 2016 Florida Public Relations Association Image Award for the Innovator/Inspirator award.
Mission Statement
To provide reliable and effective technology and telecommunications solutions and services to County agencies to enable them to fulfill their missions in serving the citizens of Leon County.

Mission Statement

Office of Financial Stewardship: The mission of the Leon County Office of Financial Stewardship is to provide sound financial management, ethical procurement services and asset control to the Board of County Commissioners, County Administrator, and Board departments, offices and divisions, while minimizing long-term costs associated with accidental losses, in order to support effective decision making and ensure responsible stewardship of County resources.

Office of Management & Budget: The goal of the Office of Management & Budget is to continuously enhance the quality of County services by optimizing the use of County financial resources through the effective provision of planning, policy analysis, budget development, budget implementation and program evaluation services to benefit citizens, elected officials and staff.

Strategic Initiatives/Support Highlights

Governance
• Leon County demonstrated its commitment to responsible stewardship with the development of the FY2016/2017 budget. The budget is balanced without increasing the current 8.3144 millage rate. The total estimated tax collections for FY2017 will be $3.5 million more than FY2016, representing a 3.12% increase.
• Business plans were revised as part of the Leon LEADS Strategic Planning process, transitioning to a five-year planning cycle that spans from FY2012 through FY2016. The Business Plan is a road map and a broad plan of action for accomplishing the Board’s priorities, and serves as a gauge to assist the department in measuring outcomes of the plan.

RESPONSIBLE PLANNING & MANAGEMENT OF THE COMMUNITY’S FINANCIAL RESOURCES

• Moody’s Investor Service report issued in August 2016, the bond credit rating business called Leon County’s financial position “very strong.” The report focuses on Leon County’s key credit factors including “a robust financial position” and “a healthy socioeconomic profile.” Specifically, the Moody’s report highlights the County’s management and governance, stating that “balanced financial operations are a component of sound financial management.”
• OMB requires semi-annual capital project reporting from capital project managers. The reports allow for more effective planning and allocation of funding for the Capital Improvement Program.
• Leon County has the lowest net budget ($773) per countywide resident among like-sized counties and has one of the lowest net budgets per county resident in Florida, with only eight other counties having lower budgets. Additionally, Leon County has six employees per 1,000 residents and ranks sixth lowest in employees per capita among all 67 counties.
• As an ongoing commitment to remain fiscal stewards of public dollars, the Office of Management and Budget routinely conducts comprehensive management reviews of County operations and organizations it funds to ensure the upmost effective and efficient operations of these entities.
• The Let’s Balance! Budget simulation game, developed by the Leon County Office of Management and Budget, is an innovative and engaging tool featured at the 2016 National Association of Counties Conference where nearly 100 county leaders were exposed to nationwide best practices. The Let’s Balance! Budget game is also used at events like the Summer Youth Program and Youth Leadership Tallahassee program.

County Budget for Fiscal Year 2015/2016 2016/2017

Demonstrating Highest Standards of Public Service

The Leon County Office of Management received the Distinguished Budget Presentation Award from the Government Finance Officers Association for the 26th consecutive year.
Goal Statement

**Purchasing:** To provide timely and professional procurement services to secure requested supplies, services and commodities at a specified level of quality and at the lowest possible cost through open and fair competition.

**Risk Management:** To establish, to the fullest extent possible, a safe work and service environment in which employees, as well as members of the general public, can enjoy safety and security in the course of their daily pursuits.

Strategic Initiatives/Support Highlights

**Governance**
- Continued to expand the use of electronic documents, including the implementation of electronic purchase orders. This allows vendors, staff, and other interested parties to obtain copies of purchasing and solicitation documents in a more efficient and cost-effective manner, while promoting sustainability by reducing the use of paper.
- Risk Management employs the team approach to ensure that the County continues to maintain a safe working environment for its employees through the coordination of monthly Safety Committee meetings, with representation from a broad array of work areas. During these meetings, the Risk Manager and the representatives discuss potential safety improvements.

**PROCURING AND MANAGING RESOURCES AND SERVICES, AND MANAGING RISK**

- Purchasing implemented electronic purchase orders that are emailed to the vendors and the requesters. This reduces postage and paper costs while promoting sustainability by reducing the use of paper.
- Purchasing continues to serve citizens faster and easier with an online procurement system called Procurement Connect. This system provides vendors instant access to many different services and processes such as, instant access to bids, requests for proposal, invitations to negotiate, and various other solicitation documents.
- Purchasing continues to provide value-added service to County staff through ongoing procurement customer service and support with policy interpretation, purchase orders, change orders, quotes, informal bids, contract preparation and other assistance. Purchasing also provides sales and customer support to County staff through ordering, stocking and issuance of operational consumable products valued at over $60 million during the fiscal year through more than 2,200 requisitions.
- An essential function of the Purchasing Division is maintaining the proper control records of all tangible personal property. In order to account for all property, Purchasing conducts an annual inventory. This past year, the inventory consisted of assets valued over $55 million.
- Leon County utilizes online auction services and on-site surplus sales to dispose of obsolete equipment that is no longer used by departments, in order to maximize the County’s investment. This past year, Purchasing conducted both on-site and online surplus sales/auctions resulting in a return of almost $250,000.
- As responsible stewards of the community’s financial resources, Purchasing mitigates risk to the County through utilization of bonding practices for vendor bids, vendor performance, supplier and subcontractor payment, and requires appropriate vendor insurance coverage.
- In order to ensure that Leon County continues to maintain a safe working environment for its employees, Risk Management Coordinated eleven safety sessions and conducted monthly site visits.
  - Conducted annual driver license checks on all authorized drivers and coordinated random drug and alcohol testing.
  - Reviewed in excess of 500 criminal background checks on individuals wishing to volunteer.
  - Engaged citizens and employees alike by being hands-on and having a personal presence. Risk Management maintains high visibility in the workforce, which assists in keeping risk management/safety forefront in employees’ minds and actions.
